Roster Note

Troy Athletics has opted to list student-athletes by current year competing under the new NCAA 5-year eligibility model.

Please note, not all 5th year student-athletes are in their final year of eligibility. Student-athletes with eligibility remaining (under previous rules) after the 2025-26 academic year & prospects who initially enrolled full time during 2026-27 can use either the new or old rule set, whichever is the most beneficial to the student-athlete.

Gerad Parker, who led Troy to its third Sun Belt Championship Game appearance in the last four seasons, returns as Troy's head coach in 2026. Parker led the Trojans to a four-win improvement in 2025, including a five-win streak and a victory over South Alabama in the "Battle for the Belt".

Parker's second season was another in which he had to navigate serious injuries on the offensive side of the ball. Quarterback Goose Crowder suffered an injury on the fourth snap in Week 3 that cost him the following six games, while Troy's offensive line had multiple season-ending injuries, and the unit ended the year with just one of the original starting five still in the lineup.

Defensive and special teams led the way for the Trojans as Evan Crenshaw earned a trio of First Team All-America honors (FWAA, Sporting News, Phil Steele), Troy's first First Team All-American since 2007, while Donnie Smith led the Sun Belt in sacks – both players returned for the 2026 season.

Troy finished third nationally with five defensive touchdowns and 22nd with 2.64 sacks per game. Crenshaw was the first-ever Sun Belt Special Teams Player of the Year, and Smith became the second Trojan in the last three years to lead the league in sacks.

Parker's squad led No. 8 Clemson, 16-3, at halftime in Week 2, won big road games at Buffalo, Texas State and Southern Miss – the win over the Golden Eagles came on the final Saturday of the season and was a winner-take-all battle to represent the Sun Belt West in the SBC Championship Game.

Troy's momentum carried over to the offseason, where Parker and company signed the top recruiting class in the Sun Belt, second-ranked in the G5 (Boise State) and best in program history per On3. Additionally, the class ranked ahead of Penn State, Wisconsin, Colorado and others.

In his first season at Troy, the Trojans produced the first 1,000-yard rushing and receiving duo in more than a decade and just the third in program history as Damien Taylor rushed for 1,010 yards and Devonte Ross recorded 1,043 receiving yards; Troy's first since 2012.

Parker guided Troy to one of the best months of November in the country, as the Trojans won three of their final four games of the season and ranked as the nation's 19th-best offense and 25th-best defense that month.

His first season saw him inherit one of the most inexperienced teams in the country and then the loss of his starting quarterback after just 11 quarters of play. Troy's 12 players in their final year of eligibility were the fewest in the country, while Troy's 46 scholarship newcomers ranked as the third most nationally.

Ross finished the regular season fifth nationally with 11 touchdown catches and 15th in receiving yards. Additionally, Troy was one of the most efficient teams in the country, ranking second in the red zone and fifth on third downs.

Ten Trojans landed on All-Sun Belt Teams, highlighted by Ross' inclusion thrice, as a first team receiver and all-purpose selection and as the return specialist on the second team. Eight of Troy's 10 All-SBC picks had remaining eligibility.

The Trojans landed the Sun Belt's top recruiting class in Dec. 2024, signing 15 players with an 83.54 average per industry leader On3.

Parker led a Notre Dame offense in 2023 that ranked eighth nationally, averaging 39.1 points per game, in addition to ranking 12th in passing efficiency and 29th in total offense. Audric Estime was one of the nation's elite running backs, ranking third in rushing touchdowns (18), eighth in rushing yards per game (111.8) and ninth in rushing yards (1,341).

Behind Parker's offense, the Fighting Irish posted a 9-3 record against one of the nation's most challenging schedules, including four straight games against ranked opponents. Offensive tackle Joe Alt was a consensus All-America selection, while Estime was named to the Associated Press All-America Team.

Notre Dame's offense increased production across the board in Parker's lone season calling the plays in South Bend. The Irish improved their scoring by more than a touchdown per game, in addition to seeing increases in yards per game, passing yards per game, yards per play and red zone scoring.

In his first season at Notre Dame, Parker coached the Irish tight ends and helped guide Michael Mayer to a consensus All-America season, as Mayer finished his career as the most prolific pass catching end in school history. Mayer led the Irish with 67 catches for 809 yards and nine touchdowns in 2022, finishing his time at Notre Dame first on the program charts for tight end catches (180), receiving yards (2,099) and touchdowns (18).

Parker joined the Notre Dame staff following two seasons with former Troy head coach Neal Brown at West Virginia, where he was the offensive coordinator and receivers coach.

In his final season with the Mountaineers, WVU knocked off Texas and No. 15 Virginia Tech en route to an appearance in the Guaranteed Rate Bowl. In 2020, despite having to deal with the COVID-19 pandemic, West Virginia had one of the most improved offenses in the nation in terms of total yards, showing gains of more than 60 yards rushing per game, almost 30 yards passing a game, more than 90 yards of total offense and almost seven more points a game.

The offensive line had a productive year, with Leddie Brown rushing for 1,010 yards and nine touchdowns and Jarret Doege throwing for more than 2,500 yards and 14 touchdowns.

As Penn State's receivers coach and passing game coordinator in 2019, the Nittany Lions' offense averaged 35.8 points per game, ranking 15th nationally. Additionally, Penn State ranked 21st in red zone offense

(90.4) and averaged 13.3 yards per completion, ranking No. 33 nationally.

Parker spent two years on the football staff at Duke (2017-18). During the 2018 season, his wide receivers accounted for 2,252 passing yards of the Blue Devils' 3,199 total offensive yards (70.4%).

He served his first year as the football operations assistant working with the offense in 2017. The Blue Devils offense had three All-ACC selections and, for the first time in program history, had three players with 500 or more rushing yards and a quarterback throw for more than 2,500 yards. Parker spent the spring as the running backs coach at Cincinnati before heading to Duke.

Prior to that, Parker spent four seasons at Purdue, where he coached the tight ends (2013-14) and wide receivers (2015-16). He was the recruiting coordinator and served as the interim head coach for the final six weeks of the 2016 season.

Parker spent two years as the wide receivers coach at Marshall (2011-12). The Thundering Herd led the nation in passing offense, averaging 365.1 yards per game. Receiver Tommy Shuler led the country and set the school record for receptions (110), ranking 18th nationally in yards per game (94.8).

Parker spent three seasons at UT-Martin as the running backs coach (2008), wide receivers coach (2009-10) and the passing game coordinator and recruiting coordinator (2010). He started his coaching career at Raceland High School in Raceland, Kentucky, and spent the 2007 season as a graduate assistant coach at Kentucky.

Parker earned two degrees from Kentucky, his bachelor's degree in business management in 2003 and his master's in education in 2005. He was a four-year letterwinner for the Wildcats, where he was a Southeastern Conference Scholar Athlete Honor Roll selection (2002-03) and CoSIDA Academic All-District IV Second Team honoree (2004).

A native of Louisa, Kentucky, Parker played at Lawrence County High School and set state receiving records with 238 catches, 4,814 yards and 52 touchdowns.

He and his wife, Kandi, have three daughters, Kolbi, Gwyneth and Rosalyn, and a son, Oliver.

• Troy's final positioning in the AP and Coaches Poll in 2017 were both program highs. The Trojans finished with 14 points, good for No. 31, in the AP Poll, and 40 points, good for No. 27, in the Coaches Poll.

• It took 15 weeks and a 10-game winning streak, but Troy finally made its return to the Top 25 in 2022 and did so in historic fashion.

• Troy's No. 24 ranking in the final College Football Playoff was the Trojans' first appearance in the poll.

• Troy's No. 24 ranking the Coaches Poll is also its first-ever appearance in that poll, while Troy's No. 23 ranking in the AP Top 25 is Troy's highest ranking in school history.

• Thanks to Troy's victory over No. 22 UTSA in the Cure Bowl, the Trojans finished the season No. 19 in the AP Top 25 and No. 20 in the USA Today/Coaches Poll. Both rankings were program highs and marked the first time Troy was ranked at the end of a season.

• Troy has only been shutout twice (North Texas, 2003; Old Dominion, 2025) by a non-Power Five school -- the Trojans had played 233 straight games against non-Power Four schools without being shutout before the ODU loss in 2025.

• Troy was shutout by Georgia, 66-0, on Sept. 20, 2014, which snapped a streak of 99 straight games without being shutout (Nebraska, 56-0, on Sept. 23, 2006).

• Troy's 37-13 win in 2019 marked the first time that the home team had won the game since the The Belt was introduced. In fact, it was the first time that The Belt didn't change hands after the game.

• When the Sun Belt split into divisions for the 2018-21 seasons, Troy (East) and South Alabama (West) were split apart; however, a league-wide agreement allowed the game to continue each year as a permanent cross-divisional opponent.

• Troy won six straight meetings against its rival from 2018 to 2024 with the victories coming by a combined 173-70 margin.

• The Trojans limited the Jags to just 288.5 yards and 11.7 points per game during the six-game winning streak.

What is Scorigami?
Scorigami is a concept thought up by Jon Bois. It is the art of building final scores that have never happened before in Troy history. (H/T to UCF for the idea and inspiration).

How do I read this chart?
The winning team's score is along the top (horizontal axis) and the losing team's score is along the right (vertical axis). Scores marked in green have happened, scores in white have not yet happened, scores in black are impossible. The bottom half is all black because the losing team can not score more points than the winning team.

Troy Scorigami Note:
Games featuring the following scores were removed from the chart space considerations: 70-7, 71-0, 75-0, 76-0, 80-0, 86-0, 97-0

NOTABLE

• Troy's 17 points were its most against a ranked P4 opponent since 2017 when Troy beat No. 22 LSU 24-21.

• TK Keyes caught a 76-yard touchdown pass from Goose Crowder on the second play of the game for his third touchdown reception of the season. Last week, Keyes caught a 73-yard touchdown pass from Crowder on the third play of the game.

• It is the first time since 2010 that Troy has multiple touchdown passes of 70-plus yards in a season; Corey Robinson (who is the assistant QB coach at Troy) did so three times that season.

• Troy already has four touchdown plays of 55 yards or more through the first three games of the season; Troy had just three offensive plays of 50-plus yards last season.

• Troy held Missouri to just 230 yards of total offense; the fewest by the Tigers since 222 yards against Kansas State on Sept. 10, 2022. It was the fewest yards in a home game by Missouri since a 200-yard effort against Georgia on Sept. 12, 2020. It's the fewest yards against a non-P4 opponent since Memphis held Missouri to 225 yards on Sept. 14, 1996.

• Missouri's 230 yards of offense were the fourth-fewest yards ever by an SEC team against a Sun Belt team -- Kentucky vs. Western Kentucky (190 yards, 2011) and Alabama vs. FIU (224 yards, 2006)
