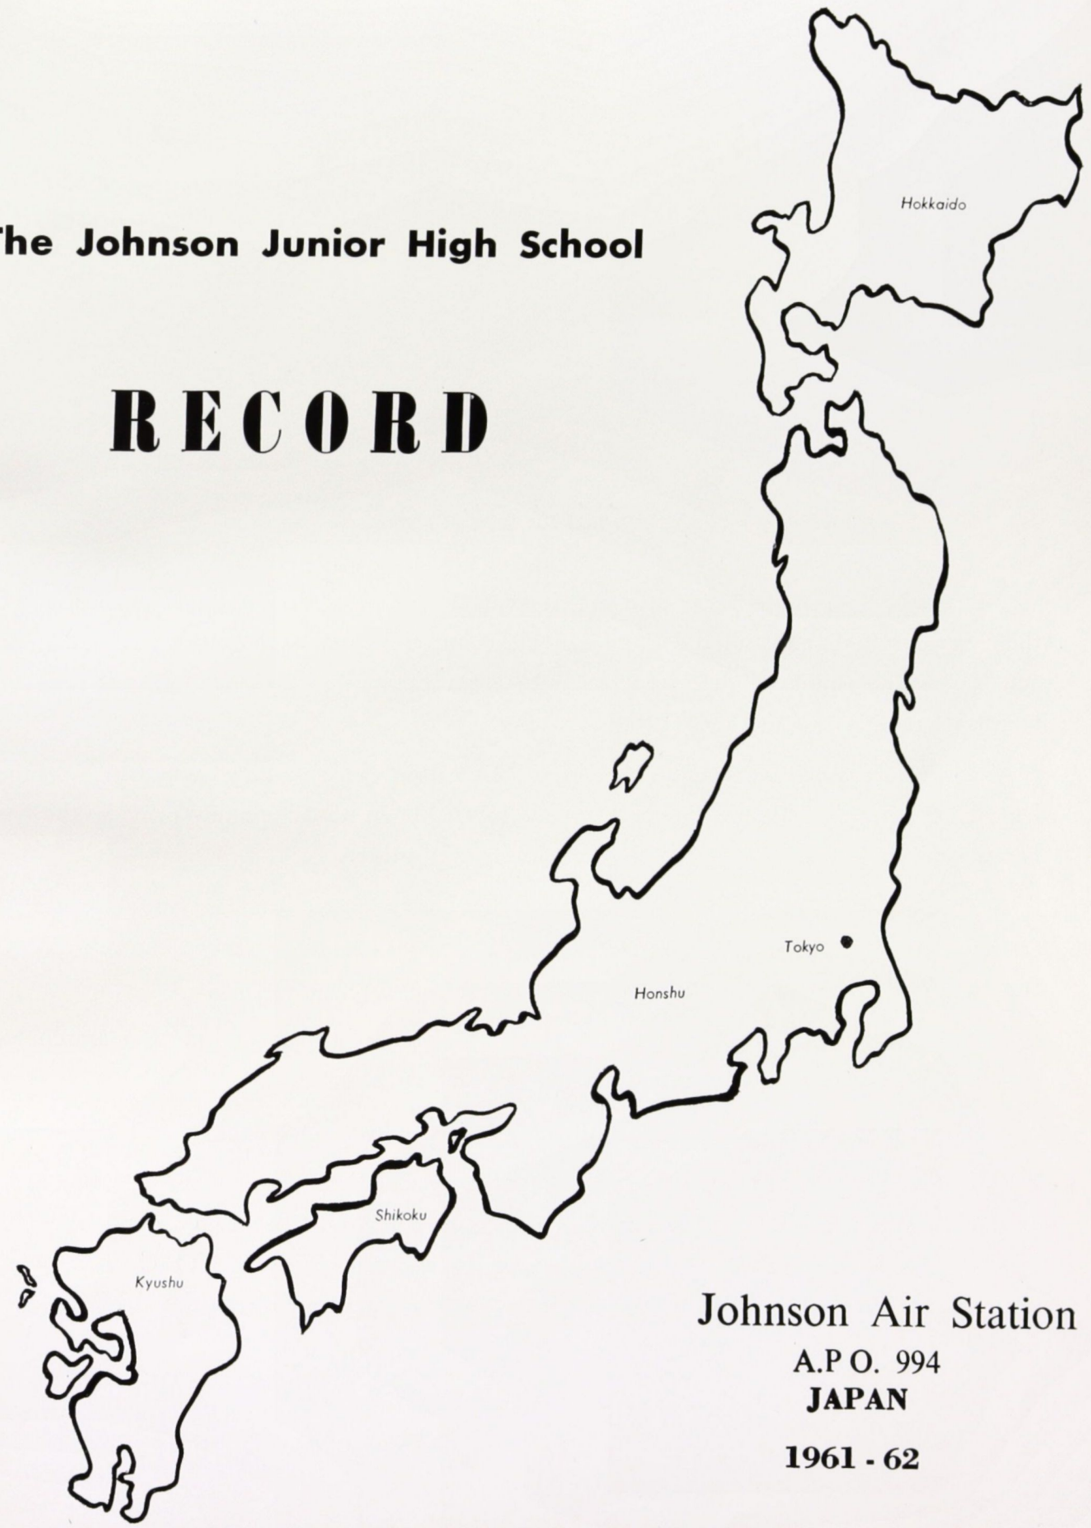
The Johnson Junior High School

RECORD

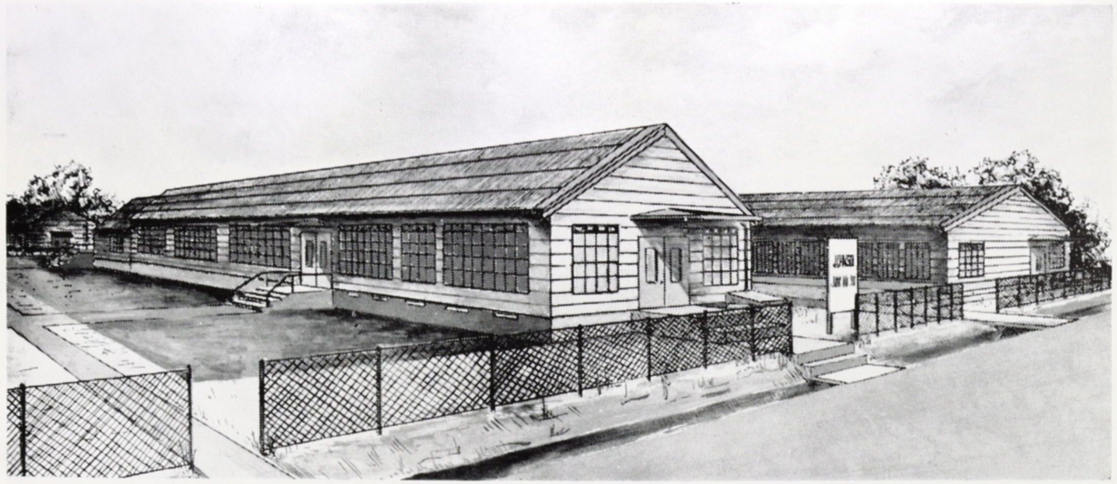


Johnson Air Station

A.P O. 994

JAPAN

1961 - 62



"School History"

The 1960-61 school year was the first year the 7th and 8th grades were situated in their present location, and the first year the Johnson School system actually had a 7th and 8th grade Junior High School separate from the senior high school, and the elementary grades.

Because of the increased student enrollment within the past few years, many changes have taken place within this school system, to enable us to adequately provide the best educational facilities available for the students as possible.

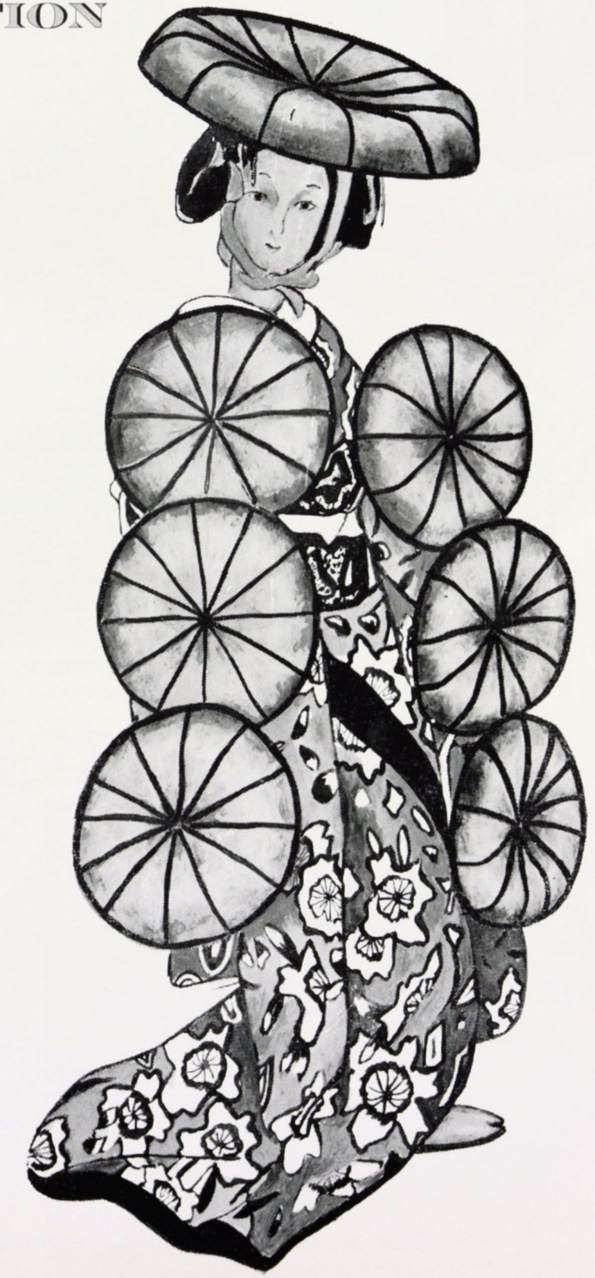
The 1961-62 school year has been the first year Yokota Air Base and Johnson Air Station have merged into one school system, thereby providing a more centralized and functional administration of the two areas.

Children of Air Force personnel, Army personnel in the area, and civilian employees, are entitled to the educational benefits this school system offers.

Our school strives to give the student a sound educational background comparable to the best systems in the United States.

It is our firm belief that America can only remain a symbol of democracy and freedom, and a way of life, by putting every effort into educating our children, "our future", and yours, in the best possible way, so that we might someday look to them for leadership, guidance, hope, and with pride.

ADMINISTRATION



LT. COL. RALPH E. DOUGHERTY
Chief, Education Division

COL. ERIC de JONCKHEERE
Yokota-Johnson Base Commander

MR. RICHARD R. MEYERING
Superintendent, Air Force Japan Dependents Schools

MR. PAUL A. SHANNON
Superintendent, Yokota-Johnson Dependents Schools

MR. ARTHUR K. HEDBERG, JR.
Principal

MISS NANCY L. SHAWLEY
Counselor

MRS. BARBARA T. CARTER
Secretary

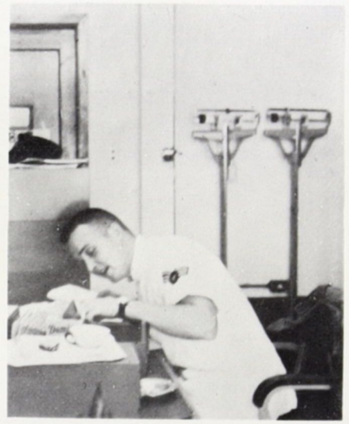
Kenichi Ichikawa, Hideo Kato



A/1C Vernon Loper, Medical Aide

Lt. Glenice De Zutter, Nurse

Part of the responsibility of a well organized and functional school is the protection of the students' health and well being. We are very fortunate to have on our staff such a well qualified medical team.

A school cannot function properly without a smoothly running supply organization behind the scenes, keeping us supplied with a constant flow of materials necessary in a educational situation.

Mr. Tokuichi Hashimoto
Mr. Shogo Shibuya

(L to R) Lt. Larry H. Mooren, A/2C Michael F. Herring,

Chichibu Junior High School

. . . arrived by bus

. . . greeted by students

. . . visited our school

. . . the flight line

The 1961-62 Johnson Junior High School Science Fair was one of the main events of the school year. Entries were submitted under the following catagories; *Biology*, *Physics*, and *Chemistry*. A Grand Award, three *First Place* ribbons, and nine *Second Place* ribbons were awarded.

The Grand Award ribbon winner (pictured at right) was Sherril Adkins, an eighth grade student. Her entry, "Analyzing Child Art", was a compiled study dealing with childrens' subconscious thoughts, feelings, and experiences expressed through their drawings. She worked on this project for three months during which time she had actual teaching experience in the primary grades, collecting information and material for her project.

The final result of her efforts was a most interesting and worthwhile written and visual presentation dealing with child creativity; which reflected Miss Adkins advanced and mature planning.

The chorus members, accompanied at the piano by Bob Wardell, have been very active during the past year. The activities have included a lovely Christmas program and a performance for the P.T.A. The group went to the musical movie spectacular, "West Side Story," and participated in a musical festival at Tachikawa, and a Japanese-American Cultural Exchange Day, to round out a most successful year.

Bowling Club

First row: (Left to Right) Pat Clark, Beverly Hamilton, Dennis Andrews, Debby Shannon, Libby Smith. Second row: Miss Dahlke, John Murphy, Frank Ahrens, Jim Brokenik, Anna Kulas, Pat Snead. Third row: Phyllis Gray, Patty Everly, Doreen Hammond, Brenda St. Julien, Nancy Mohr, Joyce Scroggins.

Before the Johnson Air Station Bowling Center was closed for the installation of automatic pin setters, the Bowling Club met every Thursday after school in front of the Junior High School. A special bus took the members of the bowling club to the Bowling Center. The interest in the bowling club was so great that the group had to be split on a semester basis. Students at Johnson Junior High School continued to participate enthusiastically in this popular sport after the resumption of the club in February.

Mathematics Club

(Left to Right) Debbie Johnson, Sharon Shibisaki, Janet Swigler, Linda Waugh, Johnny Hasegawa, David Hackett, Mr. TeBordo, Helen Nolan, Sylvia Wallace, Sharon Wall, Jim Stalmaster, Lewis Miller.

Officers

President :	Janet Swigler
Vice President :	Sharon Shibasaki
Secretary :	Helen Nolen
Treasurer :	Sharon Wall
Faculty Advisor :	Mr. Ernest TeBordo

The purpose of this club is to give an opportunity for those students who enjoy mathematics to learn some of the more interesting aspects of mathematics in a more informal relaxed atmosphere. The work that is done in this club is work that cannot be carried out in the regular mathematics curriculum because of a lack of time.

The club is working with the abacus and the slide rule. Since we are here in Japan where the abacus is used extensively, it is naturally interesting to the person who is interested in mathematics. Our objective is to learn all the basic arithmetical computations with the abacus and from that point students can become as proficient as the practice time allows.

Another objective is to study the slide rule and learn its basic operations of multiplication and division and proportions. These two projects will take up the major portion of the club's time this year.

Drama Club

Fisrt row: (L to R) Sandra Braymen, Linda Schill, Caroline Bourke, Judy Kellerman, Daryl Braymen, Patricia Slater. Second row: Mrs. Abbott, David Emory, Kris Straup, Ricky Sanders, Bob Wardell, Billy Baldwin, Glenn Hoopman, Leslie Sheetz, Linda Kelly. Third row: Larry Moffitt, Tom Pietschner, Joanne Holt, Marie Muench, Lyda Yohner, Marilyn Yurkovitch, Mr. Calkins.

The purposes of school sponsorship of a Drama Club as an extracurricular activity are many. The club provides the opportunity for a select group of students interested in Theatre Arts, to gain experience to develop their interests and abilities in this field, through workshop training and stage productions. Another purpose of the group is to provide the members of the student body in general with entertainment as well as educational experiences through Drama Club presentations. Characteristic of Drama Clubs overseas, the Johnson Junior High School Drama club provides an opportunity for students to appreciate and better understand the culture of the country in which they are living, by visiting various cultural centers such as ancient and modern legitimate theatres.

Third row: Jon Gardener, Mike Romanos, Soladad Brannon, Ran Adams, Sherril Adkins, Robert Webb, Karl Kuyper, Cindy McGregor, Donna Lucas, Beverly Elliott, Susan Rader, Tinker Crites.

Officers:

President: Ellen McCauley
Vice President: Jon Gardener
Secretary: Donna Williams
Treasurer: Inez Howell
Reporter: Mike Holliday
Faculty Advisor: Mrs. Peggy Hedstrom

The Junior Red Cross gives boys and girls an opportunity of participating as members of a voluntary agency engaging in humanitarian services. It can offer boys and girls opportunities to develop skills, talents and knowledge. Special projects this year have been a "Trick or Treat" Halloween drive that collected magazines for hospitals and for the use of English teachers in Japanese Schools; a contest for menu covers to be used by the hospital at Thanksgiving time; a toy drive for the base nurseries and the making of Friendship Albums. About every two months the club meets with the Kanto Plain group at Camp Zama. Students are sent to a training school at Nikko with money collected from our fund drive.

PUBLICATIONS

Front row: (L to R) Bob Morris, Patti Meredith, Tom Mack, Sharon Wall, David Waid, Katherine Klingler, Sherril Adkins. Second row: Mrs. Bewley, Bertha Greenlaw, David Baldwin, Wayne Arnett, Bonnie Mason, Ruben Gonzales, Marie Muench, Richard Villa, George Stubbs. Third row: Ran Adams, Susan Sell, Chris Miller, Cornel Bray, Lyda Yohner, John Bendor, Gerald Lien. Fourth row: Tony Lunsford, Lenn Doran, Janis Hennigan, Albert Clements, Bobbie Cooper, Jim Mitchelson, Lynn Petzoldt, Mr. Hurley.

This is the first year that Johnson Junior High School has had a printed newspaper. "The Highest Sky" is a four page monthly edition. The staff is composed of photographers and reporters with assignments not unlike those of a large newspaper. All of the members are asked to help with the layout work preparing the issue for the printers. Before an issue is picked up, it is proof-read in Tokyo by the sponsors, Mrs. Bewley and Mr. Hurley, and some staff members. At this time the staff member has an opportunity to observe the actual mechanics of printing a newspaper.

We feel that the educational values attained from this activity are many. The publications provide a lasting remembrance of life at Johnson Junior High School for all of the student body.

Production Committee

Yearbook Sponsors

Science Club

First row: (L to R) Emily Callender, Patti McGowen, Shirley Montgomery. Second row: Alan Chapman, Mike Fahey, Terry Boren, Karen Dougherty, Linda Pummel, Rcbert Wilson, Thomas Mack, Glenn Hoopman, Larry Smith, William Surles, Richard Shepley, Regina Rhodes. Third row: Richard Mara, Steve Now, Cindy Neher, Diane Hawkins, Billie Glass, Linda Pfund, John Bogard, Andy Arnold, Greg West.

The Science Clubs are sponsored by Mr. Svec and Mr. McDuffie. The clubs meet during the activity period on Friday and after school. Their plans are to investigate the areas of science not covered by the textbooks, and to go deeper into the areas of science that are in the textbooks.

Mr. McDuffie's eighth grade club plans to bring individual speakers in to help give the members a better idea of the different science and math career fields. It will also give the members a chance to apply themselves to the different fields of science.

The seventh grade club, sponsored by Mr. Svec, has many projects planned for its members. Among these are the Science Fair, four field trips, individual science investigations, and a science assembly planned for the lower grades.

(L to R) Lewis Miller, Stephen Jones, David Emory, Wayne Arnett, Mr. Svec, Katherine Klingler, Gorden Julich, Kris Straup, Gregory Bishop, Courtney Smith.

Speech Club

First row: (L to R) Edwina Kellerman, Howard Smith, Ralph Masenimptewa, Linda Allen, Joyce Simmons, Susie Silva, Pat Smith. Second row: Eddie Smuin, David Chisler, Mike Healan, Eileen Graziano, Becky Monk, Patty Redden, Lynn Price, Sylvia Messer, Cheryl Bemberg, Doug Mears, Nicky Lunsford, Miss Hobson.

The speech club, under the direction of Miss Hobson, meets every Friday during activity pericd. The club is maintained to help students gain poise and confidence when speaking before a group. The group hopes to develop the ability to carry on intelligent and interesting conversations with other people. The club is also working on organizing and giving different kinds of speeches such as campaign, welcome and introductions. Johnson Junior High School students this year have enjoyed participating in this very worthwhile activity.

STUDENT COUNCIL

OFFICERS

President : Gary Lee
Vice President : Del Lay
Treasurer : David Williams
Faculty Advisor : Mrs. Hicks

The Student Council, sponsored by Mrs. Patricia Hicks, plays an important part in the life of Johnson Junior High School. The council is made up of representatives from each homeroom in the seventh and eighth grades. The officers were elected in a general student body election.

STUDENT COUNCIL

First row: (L to R) Mike Ford, Melvin Vause, Wayne Bagnera, Gary Lee, Del Lay, David Williams, Sally Petzoldt, Marketta Krier, Dana Ayers, Mrs. Hicks. Second row: Cynthia La Croix, Ronnie Hamilton, William Webb, Steve Wessel, Terry Boren, Hinano Monsarrat. Cathy Baustian, Suki Farmer, Gary Dinkle, Kathleen Sykes, Forrest Phelps, Charlie Hearn. Third row: Ron Simons, Kent Moulder, Andrew Herrington, Terry Collins, Barbara Willis, Gayle Goeden, Beverly Hammond, Dolores Hitesman, Stephen Godfry, Tom Herbener, Alliston Redfern.

Of the many purposes of this organization, the most important are to promote the betterment of the school, to express ideas on school problems, and to encourage cooperation among the students, faculty, and the administration.

The Student Council hopes to promote school spirit through sponsoring special activities such as dances and a Career Day. The representatives also handle student projects such as yearbook sales and money raising projects. The success of many of this year's events at Johnson Junior High School is due to organization by this representative body.

INTRAMURAL

The intramural sports program is designed to give every boy at Johnson Junior High an opportunity to participate in competitive athletics in several sports throughout the year.

Intramurals supplement the regular physical education classes by giving students a chance to put into practice many of the skills they learn in class. The competition also promotes physical fitness and encourages good sportsmanship.

Home room classes compete against other homerooms on the same grade level. A champion is declared for each sport in both the seventh and eighth grades. Most of the contests are scheduled after school hours so they do not take time from the classroom studies. Occasionally games may be scheduled during the weekly Activity Period on Friday.

Tournaments are planned for Football, Soccer, Basketball, Volleyball, Track and Softball.

Art

What does art really mean? Can it really be defined? Art is all around us, we come in contact with it everyday of our lives. It is nessary for the development of a child's personality in relation to his creative growth. It gives the child an outlet to relieve his inner feelings expressed through creative efforts.

Self achievement is necessary for both adults and children. Without is we seem inadequate even though we might hold a position of responsibility in the business world, and try to rationalize by telling outselves we aren't artistic.

We all can create. Children, who are uninhibited in communicating their ideas, and can be guided along without having the burden of false standards to reach, will be able to think for themselves when they mature.

The art room is a place where a child can learn to express his ideas, his feelings, and emotions. A place where he can be guided and taught the use of materials to accomplish his desire. It is one of the few places the students learn about materials; everyday materials we use all our lives, and materials not usually used, but with many hidden potentialities. He discovers and is guided, rather than being directed and steered. Students learn that in order to create they must use the tools (tools of the trade), and tools must be taken care of so they will last and give the best use. Man first commu icated with one another by pictures and since the beginning of time the cultural part of life we have found very important, in fact, necessary.

It is our duty and responsibility to give every student the opportunity to be exposed to art, for one amongst them might someday record contemporary American Society.

MR. ROBERT L. HURLEY
ART INSTRUCTOR

Typing

This is the first year that we have been able to offer such a variety of special subjects. Typing, as pictured above, is very popular with the students. Mrs. Joann Ivery, the teacher, introduces the subject with interesting drills. It appears that the student in the center is having a little trouble with a, s, d, f, g, h, j, k, l.

French is also taught as a special subject. Mrs. Bewley introduces the subject orally. The classes use a tape recorder in classroom drills. This "first" this year at Johnson Junior High School will give valuable language background for the students when they are in high school.

Pictured below is our library which is available for the students' use from 8:00 in the morning to 4:00 in the afternoon. Miss Coon, our librarian, instructs the students in the use of the library facilities.

The Annual Japan Focused in....

This is Japan 1962

"THIS IS JAPAN", ONE OF THE WORLD'S MOST BEAUTIFULLY PRODUCED MAGAZINES, IS A LASTING RECORD OF A FASCINATING, EXPANDING, VITALLY IMPORTANT COUNTRY. AS A GIFT, IT EXPLAINS EVERYTHING YOU HAVE SEEN—AS A SOUVENIR, IT WILL BRING TO LIFE A REMARKABLE EXPERIENCE.

Building on the foundation of ancient tradition, Japan has become an important factor in the moderm world. How has this happened? What role will Japan play in future? The answers are to be found in "This Is Japan" as it probes the past, analyzes the present, peers into the future.

The writers, photographers, and editors responsible for "This Is Japan" 1962 have had one aim in mind: how best to explain an ancient and complex country to the ontside world—whether represented by the tourist, scholar, or the businessman.
