St. Cloud State Traditions:

History of the Nickname

The Husky Nickname: St. Cloud State's nickname has gone through several changes over the years. Early nicknames included "Normals," "Teachers," "Bear Cats," "Peds," and "Flying Clouds."

There are several theories about how the nickname "Huskies" began to be used. One says that it is a result of a student contest. Another suggests that the name originated with the football team. There was a story in the February 4, 1938, edition of the College Chronicle which referred to the "football huskies." Since huskies was not capitalized in the story, the author could have been referring to the team's size, and this possibly led to the nickname.

Another theory is that the nickname originated within the football team. "I think it occurred during Coach Kasch's days as football coach (1935-42)," said John Weisman, former SCSU Dean of Men and former coach. "The team just started calling themselves the "Huskies."

Why the name was chosen or who exactly selected it remains unclear. The name could have been intended to mean "burly, robust or large," "one that is husky," or "a heavily coated working dog of the arctic region."

Perhaps the nickname was meant to encompass all three meanings. Regardless of its origin, the Husky nickname continues to represent SCSU as a symbol and image of strength.

The St. Cloud State Rouser

Oh, here we are, the gang and all,
to cheer our team to victory.
SCSU has heard the call,
We're here to show our loyalty, RAH! RAH!
Come on team fight, We'll win this game,
and to our colors we'll be true.
We'll sing our song, both loud and long,
to victory – S.C.S.U.

The St. Cloud State Hymn

Sing to thee our Alma Mater, High on oak-crowned banks, Emblem of our search for knowledge, Symbol of our youthful ranks, Filled with fires of true ambition, Let us ever be; Loyal to thy fine tradition, Hail St. Cloud, to thee.

By the river's flowing water, By its islands fair, may the loyal sons and daughters, thy enduring friendship share. May they with sincere ambition, through the years e'er be; Loyal to thy fine tradition, Hail St. Cloud, to thee.

ST. CLOUD STATE FACILITIES

FIRST CLASS PROGRAMS...FIRST CLASS FACILITIES

St. Cloud State University's tradition of excellence in athletics is mirrored by the many outstanding athletic facilities that are featured on the SCSU campus. The majority of SCSU's home sporting events take place at the following locations on campus: Halenbeck Hall, Husky Stadium, Selke Field, Dick Putz Field, and the National Hockey Center.

HISTORIC SELKE FIELD: Selke Field is the home to Husky softball, which placed third in the nation in 2004. The softball diamond is located in the southeast corner of the Selke Field athletic complex. Bleachers and two dugouts complete the playing area. In addition, SCSU students use the facility for intramural soccer and touch football.

HUSKY STADIUM: Husky Stadium pened in September 2004. This multi-purpose facility offers seating for 4,198 spectators and is the home to SCSU football and soccer. The field overlooks the scenic Mississippi River and features a state-of-the-art synthetic playing surface along with lights for night play. In the winter months, the field is covered with an inflatable bubble that provides an outstanding practice space for many of the SCSU athletic teams and SCSU's recreation sports programs. Other features of the facility include a press box, President's Suite, concession stands, ticket booths and bathroom facilities.

The stadium is connected to Halenbeck Hall by a new student recreation facility that features a massive fitness center, climbing walls, classrooms, dance studios, snack bar, office space and storage locations.

HALENBECK HALL: Halenbeck Hall was completed and dedicated in 1965. The main gymnasium of Halenbeck Hall has a seating capacity of 6,451. Volleyball, men's and women's basketball, wrestling, and swimming all compete in the main area of Halenbeck. In the summer of 2001, a new wooden floor, arena seating and scoreboard were installed, which makes Halenbeck one of the best courts in the NSIC. The Halenbeck Aquatics Center has seating capacity for 500 spectators. Its features include a six-lane pool and a diving well with one and three meter boards.

HALL OF FAME: Halenbeck Hall is home to the SCSU Athletic Hall of Fame, which was completed in the spring of 1996. The Hall of Fame is located in the south lobby of the main gymnasium and houses the Hall of Fame plaques, as well as trophy cases for each of the Huskies' sports. The building also houses several classrooms, a complete computer lab and offices for the coaches and athletic administrative staff.

HALENBECK HALL SOUTH: Halenbeck Hall South was completed in 1980. It provides SCSU with an indoor training facility for track. The major feature of Halenbeck South is an activity center and multiple purpose area bordered by a running track. A new surface was installed in the Halenbeck South Fieldhouse during the summer of 2006. The facility also houses six regulation size racquetball courts, a wrestling practice room, intramural offices, climbing wall and a human performance laboratory. To the east of Halenbeck and Halenbeck South are outdoor tennis courts.

NORDIC SKI: SCSU's nordic ski team practices at nearby Riverside Park and Greystone Trails, which is located directly across the Mississippi River from the SCSU campus. The Mississippi River also provides many recreation opportunities for the outdoor sports enthusiast, including fishing, canoeing and hiking.

THE HERB BROOKS NATIONAL HOCKEY CENTER: The Herb Brooks National Hockey Center is home to Husky hockey and opened its doors in December of 1989. Its features include two Olympic size sheets of ice measuring 200' by 100'. The main rink has a seating capacity for 5,371 fans. The arena underwent major renovation recently and is now highlighted by a stunning atrium entrance on the southside of the building, a new concourse level with concession areas, pro shop and the classy Husky Den club room. The project also added in 14 new suites on the southside of the building along with enchancements to the SCSU locker rooms and athletic training operations. The renovations have added new player lounges, shower facilities, changing areas, training area and custom built lockers to the Huskies' home facilities.

THE MAC: Baseball is played at the St. Cloud Municipal Athletic Complex, located at the west end of St. Cloud. The complex features two of the finest baseball fields in the state - Dick Putz Field and Joe Faber Field.

WEIGHT TRAINING: St. Cloud State athletes have access to two weight training rooms. Athletes can train in the well-equipped, spacious, free weight rooms in Halenbeck and the Brooks Center.

ATHLETIC TRAINING: St. Cloud State athletes have access to two athletic training rooms. Athletes can get treatment in the well-equipped, spacious, training rooms in Halenbeck and the Brooks Center.

GIVING BACK TO ST. CLOUD

HUSKIES HOCKEY PROVIDES A HELPING HAND IN THE COMMUNITY AND ON CAMPUS

The St. Cloud State University men's hockey program and the entire St. Cloud State University Athletic Department annually provides many hours of volunteer service for the St. Cloud area and the campus commuity.

Over the years, the St. Cloud State men's hockey team has participated in reading programs for local youths, they provide a helping hand at the University's annual move-in day for students moving into the campus dormitories and they participate in the annual Skate with the Huskies program each fall.

These are just a few examples of the many ways that the St. Cloud State University men's hockey program gives back to the community that surrounds and supports that in St. Cloud and on the campus at St. Cloud State University.

Brett Larson will begin his second season as head coach at St. Cloud State University in 2019-20.

In his first season with the Huskies, Larson made an immediate impact by leading the Huskies to a 30-6-3, 19-2-3 NCHC record, which included an NCHC regular season championship.

The 2018-19 NCHC coach of the Year, Larson positioned the Huskies at the top of the NCAA college hockey polls throughout much of the season and helped SCSU earn a number one seed going into the 2019 NCAA tournament.

Individually, SCSU earned an unprecendented four All-America awards (Jimmy Schuldt, Patrick Newell, Blake Lizotte and Jack Ahcan) along with two players named as Hobey Baker Award top 10 finalists (Schuldt and Newell). In the always rugged NCHC, the Huskies dominated the postseason awards list as Schuldt was named the Player of the Year, Newell gained Forward of the Year accolades and a total of eight Huskies received All-NCHC recognition.

His Huskies set a team record for fewest number of losses in a season with six in 2018-19, and the Huskies also led the nation with a team record setting winning percentage of 80.8%.

A highlight for Larson during the upcoming 2019-20 season will be his selection as an assistant coach for Team USA at the 2020 IIHF World Junior Championships.

Larson joined the staff at St. Cloud State with a decorated college hockey coaching resume that included helping lead NCHC rival Minnesota Duluth to one of its most

successful runs in the history of that program - including two NCAA championships.

Larson is the third coach at St.Cloud State in the history of the University's NCAA Division I men's hockey program, and SCSU's 17th head coach since the program stared intercollegiate play in 1931-32.

At SCSU, Larson is at the helm of one of the nation's top programs. The Huskies have positioned themselves among the best NCAA Division I programs in the nation. SCSU has won the National Collegiate Hockey Conference regular season championships three times since 2014 (2019, 2018 and 2014).

Prior to his arrival at SCSU, Larson served as an assistant coach at his alma mater Minnesota Duluth from 2015 to 2018. He also was an assistant with the Bulldogs from 2008-11 and helped Minnesota Duluth win an NCAA Division I national title in 2011 and once again in 2018.

St. Cloud State University head coach Brett Larson

The Bulldogs made five NCAA tournament appearances during Larson's tenure, finished as the NCAA runner-up in 2017, won the NCHC playoff title in 2017 and the WCHA playoff championship in 2009.

At UMD, Larson coached and/or recruited one Hobey Baker Award winner, five All-Americans, eight future NHLers and one U.S. Olympian.

In addition to his time at UMD, Larson served as head coach and general manager with the USHL's Sioux City Musketeers from 2011-13. He spent two seasons in Sioux City and led that team to the USHL playoffs in 2011-12.

Larson, who served as the head coach for gold medal-winning Team USA at the 2012 World Junior A Challenge, returned to the collegiate ranks in 2013 when he joined the staff at Ohio State as an associate head coach. Many of the players Larson coached and recruited at Ohio State helped the Buckeyes advances to the Frozen Four in 2018.

A Duluth native and 1991 Denfeld High School graduate, Larson played college hockey as a defenseman at UMD for four seasons (1991-95). He scored 24 goals and 43 assists in 133 career games. He captained the Bulldogs during his senior year in 1994-95 and was a three-time WCHA All-Academic team award recipient. He also landed the team's Community Service Award and was named UMD's Most Improved Player as a junior.

An 11th round pick by the Detroit Red Wings in the 1990 National Hockey League draft, Larson went on to play 12 years in the professional ranks, including two (1990-2001) as a player-coach with the San Diego Gulls of the now-defunct West Coast Hockey League.

He also played with the Colonial Hockey League's Madison Monsters, the East Coast Hockey League's Louisville Riverfrogs, the International Hockey League's Utah Grizzlies, Las Vegas Thunder and Long Beach Ice Dogs in addition to spending another five years in Denmark, Germany and England. He wrapped up his playing days in 2006-07 as a player/assistant coach for the Florida Seals of the Southern Professional Hockey League. During the spring of 2008, Larson coached Team RBK (AAA selects) in the Twin Cities metro area.

Larson, who received his Bachelor's degree in criminology from UMD in 2004. He and his wife, Kelly, have two children (Lane and Calla).

ST. CLOUD STATE HOCKEY HISTORY 101

Celebrating St. Cloud State University Men's Hockey Before the Division I Era

The 1930s

The sport of hockey has enjoyed a long history at St. Cloud State, dating back well before the Huskies moved to the NCAA Division I level in 1987-88. In fact, University records show the start of organized intercollegiate hockey as the 1931-32 season, when St. Cloud Teachers College posted a 1-7-0 record under the leadership of coach Ralph Theisen.

Johnny Alexander in the 1930s

SCSU quicky became a college hockey power in the 1930s and 1940s. With hockey greats Frank Brimsek, Sergio Gambucci, Roland Vandell and other premiere talents, St. Cloud State Teachers College rose to a prominence which provided collegiate hockey with a tremendous boost.

"No institution did more for collegiate hockey in the '30's and '40's than St. Cloud," said the late Minnesota hockey great John Mariucci. "The Vandell brothers, (Bernard) Bjork, (Ray) Gasperlin, Gambucci, Strand and (Walter) DePaul all ended up at St. Cloud State and were instrumental in helping the hockey program. (Later) Gambucci started the high school hockey program in Grand Forks and Robert DePaul was the coach at International Falls."

One of the most influential and successful individuals in St. Cloud's hockey history was Frank Brimsek. Brimsek was a member of the 1933-34 hockey squad and later played goalie for the Boston Bruins in the NHL. He earned the nickname "Mr. Zero" as a rookie goaltender for the Bruins when he led the NHL in victories, goals against average and shutouts, won the Calder Trophy as the rookie of the year and led the Bruins to victory in the Stanley Cup playoffs. He played nine seasons before retiring in 1950. Brimsek holds the distinction of being the only St. Cloud alumnus to be inducted into the United States Hockey Hall of Fame and the Intenational Hockey Hall of Fame in Toronto.

Ludwig Andolsek, who coached the Huskies from 1932-35, guided St. Cloud State into the final game of of the national championships in 1935. There was one major contrast between that era and now - St. Cloud had no indoor rink. Hockey depended on the elements and there was either too much cold, too much snow or not enough cold to preserve the ice.

The 1940s & 1950s

The 1931-32 squad at SCSU

Hockey and college athletics were limited by World War II in the early 1940s, but SCSU returned to the ice with solid teams in the later 1940s. Coach George Lynch led the Huskies to a 14-3-2 record in 1946-47, before Vandell returned to campus to coach the SCSU skaters from 1947-50 and again in 1951-52. Future SCSU president Brendan McDonald coached the Huskies in 1953-54, while player-coach Jim Baxter and standout Jerry Reichel (father of future SCSU All-American Dave Reichel) guided SCSU to more winning seasons in the mid 1950s.

The 1960s & 1970s

Coach Jack Wink took over the helm for the next decade, as he led the Huskies to new heights in the early 1960s. Thanks to the emergence of several top players such as Skeeter Hawkinson, Ed Noble, Dale Carmichael and Bill Fritsinger, the Huskies peaked with a perfect 12-0-0 record in 1961-62.

Bill Fritsinger in the 1960s

Later in the 1960s, coach Charlie Basch began his tenure at SCSU in 1968-69. The 1960's and 70's produced five All-Americans in Ronald Gordon (1970), Paul Oberstar (1971), John Fitzsimmons (1973), Pat Sullivan (1974,1975), and Dave Reichel (1978, 1979).

Teams in the late 1970s also featured Husky standouts Steve Martinson (a future NHLer) and Jeff Passolt, who is currently the news anchor for KMSP Fox 9 TV in the Twin Cities. Passolt completed his career with 68g/68, while Martinson had 69g/64a.

The 1980s

The 1980's were an introduction to several of the top scorers of all-time at SCSU and the beginning of future thoughts of taking Husky hockey to a new level - NCAA Division I.

In 1980, Basch led the Huskies into the Northern Collegiate Hockey Association, the inaugural season of the league. John Bergo emerged as a star with 76g/69 during the early 1980s. Basch ended his career with 181 victories - the second most in team history. Upon his retirement from coaching Basch was replaced by John Perpich, who in two seasons (1984-86), led the Huskies to back to back winning seasons.

After Perpich exited, the Herb Brooks and Craig Dahl became the one-two coaching punch for Husky hockey and a whole new wave of excitement landed on the SCSU campus during the 1986-87 season.

With the new coaching staff came a long range plan for developing SCSU into a Division I Hockey school. Brooks had coached the U.S. Olympic Team to Gold in 1980 and garnered NHL Coach of the Year honors as head coach of the New York Rangers.

Huskies celebrate in 1986-87

Continued from Previous Page...

In Brooks' first and only season as head coach at SCSU, the Husky hockey team broke or tied 45 school records. As the season progressed so did the excitement and Husky fans filled the MAC Ice Arena. Noteworthy players from that squad included leading scorer Mike Brodzinski, Steve Brodzinski, Herm Finnegan and Bill Korfhage.

The Huskies finished the season with a 25-10-1 record, first in the NHCA and placed third at the NCAA Division III Championships. The Huskies were seeded first in the Western Division and defeated Salem State in the first round of the NCAA Division III Championships. The series win over Salem State sent the Huskies to the finals. SCSU dropped their opening game to Oswego State 5-2 which put the Huskies in the third place game. SCSU defeated conference rival Bemidji State 6-4 and finished third in the nation.

SCSU Makes Move to DI

For many years, the Husky hockey program played at the NCAA Division II and III level. It wasn't until the mid 1980's that thoughts of Division I hockey entered the SCSU arena. A Division I commitment was made during the 1986-87 season and the Huskies joined Division I hockey as an Independent in 1987-88.

Craig Dahl

A key component to making the move would be a new, larger arena. The lobbying effort for this new sports facility was moving slowly. SCSU's proposal was left out of Gov. Rudy Perpich's construction proposals and the Senate bonding bill. The outlook wasn't bright. But then things took an interesting turn. Perpich began promoting his Olympic and amateur sports initiatives, ideas that included building various sports facilities around the state including a hockey arena. Suddenly St. Cloud State University was in the running, along with the City of Blaine for a proposed $9.5 million Olympic training hockey arena as part of Perpich's initiatives.

In late May of 1987, the arena proposal with the backing of Gov. Rudy Perpich and important on-campus help from President Brendan J. McDonald, Bill Radovich, Coach Herb Brooks and Athletic Director Dr. Morris Kurtz was approved. Groundbreaking for the arena occurred in the fall of 1988. Doors opened for the first hockey game on December 16, 1989 against Northern Michigan.

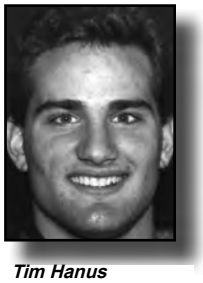
At the time, the National Hockey Center was one-of-a-kind in the United States with two Olympic sheets of ice under one roof.

While the construction of the NHC was underway, the Husky hockey team forged its way as an Independent among the NCAA Division I ranks. Craig Dahl took over as head coach of the Huskies in the fall of 1987 and led the Huskies to an 11-25-1 overall record. The Huskies won five of its last eight games, including an upset win over third-ranked Lake Superior State. The following season the Huskies posted a winning record of 19-16-2 and received an invitation to the NCAA Division I playoffs.

In 1989-90, the Huskies' third season as an Independent, SCSU opened the NHC with a 5-4 and 4-2 sweep of Northern Michigan in mid-December. At the end of the 1989-90 season, the Huskies were ranked second in the NCAA Division I Independent poll behind Alaska Anchorage.

SCSU Joins the WCHA

SCSU joined the WCHA in the 1990-91 season and finished fifth in the league with a 12-16-4 record. Junior defenseman Bret Hedican was SCSU's first All-WCHA First Team pick. Hedican opted to leave the Huskies the following season to play for the U.S. Olympic Hockey Team in Albertville, France.



Tim Hanus

Seniors Jeff Saterdalen and Tim Hanus became the number one and two scorers of all-time, completing their careers with 179 and 172 career points, respectively. The Huskies posted a 14-21-2 record in their second season as a member of the WCHA.

In 1993-94, SCSU (21-13-4) posted its fourth ever 20-win season, defeated UMD in the first round of the WCHA playoffs at home, defeated Wisconsin 3-2 in overtime in the semi-finals of the WCHA Final Five Tournament and fell to Minnesota of 3-2 in overtime in the championship game of the Final Five.

In the 1994-95 season, the Huskies posted a 17-20-1 overall record and finished fifth in the WCHA with a 15-16-1 mark. SCSU earned home ice for the WCHA playoffs but lost to North Dakota in two games.

Success at SCSU

St. Cloud State made its second appearance in the WCHA Final Five in 1995-96, after upsetting Denver in the first round of the playoffs. SCSU went on to face Michigan Tech in the WCHA Final Five and fell to the Huskies 4-3 in overtime. SCSU finished the season with a 13-22-4 overall record.

Matt Cullen

St. Cloud State completed the 1996-97 season with a 23-13-4 overall record. The Huskies finished the WCHA regular season in third place with an 18-10-4 league mark. The Huskies advanced to the WCHA Final Five for the second straight year. Matt Cullen and Mark Parrish (an All-America in 1997) completed their careers at SCSU, and have since been standouts in the NHL.

In 1997-98, the Huskies posted a second straight 20-win season and played in their third straight WCHA Final Five. SCSU posted a 22-16-2 overall record and Dahl was named the WCHA Coach of the Year.

Derek Eastman

For the third straight year, the Huskies advanced to the WCHA Final Five in 1998-99. The Huskies had finished the season 16-18-5 overall and were seventh in the WCHA with an 8-16-4 record. That was all put behind SCSU as the Huskies upset Wisconsin 5-2 and 3-2 in Madison during the first round playoffs. Senior defenseman Kyle McLaughlin was named the 1998-99 WCHA Student-Athlete of the Year. He was the first Husky to be so honored.

The 1999-2000 season was a break through year for the Huskies as SCSU elevated its game to the next level, the NCAA tournament. The season started slow but would end in a flurry as SCSU made its second ever NCAA Tournament appearance, advancing to the East Regional of the 2000 NCAA tournament in Albany, NY.

Ryan Lasch and Jeff Saterdalen (right)

The Huskies road to the regional included a fifth straight WCHA Final Five appearance and a 23-14-3 overall mark. Defenseman Mike Pudlick gained All-America notice.

SCSU and the Stanley Cup

In recent years, several former St. Cloud State University hockey players have hoisted the Stanley Cup as part of championship seasons with the Pittsburgh Penguins, Carolina Hurricanes, Anaheim Ducks and Detroit Red Wings.

The SCSU Stanley Cup connection also includes Hall of Famer Frank Brimsek, who helped the Boston Bruins win two NHL titles during his career from 1938-50.

St. Cloud State's Matt Cullen and Bret Hedican led the Carolina Hurricanes to their first Stanley Cup championship during the 2006 season, while Joe Motzko and Mark Hartigan were with the Anaheim Ducks organization during their title run in 2007.

Hartigan returned to the spotlight in 2008, as part of Detroit's championship season.

Cullen also helped Pittsburgh win the Cup in 2016 and 2017.

Clockwise from top: Matt Cullen, Bret Hedican, Mark Hartigan, Mark Hartigan and Joe Motzko, Joe Motzko.

SCSU Hockey Pioneer - Roland Vandell

One of St. Cloud State's hockey pioneers was Roland Vandell. A native of Eveleth, Minn., Vandell was a math major and played hockey at St. Cloud State Teachers College during the 1930s. He also went on to teach and coach at SCSU from 1946-50 and during the 1951-52 season.

In 2006-07, SCSU received a gift of $100,000 to provide scholarships for student-athletes in the Husky men's hockey program. The gift established the Roland A. Vandell Family Endowed Scholarship.

Vandell was inducted into the SCSU Athletic Hall of Fame in 1987.

ST. CLOUD STATE
The Herb Brooks National Hockey Center
Home of the Huskies!

The WOW Factor at SCSU!

The renovation project at the Herb Brooks National Hockey Center, which started after the completion of the 2011-12 season, has made a major impact on the home of the Huskies.

The project has produced a definite wow factor for the facility, which was originally opened during the 1989-90 season at SCSU.

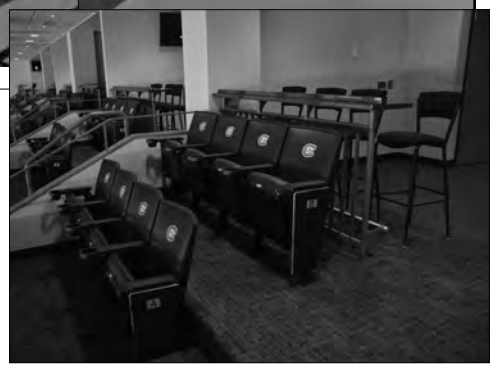
Some of the new features include a dramatic southside atrium entrance and ticket lobby, a wider and improved main concourse level, new concession areas, new restroom facilities, new pro shop and the classy Husky Den club room.

On the top of the south side grandstands, 14 luxury suites have been added along with new elevator access to the suite level.

SCSU team's have also benefited from the project with new locker rooms, changing rooms, player lounges and equipment areas.

In 2019-20, the new Huskies Hockey Performance Center was opened and it provides a 5,000 square foot state-of-the-art training facility for the hockey teams at St. Cloud State.

The Herb Brooks National Hockey Center - A Great Home for a Great Team!



SCSU's Herb Brooks National Hockey Center

New updates enhance the home of Huskies Hockey!

Loyal and loud fans, great sight lines and a true collegiate atmosphere make the Herb Brooks National Hockey Center one of the best places in the nation to watch NCAA Division I hockey.

The expanded Herb Brooks National Hockey Center brought a new experience for St. Cloud State University hockey fans and athletes. This project added several amenities like gathering areas and 14 new executive suites filled with Husky tradition and it modernized the facilities, improving everything from locker rooms to a front atrium and ticket lobby.

As fans enter the Herb Brooks National Hockey Center, they are greeted by a new entrance on the south side of the building, which will includes a spectacular atrium ticket lobby filled with Husky colors and tradition. New elevators and stairways lead fans to an improved main concourse level that includes new restroom facilities, concession areas, trophy showcases and the classy Husky Den club room. A new team store, located at the site of the old west side ticket office, features a wide selection of Husky souvenirs for fans on game day. The suite level, also accessible by the main elevators, offers 14 luxury suites. The new suite experience includes complete food service, wide screen video monitors, deluxe seating and a premiere view of the main arena's rink.

For the SCSU student-athletes, the renovation provides new and improved training facilities and locker room areas. Both the SCSU men's and women's locker facilities have been completely revamped and feature a variety of new amenities including hydro-therapy pools, changing areas and team rooms with custom build locker stalls. In 2019, SCSU will unveil its new hockey training facility that includes state-of-the art fitness equipment, a turf indoor training track and a puck shooting tunnel. The end result is a first class training and game-day environment for our student-athletes.

The project also provided room for a loading dock, audio-visual updates, and equipment storage areas along with an entrance and ticket window for the Herb Brooks National Hockey Center's practice rink.

The Brooks Center, located on the south end of the St. Cloud State University campus, has been the home to Husky hockey since December of 1989. In the first game played at the Brooks Center, the Huskies defeated Northern Michigan 5-4.

The victory was just a harbinger of the good times to come at the Brooks Center. Since 1989, St. Cloud State has enjoyed a 64.2 percent home ice winning rate, which features a 345-180-56 record since that first game on Dec. 16, 1989.

In terms of hockey history, the Brooks Center has created its own sense of tradition. The raucous Dogg Pound student section, SCSU's trademark player introductions and a deafening sieve chant whenever the Huskies score make the Brooks Center the place to be during winter nights in Central Minnesota. In fact, over 2.9 millon fans have watched the Huskies play at the NHEC since 1990.

The HBNHC is a multi-purpose facility featuring two Olympic size sheets of ice under one roof. Overall, the facility measures over 175,000 square feet with each sheet of ice measuring 200x100.

The main ice arena, which has been named in honor of former SCSU president Brendan J. McDonald (an advocate for the Huskies' move to Division I in 1987-88), seats 5,159 spectators. The lower level seating throughout the main arena features seatbacks, and seatbacks were added to upper level seating on the north side of the building in 2000 and the south side in 2006. The remainder of the upper level seating is bench style.

The main arena has several luxury suites on the southside and east end of the rink. Two scoreboards with jumbo video replay screens are located on the east and west ends of the main arena. The wide concourse of the main arena features full concession stands, ATM, bathroom facilities, ticket office, pro shop and in-game television monitors located throughout.

New wall graphics throughout the building salute the rich history of Husky hockey. Media providing coverage for the Brooks Center events are able to work in a spacious press box along the upper level of building's north side. The press box was remodeled in 2000, and it offers in-game statistic monitors and ample seating for newspaper, web media, radio and television coverage. Press work rooms and interview areas are located on the lower level of the building. Elevators provide complete access to all levels of the facility.

The second sheet of ice is adjacent to the main area, and it can accomodate several hundred spectators. Two Zambonis maintain and groom the ice on both rinks.

On the lower level, one can find 11 locker rooms, two officials rooms, a fully equipped athletic training room, the new Huskies Hockey Performance Center, player lounges, equipment rooms and office space for the SCSU coaches.

The Huskies' locker room is just steps from the main arena. This classy facility offers players an outstanding place to prepare for games and practice. The main area of the locker room provides players with individual custom build wood lockers. A player lounge is connected to the main locker area, which includes a wide screen television and breakfast bar area. The Brooks Center offers wireless Internet access for SCSU's student-athletes. Players also have easy access to the main training room and the team's equipment area. The locker room also provides easy access to the new 5,000 square foot Huskies Hockey Performance Center, which provides a state-of-the-art training experience for the hockey teams at SCSU. The facility includes weight training equipment, excercise bikes and elipticals, a shooting and puck handling zone along with a turfed area for agility drills.

Nothing Beats Home Cooking!

Since opening the NHEC on Dec. 16, 1989, with a 5-4 win over Northern Michigan, the Huskies have made full use of their home ice advantage.

A total of more than 2,949,842 fans have packed themselves into the National Hockey Center since the doors opened.

In fact, SCSU owns a 345-180-56 all-time record in the National Hockey Center since 1989-90 – which translates to a .64.2 winning rate in the NHC. Over the last 15 seasons, the Huskies own a 219-106-34 home ice record at the National Hockey Center.
