FLAGLER COLLEGE

ATHLETICS HISTORY

Flagler College was founded in 1968 and its athletics teams started in the 1973-74 academic year. The first sports at Flagler were: men's and women's basketball, men's cross country, men's soccer, slow-pitch softball, men's and women's tennis, volleyball and baseball.

In 1977, Flagler's athletic programs became members of the National Association of Intercollegiate Athletics (NAIA) and in 1990 became charter members of the Florida Sun Conference (now known as The Sun Conference). On Feb, 14, 2006, Flagler announced its official move to NCAA Division II and on July 1, 2009 announced its membership in the Peach Belt Conference.

Flagler has won five NAIA national titles in women's tennis (1987, 1988, 1989, 1990 and 1991) and was the national runners-up in 1992. The men's tennis program claimed the NAIA national title in 1977 and 1986. They were the national runner-up in 1985.

The men's basketball teams competed in the NAIA national tournament three times (2003, 2004 and 2005) and advanced to the second round in the last two trips. The Saints were ranked in the NAIA Top 25 at least once every year from 1995-2006, with the exception being 1999.

The women's basketball team appeared in two NAIA national tournaments (1999 and 2000).

The men's golf team has made numerous appearances in the NAIA national tournament and earned its highest ranking in the history of the program, No. 2, in the final poll of 2006. The team won Peach Belt Conference titles in 2011 and 2015. Since 2010, the Saints have competed every year in the NCAA Division II South/Souteast Regional, except 2013.

The women's golf team won the inaugural Peach Belt Conference Championship in the spring of 2010 and became the first program in the NCAA Division II era to be ranked No. 1 in the country in the spring of 2015. The Saints have competed in the NCAA Division II regional, as a team, in: 2011, 2014, 2015 and 2016. Linn Weber earned medalist honors at the 2016 Peach Belt Conference Championship which was held at the Slammer & Squire Course at the World Golf Village.

Both cross country teams became the first NCAA Division II teams at Flagler to participate in the post-season as they competed in the South Regionals in 2008. Corey Mundy competed in the NCAA Division II Championships in 21013 and 2014. The women's cross country team won the 2013 Peach Belt Conference title and finished second at the Southeast Regional which allowed the team to compete at its first national championship, which was held in Spokane, Washington.

The baseball team has had 12 players drafted into the Major Leagues and had its first player, Chris Barnwell, make the Majors in 2006 with the Milwaukee Brewers.

The men's soccer team won the Peach Belt Conference regular season titles in 2009 and 2011 has played in the NCAA Division II National Tournament from 2009-12. Johan Bergfeld became the program's first Division II All-America selection in 2010. John Lynch was named the Southeast Region Coach of the Year in 2009. In the summer of 2012, Johan Bergfeld received the Peach Belt Conference's highest honor - the Student-Athlete of the Year.

The volleyball team has won three Peach Belt Conference regular and post-season titles (2009-11). The 2009 team won the Southeast Regional and advanced all the way to the national semifinals. The 2011 team that

won the Southeast Regional title advanced to the national quarterfinals. Taylor Mott won the Coach of the Year Award in the Peach Belt Conference (2009-11). She also earned Florida Sun Conference Coach of the Year honors three times. Flagler has produced one NCAA Division All-American – Olivia Snipes (2011) - a three who earned honorable mention honors: Katie Beale (2009), Meg Weathersby (2010) and Dianna Craine (2011-12).

The softball team, which debuted in 2009, has made NCAA regional appearances in back-to-back seasons (2011 and 2012), and advanced all the way to the national championship for the first time in 2012.

The men's and women's indoor track & field program held its inaugural season in 2014-15 competing in five different meets. Andrew Smith became Flagler's first athlete to compete at the NCAA Division II Indoor Track & Field Championships in 2016.

129 student-athletes have been named NAIA All-America as well as 52 NAIA Scholar Athletes. Former tennis coach Walter Shinn was named NAIA Coach of the Year five times (1987-91), all in women's tennis.

Flagler Gymnasium was built in 1976 and seats 1,760 people for volleyball and basketball. The Flagler Tennis Center was constructed in 1983 and is considered to be one of the finest facilities in the state. The Flagler Field Complex houses Drysdale Field (baseball), Saints Field (soccer), Flagler Field (softball) and the Flagler Field Locker Room Facility which was built in 2011. Drysdale Field was dedicated in 2011 and seats 700. The stadium introduced new seating behind the backstop in 2015. The original Flagler Stadium was dedicated in 2000. Saints Field was also introduced at the same time and was lighted in 2002. The complex is about three miles from campus. Flagler Field was opened in 2009.
