••• Maiava's opening five-game stretch compares favorably with the greatest quarterbacks in USC history. Through five games, Maiava has produced more passing yards and passing TDs than Carson Palmer, Matt Leinart and Caleb Williams did through the same point of their Heisman Trophy-winning seasons. Maiava's 70.1 completion percentage and 174.5 passing efficiency rating are also the best among the group, while his 14 passing TDs are 2 more than Williams, 4 more than Leinart and 7 more than Palmer recorded during their respective five-game starts.

Quarterback	Season	Record	Comp.-Att.	Pct.	Pass Yards	YPA	Pass TD	INT	Efficiency
Jayden Maiava	2026	4-1	110-157	70.1	1,499	9.5	14	2	174.5
Caleb Williams	2022	5-0	107-159	67.3	1,402	8.8	12	1	165.0
Matt Leinart	2004	5-0	99-148	66.9	1,187	8.0	10	3	152.5
Carson Palmer	2002	3-2	118-199	59.3	1,344	6.8	7	4	123.6

••• Maiava makes his throws count. He is No. 2 among USC career leaders in yards per attempt with 8.8 (min. 500 attempts at USC). He's in good company in the stat – Caleb Williams sits at No. 1 with 9.2 yards per attempt, Matt Leinart is third with 8.6 and Sam Darnold holds the No. 4 spot with 8.5 yards per attempt.

••• He is currently 10th on USC's career total offense leader board with 6,612 total yards of offense as a Trojan.

••• Maiava also ranks 13th on USC's single season passing leader board with 265 completions in the 2025 season.

••• He has been named to the Maxwell Award Watch List, the Walter Camp Player of the Year Award Watch List, the Johnny Unitas Golden Arm Award Watch List, the Davey O'Brien Award Watch List, the Polynesian College Football Player of the Year Watch List and he was one of 12 total players from the Big Ten Conference to be named to the 2026 Big Ten Football Preseason Honors list.

••• Maiava was also recently named a nominee for the Jason Witten Collegiate Man of the Year, the Allstate AFCA Goodworks Team and to the Wuerffel Trophy watch list for his commitment to community service and leadership beyond the gridiron.

••• With another year under offensive coordinator Luke Huard and Riley, who is the only head coach to tutor three Heisman Trophy winning quarterbacks, have 3 quarterbacks selected No. 1 overall in the NFL Draft and has the most No. 1 overall draft selections in the common draft era, Maiava is expected to continue to make large strides.

MAIAVA MAKES A DIFFERENCE

••• As USC's quarterback and a household name under one of football's most prominent spotlights, Maiava remains deeply grounded in service, humility and community.

••• Originally from Honolulu's Pālolo Valley, Maiava never forgot where he came from or the struggles he overcame growing up. His experiences shaped an incredible servant's heart and a genuine passion for mentoring children and uplifting underserved communities, especially his deep commitment to giving back to the community that helped shape him.

••• Maiava consistently uses his platform to inspire hope, connection and opportunity for others. He embodies the spirit of 'ohana: the value of family, connection and community.

••• In June of 2026, he returned to Honolulu's Pālolo Valley where he hosted a free youth football clinic for more than 350 local children ages 6 to 14, transforming a day of football instruction into a meaningful event centered on mentorship, inspiration and opportunity.

••• Throughout the clinic, Maiava taught football fundamentals while emphasizing teamwork, perseverance and the importance of believing in yourself despite adversity, drawing from his own journey from the Pālolo Valley to the highest levels of the sport.

••• Extending his impact beyond the field, proceeds from event t-shirt sales were donated to Aloha 1st Athletics, a local nonprofit dedicated to leadership, character development and mental health support through sports, reinforcing his commitment to investing in the next generation and strengthening the community that shaped him.

••• Above all, Maiava encouraged attendees to lead with integrity, make a positive impact on those around them and pursue excellence in football, academics, faith and everyday life.

••• On this same trip, Maiava continued his commitment to giving back by returning to his former high school, Kaimukī High, where he spoke to students not only as the USC quarterback but as someone who once walked the same halls with the same aspirations.

••• Reflecting on his journey from serving as a Bulldogs ball boy and water boy to achieving his dream of wearing the Kaimukī jersey and competing at the highest level, Maiava shared an honest message about overcoming adversity, embracing opportunity and trusting God's plan.

••• He encouraged students to approach life with a "Fight On" mentality, emphasizing resilience, discipline, faith, accountability and the importance of supporting others through difficult times.

••• Crediting his mother as his greatest inspiration, he also stressed the value of education and the life lessons football has taught him about leadership, perseverance and character.

••• Maiava's outreach continued at Jarrett Middle School, where he inspired more than 400 students through an interactive discussion focused on perseverance, personal responsibility and making positive choices, sharing his own experiences growing up in Pālolo Housing and encouraging students to embrace discipline over regret as they pursue their goals.

••• He also visited Pālolo Elementary School, where he read with students, sang songs and created an engaging, uplifting environment that reflected his genuine commitment to mentorship and community.

••• Together, these visits underscored Maiava's dedication to empowering Hawaii's youth through education, faith, service and authentic leadership, reinforcing his mission to invest in the communities that helped shape him.

••• Beyond his work in Hawaii, Maiava has consistently dedicated his time to serving communities throughout Los Angeles, partnering with organizations focused on food insecurity, youth development and community outreach.

••• He has volunteered multiple times with the Los Angeles Regional Food Bank, helping sort and pack thousands of pounds of fresh produce for families in need, including supporting relief efforts for residents displaced by the January 2025 wildfires.

••• Maiava has also demonstrated a strong commitment to addressing food insecurity through his service at the Dream Center and The Midnight Mission.

••• Across three volunteer shifts at the Dream Center, he helped prepare and serve more than 1,300 meals for individuals experiencing food insecurity, while at The Midnight Mission he worked alongside staff to prepare and distribute meals to individuals and families seeking support, reflecting his hands-on approach to serving those most in need.

••• In addition to his volunteer service, Maiava has invested in mentoring and empowering young people through organizations including the Boys & Girls Club, Angel City Sports' Youth Weekend and The Young Shakespeareans.

••• Whether coaching and encouraging local youth, participating in adaptive sports alongside children with physical disabilities or celebrating students' achievements in the arts, he has consistently used his platform to promote inclusion, confidence, education and personal growth while building

THE LAST MEETING

November 2, 2024
Washington 26, USC 21
Att: 43,013

USC	0	7	14	0	--	21
UW	10	10	0	6	--	26

USC fell 21-26 to Washington on the road at Husky Stadium in Seattle in an emotional loss.

All 4 of USC's losses have been within 1 score (1 point versus Maryland, 3 points versus Michigan and Penn State, 5 points versus Washington and 7 points versus Minnesota), and all have been within the last minute of regulation play or in overtime.

Since 1978 (and entering 2024), just 17 FBS teams have had at least 5 losses in a season and all of them came in a one-score game.

QB Miller Moss went 30-of-50 (.600) for 293 yards and 2 TD with 3 INTs.

RB Woody Marks led the Trojans with 22 carries for 123 yards and 1 TD.

WR Zachariah Branch led the Trojans in receiving yards with 102 on 6 receptions.

In USC's second offensive series, Moss was picked off after a ball intended for **WR Kyle Ford** was tipped into the hands of Washington LB Carson Bruener, which ended up resulting in a Husky field goal. Washington RB Jonah Coleman rushed for a 19-yard TD to close out the first quarter.

Branch caught a 25-yard pass from Moss that was originally ruled a fumble. Video review showed Branch was down, giving USC a much-needed first down in Washington territory. The drive concluded with a 1-yard TD from Marks.

Washington responded with another TD and a field goal to extend its lead to 20-7 going into halftime.

After making halftime adjustments, the Trojans regrouped and came out of the locker room aggressively. **WR Makai Lemon** scored a 37-yard TD, and then USC took a 21-20 lead after Ford scored on a 9-yard TD reception.

On USC's next possession, Moss threw a pick, which resulted in a Washington TD, but a failed two-point conversion.

The Trojans then marched down to Washington's 1-yard line in the fourth quarter with a chance to pull in front but the Huskies stopped running back Woody Marks on fourth down and took over with 5:04 left in the game.

Washington was forced to punt on its drive, and Moss led the Trojans to the Husky 14. On third-and-4, Moss' attempt to **WR Kyron Hudson** was broken up by CB Ephesians Prysock. Moss' final chance on fourth down fell incomplete.

••• **Eric Sondheimer, Los Angeles Times –** "If Trent Mosley's unbelievable 86-yard punt return for a touchdown doesn't make him a Heisman candidate as a freshman, what else do you want?"

BACKS IN BUSINESS

••• **RB King Miller** led USC with 74 rushing yards on 13 carries, averaging 5.7 yards per attempt.

••• Miller recorded a game-long 27-yard rush

••• Miller is No. 12 in the nation and No. 3 in the Big Ten in rushing yards (412).

WHAT THEY'RE SAYING ABOUT RILEY & PATTERSON

••• **Ken Niumatalolo, San José State Head Coach -** "Gary's one of the best defensive minds in all of college football. I'm good friends with him. We worked together in 1995 at the Naval Academy, so I'm
very familiar with Gary. I was on the AFCA board with him for over a decade, so I know Gary Patterson very well. Smart call by Lincoln to hire him. They're going to get people in trouble in the Big Ten, and that's just their first game. And as they grow, they're going to get better with Gary leading their defense. But Gary's a phenomenal football coach. He's a phenomenal culture builder, and a credit to Lincoln. To have the humility as a head coach, and the foresight to hire a Hall-of-Famer. A lot of coaches wouldn't do that. They're like, 'No, I'm not going to hire a guy that caliber in my chair.' But to his credit, Lincoln hired a guy that's one of the best defensive minds of all time. The 4-2-5, he's basically the pioneer and creator of that. A very phenomenal coach."

WHAT THEY'RE SAYING ABOUT WAFLE

••• **Ryan Dyrud, LA Football Network -** "The Trojans have not had an EDGE player like Luke Wafle in, I don't know, how long. Even the way he sets the edge and sheds blocks to take down the RB is just DIFFERENT"

••• **Aaron Taylor, College Football Analyst -** "DL97 Jide Abasiri and DE94

equipment and finishes.

••• Every square foot serves a football purpose.

••• Football players will still go to the John McKay Center for academics and Little Galen for meals, but now the team has a true home of its own.

••• Bloom also allows USC to reimagine the John McKay Center to benefit student-athletes from all 23 sports.

PURPOSE-DRIVEN DESIGN

••• Every square foot has a purpose.

••• Nothing is included simply for show.

••• Every feature is designed to develop student-athletes to help the USC football team win championships.

TRADITION MEETS INNOVATION

••• The building reflects the collision of USC's tradition and the future of college football.

••• The program's history is celebrated and honored throughout the facility while embracing modern innovation needed to build a championship program for the future.

THE LOBBY

••• Houses USC's 8 Heisman Trophies, 11 national championship trophies, individual player awards, a Pro Football Hall of Fame display with a gold jacket from the Hall, an NFL Draft Wall, and an immersive showroom.

••• Tells the USC Football story in one place.

••• Open to the public on gameday.

••• Highlights team and togetherness.

••• 11 crystal footballs were commissioned, and USC connected with the governing bodies of the College Football Awards to purchase trophies for the lobby.

••• USC has never had all these items from its history in one place before – now fans will be able to engage with them.

••• It's hard to win a trophy or a Hall of Fame jacket; it's equally hard to get these awards in hand for display. The work that the staff had to put in to obtain these items was immense.

Collaboration with USC School of Cinematic Arts

••• Opportunity to collaborate with USC's School of Cinematic Arts to tell stories on the video board and immersive showroom in the lobby.

••• Create content that builds excitement around game day.

••• Opportunity to involve fans and donors in the storytelling experience.

••• Fans will be able to see the content from outside the building.

LEVEL 1 – ALL ABOUT THE PLAYER

The building was designed around the player.

Player Experience & Player Development

••• Everything starts with the player experience.

••• Player development was the driving philosophy behind every decision.

••• The facility supports recruiting, retention and development.

••• It's about attracting elite talent, developing them and helping them succeed.

••• The goal is simple: train players to win on the field.

Natural Light

••• The previous facility had virtually no natural light.

••• Bloom features 30-foot-tall garage doors that open directly onto the practice field.

••• Sports medicine and recovery areas are filled with natural light.

••• The design intentionally places players in environments with daylight and energy.

Recruiting & Player Development

••• This facility is not exclusively a recruiting tool – it's about player development.

••• It demonstrates USC's commitment to investing in its student-athletes.

Performance Technology – Weight Room & Sport Science

••• The facility is centered around measurable player development.

••• USC is the first collegiate program to have Nike Strength custom weight racks.

••• Perch technology tracks every lift – bar speed, velocity-based training and power and explosiveness.

••• Video boards in the weight room showcase stats and foster a competitive environment.

••• The weight room's adjacency to the turf field lets players carry what they're doing on the rack out to football-specific movement on the field – central to Coach Truman Carroll's training philosophy.

PROJANS IN THE NFL

••• With its outstanding football heritage, it's no surprise that USC players have made quite a mark in the pros.

••• USC is second behind Notre Dame's 544 for most NFL draft picks produced (536), not counting 28 picks by the AFL before it merged with the NFL. USC was the first school with 500 NFL draft picks.

••• USC and Michigan are the only schools with an NFL draftee every year since 1939.

••• USC has the longest active streak (25 years) with a player drafted in the Top 3 rounds. USC has the most picks in the common draft era (since 1967), with 370 (next is Ohio State's 366 and Notre Dame's 330).

••• There have been 548 USC players who since 1920 played in the NFL (or its sister leagues, the AFL or All-America Football Conference).

••• USC's 87 first round NFL draft picks is second most behind Ohio State's 99. With Williams' No. 1 overall selection in 2024, USC holds the record for most players (6) selected as the top pick of the NFL draft (Ron Yary in 1968, O.J. Simpson in 1969, Ricky Bell in 1977, Keyshawn Johnson in 1996, Carson Palmer in 2003 and Caleb Williams in 2024).

••• USC and Oklahoma are the only schools to have the No. 1 pick for 2 consecutive years (Yary and Simpson).

••• USC has had three of the most highly-drafted classes in history. The 1953 class (following the 1952 season) had 15 players drafted while both the 1975 and 1977 classes had 14 players selected. USC had more players selected in the 2011 (9), 2009 (11), 2008 (10), 2006 (11) and 1990 (10) drafts than any school.

••• USC had more players drafted than any school in the 10-year periods from 2002-11 and 2005-14 (69, 6 more than LSU) and the 5-year period from 2007-11.

••• USC's 12 first round picks in the 1990s tied for third in the nation with Tennessee; 8 of those Trojan first rounders were selected in the Top 10.

••• In the decade of the 1980s, Troy had more first round picks than any school (16). USC's 5 first round picks in the 1968 draft was an NFL record for 36 years.

••• A Trojan has appeared in all but 8 of the 60 Super Bowls (there have been 120 USC representatives overall).

••• Three Trojans (Lynn Swann in 1976, Marcus Allen in 1984 and Malcolm Smith in 2014) have been the Super Bowl MVP.

••• In 1977, 9 USC alums played in the Super Bowl.

••• Trojans have been selected to play in the Pro Bowl 250 times (a

••• USC alum has appeared in every Pro Bowl (except the 2024 Pro Bowl) since the game's inception in 1951; there was no game in 2021 due to the COVID-19 pandemic but a team was chosen, however no Trojan was picked). USC has the most Pro Bowl selections in history.

••• Fourteen former USC players (most of any other school) and 4 ex-assistant coaches are in the Pro Football Hall of Fame.

RUTGERS NOTES

••• USC improved to 4-0 overall and 1-0 in Big Ten play with its 42-35 victory at Rutgers.

••• Maiava was particularly efficient in the fourth quarter, completing 5-of-6 passes for 35 yards and a touchdown.

••• USC sophomore **WR Corey Simms** caught all four of his targets for a career-high 72 yards and the first TD of his collegiate career in the Trojans' 42-35 road victory over Rutgers.

••• With USC facing third-and-14 from its own 48-yard line, Simms hauled in a 52-yard touchdown pass to give the Trojans a 17-7 lead early in the second quarter.

••• The 52-yard score was the longest reception of Simms' career and USC's longest offensive play of the game.

••• Wormley produced 54 yards from scrimmage and two TDs on just four touches, rushing three times for a career-high 52 yards and catching a 2-yard TD pass.

••• His TD reception was the first of his career.

••• He averaged an explosive 17.3 yards per carry, with each of his three rushing attempts gaining at least 12 yards and producing a first down or TD.

••• Wormley accounted for both of USC's offensive TDs in the second half

••• After Rutgers cut USC's advantage to 27-21, Wormley sparked the ensuing possession with a career-long 27-yard run and finished the

75-yard drive with a 12-yard TD rush.

••• With Rutgers again within seven points in the fourth quarter, Wormley gained 13 yards to set up first-and-goal before catching a 2-yard TD pass on third down to restore USC's two-score lead.

••• Head coach **Lincoln Riley** praised Wormley as one of USC's strongest competitors: ""I think they (Wormley and Simms) are two of our stronger competitors on the team," Riley said. "Two guys who I never have to worry about their effort or physicality or competitiveness. I think because of that they both were able to stay on the field."

••• **RB King Miller** recorded his second 100-yard rushing performance of the season against Rutgers, gaining 102 yards and a touchdown on 16 carries.

••• Miller averaged 6.4 yards per carry, and none of his 16 rushing attempts resulted in negative yardage.

••• Miller rushed for 24 yards on two consecutive carries following **S Christian Pierce**'s interception, scoring on an 11-yard run to give USC a 10-0 lead.

••• With USC protecting a seven-point lead on its final possession, Miller carried five times for 34 yards and three first downs.

••• **RB Waymond Jordan** added 46 yards from scrimmage, rushing eight times for 26 yards and catching one pass for 20 yards.

••• USC's offensive line helped the Trojans average 5.9 yards per carry and surrender only one sack.

••• Trojan running backs combined for 180 yards and 2 touchdowns on 27 carries, an average of 6.7 yards per attempt.

••• USC's running backs did not record a negative rushing attempt.

••• The offensive line paved the way for 12 rushing first downs.

••• USC's secondary accounted for both Trojan interceptions and 115 interception-return yards.

••• USC redshirt senior **S Prophet Brown** delivered the game-changing play by intercepting a pass at the USC 1-yard line and returning it 99 yards for a touchdown.

••• Brown's 99-yard pick-six was the second interception and first pick-six of his collegiate career.

••• He tied a 90-yard old record: the longest interception return in USC history (Bud Langley, 1936, versus Notre Dame).

••• The play produced a dramatic swing in a one-score game. With USC leading 20-14, Rutgers had driven to the Trojan 9-yard line and was positioned to take its first lead. Brown instead took the ball the length of the field to extend USC's advantage to 27-14.

••• His TD ultimately provided the decisive points in USC's seven-point victory.

••• The interception ended a 10-play Rutgers possession that had consumed more than four minutes and advanced 66 yards, immediately reversing the momentum in the Trojans' favor.

••• Brown added four tackles, including two solo stops, to his 99-yard interception return TD.

••• The performance came after Brown missed the entire 2025 season with a season-ending injury suffered during fall camp, making his career-defining play part of an impressive return to the field.

••• **S Christian Pierce** delivered a complete performance with a game-high 11 tackles, 6 solo tackles, one INT and two pass breakups.

••• Pierce intercepted QB Dylan Lonergan on Rutgers' second play of the game and returned it 16 yards to the Rutgers 24-yard line.

••• USC scored two plays later, making Pierce's INT responsible for setting up the Trojans' first TD.

••• **DE Luke Wafle** recorded four tackles and was consistently involved against the run.

••• **DT Alex VanSumeren** added two tackles and a quarterback hurry.

••• **DT Jide Abasiri** recorded a quarterback hurry that helped force an incompletion.

••• **DT Floyd Boucard** contributed three tackles.

••• **DE Kameryn Crawford** contributed 6 tackles and combined with Desman Stephens II for USC's lone sack.

••• **LB Deven Bryant** finished second on the team with 8 tackles, including 4 solo stops.

••• Bryant joined Pierce on the fourth-and-1 stop to force a turnover on downs in the fourth quarter that gave USC possession at the Rutgers 24.

••• **LB Desman Stephens II** recorded 7 tackles, a pass breakup and half a sack against the Scarlet Knights.

••• **S Kennedy Urlache**r finished with four tackles and a pass breakup.

••• **K Caden Chittenden** was perfect in converting both field-goal attempts and all four PATs.

••• Chittenden accounted for 10 points, the second-most by any USC player in the game and the most he's scored as a Trojan.

••• He opened the scoring with a 35-yard field goal, giving USC a lead it never relinquished.

••• After Rutgers pulled within three points late in the first half, Chittenden capped USC's 61-yard drive with a 32-yard field goal with 10 seconds remaining, sending the Trojans into halftime with a 20-14 advantage.

••• The two field goals were Chittenden's first as a Trojan and came in his first game handling USC's place-kicking duties.

••• His flawless performance was especially meaningful after he missed the entire 2025 season because of a season-ending injury suffered during fall camp.

••• Chittenden's 10 points proved critical in a game decided by seven, helping USC win its Big Ten opener, improve to 4-0 and complete its first East Coast road trip since 2014 with a victory.

••• **P Lachlan Carrigan**'s only punt traveled 56 yards and was downed at the Rutgers 5-yard line.

••• **K/P Ryon Sayeri** recorded three touchbacks on eight kickoffs. Rutgers returned just one kickoff for 17 yards.

••• USC did not have a kickoff return or punt return.

••• This is the second week in a row that a freshman has scored 2 receiving TDs in a single game for the Trojans.

••• With 1 minute remaining in the first quarter, Bowman made a SportsCenter-worthy highlight as he hauled in a pass from Maiava over the middle, turned upfield and spectacularly hurdled two Louisiana defenders in a single bound. ••• Freshman **WR/RET Trent Mosley** continued to impress the college football world.

••• This also marked the longest punt return by a Trojan since Nelson Agholor returned a 93-yarder for a TD against California in 2013.

••• Mosley continued to impress as he opened the second half with a TD on a 21-yard acrobatic reception.

••• This marked Mosley's second TD of the game, his fourth receiving TD as a Trojan, and his third-straight game with a receiving TD.

••• Prior to Mosley, just five Big Ten freshmen have caught a TD pass in each of their first 3 career games since 2000: Jeremiah Smith (Ohio State, 2024), Jackson Anthrop (Purdue, 2017), Ted Bolser (Indiana, 2010), Deon Butler (Penn State, 2005) and James Hardy (Indiana, 2005).

••• The last Trojan to record a receiving TD and return a punt for a TD in a single game was Tyler Vaughns against Arizona State in 2018. Vaughns caught a 48-yard TD pass from QB Jack Sears and returned a 82-yard punt for a TD.

••• Freshman **WR Kayden Dixon-Wyat**t caught 3 passes for 43 yards and his second TD of the season.

••• Wafle led USC with a career-high 7 tackles, including a game-high 6 solo stops and 1.0 tackle for loss.

••• Despite lining up along the defensive front, he finished as the Trojans' leading tackler and recorded a tackle on seven of Louisiana's 52 offensive plays.

••• Wafle consistently defeated blocks and affected plays at or near the line of scrimmage.

••• His first-quarter tackle for loss dropped Louisiana RB Steven Blanco for a one-yard loss and helped force a three-and-out immediately after USC took its first lead.

••• Six of Wafle's seven tackles came against the run, and four of his five solo run stops limited Louisiana to two yards or fewer.

••• Wafle's combination of penetration, pursuit and tackling allowed the freshman to impact the game well beyond his official stat sheet total.

••• Wafle became the first USC defensive lineman to lead the team outright in tackles in a game since Tuli Tuipulotu recorded 7 against Stanford in 2021.

••• **DT Jide Abasiri** tied for second on the team with a career-high 5 tackles, including 3 solo stops.

••• The 39-0 win marked USC's first shutout since defeating Utah State 48-0 in 2024. It was USC's second shutout under **Lincoln Riley**.

••• USC held its opponent to zero points in the first half in back-to-back games to open the 2026 season. This is the first time the Trojans have held their opponent scoreless in the first half in back-to-back games since the 2009 season. On Sept. 26, the Trojans shut out Washington State in the first half of play, and on Oct. 3, they also shut out California in the first half.

••• Fresno State was held scoreless in a game for the first time since the team lost to San Diego State 0-23 on Oct. 25, 2025.

••• USC is the first FBS team since at least 1996 to throw for 400 yards and complete at least 93% of its passes.

••• USC had 13 different players catch a pass.

••• Five different Trojans recorded a reception of at least 20 yards.

••• USC outgained Fresno State 552-116, a margin of 436 yards.

••• The Trojans possessed the ball for 38:52, including 13:15 of the third quarter

••• Maiava went 23-of-25 (.920) for 349 yards and 3 TDs.

••• Maiava's 92.0% completion percentage is the highest single-game completion percentage by a USC quarterback since at least 1995 (minimum 25 attempts). He broke the mark he set last week against San José State (86.2% going 25-of-29).

••• His 92.0% completion percentage was just three percentage points shy of USC's single-game record for a passer with at least 15 completions: Matt Barkley's 19-of-20 performance (.950) against Colorado in 2012.

••• Maiava completed 17-of-18 passes for 284 yards and 3 TDs in the first half.

••• He was a perfect 8-for-8 for 166 yards and 2 TDs in the second quarter.

Last week against San José State, Maiava had a stretch of 14-straight completions.

••• Maiava was named **Big Ten Offensive Player of the Week** for his performance against Fresno State.

••• Freshman **WR Trent Mosley** recorded 4 receptions for 104 yards (26.0 avg.) and 2 TDs in USC's 39-0 shutout of Fresno State.

••• Mosley's 68-yard TD with 12:27 left in the second quarter pushed the Trojans ahead 14-0.

••• Mosley's 68-yard touchdown reception was USC's longest play of the game.

••• Mosley scored a second TD on a 9-yard pass from Maiava with 4:07 left in the second quarter.

••• Mosley is the first USC freshman with 100+ yards in consecutive games since former Trojan WR Drake London accomplished the feat in 2019 (in a win over Cal; 6 rec. for 111 yards and a win over UCLA; 8 rec. for 142 yards).

••• Fellow freshman **WR Kayden Dixon-Wyatt** led the Trojans in receptions with 6 and notched 102 receiving yards (17.0 avg.).

••• This was the first time that two freshmen receivers have recorded 100+ yards in the same game since records available in 1973.

••• It also marked the first time USC had two 100-yard receivers in one game since Mario Williams recorded 145 yards and Jordan Addison had 106 against Utah on Oct. 15, 2022.

••• Freshman **TE Mark Bowman** tallied a career-high of 30 receiving yards.

••• Back from injury, **WR Tanook Hines**' first reception of the season in the first quarter resulted in an 8-yard TD. This marked Hines' third career touchdown as a Trojan.

••• The Trojans allowed only 39 rushing yards on 29 attempts, an average of 1.3 yards per carry against Fresno State.

••• Fresno State completed only 7 passes, recorded 9 first downs and averaged just 2.6 yards per play.

••• USC's 412 passing yards alone were nearly four times Fresno State's total offensive output.

••• The Trojans recorded 5 sacks for 28 yards and 7 tackles for loss totaling 34 yards.

••• Fresno State did not produce a play longer than 17 yards.

••• Fresno State was 0-for-3 on third down in the second half and 0-for-1 on fourth down.

DEPTH UNDER CENTER

••• USC returns veteran redshirt senior **Sam Huard**. Huard, who transferred to USC in the spring of 2025 from Utah, saw action in 2 games (Missouri State and Northwestern). Against Northwestern, in one of USC's most memorable plays of 2025, Huard, who officially changed his number to No. 80, came into the game on a fake punt play and executed a 10-yard completion resulting in a crucial first down that gained national recognition.

••• The Trojans welcomed the 2025-26 Gatorade Illinois Football Player of the Year, freshman **Jonas Williams** in the spring. A 2026 Navy All-American Bowl invitee, Williams holds Illinois High School Association State Record for 11,347 passing yards and 147 TDs throughout his career. He arrives at Troy, ready to compete.

••• USC welcomed junior **Will Doherty**, who transferred to USC from Santa Barbara City College in January of 2026, to the quarterback room. Doherty's grandfather, Bill Bond, was the 1964 NCAA Men's Tennis Doubles Champion at USC and was a member of the Trojans' 1962, 1963 and 1964 NCAA Championship Teams. Bond was a two-time First Team All-American in 1962 and 1964. He competed on the USC men's tennis team from 1962-64. Bond was inducted into the ITA Men's Collegiate Tennis Hall of Fame in 2003.

••• In the summer, redshirt freshman **James Johnson**, who transferred from Holy Cross, and true freshman **Alex Medyn** of Chino Hills joined the Trojan squad as quarterbacks.

RUSH HOUR

••• Led by Assistant Head Coach for Offense / Running Backs Coach **Anthony Jones Jr.**, the Trojans are positioned to boast one of the most

dynamic and explosive running back rooms in the country in 2026.

••• The Trojans return one of the nation's best backs, senior **Waymond Jordan**, a Midseason All-American and the 2024 JUCOWeekly Trophy winner (junior college's equivalent to the Heisman Trophy), who burst onto the scene and rushed for 576 yards on 88 carries (6.5 avg.) with 5 TDs through just six games as a junior in 2025. He also recorded 7 receptions for 55 yards. Jordan will return healthy after suffering a season-ending injury versus Michigan which sidelined him for the remainder of 2025.

••• One of the most exciting stories of the 2025 college football season was **King Miller**. Miller earned national recognition as USC's showcase running back after injuries plagued the running back room, and he returns as a redshirt sophomore in 2026. Miller, now on scholarship, rushed for 972 yards on 156 carries (6.2 avg.) with 8 TDs while appearing in all 13 games with 7 starts. He also recorded a successful two-point conversion and tallied 16 receptions for 11 yards. On special teams, he served as a kick returner, collecting 2 returns for 45 yards (22.5 avg.) with a long of 25. He was named a 2025 All-Big Ten Honorable Mention and was selected to The Athletic Freshman All-American Second Team.

••• Miller is up 15 pounds from last season and now weighs 225 pounds to pair with his 6'0" frame.

••• Miller led the USC ground attack against the Spartans with 15 carries for 63 yards and 1 TD.

••• Redshirt freshman **Riley Wormley** (5 carries for 18 yards) and redshirt junior **Cian McKelvey** (1 carry for 4 yards) also return in 2026.

••• Two freshmen joined the roster in the spring of 2026: **Shahn Alston** and **Deshonne Redeaux**. Alston, a Navy All-American Bowl invitee and 2025 Division III All-Ohio First Team honoree, tallied 172 carries for 1,548 yards (9.0 avg.) and 29 TDs as a senior at Thomas W. Harvey (Ohio) in 2025. Redeaux, a 2026 Polynesian Bowl All-Star and 2026 Navy All-American Bowl invitee recorded 156 carries for 1,447 yards (9.3. avg.) with 15 TDs as a senior at Oaks Christian in 2025.

••• In the summer, **Kayne Miller,** a three-time Calabasas High Football MVP and little brother of **King** and **Kaylon Miller**, and **Tyson Park** of IMG Academy joined the running back room.

AERIAL ASSAULT

••• USC is known for its outstanding wide receivers, especially in Lincoln Riley's electric offense. Led by Assistant Head Coach / Co-Offensive Coordinator / Wide Receivers Coach **Dennis Simmons** and Inside Receivers Coach / Pass Game Coordinator Chad Savage, the Trojan wideouts are in good hands.

••• After Makai Lemon put an exclamation point on a historic season by winning the 2025 Biletnikoff award, the unit is looking ahead to continue that standard of excellence in 2026.

••• The wideouts will be led by **Tanook Hines**. Although just a sophomore, he brings the most experience to the room. Hines saw action in all 13 games making 8 starts and recorded 34 receptions for 561 yards (16.5 avg.) and 2 TDs.

••• Hines exploded at end of last season, recording 335 receiving yards over the final three games, and he's ready to roll that momentum into 2026.

••• Redshirt sophomore **Zacharyus Williams** returns healthy in 2026. He played in just 5 games with 1 start in 2025 due to an injury suffered early in the season. He collected 3 receptions for 80 yards (26.7 avg.) in 2025. After playing through spring ball and fall camp, Williams feel comfortable in his connection with Maiava.

••• Sophomore **Corey Simms** (1 rec. for 6 yards), who mostly saw action on special teams, redshirt freshmen **Romero Ison** and **Cameron Sermons**, and redshirt sophomore **Seth Zamora** all return in 2026.

••• From the portal, USC welcomed **Terrell Anderson**. The junior from NC State tallied 39 receptions for 629 yards (16.1 avg.) with 5 TDs while appearing in all 13 games with 5 starts for the Wolfpack in 2025.

••• Four stellar freshmen wideouts joined the squad last spring adding a new set of weapons for Maiava. **Tron Baker**, a 2025 All-Mission League First Teamer, tallied 40 receptions for 626 yards (15.7 avg.) with 8 TDs for Sierra Canyon in 2025. **Kayden Dixon-Wyatt**, a 2026 Navy All-American Bowler and All-CIF Division I First Teamer, recorded 42 receptions for 693 yards (16.5 avg.) with 8 TDs as a senior at Mater Dei. **Trent Mosley**, a Navy All-American Bowl invitee, led the Santa Margarita Catholic Eagles with 47 receptions for 648 yards (13.8 avg.) and 4 TDs as they won the CIF Southern Section Division 1 Championship. Coached by former USC Heisman Trophy winner Carson Palmer, Mosley won a plethora of awards including 2025 CIF Division I Offensive Player of the Year, 2025 MaxPreps California High School Football Player of the Year and was named to a variety of All-American First Teams. Finally, **Luc Weaver**, a 2025 All-CIF Division III Teamer and 2025 All-Mission League First Teamer, recorded 22 receptions for 397 yards and 7 TDs for Notre Dame as a senior in 2025.

••• Summertime brought another wave of wideouts to Troy. Highly acclaimed freshman **Ethan "Boobie" Feaster**, a 2026 Polynesian Bowl All-Star, an Under Armour All-American and one of the top receivers in the nation out of Desoto High, reclassified and elected to forgo his senior year of high school to join the Trojans for the 2026 season. Fellow December signee, freshman **Roderick Tezeno**, an All-State receiver out of Opelousas Catholic (La.), arrived in Los Angeles this summer.

••• Freshman **Griffin Brahm** (Santa Margarita Catholic) and redshirt senior **Luke Degner** (transfer from the University of Chicago) also joined the wide receiver corps this summer.

"GOD DIDN'T MAKE MANY OF THOSE PEOPLE..."

••• Head coach Lincoln Riley is correct. The tight end position must be able to do it all, and they are a rare find.

••• "Seriously. In the general population, there's not that many people that are big enough and strong enough to block like an offensive lineman, but nimble enough to go catch balls like a receiver and then smart enough to be able to process and handle all that," Riley said.

••• Tight Ends Coach **Chad Savage** will have an extremely talented tight end room to utilize in 2026. It looks to be the deepest tight end unit that the Trojans have had in many years.

••• Redshirt senior **Carson Tabaracci** returns as the oldest member of the group. In 2025, he saw action in 10 games with 1 start and recorded 3 receptions for 32 yards and 1 TD.

••• Redshirt sophomore **Walter Matthews** (saw action in 11 games, predominately on special teams) and redshirt freshmen **Taniela Tupo**u (2 receptions for 26 yards (13.0 avg) and a successful two-point conversion) and **Fisher Melton** all look to increase their roles in 2026.

••• From the portal, USC welcomes redshirt junior **Tucker Ashcraft** from Wisconsin. He was limited by injury throughout the season, but recorded 2 receptions for 10 yards (5.0 avg.) while appearing in 4 games with 1 start in 2025. He immediately has built a leadership role for himself both on and off the field entering 2026.

••• Junior college transfer junior **Josiah Jefferson**, the No. 1 JUCO tight end in the nation, arrived at Troy in January. An All-Pacific Athletic Conference Team and All-California Community College Region III First Team selection, he recorded 36 receptions for 444 yards (12.3 avg.) and 4 TDs in 2025.

••• Highly-regarded freshman **Mark Bowman**, who reclassified and elected to forgo his senior year of high school at Mater Dei and enrolled at USC in the spring of 2026, looks to immediately compete for playing time at tight end as a true freshman. The five-star, regarded as MaxPreps 2025 Top Tight End was a constant difference-maker in the Trinity League. As a junior in 2025, he recorded 31 receptions for 370 yards (11.9 avg.) and 2 TDs.

••• Freshman **Manoah Leiato** out of Mater Dei, sophomore **Patrick O'Brien**, formerly a member of the Trojan men's basketball team, and freshman **Grant Woods** out of Crespi added to the tight end room this summer.

BLOCK PARTY

••• USC has one of the most experienced offensive lines in the country. Led by Offensive Line Coach / Run Game Coordinator **Zach Hanson**, who has proven to be one of the best offensive line coaches in the nation, the Trojans will be formidable to face in the trenches.

••• Entering 2026, USC was the only team in the country to return all five starting offensive linemen. Unfortunately, projected starting center **Kilian O'Connor** suffered an injury that will cost him the entire 2026 season. The Trojans lose a veteran offensive lineman and a beloved member of the program, but he will continue to maintain a critical role off the field.

••• USC finished the regular season in 2025 ranked No. 7 in the nation and No. 1 in the Big Ten in passing offense (297.3) and No. 10 in nation in total offense (471.6) and second in the Big Ten. **Alani Noa** and **Justin Tauanuu** both earned All-Big Ten Honorable Mention in 2025.

••• Noa and Tauanuu both earned placement on the 2026 Polynesian College Football Player of the Year Award Watch List, and Noa was named to the Outland Trophy Watch List.

••• Hanson put an emphasis on position flexibility and being able to slot players into different positions.

••• USC showcased eight different starting offensive line combinations throughout 12 games in 2025.

••• There are a variety of options for the center position. **Tobias Raymond** cross-trained at center in the spring while O'Connor was still out.

••• Redshirt sophomore **Kaylon Miller**, who saw action in 10 games stepping in for a variety of injured starters in 2025, returns ready to continue building on his impressive foundation and was recently put on scholarship. Before he started the final three games at guard in 2025, Miller was taking practice reps at center when O'Connor suffered his first significant knee injury.

••• Redshirt freshman **Willi Wascher** and freshman **Kannon Smith** also add depth at that spot.

••• Also on the line, redshirt freshmen **Aaron Dunn, Cash Jacobse**n, **Elijah Vaikona**, redshirt sophomores **Ratumama Bulabalavu**, **Travis Leonard**, **Hayden Treter** and redshirt juniors **Erwin Taomi** and **Jack Susnjar** all return looking to contribute in 2026.

••• USC welcomed seven freshmen early enrollee offensive linemen in the spring. **Chase Deniz** (offensive lineman MVP at Cathedral Catholic), **Vlad Dyakonov** (Navy All-American Bowl invitee and MaxPreps All-California First Teamer of Folsom High), **John Fifita** (CIF Central Coast Section Division 1 Champion at Saint Francis), **Breck Kolojay** (MaxPreps All-America Second Teamer out of IMG Academy [Fla.]), **Keenyi Pepe** (2025 Polynesian Bowl All-Star, 2025 Under Armour All-American and 2025 MaxPreps All-America First Team out of IMG Academy [Fla.]), **Kannon Smith** (Colorado Prep Varsity Top 2026 Offensive Tackle out of Valor Christian [Colo,]) and **Esun Tafa** (three-time 6A State Champion and 2025 MaxPreps Second Team All-American out of Corner Canyon [Utah]) all are eager to compete and push for playing time in the trenches.

••• In the summer, **Ryan Pauley,** a redshirt senior transfer from Valparaiso, joined the offensive line room.

THE RETURN OF COACH P

••• The **Gary Patterson** 4-2-5 defense is legendary. A multiple defense where the secondary has its own assignments from the front six, and then they two are split in half with the ability to play man coverage on one side and zone on the other; it's designed to confuse opponent offenses. However, don't expect the defense to look the same as Patterson has called it in the past.

••• "Coach P plays the 4-2-5. Not really," Patterson said. "There's some things that are the same, but in 28 years, when you run the same stuff and you stay somewhere 25 years, you have to be able to tweak it, and you have to evolve. The fun thing about being here at USC is there's things that they did really well defensively last season, and we're going to keep those. There's things that we may need to tweak or maybe it wasn't quite as good, and then we'll add new stuff in."

••• The time is now for defense.

••• "It's time for us to be great on defense. Plain and simple," said Riley. "The players are here. The setup is here. It's time to step up into that next level of defensive play consistently."

••• Riley knew Patterson was the right person to take the Trojan defense there.

••• "It's hard to find a guy who's been as consistently productive as a head coach, as a defense coach and a guy who's been able to evolve in so many different ways with so many different skillsets," said **Riley**. "A lot of the times, he did it with skill sets that were maybe not equal to the teams he was having to play against. We competed against each other for so long. Even back to my early years at Texas Tech, we were on staffs going against each other. He was always a pain in the a** to deal with. His ability to take away team's fast balls, his ability to make offenses uncomfortable, his ability to take defensive groups that were able to play better than maybe what the sum of their talent was – I just saw it year after year. We can give him better players, more depth, more talent, and we can give him an opportunity where he's not having to worry about all the different head coach stuff that goes on and put all that energy into the defense at USC. You bring people into your organization who are going to make everyone else better. This guy makes me better, and he makes other people in our building better. His experience is so unique. Anyone that knows Gary, knows there's no halfway with this guy. He's an absolute psycho. When he goes, its full speed. I don't know if he's left the office since he's been in LA, but that's him. He's recharged, he's motivated, he's got an edge to him and chip on his shoulder. He's really excited to be at USC, and we're thrilled to have him."

SETTING THE TONE IN THE TRENCHES

••• The Trojans will not be skipping a beat as new defensive tackles coach **Skyler Jones** steps in to lead the room. He'll continue to elevate the play of the already talented room.

••• Junior **Jide Abasiri** returns as the veteran leader of the defensive line. The 2026 Big Ten Media Day representative recorded 26 tackles, including 4 for loss of 24 yards (with 3.5 sacks for minus 24 yards), 2 QB hurries and 1 forced fumble while appearing in all 13 games with 9 starts in 2025. He was named to Bruce Feldman's 2025 Freaks List for his intriguing athleticism, having clocked 19.22 mph at nearly 300 pounds. More impressively, Abasiri's 10-yard split was 1.60, and he's squatted 700 pounds.

••• Abasiri recently earned USC's Bob Chandler Award. Awarded to an underclassman, based on athletic ability, academic scholarship, and character on and off the field, including the individual's leadership, courage, tenacity, discipline, loyalty, and high standards of morals and values. The award funds a scholarship for the player's tuition, room and board for the following year. The recipient wears a #10 sticker on his helmet (Chandler's jersey number), and the trophy is donated by the Bob Chandler Foundation.

••• Redshirt junior **Jamaal Jarrett**, a fan-favorite, will make an impact in the trenches in 2026. Jarrett, who transferred to USC in the spring of 2025 from Georgia, recorded 3 tackles, including 0.5 a tackle for loss of 2 yards, and 1 INT returned for a TD in 2025. He suffered an injury that sidelined him for the majority of the second half of the season. In one of the most memorable plays of the 2025 season, Jarrett notched his first career INT versus Purdue and returned it 70 yards for a TD. The play was dubbed the "Thicc Six".

••• Sophomore **Jahkeem Stewart**, a Freshman All-American, looks to build on an impressive foundation and return to the field, healthy and ready to compete on the defensive line in 2026. Stewart, who enrolled at USC in the spring of 2025 after reclassifying and forgoing his senior year of high school, had a stellar collegiate debut making an immediate impact on the Trojan defensive line by decorating his stat sheet with 18 tackles, including 7.5 for loss of 27 yards (with 1.5 sacks for minus 11 yards), 1 INT returned for 4 yards, 1 fumble recovery returned for 22

yards and 1 QB hurry. Stewart recorded these stats while playing through a stress fracture in his foot the entire season.

••• Stewart was named an FWAA Freshman All-American and a PFF Freshman All-American. He was selected to the Shaun Alexander Freshman of the Year Award Watch List. FOX Sports named Stewart to the nation's Top 10 impact freshmen ahead of the 2025 college football season.

••• Also returning is fellow high-ceiling sophomore, **Floyd Boucard**, who looks to be a key contributor in the trenches in 2026. He recorded 9 tackles, including 2 for loss of 13 yards (with 1 sack for minus 9 yards) and 2 QB hurries while appearing in 10 games in 2025.

••• Redshirt sophomore **Brendan Cho** rounds out the returners in the defensive tackle room.

••• USC welcomed redshirt senior **Alex VanSumeren** from the portal out of Michigan State. In 2025, he recorded 52 tackles, including 2 for loss of 10 yards (with 1.5 sacks for minus 10 yards), 2 QB hurries and 1 PBU for the Spartans, and looks to immediately contribute in 2026.

••• VanSumeren was selected as one of USC's three representatives at Big Ten Media Day and has immediately stepped into a leadership role.

••• "It's an honor to be in this position," VanSumeren said at Big Ten Media Days. "I realize that there's a bunch of young guys on the team. I had leaders in my past that helped me, so now, I get to pay it forward. It goes along with being a good teammate. I'm going to give everything I have to this university and to my teammates and to the football program."

••• Four talented freshmen joined the Trojans in the spring. Though injured in his senior season, **Jake Johnson** looks to dive into learning the Trojan defense. As a junior in 2024, he recorded 50 tackles, including 12 for loss with 1.5 sacks, 1 PBU and 1 forced fumble. He earned placement on the 2024 All-North Texas First Team and the 2024 Star Local Media All-Area Football Second Team while competing for Prosper in Texas.

••• **Braeden Jones** tallied 85 tackles, including 15 for loss with 9.5 sacks and 6 PBUs for Mount Carmel in Illinois.

••• One of the nation's top recruits, **Tomuhini "Tom Tom" Topui Jr.**, recorded 25 tackles, including 9 for loss (with 2.5 sacks), 3 PBUs, 2 forced fumbles and 2 QBHs for Mater Dei in 2025. He was named a 2026 Polynesian Bowl All-Star and 2026 Navy All-American Bowl invitee.

••• **Jaimeon Winfield**, a five-star and 2025 Navy All-American Bowl invitee recorded 55 tackles, including 22 for loss with 6 sacks, 14 QBHs, 2 PBUs, 1 forced fumble, 1 fumble recovery, 3 blocked field goals and 2 TDs for Richardson in Texas. He was named the 2025 7-6A District MVP.

••• **Jordan Abarca**, a sophomore transfer from UCLA, also joined the Trojan squad over the summer.

LIVING ON THE EDGE

••• Defensive Ends Coach **Shaun Nua** has a healthy mix of experienced veterans and talented newcomers to utilize in 2026.

••• Senior **Braylan Shelby**, a veteran presence on the defensive line, will be a leader of the group in 2026. He recorded 29 tackles, including 7 for loss of 20 yards (with 4.5 sacks for minus 17 yards), 1 INT returned for 18 yards and 4 QB hurries while appearing in all 13 games with 6 starts in 2025.

••• Shelby's academic prowess is quite notable. He is majoring in Business Administration at USC. He was named a 2026 Stevens Scholar for earning a cumulative undergraduate GPA of 3.5 or higher. He was named a 2026 David X. Marks Scholar for having an overall GPA of 3.0 or better. He earned the 2025-26 Chi Alpha Sigma Honor Award which recognizes student-athletes who achieve junior academic standing or higher after their fourth full-time semester and earn a 3.5 or higher cumulative GPA. He earned placement on the 2025 College Sports Communicators Academic All-District Team. He was named to the 2024 Big Ten Fall All-Academic Team and the 2025 Big Ten Fall All-Academic Team. He has earned placement on the Dean's List each semester at USC.

••• Shelby was also selected to speak at the formal opening of the Bloom Football Performance Center alongside USC Athletic Director **Jen Cohen** and Head Coach **Lincoln Ri**ley. Shelby also introduced USC **President Beong-Soo Kim.**

••• In his speech, Shelby said, "This building is an investment in every player who walks through these doors. Maiava completed passes to nine different Trojans and guided the offense to touchdowns on five of its first seven possessions. He finished the first half 17-of-20 for 201 yards, a passing TD and a rushing TD as USC built a commanding 28-0 lead.

The Trojans made a statement from the opening whistle, marching 77 yards on 13 plays and taking 6:05 off the clock. Maiava capped the methodical drive by powering across the goal line on a 1-yard quarterback keeper to put USC ahead 7-0.

USC **WR Trent Mosley** provided an early spark on special teams, returning San José State's first punt 41 yards to set the Trojans up deep in Spartan territory. He finished the game with 174 all-purpose yards, including a career-high 118 receiving yards on 7 catches and 56 yards on 2 punt returns.

Early in the second quarter, **RB Riley Wormley** took the handoff and burst through the left side for a 5-yard TD. The score, the first of Wormley's Trojan career, extended USC's lead to 14-0.

USC's defense kept the Spartans off balance throughout the first half, forcing punts on their first two possessions before USC **DT Jide Abasiri** shut down a crucial fourth-down attempt in the second quarter. San José State was held scoreless through the first 30 minutes of action.

With 2:46 remaining in the half, **WR Kayden Dixon-Wyatt** slipped open over the middle and hauled in a 9-yard strike from Maiava for a TD. The scoring play punctuated a 12-play, 91-yard drive and marked the first TD of Dixon-Wyatt's Trojan career.

The Trojans were not finished. After the defense forced another Spartan punt, USC raced 80 yards in just 1:14. Maiava connected with Mosley for gains of 17 and 33 yards before **RB King Miller** punched the ball into the end zone on a 4-yard rush, sending USC into halftime with a 28-0 advantage. Miller led the Trojan rushing attack with 63 yards and a TD on 15 carries.

San José State opened the second-half scoring with a 22-yard field goal, but USC responded with another lengthy drive. Maiava ultimately found Mosley for a 14-yard TD to push the lead to 35-3. Mosley recorded the first 100-yard receiving performance of his Trojan career.

The Spartans found the end zone for the first time on a 28-yard pass from QB Luke Weaver to WR Jerry McClure early in the fourth quarter. Weaver then connected with TE Kamaehu Kopa-Kaawalauole on the 2-point conversion to make the score 35-11.

USC **QB Jonas Williams** saw his first Trojan action and led a 10-play, 75-yard drive that took 5:14 off the clock. **RB Shahn Alston** capped off the drive with a 1-yard rushing TD score to extend the Trojans' lead to 42-11. Alston finished with 30 yards on 7 carries in his USC debut.

San José State scored twice in the final 5:11, first on a 3-yard TD pass from Weaver to WR Jordan Anderson and then on Weaver's 7-yard rushing score.

The Trojan offense finished with 29 first downs and converted 9-of-13 third-down attempts.

USC **K Caden Chittenden** was a perfect 6-for-6 on extra-point attempts, while the Trojans did not commit a fumble. Defensively, **DT Jide Abasiri** led USC with 4 tackles, including 2.5 for loss, and **DE Jadyn Ramos** recorded the Trojans' lone sack.

Coach Lincoln Riley said...

"It's good to get the first one under our belt. It was kind of a tale of two games for us. The first three quarters there was a lot of good football out there. All three sides of the ball were playing complementary to one another. We really dominated the game through three quarters, so a lot of exciting ball. There were a lot of guys in their first games as Trojans making a lot of big plays, so that was obviously the highlight of it. The fourth quarter was not up to our standards. A bunch of guys had opportunities, and we had several that did not play the way that we anticipated. There'll be a lot to learn and grow from today because we're going to need the depth of this roster. Typically the first and second game is when you make a lot of improvements. When you get the first chance to go play against someone, it reveals a lot. We have to go attack this short week in order and get ready for Friday night."

••• USC is the only FBS program to win 20 season openers since 2006. Ohio State has won all 20 openers played from 2006–2025, but its 2010 win was vacated.

••• **QB Jayden Maiava** completed 86.2% of his passes, the highest single-game completion percentage of his USC career.

••• His 86.2% completion percentage is also the highest single-game completion percentage by a USC quarterback since at least 1995 (minimum 25 attempts).

• Maiava is now No. 2 among USC quarterbacks in the last 30 seasons with most career games with 200+ passing yards, 1 passing TD and 1 rushing TD with 6 games behind Caleb Williams with 12. Matt Leinart and Carson Palmer each had 5 career games with those stats.

••• Maiava had a stretch of 14 straight completions. The last time a USC quarterback had 14+ consecutive completions in a single game prior to today was 17 by former Trojan Caleb Williams on Sept. 30, 2023, at Colorado in a 48-41 win.

••• **WR Trent Mosley's** 118 receiving yards are the most by a USC true freshman in his debut since WR JuJu Smith-Schuster had 123 receiving yards versus Fresno State in 2014 in his freshman debut.

GAME SUMMARIES

USC 39, Fresno State 0

Sept. 4, 2026 • Los Angeles Memorial Coliseum • Los Angeles

In USC's second game of the 2026 season, the Trojans shut out the Fresno State Bulldogs 39-0 in front of a crowd of 53,014 in the Los Angeles Memorial Coliseum. USC outgained Fresno State 552-116 and controlled the ball for 38:52 as the Trojans improved to 2-0.

USC **QB Jayden Maiava** delivered another impressive performance, completing 23-of-25 passes (.920) for 349 yards and 3 TDs. He did not throw an interception or take a sack. Maiava finished the first half 17-of-18 (.944) for 284 yards and 3 TDs as USC built a 30-0 halftime lead.

The Trojans set the tone with a methodical opening drive, marching 82 yards on 12 plays and taking 5:33 off the clock. On third-and-goal, Maiava connected with **USC WR Tanook Hines** for an 8-yard TD to give USC an early 7-0 advantage.

Fresno State crossed midfield on its opening possession, but USC **S Prophet Brown** intercepted QB Jayden Mandal at the Trojan 15-yard line to end the threat. It was Brown's first interception of his career.

Early in the second quarter, Maiava found USC **WR Trent Mosley** over the middle for a 68-yard TD, the longest reception of Mosley's Trojan career. Mosley finished with 104 receiving yards and 2 TDs on 4 catches, recording his second consecutive 100-yard receiving performance.

USC's defense added to the lead midway through the second quarter. After an intentional-grounding penalty backed Fresno State up to its own 1-yard line, USC **S Kennedy Urlacher** sacked Mandal in the end zone for a safety. Urlacher finished the game with 3 tackles, a career-high 2.0 sacks, 2.0 tackles for loss and a forced fumble.

The Trojans scored again with a five-play, 65-yard TD drive. Maiava connected with Mosley for 22 yards before USC **RB Waymond Jordan** recorded consecutive rushes of 9 and 16 yards. Maiava then found Mosley for a 9-yard TD to extend USC's lead to 23-0.

USC's defense created another scoring opportunity late in the first half. Urlacher stripped Mandal on a sack, and USC **DT Floyd Boucard** recovered the fumble at the Fresno State 38-yard line. Five plays later, Jordan powered into the end zone on a 2-yard rush to send the Trojans into halftime with a 30-0 lead.

The Trojans dominated the second quarter on both sides of the ball, outgaining Fresno State 228 to minus-1. Maiava completed all 8 of his passes in the quarter for 166 yards and 2 TDs, while USC's defense held the Bulldogs to just one first down.

USC **WR Kayden Dixon-Wyatt** led the Trojans with 6 receptions for 102 yards, marking his first 100-yard receiving performance of the season. Dixon-Wyatt and Mosley became the first pair of Trojans to each record 100 receiving yards in the same game since records available in 1973.

USC's defense produced its second safety of the night following a Trojan fumble at the Fresno State 7-yard line. On the Bulldogs' first play after the turnover, USC **S Alex Graham** sacked Mandal in the end zone to push the lead to 32-0. Graham finished with 4 tackles, 1.0 sack, 1.5 tackles for loss and a QB hurry.

The two safeties marked the first time since records available in 1971 that the Trojans recorded two safeties in a single game.

USC **QB Jonas Williams** completed all 6 of his pass attempts for 63 yards in relief of Maiava. Williams directed a 10-play, 79-yard drive that took 6:47 off the clock in the fourth quarter. USC **RB Deshonne Redeaux** capped the drive with a 5-yard rushing TD, the first of his Trojan career, to produce the final score of 39-0.

Jordan led the Trojan rushing attack with 67 yards and a TD on 11 carries, averaging 6.1 yards per attempt. USC **RB King Miller** added 45 yards on 15 carries as the Trojans finished with 140 rushing yards and 2 rushing TDs.

USC recorded 5 sacks, 7 tackles for loss and 2 takeaways while holding Fresno State scoreless on its lone trip to the red zone.

Fresno State ran just four offensive plays and totaled minus-2 yards during the third quarter. The Bulldogs did not record a first down in the period and possessed the ball for only 1:45.

Fresno State reached the USC 8-yard line on its final possession, but USC **DE Jadyn Ramos** recorded a sack on fourth-and-goal to preserve the shutout. Ramos finished with 3 tackles, a sack and a tackle for loss.

USC finished with 27 first downs, averaged 8.1 yards per play and converted 5-of-8 third-down attempts. USC **K Caden Chittenden** was a perfect 5-for-5 on extra-point attempts.

Coach Lincoln Riley said...

"Excited about the win. Really excited about the shutout. Obviously, it's hard to do. Doesn't happen very often in college football these days. We played at our standard for a higher level tonight, and that was really great to see on all sides. I think the excitement, energy in the Coliseum, energy with our football team was pretty consistent the whole way through. I think we played better as a football team than we did in week one. And that's what you got to do. It may sound boring, cliche, whatever, but that's how you get good, right? You just have to keep taking steps."

USC's defense did not allow Louisiana to record a first down in the opening quarter, while the Trojan offense outgained the Ragin' Cajuns 150-18. Bowman continued his breakout performance on USC's ensuing possession, hurdling two Louisiana defenders during a career-long 35-yard reception. He later caught a 9-yard TD pass from Maiava to extend USC's lead to 14-3 early in the second quarter.

After Louisiana cut the lead to 14-10, the Trojans answered with a 12-play, 87-yard scoring drive. USC finished with 25 first downs, averaged 6.8 yards per play and scored TDs on all four trips to the red zone. USC **K Caden Chittenden** was a perfect 7-for-7 on extra-point attempts.

Coach Lincoln Riley said...

"I think if we'd set a goal here in the beginning, it would have obviously been to win the first three games. Get a chance to play a bunch of guys, develop our roster, put a lot of guys out there to see where they're at, and give us a chance to evaluate and develop, which we've been able to do. This is what you do it for -- to go into conference play, to get out on the road, which we're looking forward to. So we have to have a great week and get ready for a little bit of travel out there and get ready to play."

Rutgers drove to the USC 9-yard line on the opening possession of the second half, but USC **S Prophet Brown** intercepted Lonergan at the 1-yard line and returned it 99 yards for a TD. Coach Lincoln Riley said...

"Excited to get the win. Lively game. Saw some things tonight that I've never seen in my career, but thus is the road. And proud of us for getting it done. We had contributions from all three sides and we'll build on those. But, we gave up some big plays on all three sides and gave up too many big plays defensively. Not pleased at all with how we played there. We made some big play too – the pick-six was massive, and Christian's pick earlier in the game was really good. We still need to clean up penalties. We're not going to take road wins for granted; in this league, they're all hard. We did nice job closing the game out."

Oregon 41, USC 27

Sept. 26, 2026 • Los Angeles Memorial Coliseum • Los Angeles

In USC's fifth game of the 2026 season, the Trojans fell to Oregon 41-27 in front of a soldout crowd of 75,500 in the Los Angeles Memorial Coliseum. USC recorded 446 yards of total offense and 26 first downs while converting 4-of-5 fourth-down attempts as the Trojans moved to 4-1 overall and 1-1 in Big Ten play.

USC opened the game with a 13-play, 50-yard drive that took 5:55 off the clock. The Trojans converted a fourth-and-1 and twice moved the chains on completions from USC QB Jayden Maiava to USC WR Kayden Dixon-Wyatt, but a missed 33-yard field goal from K Caden Chittenden kept USC off the scoreboard. Oregon responded with a 30-yard field goal to take a 3-0 lead.

The Trojan defense forced a three-and-out on Oregon's next possession, giving USC the ball at its own 42-yard line. Four plays later, Maiava connected with Dixon-Wyatt for a 31-yard TD to give USC a 7-3 lead early in the second quarter. Dixon-Wyatt finished with a team-high 7 receptions for 114 yards and 1 TD, recording his second 100-yard receiving performance of the season.

Oregon answered with a 75-yard TD drive to regain the lead, but USC responded on its ensuing possession. USC RB King Miller broke free for a season-long 27-yard rush before USC K Caden Chittenden converted a 38-yard field goal to tie the game at 10-10. Oregon added a 19-yard field goal as time expired to enter halftime with a 13-10 advantage.

Oregon extended its lead to 20-10 on the opening possession of the second half, but the Trojans responded with a nine-play, 75-yard scoring drive. Maiava completed passes to Miller, USC TE Mark Bowman and USC WR Ethan "Boobie" Feaster, whose 27-yard reception moved USC to the Oregon 2-yard line. Maiava capped the drive with a 1-yard TD run to pull USC within 20-17.

After Oregon answered with another TD, USC assembled a 10-play, 63-yard drive that took 4:20 off the clock. Maiava completed passes of 28 yards to USC WR Terrell Anderson, 15 yards to USC WR Tron Baker and 12 yards to Dixon-Wyatt before Chittenden made a 29-yard field goal to cut Oregon's lead to 27-20.

The Trojan defense forced a three-and-out late in the third quarter, and USC capitalized with its third consecutive scoring drive. The Trojans marched 75 yards in seven plays, highlighted by a 22-yard reception by Anderson, a 14-yard catch by Dixon-Wyatt and an 11-yard run by Miller. Maiava finished the drive with an 11-yard TD pass to USC WR Tanook Hines, tying the game at 27-27 with 12:41 remaining.

Oregon regained the lead with a 29-yard TD pass on its ensuing possession. USC advanced to midfield on a 21-yard completion from Maiava to USC WR Zacharyus Williams, but Oregon forced a turnover on downs and added a final TD to secure the 41-27 victory.

Maiava completed 23-of-42 passes for 326 yards and 2 TDs while adding a rushing score. He accounted for all 3 of USC's TDs and distributed his 23 completions among 9 different Trojans. Through 5 games, Maiava has completed 110-of-157 passes (.701) for 1,499 yards, 14 TDs and just 2 INTs.

Miller led USC with 74 rushing yards on 13 carries, averaging 5.7 yards per attempt, while Dixon-Wyatt paced the receiving corps with 114 yards. Bowman added 6 receptions for 44 yards, and Anderson recorded 50 yards on 2 catches.

USC LB Deven Bryant and USC S Christian Pierce tied for the team lead with 7 tackles apiece. USC DL Jahkeem Stewart recorded a team-best 2.0 tackles for loss, while USC S Kennedy Urlacher and USC DE Luke Wafle each added 1.0 tackle for loss. Chittenden connected on 2 of his 3 field-goal attempts and all 3 PATs to account for 9 points.

Coach Lincoln Riley said...

"It was a heavyweight battle out there like we anticipated it would be. It was one hell of a game. It came down to a couple plays, like games against two really good teams typically come down to, and we made a few too many errors in the end... It's a disappointing locker room. Guys fought their hearts out, but obviously we've got to take this the right way, and that's going to be important for the locker room. We have a damn good football team in there. I know we do, and our locker room believes that."
