**Subject: Fargo-Moorhead Area Diversion CLOMR
H.E. Project No. 7438_015**

Attached is a Conditional Letter of Map Revision (CLOMR) submittal, including the MT-2 forms and supporting information, for the above referenced project. This submittal is an update to a previous CLOMR that was issued for the project on August 28, 2017 under FEMA Case Number 17-08-0008R. The update is based on planned design changes for the Project. We have included the following information as part of this submittal:

- CLOMR Support Document, which includes a Narrative and description of the project and submittal
- Completed MT-2 application form, including payment information
- Portable Hard Drive with supporting documents, including hydraulic models, floodplain mapping data, and Design Documents for Project Features
