FALL 2026 WOMEN'S GOLF

As we wrap up another memorable season, we reflect upon the continued growth, resilience, and accomplishments of the University of Delaware Women's Golf team. This fall has been a testament to the dedication, discipline, and character that define our student-athletes and our program.

The Blue Hens had an exciting and successful Fall 2026 season! Throughout the fall, our Blue Hens demonstrated hard work, determination, and grit, both on and off the course. We are proud of the team's achievements, individual performances, and the progress made as we continue to build momentum for the spring season. Thank you to our supporters, alumni, and fans for being part of our journey. We look forward to carrying this momentum into the spring!

PLAYER SPOTLIGHTS

KAYLEY ROBERTS

Meet Kayley Roberts, the Blue Hens only freshman. Kayley has been an incredible addition to the team. Kayley had a very successful junior career and is already making her mark here at UD. We are excited to watch her grow and see what the future holds for her as a Blue Hen!

TO OUR SENIORS....

Mary Grace Dunigan and Marissa Malosh. While they do have one more semester with us we are so proud of the mark they are leaving on the UD Women's Golf team. As they get ready for their next adventure we are so excited to watch them one last time this spring. We know that whatever path they choose they will be incredibly successful.

ALUMNI WEEKEND

Apart from all the accomplishments this fall, we were also fortunate enough to host some of our UD Women's Golf Alumni for a beautiful October weekend. Lilia Henkel (2025), Alisa Khokhlova (2025), Liz Coffren (2024), Anna Kittelson (2023), Valentina Mueller (2019) and Ashley Dingman (2019). Though we did play some golf, it was incredible to catch up with all of them on their personal and professional lives. We are so thankful all of them made the time and effort to meet and spend some time with our current Lady Blue Hens. Stay tuned for upcoming alumni reunions...
