GAME 12

No. 15 USC (8-3 overall, 5-3 Big Ten Conference)
No. 10 UCLA (10-1 overall, 7-1 Big Ten Conference)

Saturday, Nov. 28, 2026
12:30 p.m. PT • CBS
Rose Bowl • Pasadena, Calif.

CROSSTOWN SHOWDOWN

••• The nation will be watching, but this is a local feud. USC and UCLA meet this Saturday at the Los Angeles Memorial Coliseum for the 96th version of the nation's most famous crosstown rivalry. It will be shown live nationally on CBS.

••• USC has won 20 of the last 27 meetings in its series with UCLA, including a 20-10 victory in the Coliseum last season in 2025.

••• City dominance will be determined in this game as well as the Victory Bell and Crosstown Cup points.

••• Sticking to tradition, both teams will wear their home jerseys.

••• The last time both teams were ranked for this matchup was 2022 when USC was No. 7 in the AP Poll and UCLA was No. 16. USC won 48-45 in the Rose Bowl.

••• Kickoff is set for 12:30 p.m. PT on CBS.

VICTORY BELL

••• The winner of the annual USC-UCLA football game gets year-long possession of the Victory Bell, a 295-pound bell off a freight locomotive. USC is currently in possession of the Victory Bell.

••• Originally given to UCLA in 1939 as a gift from the UCLA Alumni Association, several USC students took the bell in 1941 and hid it in a variety of locations for more than a year.

••• A controversy ensued and school administrators had to intercede.

••• In 1942, the bell resurfaced and, by agreement, became the trophy given to the game's winner.

••• However, tradition calls for the Victory Bell to spend most of the year in storage...or, rather appropriately, in hiding.

••• Since the bell became a trophy, its carriage has been painted cardinal 47 times while in USC's possession and blue 34 times while in UCLA's custody (there were 4 ties) (not including 2 USC wins vacated due to NCAA penalty; original record: 49).

MAIAVA MAGIC

••• The USC quarterback is a position unlike any other.

••• This young man becomes a household name, an annual Heisman contender and is under the brightest spotlight. They are in a league of their own and comprise a historic fraternity of some of the best collegiate players in history.

MAIAVA MAKES A DIFFERENCE

••• As USC's quarterback and a household name under one of football's most prominent spotlights, Maiava remains deeply grounded in service, humility and community.

••• Originally from Honolulu's Pālolo Valley, Maiava never forgot where he came from or the struggles he overcame growing up. His experiences shaped an incredible servant's heart and a genuine passion for mentoring children and uplifting underserved communities, especially his deep commitment to giving back to the community that helped shape him.

••• Maiava consistently uses his platform to inspire hope, connection and opportunity for others. He embodies the spirit of 'ohana: the value of family, connection and community.

••• In June of 2026, he returned to Honolulu's Pālolo Valley where he hosted a free youth football clinic for more than 350 local children ages 6 to 14, transforming a day of football instruction into a meaningful event centered on mentorship, inspiration and opportunity.

••• Throughout the clinic, Maiava taught football fundamentals while emphasizing teamwork, perseverance and the importance of believing in yourself despite adversity, drawing from his own journey from the Pālolo Valley to the highest levels of the sport.

••• Extending his impact beyond the field, proceeds from event t-shirt sales were donated to Aloha 1st Athletics, a local nonprofit dedicated to leadership, character development and mental health support through sports, reinforcing his commitment to investing in the next generation and strengthening the community that shaped him.

••• Above all, Maiava encouraged attendees to lead with integrity, make a positive impact on those around them and pursue excellence in football, academics, faith and everyday life.

••• On this same trip, Maiava continued his commitment to giving back by returning to his former high school, Kaimukī High, where he spoke to
students not only as the USC quarterback but as someone who once walked the same halls with the same aspirations.

••• Reflecting on his journey from serving as a Bulldogs ball boy and water boy to achieving his dream of wearing the Kaimukī jersey and competing
at the highest level, Maiava shared an honest message about overcoming adversity, embracing opportunity and trusting God's plan.

••• He encouraged students to approach life with a "Fight On" mentality, emphasizing resilience, discipline, faith, accountability and the importance
of supporting others through difficult times.

••• Crediting his mother as his greatest inspiration, he also stressed the value of education and the life lessons football has taught him about leadership, perseverance and character.

••• Maiava's outreach continued at Jarrett Middle School, where he inspired more than 400 students through an interactive discussion focused on perseverance, personal responsibility and making positive choices, sharing his own experiences growing up in Pālolo Housing and encouraging students to embrace discipline over regret as they pursue their goals.

••• He also visited Pālolo Elementary School, where he read with students, sang songs and created an engaging, uplifting environment that reflected his genuine commitment to mentorship and community.

••• Together, these visits underscored Maiava's dedication to empowering Hawaii's youth through education, faith, service and authentic leadership, reinforcing his mission to invest in the communities that helped shape him.

••• Beyond his work in Hawaii, Maiava has consistently dedicated his time to serving communities throughout Los Angeles, partnering with organizations focused on food insecurity, youth development and community outreach.

••• He has volunteered multiple times with the Los Angeles Regional Food Bank, helping sort and pack thousands of pounds of fresh produce for families in need, including supporting relief efforts for residents displaced by the January 2025 wildfires.

••• Maiava has also demonstrated a strong commitment to addressing food insecurity through his service at the Dream Center and The Midnight Mission.

••• Across three volunteer shifts at the Dream Center, he helped prepare and serve more than 1,300 meals for individuals experiencing food insecurity, while at The Midnight Mission he worked alongside staff to prepare and distribute meals to individuals and families seeking support, reflecting his hands-on approach to serving those most in need.

••• In addition to his volunteer service, Maiava has invested in mentoring and empowering young people through organizations including the Boys & Girls Club, Angel City Sports' Youth Weekend and The Young Shakespeareans.

••• Whether coaching and encouraging local youth, participating in adaptive sports alongside children with physical disabilities or celebrating students' achievements in the arts, he has consistently used his platform to promote inclusion, confidence, education and personal growth while building meaningful connections throughout the community.

THE LAST MEETING

USC 29, UCLA 10
Att: 69,614

USC came out on top in its annual crosstown showdown with UCLA as the Trojans defeated the Bruins 29-10 in front of a crowd of 69,614 at the Los Angeles Memorial Coliseum on Nov. 29. This was USC head coach Lincoln Riey's third time in four years winning the Victory Bell.

This victory marked an undefeated home season in 2025, the first time the Trojans have gone undefeated at home since 2022 in Riley's debut season.

USC held UCLA to 308 total yards, the fewest total yards allowed against UCLA since 2016 (266).

USC had 4.0 sacks in the game, marking the seventh time this season the Trojans have had multiple sacks.

QB Jayden Maiava went 21-of-29 (.724) for 257 yards and 2 TDs.

RB King Miller scored two rushing TDs (a single-game career best), while **WR Makai Lemon** and **TE Lake McRee** each scored a TD through the air.

The 10 points allowed by the Trojans were the fewest UCLA has scored in the series since USC's 50-0 win in 2011.

USC put points on the board first as Miller scored on the Trojans' opening drive and then forced the Bruins to a three-and-out.

On USC's next possession, **K Ryon Sayeri** attempted a 38-yard field goal, but the kick was blocked.

The Bruins tied up the game on a 2-yard pass from UCLA QB Nico Iamaleava to WR Kwazi Gilmer on a third and goal play.

The Trojans then drove down to the UCLA 12-yard line, but Sayeri missed a 30-yard field goal attempt. UCLA responded with their own field goal, a 38-yarder from K Mateen Bhaghani, to take a 10-7 lead going into halftime.

The Trojans and the Bruins exchanged three-and-outs to open the second half. UCLA found momentum on its next drive, but was stopped on a big third-down sack from USC **DT Jide Abasiri** to force the Bruins to punt.

USC scored its second TD of the day on a 32-yard pass from Maiava to Lemon for a go-ahead score with 25 seconds left in the third quarter.

The Bruins punted again, and after Lemon made a 35-yard punt return, Lane made a 27-yard reception to set up McRee's 2-yard TD catch with 11:24 left.

UCLA turned the ball over on downs on its next possession, and Miller exploded on a 41-yard run to score and secure the Trojan victory. This TD was the longest rushing TD UCLA has allowed all season.

The Trojan defense held UCLA scoreless in the second half. The last time the Trojans held UCLA scoreless in a half was in 2016, a 36-14 USC victory. The scoreless second half was the second in three games after the Trojans also held Iowa scoreless in the second half on Nov. 15.

WHAT THEY'RE SAYING ABOUT RILEY & PATTERSON

••• **Ken Niumatalolo, San José State Head Coach -** "Gary's one of the best defensive minds in all of college football. I'm good friends with him. We worked together in 1995 at the Naval Academy, so I'm very familiar with Gary. I was on the AFCA board with him for over a decade, so I know Gary Patterson very well. Smart call by Lincoln to hire him. They're going to get people in trouble in the Big Ten, and that's just their first game. And as they grow, they're going to get better with Gary leading their defense. But Gary's a phenomenal football coach. He's a phenomenal culture builder, and a credit to Lincoln. To have the humility as a head coach, and the foresight to hire a Hall-of-Famer. A lot of coaches wouldn't do that. They're like, 'No, I'm not going to hire a guy that caliber in my chair.' But to his credit, Lincoln

••• Few defensive freshmen have been as disruptive or dominant as **DE Luke Wafle**, On3/Rivals' No. 1 overall prospect from the 2026 class.

••• Wafle, a Midseason True Freshman All-American as named by On3/Rivals, 247Sports and The Athletic, is the true freshman leader in QB Pressures across the FBS this season with 26.

• He also leads the team with 4.0 sacks, the most by a USC freshman since DL Drake Jackson had 5.5 in 2019.

••• Wafle is No. 7 on ESPN's Top 40 Freshmen List.

WHAT THEY'RE SAYING ABOUT LUKE WAFLE

••• **Ryan Kartje, Los Angeles Times -** "Luke Wafle. Star."

••• **Ryan Dyrud, LA Football Network -** "The Trojans have not had an EDGE player like Luke Wafle in, I don't know, how long. Even the way he sets the edge and sheds blocks to take down the RB is just DIFFERENT"

••• **Aaron Taylor, College Football Analyst -** "DL97 Jide Abasiri and DE94 Luke Wafle are gonna be a problem for people this year."

••• **Ryan Kartje, Los Angeles Times -** "I know Luke Wafle is a true freshman. And every game I re-remind myself this, and it still doesn't seem true."

PRESSURE UP FRONT

••• USC's front recorded 3 tackles for loss, including one sack, and helped limit Maryland to 101 rushing yards.

••• **DT Jide Abasiri** recorded 3 tackles, including a one-yard sack and a tackle for loss.

••• Abasiri has been named as a Quarterfinalist for the Lott IMPACT Trophy.

••• **DE Kameryn Crawford** made 4 tackles and recorded a 2-yard tackle for loss.

BIG THANOS ENERGY

••• Even though he's missed four games in 2026 (San José State, Fresno State, Louisiana and Rutgers), **DT Jahkeem Stewart** continues to make his presence known.

••• Against Maryland, Stewart added a tackle for loss and a quarterback hurry.

••• He also impacts the team with his big personality that is hard to miss and easy to feel.

••• After the Washington win, Stewart met with the media and shared his excitement and his craving for some home-cooked gumbo. His charisma quickly brought smiles to the room of journalists as well as Coach Riley and his teammates.

••• Lincoln Riley said: "As you guys saw in the post-game [against] Washington, he's a big personality. He's extremely competitive. He's a loud but boisterous guy. You got to have some guys like that in your program, and so he brings a lot of competitiveness and a lot of juice to our defense and to our program. You feel it when he's there, and you feel a little bit of the gap sometimes, honestly, when he's not there. So, no question. You feel it. He's one of the unique players that you feel it from his on-the-field play, and you feel it from his personality and competitive juice, both. And they're both obviously super valuable."

••• **Kendell Hollowell, USC Trojans on SI** – "Having Alex Graham in the lineup makes a big difference."

THE AUSSIE ADVANTAGE

••• **P Lachlan Carrigan**, from Melbourne, Australia, is averaging 47.8 yards on 23 punts this season, a mark that would rank fifth nationally among the listed leaders, though he does not meet the leaderboard's minimum 3.6 punts-per-game requirement.

SPECIALIST AT WORK

••• **K Caden Chittenden** made both field-goal attempts, from 30 and 31 yards, and converted all three PATs.

••• **KR Deshonne Redeaux** returned one kickoff for 18 yards.

RANKINGS

••• USC is ranked No. 15 in the AP Poll and in the USA Today Coaches Poll. UCLA is ranked No. 10 in the AP Poll and in the USA Today Coaches Poll.

SERIES

••• USC leads the series with crosstown rival UCLA, 52-34-7 (dating to 1929, a 76-0 Trojan win), not including Troy's 2004 and 2005 victories that were vacated due to NCAA penalty (original record: 54-34-7). UCLA only has been victorious 7 times in the last 27 meetings dating to 1999.

USC AND UCLA BOTH RANKED

••• USC is 12-13-1 in this matchup when both USC and UCLA are ranked in the AP Poll (not including 1 win vacated due to NCAA penalty; original record 13-13-1).

IN ROSE BOWL STADIUM

••• USC is 37-20 in regular and post-season games it has played in the Rose Bowl, including 25-8 in the Rose Bowl Game, 10-11 versus UCLA and 2-1 in the 1922 regular season (not including 1 win over UCLA and 1 Rose Bowl loss vacated due to NCAA penalty; original records 38-21 overall, 25-9 in Rose Bowl Game and 10-11 versus UCLA).

HOME JERSEYS

••• For the first time since 1982, both USC and UCLA wore home jerseys in the 2008 crosstown rivalry game (it was UCLA's home game in the Rose Bowl). Per an NCAA football-playing rule, because the Trojans were not in their white road jerseys, they were charged with a timeout at the opening kickoff. UCLA responded by calling a timeout immediately after to even things up. The teams again both wore home jerseys in 2009 (that rule was repealed, so there was no consequence). The tradition of USC in its cardinal jerseys and UCLA in its blue jerseys, regardless of whose home game it was, went on from 1949 to 1951 and then 1957 through 1982 before an NCAA football rules change required the visiting team to wear white. That rule was no longer in effect beginning in 2009, so USC again wore its home jerseys in the

CROSSTOWN CUP

••• The winner of the USC-UCLA football game scores 10 points toward the Crosstown Cup, a trophy awarded annually to the school with the most successful athletic year against the other.

••• The competition was formerly known as the Crosstown Gauntlet. Points are awarded to the winner of each Trojan-Bruin head-to-head contest and the Crosstown Cup will be awarded to the school with the most points at year's end (100 points is the magic number).

BLOOM FOOTBALL PERFORMANCE CENTER

FAST FACTS

••• Official Opening: August 5, 2026, as the centerpiece of USC's

$225 million Athletics West campaign.

••• 163,000 square feet – more than doubles the total square footage for the USC football program.

••• Three-story building plus basement, plus two full-length outdoor practice fields (one turf, one natural grass).

••• The lobby showcases USC's 11 national championships and 8 Heisman Trophies, the most of any program in the country, and serves as the first public home of USC Football where fans can interact with the history and tradition of the program.

••• Locker room and sports medicine suite include direct access to hydrotherapy, cooldown and recovery pools.

••• 12,321 SF Strength & Conditioning Center and 5,406 SF Active Rehabilitation Center.

••• 279+ individual rooms and program spaces.

BLOOM IS THE HOME OF USC FOOTBALL

••• Bloom is now the home of USC Football.

••• Every aspect of the facility was designed specifically for football, from the size and scale to the equipment and finishes.

••• Every square foot serves a football purpose.

••• Football players will still go to the John McKay Center for academics and Little Galen for meals, but now the team has a true home of its own.

••• Bloom also allows USC to reimagine the John McKay Center to benefit student-athletes from all 23 sports.

PURPOSE-DRIVEN DESIGN

••• Every square foot has a purpose.

••• Nothing is included simply for show.

••• Every feature is designed to develop student-athletes to help the USC football team win championships.

TRADITION MEETS INNOVATION

••• The building reflects the collision of USC's tradition and the future of college football.

••• The program's history is celebrated and honored throughout the facility while embracing modern innovation needed to build a championship program for the future.

THE LOBBY

••• Houses USC's 8 Heisman Trophies, 11 national championship trophies, individual player awards, a Pro Football Hall of Fame display with a gold jacket from the Hall, an NFL Draft Wall, and an immersive showroom.

••• Tells the USC Football story in one place.

••• Open to the public on gameday.

••• Highlights team and togetherness.

••• 11 crystal footballs were commissioned, and USC connected with the governing bodies of the College Football Awards to purchase trophies for the lobby.

••• USC has never had all these items from its history in one place before – now fans will be able to engage with them.

••• It's hard to win a trophy or a Hall of Fame jacket; it's equally hard to get these awards in hand for display. The work that the staff had to put in to obtain these items was immense.

Collaboration with USC School of Cinematic Arts

••• Opportunity to collaborate with USC's School of Cinematic Arts to tell stories on the video board and immersive showroom in the lobby.

••• Create content that builds excitement around game day.

••• Opportunity to involve fans and donors in the storytelling experience.

••• Fans will be able to see the content from outside the building.

LEVEL 1 – ALL ABOUT THE PLAYER

The building was designed around the player.

Player Experience & Player Development

••• Everything starts with the player experience.

••• Player development was the driving philosophy behind every decision.

••• The facility supports recruiting, retention and development.

••• It's about attracting elite talent, developing them and helping them succeed.

••• The goal is simple: train players to win on the field.

Natural Light

••• The previous facility had virtually no natural light.

••• Bloom features 30-foot-tall garage doors that open directly onto the practice field.

••• Sports medicine and recovery areas are filled with natural light.

••• The design intentionally places players in environments with daylight and energy.

Recruiting & Player Development

••• This facility is not exclusively a recruiting tool – it's about player development.

••• It demonstrates USC's commitment to investing in its student-athletes.

••• It helps recruit, retain and develop elite talent.

Performance Technology – Weight Room & Sport Science

••• The facility is centered around measurable player development.

••• USC is the first collegiate program to have Nike Strength custom weight racks.

••• Perch technology tracks every lift – bar speed, velocity-based training and power and explosiveness.

••• Video boards in the weight room showcase stats and foster a competitive environment.

••• The weight room's adjacency to the turf field lets players carry what they're doing on the rack out to football-specific movement on the field – central to Coach Truman Carroll's training philosophy.

••• Catapult performance vests support data-driven development throughout the program.

Fueling Station

••• Located right outside the weight room; houses a dedicated space for nutrition.

••• The Bod Pod now has its own home rather than being housed in an office.

Locker Room & Players' Lounge

••• Lockers are full-recline, promoting rest and recovery.

••• A barbershop promotes team bonding.

Equipment

••• USC has never had a loading dock before – now it does.

••• Level 1 includes a significantly expanded equipment space.

Walk-Through Room

••• Features a 45-foot-wide video wall.

••• Allows players to get mental repetitions before stepping onto the field, catering to different learning styles and optimizing rest.

LEVEL 2 – WHERE THE PROGRAM COMES TOGETHER

Players are on Level 1, coaches are on Level 3, and Level 2 is where the program meets together.

Learning & Development

••• Three learning environments work together: the Meeting Room, the Walk-Through Room, and the Practice Field – for verbal, visual and

participatory learning.

••• The progression helps players learn faster, get valuable mental reps, accelerate development for freshmen and transfers and better understand the cerebral side of football.

Walk-Through Room – Event-Ready Space

••• This building will help generate revenue, including this room.

••• Presentation-ready event space.

••• Pushed to the furthest edges of the building, away from coaches and players.

••• Events can be hosted in this space and on the surrounding deck without disrupting players on Level 1.

••• A true campus asset.

Team Room

••• Two-story team room equipped with theater-quality surround sound.

••• USC has never had a space that fits the entire team and staff.

Meeting Rooms

••• All position meeting rooms (12 total) are located on Level 2.

Recovery & Sport Science

••• Recovery is a major competitive advantage – infrastructure USC previously lacked.

••• Built in collaboration with a sports scientist who holds a medical doctorate from Keck Medicine.

••• Recovery technology matches what's used in the NFL and MLB.

••• Amenities were cherry-picked to keep players healthy through all 16 games – "you can't peak in Week 3 and taper off in Week 11."

••• Recovery room features: float beds, infrared therapy beds, sleep pods, AI-powered massage chairs from Japan, premium hot and cold plunge areas that feel like a luxury resort, and zero-gravity chairs.

Creative & Content

••• Represents an investment in the future of the program.

••• Three dedicated creative studios built to support content creation and storytelling.

••• Designed with future student-athlete content opportunities and NIL opportunities in mind, as well as revenue-generating production opportunities.

Additional Level 2 Program Spaces

••• NFL alumni locker room.

••• Dedicated space for NFL scouts.

••• Recruiting terrace overlooking the practice fields.

LEVEL 3 – COACHES & STAFF EXPERIENCE

The building serves as the home base for the entire football program.

Coaches

••• McKay was built for a much smaller staff.

••• Bloom creates a modern workspace that reflects today's football operations.

Office Design

••• Defensive coaches overlook the practice field.

••• Offensive coaches overlook the atrium.

••• Glass walls create openness and collaboration.

Staff Amenities

••• Multiple fueling stations throughout the building.

••• Kitchen and lounge areas are designed to encourage staff interaction.

••• Family-oriented environment that feels like home.

••• Coaches have access to wellness amenities to help them stay refreshed during the long season.

The Goal

••• Make USC the choice destination for coaches.

••• Create an environment where elite coaches want to work.

Football Front Office

••• Dedicated front office suite.

••• Space for the General Manager, personnel staff, graduate assistants and student workers.

••• Built for collaboration, film study and roster management.

••• Located directly across from the coaching staff.

••• Designed to mirror NFL front office operations.

••• Provides room for continued program growth.

Rooftop Deck

••• Like the Walk-Through Room, it's an event-ready space.

••• Accessible without ever interacting with coaches or players.

••• Houses a large video board, TVs, a pickleball court, ping pong tables and pool tables.

••• Doubles as a second players' lounge.

SOUTHERN CALIFORNIA ADVANTAGE

Lean into what makes USC unique.

••• Hollywood Sign and Downtown LA views from Level 3.

••• Maximizes outdoor space wherever possible.

••• Indoor and outdoor spaces take full advantage of the Southern California environment.

••• The building's exterior and surrounding landscape are part of the experience.

••• Extensive glass keeps the building open and visually accessible.

BRANDING & USC IDENTITY

Every branding element was intentional.

••• Themes throughout the building include Fight On, team accomplishment, championship culture and player development.

Highlights

••• National Championship displays greet players upon entry to the team room.

••• The All-American Walk celebrates both individual and team success.

••• A display showcasing undefeated seasons at the Coliseum promotes competition.

••• Specific messages were intentionally emphasized at specific locations throughout the building.

PRACTICE FACILITY IMPROVEMENTS

The project extends beyond the building itself.

••• Two full-length outdoor practice fields – one turf, one natural grass.

••• New high-tech cameras for the video team to promote efficiency.

••• New audio system to simulate crowd noise.

••• New lights.

••• New scoreboards.

••• Enhanced practice fields.

••• A fully integrated football performance center and practice complex.

CONSTRUCTION & PARTNERSHIP

••• Clark Construction was a key partner on the project.

••• Art Vasconcelos, VP at Clark Construction, is a proud USC alumnus managing the project – he was a student manager under head

coach Pete Carroll and served as head student manager his senior year.

••• It's a green building anticipated to achieve LEED Platinum certification, with rooftop solar infrastructure and high-performance, energy-efficient building systems.

••• This is one key piece of Athletics West – USC enhanced and invested in multiple programs' facilities.

••• With football in its own space, training times open for all other sports.

••• Utilizes an innovative mass timber structural system – exposed Cross-Laminated Timber (CLT) and glulam elements – placing Bloom among a select group of collegiate athletic facilities built this way, creating warm, naturally daylit interiors while supporting large-span flexibility for a modern football program.

CONSTRUCTION BY THE NUMBERS

People

••• 455,000 craft labor hours.

••• 2,100 individual craft personnel worked on the project.

••• 250 peak craft personnel on site at any one time.

••• 190 different contractors and vendors worked on the project.

Timeline

••• 636 days from groundbreaking to ribbon cutting (1 year, 8 months, 29 days) – Nov. 7, 2024, to Aug. 5, 2026.

••• Wormley accounted for both of USC's offensive TDs in the second half

••• After Rutgers cut USC's advantage to 27-21, Wormley sparked the ensuing possession with a career-long 27-yard run and finished the 75-yard drive with a 12-yard TD rush.

••• With Rutgers again within seven points in the fourth quarter, Wormley gained 13 yards to set up first-and-goal before catching a 2-yard TD pass on third down to restore USC's two-score lead.

••• Head coach **Lincoln Riley** praised Wormley as one of USC's strongest competitors: ""I think they (Wormley and Simms) are two of our stronger competitors on the team," Riley said. "Two guys who I never have to worry about their effort or physicality or competitiveness. I think because of that they both were able to stay on the field."

••• **RB King Miller** recorded his second 100-yard rushing performance of the season against Rutgers, gaining 102 yards and a touchdown on 16 carries.

••• Miller averaged 6.4 yards per carry, and none of his 16 rushing attempts resulted in negative yardage.

••• Miller rushed for 24 yards on two consecutive carries following **S Christian Pierce**'s interception, scoring on an 11-yard run to give USC a 10-0 lead.

••• With USC protecting a seven-point lead on its final possession, Miller carried five times for 34 yards and three first downs.

••• Miller, a former walk-on, leads USC with 338 rushing yards and three touchdowns on 64 carries, averaging 5.3 yards per attempt in 2026.

••• **RB Waymond Jordan** added 46 yards from scrimmage, rushing eight times for 26 yards and catching one pass for 20 yards.

••• USC's offensive line helped the Trojans average 5.9 yards per carry and surrender only one sack.

••• Trojan running backs combined for 180 yards and 2 touchdowns on 27 carries, an average of 6.7 yards per attempt.

••• USC's running backs did not record a negative rushing attempt.

••• The offensive line paved the way for 12 rushing first downs.

••• USC's secondary accounted for both Trojan interceptions and 115 interception-return yards.

••• USC redshirt senior **S Prophet Brown** delivered the game-changing play by intercepting a pass at the USC 1-yard line and returning it 99 yards for a touchdown.

••• Brown's 99-yard pick-six was the second interception and first pick-six of his collegiate career.

••• He tied a 90-yard old record: the longest interception return in USC history (Bud Langley, 1936, versus Notre Dame).

••• The play produced a dramatic swing in a one-score game. With USC leading 20-14, Rutgers had driven to the Trojan 9-yard line and was positioned to take its first lead. Brown instead took the ball the length of the field to extend USC's advantage to 27-14.

••• His TD ultimately provided the decisive points in USC's seven-point victory.

••• The interception ended a 10-play Rutgers possession that had consumed more than four minutes and advanced 66 yards, immediately reversing the momentum in the Trojans' favor.

••• Brown added four tackles, including two solo stops, to his 99-yard interception return TD.

••• The performance came after Brown missed the entire 2025 season with a season-ending injury suffered during fall camp, making his career-defining play part of an impressive return to the field.

••• **S Christian Pierce** delivered a complete performance with a game-high 11 tackles, 6 solo tackles, one INT and two pass breakups.

••• Pierce intercepted QB Dylan Lonergan on Rutgers' second play of the game and returned it 16 yards to the Rutgers 24-yard line.

••• USC scored two plays later, making Pierce's INT responsible for setting up the Trojans' first TD.

••• **DE Luke Wafle** recorded four tackles and was consistently involved against the run.

••• **DT Alex VanSumeren** added two tackles and a quarterback hurry.

••• **DT Jide Abasiri** recorded a quarterback hurry that helped force an incompletion.

••• **DT Floyd Boucard** contributed three tackles.

••• **DE Kameryn Crawford** contributed 6 tackles and combined with Desman Stephens II for USC's lone sack.

••• **LB Deven Bryant** finished second on the team with 8 tackles, including 4 solo stops.

••• Bryant joined Pierce on the fourth-and-1 stop to force a turnover on downs in the fourth quarter that gave USC possession at the Rutgers 24.

••• **LB Desman Stephens II** recorded 7 tackles, a pass breakup and half a sack against the Scarlet Knights.

••• **S Kennedy Urlache**r finished with four tackles and a pass breakup.

••• **K Caden Chittenden** was perfect in converting both field-goal attempts and all four PATs.

••• Chittenden accounted for 10 points, the second-most by any USC player in the game and the most he's scored as a Trojan.

••• He opened the scoring with a 35-yard field goal, giving USC a lead it never relinquished.

••• After Rutgers pulled within three points late in the first half, Chittenden capped USC's 61-yard drive with a 32-yard field goal with 10 seconds remaining, sending the Trojans into halftime with a 20-14 advantage.

••• The two field goals were Chittenden's first as a Trojan and came in his first game handling USC's place-kicking duties.

••• His flawless performance was especially meaningful after he missed the entire 2025 season because of a season-ending injury

suffered during fall camp.

••• Chittenden's 10 points proved critical in a game decided by seven, helping USC win its Big Ten opener, improve to 4-0 and complete its first East Coast road trip since 2014 with a victory.

••• **P Lachlan Carrigan**'s only punt traveled 56 yards and was downed at the Rutgers 5-yard line.

••• **K/P Ryon Sayeri** recorded three touchbacks on eight kickoffs. Rutgers returned just one kickoff for 17 yards.

••• USC did not have a kickoff return or punt return.

••• This is the second week in a row that a freshman has scored 2 receiving TDs in a single game for the Trojans.

••• With 1 minute remaining in the first quarter, Bowman made a SportsCenter-worthy highlight as he hauled in a pass from Maiava over the middle, turned upfield and spectacularly hurdled two Louisiana defenders in a single bound. Bowman landed on his feet and powered ahead for nine more yards, completing a 35-yard reception that moved USC from its own 41-yard line to the Louisiana 24.

••• Per PFF, Bowman recorded a 90.3 offense grade (second in the Power Four & first in the Big Ten among TEs) and a 90.8 receiving grade (third in the Power Four & first in the Big Ten among TEs).

••• Mosley continued to impress as he opened the second half with a TD on a 21-yard acrobatic reception.

••• This marked Mosley's second TD of the game, his fourth receiving TD as a Trojan, and his third-straight game with a receiving TD.

••• Prior to Mosley, just five Big Ten freshmen have caught a TD pass in each of their first 3 career games since 2000: Jeremiah Smith (Ohio State, 2024), Jackson Anthrop (Purdue, 2017), Ted Bolser (Indiana, 2010), Deon Butler (Penn State, 2005) and James Hardy (Indiana, 2005).

••• The last Trojan to record a receiving TD and return a punt for a TD in a single game was Tyler Vaughns against Arizona State in 2018. Vaughns caught a 48-yard TD pass from QB Jack Sears and returned a 82-yard punt for a TD.

••• Freshman **WR Kayden Dixon-Wyat**t caught 3 passes for 43 yards and his second TD of the season.

••• They also powered a rushing attack in which **RB King Miller** averaged 7.1 yards per carry and Waymond Jordan averaged 4.7 yards per carry.

••• USC's offensive line did not allow a sack on 31 team pass attempts.

••• The offensive line helped USC convert 11-of-15 third downs and its only fourth-down attempt.

••• The entire offensive line earned PFF Week 2 National Offensive Line of the Week.

••• Wafle led USC with a career-high 7 tackles, including a game-

high 6 solo stops and 1.0 tackle for loss.

••• Despite lining up along the defensive front, he finished as the Trojans' leading tackler and recorded a tackle on seven of Louisiana's 52 offensive plays.

••• Wafle consistently defeated blocks and affected plays at or near the line of scrimmage.

••• His first-quarter tackle for loss dropped Louisiana RB Steven Blanco for a one-yard loss and helped force a three-and-out immediately after USC took its first lead.

••• Six of Wafle's seven tackles came against the run, and four of his five solo run stops limited Louisiana to two yards or fewer.

••• Wafle's combination of penetration, pursuit and tackling allowed the freshman to impact the game well beyond his official stat sheet total.

••• Wafle became the first USC defensive lineman to lead the team outright in tackles in a game since Tuli Tuipulotu recorded 7 against Stanford in 2021.

••• **DT Jide Abasiri** tied for second on the team with a career-high 5 tackles, including 3 solo stops.

This is the first time the Trojans have held their opponent scoreless in the first half in back-to-back games since the 2009 season. On Sept. 26, the Trojans shut out Washington State in the first half of play, and on Oct. 3, they also shut out California in the first half.

••• Fresno State was held scoreless in a game for the first time since the team lost to San Diego State 0-23 on Oct. 25, 2025.

••• Five different Trojans recorded a reception of at least 20 yards.

••• USC outgained Fresno State 552-116, a margin of 436 yards.

••• The Trojans possessed the ball for 38:52, including 13:15 of the third quarter

••• Maiava went 23-of-25 (.920) for 349 yards and 3 TDs.

••• Maiava's 92.0% completion percentage is the highest single-game completion percentage by a USC quarterback since at least 1995 (minimum 25 attempts). He broke the mark he set last week against San José State (86.2% going 25-of-29).

••• His 92.0% completion percentage was just three percentage points shy of USC's single-game record for a passer with at least 15 completions: Matt Barkley's 19-of-20 performance (.950) against Colorado in 2012.

••• Maiava completed 17-of-18 passes for 284 yards and 3 TDs in the first half.

••• Mosley's 68-yard touchdown reception was USC's longest play of the game.

••• Mosley scored a second TD on a 9-yard pass from Maiava with 4:07 left in the second quarter.

••• Mosley is the first USC freshman with 100+ yards in consecutive games since former Trojan
WR Drake London accomplished the feat in 2019 (in a win over Cal; 6 rec. for 111 yards and a win over UCLA; 8 rec. for 142 yards).

••• Fellow freshman **WR Kayden Dixon-Wyatt** led the Trojans in receptions with 6 and notched 102 receiving yards (17.0 avg.).

••• This was the first time that two freshmen receivers have recorded 100+ yards in the same game since records available in 1973.

DEPTH UNDER CENTER

Bond was a two-time First Team All-American in 1962 and 1964. He competed on the USC men's tennis team from 1962-64. Bond was inducted into the ITA Men's Collegiate Tennis Hall of Fame in 2003.

RUSH HOUR

••• Led by Assistant Head Coach for Offense / Running Backs Coach **Anthony Jones Jr.**, the Trojans are positioned to boast one of the most dynamic and explosive running back rooms in the country in 2026.

••• The Trojans return one of the nation's best backs, senior **Waymond Jordan**, a Midseason All-American and the 2024 JUCOWeekly Trophy winner (junior college's equivalent to the Heisman Trophy), who burst onto the scene and rushed for 576 yards on 88 carries (6.5 avg.) with 5 TDs through just six games as a junior in 2025. He also recorded 7 receptions for 55 yards. Jordan will return healthy after suffering a season-ending injury versus Michigan which sidelined him for the remainder of 2025.

••• One of the most exciting stories of the 2025 college football season was **King Miller**. Miller earned national recognition as USC's showcase running back after injuries plagued the running back room, and he returns as a redshirt sophomore in 2026. Miller, now on scholarship, rushed for 972 yards on 156 carries (6.2 avg.) with 8 TDs while appearing in all 13 games with 7 starts. He also recorded a successful two-point conversion and tallied 16 receptions for 11 yards. On special teams, he served as a kick returner, collecting 2 returns for 45 yards (22.5 avg.) with a long of 25. He was named a 2025 All-Big Ten Honorable Mention and was selected to The Athletic Freshman All-American Second Team.

AERIAL ASSAULT

••• USC is known for its outstanding wide receivers, especially in Lincoln Riley's electric offense. Led by Assistant Head Coach / Co-Offensive Coordinator / Wide Receivers Coach **Dennis Simmons** and Inside Receivers Coach / Pass Game Coordinator Chad Savage, the Trojan wideouts are in good hands.

••• After Makai Lemon put an exclamation point on a historic season by winning the 2025 Biletnikoff award, the unit is looking ahead to continue that standard of excellence in 2026.

••• The wideouts will be led by **Tanook Hines**. Although just a sophomore, he brings the most experience to the room. Hines saw action in all 13 games making 8 starts and recorded 34 receptions for 561 yards (16.5 avg.) and 2 TDs.

••• Hines exploded at end of last season, recording 335 receiving yards over the final three games, and he's ready to roll that momentum into 2026.

••• Redshirt sophomore **Zacharyus Williams** returns healthy in 2026. He played in just 5 games with 1 start in 2025 due to an injury suffered early in the season. He collected 3 receptions for 80 yards (26.7 avg.) in 2025. After playing through spring ball and fall camp, Williams feel comfortable in his connection with Maiava.

••• Sophomore **Corey Simms** (1 rec. for 6 yards), who mostly saw action on special teams, redshirt freshmen **Romero Ison** and **Cameron Sermons**, and redshirt sophomore **Seth Zamora** all return in 2026.

••• From the portal, USC welcomed **Terrell Anderson**. The junior from NC State tallied 39 receptions for 629 yards (16.1 avg.) with 5 TDs while appearing in all 13 games with 5 starts for the Wolfpack in 2025.

Finally, **Luc Weaver**, a 2025 All-CIF Division III Teamer and 2025 All-Mission League First Teamer, recorded 22 receptions for 397 yards and 7 TDs for Notre Dame as a senior in 2025.

••• Summertime brought another wave of wideouts to Troy. Highly acclaimed freshman **Ethan "Boobie" Feaster**, a 2026 Polynesian Bowl All-Star, an Under Armour All-American and one of the top receivers in the nation out of Desoto High, reclassified and elected to forgo his senior year of high school to join the Trojans for the 2026 season. Fellow December signee, freshman **Roderick Tezeno**, an All-State receiver out of Opelousas Catholic (La.), arrived in Los Angeles this summer.

••• Freshman **Griffin Brahm** (Santa Margarita Catholic) and redshirt senior **Luke Degner** (transfer from the University of Chicago) also joined the wide receiver corps this summer.

"GOD DIDN'T MAKE MANY OF THOSE PEOPLE..."

••• Head coach Lincoln Riley is correct. The tight end position must be able to do it all, and they are a rare find.

••• "Seriously. In the general population, there's not that many people that are big enough and strong enough to block like an offensive lineman, but nimble enough to go catch balls like a receiver and then smart enough to be able to process and handle all that," Riley said.

••• Tight Ends Coach **Chad Savage** will have an extremely talented tight end room to utilize in 2026. It looks to be the deepest tight end unit that the Trojans have had in many years.

••• Redshirt senior **Carson Tabaracci** returns as the oldest member of the group. In 2025, he saw action in 10 games with 1 start and recorded 3 receptions for 32 yards and 1 TD.

The five-star, regarded as MaxPreps 2025 Top Tight End was a constant difference-maker in the Trinity League. As a junior in 2025, he recorded 31 receptions for 370 yards (11.9 avg.) and 2 TDs.

••• Freshman **Manoah Leiato** out of Mater Dei, sophomore **Patrick O'Brien**, formerly a member of the Trojan men's basketball team, and freshman **Grant Woods** out of Crespi added to the tight end room this summer.

BLOCK PARTY

••• USC has one of the most experienced offensive lines in the country. Led by Offensive Line Coach / Run Game Coordinator **Zach Hanson**, who has proven to be one of the best offensive line coaches in the nation, the Trojans will be formidable to face in the trenches.

••• Entering 2026, USC was the only team in the country to return all five starting offensive linemen. Unfortunately, projected starting center **Kilian O'Connor** suffered an injury that will cost him the entire 2026 season. The Trojans lose a veteran offensive lineman and a beloved member of the program, but he will continue to maintain a critical role off the field.

••• USC finished the regular season in 2025 ranked No. 7 in the nation and No. 1 in the Big Ten in passing offense (297.3) and No. 10 in nation in total offense (471.6) and second in the Big Ten. **Alani Noa** and **Justin Tauanuu** both earned All-Big Ten Honorable Mention in 2025.

••• Noa and Tauanuu both earned placement on the 2026 Polynesian College Football Player of the Year Award Watch List, and Noa was named to the Outland Trophy Watch List.

••• Hanson put an emphasis on position flexibility and being able to slot players into different positions.

••• USC showcased eight different starting offensive line combinations throughout 12 games in 2025.

••• There are a variety of options for the center position. **Tobias Raymond** cross-trained at center in the spring while O'Connor was still out.

••• Redshirt sophomore **Kaylon Miller**, who saw action in 10 games stepping in for a variety of injured starters in 2025, returns ready to continue building on his impressive foundation and was recently put on scholarship. Before he started the final three games at guard in 2025, Miller was taking practice reps at center when O'Connor suffered his first significant knee injury.

••• Redshirt freshman **Willi Wascher** and freshman **Kannon Smith** also add depth at that spot.

••• Also on the line, redshirt freshmen **Aaron Dunn, Cash Jacobse**n, **Elijah Vaikona**, redshirt sophomores **Ratumama Bulabalavu**, **Travis Leonard**, **Hayden Treter** and redshirt juniors **Erwin Taomi** and **Jack Susnjar** all return looking to contribute in 2026.

••• In the summer, **Ryan Pauley,** a redshirt senior transfer from Valparaiso, joined the offensive line room.

THE RETURN OF COACH P

••• The **Gary Patterson** 4-2-5 defense is legendary. A multiple defense where the secondary has its own assignments from the front six, and then they two are split in half with the ability to play man coverage on one side and zone on the other; it's designed to confuse opponent offenses. However, don't expect the defense to look the same as Patterson has called it in the past.

••• "Coach P plays the 4-2-5. Not really," Patterson said. "There's some things that are the same, but in 28 years, when you run the same stuff and you stay somewhere 25 years, you have to be able to tweak it, and you have to evolve. The fun thing about being here at USC is there's things that they did really well defensively last season, and we're going to keep those. There's things that we may need to tweak or maybe it wasn't quite as good, and then we'll add new stuff in."

••• The time is now for defense.

••• "It's time for us to be great on defense. Plain and simple," said Riley. "The players are here. The setup is here. It's time to step up into that next level of defensive play consistently."

••• Riley knew Patterson was the right person to take the Trojan defense there.

••• "It's hard to find a guy who's been as consistently productive as a head coach, as a defense coach and a guy who's been able to evolve in so many different ways with so many different skillsets," said **Riley**. "A lot of the times, he did it with skill sets that were maybe not equal to the teams he was having to play against. We competed against each other for so long. Even back to my early years at Texas Tech, we were on staffs going against each other. He was always a pain in the a** to deal with. His ability to take away team's fast balls, his ability to make offenses uncomfortable, his ability to take defensive groups that were able to play better than maybe what the sum of their talent was – I just saw it year after year. We can give him better players, more depth, more talent, and we can give him an opportunity where he's not having to worry about all the different head coach stuff that goes on and put all that energy into the defense at USC. You bring people into your organization who are going to make everyone else better. This guy makes me better, and he makes other people in our building better. His experience is so unique. Anyone that knows Gary, knows there's no halfway with this guy. He's an absolute psycho. When he goes, its full speed. I don't know if he's

left the office since he's been in LA, but that's him. He's recharged, he's motivated, he's got an edge to him and chip on his shoulder. He's really excited to be at USC, and we're thrilled to have him."

SETTING THE TONE IN THE TRENCHES

••• The Trojans will not be skipping a beat as new defensive tackles coach **Skyler Jones** steps in to lead the room. He'll continue to elevate the play of the already talented room.

He was named to Bruce Feldman's 2025 Freaks List for his intriguing athleticism, having clocked 19.22 mph at nearly 300 pounds. More impressively, Abasiri's 10-yard split was 1.60, and he's squatted 700 pounds.

Awarded to an underclassman, based on athletic ability, academic scholarship, and character on and off the field, including the individual's leadership, courage, tenacity, discipline, loyalty, and high standards of morals and values. The award funds a scholarship for the player's tuition, room and board for the following year. The recipient wears a #10 sticker on his helmet (Chandler's jersey number), and the trophy is donated by the Bob Chandler Foundation.

••• Redshirt junior **Jamaal Jarrett**, a fan-favorite, will make an impact in the trenches in 2026. He suffered an injury that sidelined him for the majority of the second half of the season. In one of the most memorable plays of the 2025 season, Jarrett notched his first career INT versus Purdue and returned it 70 yards for a TD. The play was dubbed the "Thicc Six".

••• Sophomore **Jahkeem Stewart**, a Freshman All-American, looks to build on an impressive foundation and return to the field, healthy and ready to compete on the defensive line in 2026. Stewart, who enrolled at USC in the spring of 2025 after reclassifying and forgoing his senior year of high school, had a stellar collegiate debut making an immediate impact on the Trojan defensive line by decorating his stat sheet with 18 tackles, including 7.5 for loss of 27 yards (with 1.5 sacks for minus 11 yards), 1 INT returned for 4 yards, 1 fumble recovery returned for 22 yards and 1 QB hurry. ••• Redshirt sophomore **Brendan Cho** rounds out the returners in the defensive tackle room.

••• USC welcomed redshirt senior **Alex VanSumeren** from the portal out of Michigan State. In 2025, he recorded 52 tackles, including 2 for loss of 10 yards (with 1.5 sacks for minus 10 yards), 2 QB hurries and 1 PBU for the Spartans, and looks to immediately contribute in 2026.

••• VanSumeren was selected as one of USC's three representatives at Big Ten Media Day and has immediately stepped into a leadership role.

••• "It's an honor to be in this position," VanSumeren said at Big Ten Media Days. "I realize that there's a bunch of young guys on the team. I had leaders in my past that helped me, so now, I get to pay it forward. It goes along with being a good teammate. I'm going to give everything I have to this university and to my teammates and to the football program."

••• Four talented freshmen joined the Trojans in the spring. Though injured in his senior season, **Jake Johnson** looks to dive into learning the Trojan defense. As a junior in 2024, he recorded 50 tackles, including 12 for loss with 1.5 sacks, 1 PBU and 1 forced fumble. LIVING ON THE EDGE

••• Defensive Ends Coach **Shaun Nua** has a healthy mix of experienced veterans and talented newcomers to utilize in 2026.

Lincoln Riley is one of the nation's most successful coaches. He's had more success by the age of 40 than any other head coach in college football history. Riley has been a head coach for 9 seasons and has developed three of the last nine Heisman Trophy winners. In addition to being the only head coach to tutor three Heisman Trophy winning quarterbacks, Riley is the only coach to have three quarterbacks selected No. 1 overall in the NFL Draft and has the most No. 1 overall draft selections in the common draft era. Just eight Power Four coaches currently hold a .500 or better career winning percentage against ranked teams, including Riley. From coaching 3 Heisman Trophy winners, to having a 77 percent winning record, to appearing in 3 College Football Playoffs, Lincoln Riley's coaching achievements set a standard of excellence.

USC 42, San José State 26

Aug. 29, 2026 • Los Angeles Memorial Coliseum • Los Angeles

In USC's 2026 season opener, the Trojans defeated the San José State Spartans 42-26 in front of a crowd of 51,144 in the Los Angeles Memorial Coliseum. USC produced 505 yards of total offense, controlled the ball for 37:15.

USC **QB Jayden Maiava** delivered an excellent performance to kick off his 2026 campaign, completing 25-of-29 passes (.862) for 286 yards and 2 TDs while adding a 1-yard rushing score. Maiava completed passes to nine different Trojans and guided the offense to touchdowns on five of its first seven possessions. He finished the first half 17-of-20 for 201 yards, a passing TD and a rushing TD as USC built a commanding 28-0 lead.

The Trojans made a statement from the opening whistle, marching 77 yards on 13 plays and taking 6:05 off the clock. Maiava capped the methodical drive by powering across the goal line on a 1-yard quarterback keeper to put USC ahead 7-0.

USC **WR Trent Mosley** provided an early spark on special teams, returning San José State's first punt 41 yards to set the Trojans up deep in Spartan territory. He finished the game with 174 all-purpose yards, including a career-high 118 receiving yards on 7 catches and 56 yards on 2 punt returns.

Early in the second quarter, **RB Riley Wormley** took the handoff and burst through the left side for a 5-yard TD. The score, the first of Wormley's Trojan career, extended USC's lead to 14-0.

USC's defense kept the Spartans off balance throughout the first half, forcing punts on their first two possessions before USC **DT Jide Abasiri** shut down a crucial fourth-down attempt in the second quarter. San José State was held scoreless through the first 30 minutes of action.

With 2:46 remaining in the half, **WR Kayden Dixon-Wyatt** slipped open over the middle and hauled in a 9-yard strike from Maiava for a TD. The scoring play punctuated a 12-play, 91-yard drive and marked the first TD of Dixon-Wyatt's Trojan career.

The Trojans were not finished. After the defense forced another Spartan punt, USC raced 80 yards in just 1:14. Maiava connected with Mosley for gains of 17 and 33 yards before **RB King Miller** punched the ball into the end zone on a 4-yard rush, sending USC into halftime with a 28-0 advantage. Miller led the Trojan rushing attack with 63 yards and a TD on 15 carries.

San José State opened the second-half scoring with a 22-yard field goal, but USC responded with another lengthy drive. Maiava ultimately found Mosley for a 14-yard TD to push the lead to 35-3. Mosley recorded the first 100-yard receiving performance of his Trojan career.

The Spartans found the end zone for the first time on a 28-yard pass from QB Luke Weaver to WR Jerry McClure early in the fourth quarter. Weaver then connected with TE Kamaehu Kopa-Kaawalauole on the 2-point conversion to make the score 35-11.

USC **QB Jonas Williams** saw his first Trojan action and led a 10-play, 75-yard drive that took 5:14 off the clock. **RB Shahn Alston** capped off the drive with a 1-yard rushing TD score to extend the Trojans' lead to 42-11. Alston finished with 30 yards on 7 carries in his USC debut.

San José State scored twice in the final 5:11, first on a 3-yard TD pass from Weaver to WR Jordan Anderson and then on Weaver's 7-yard rushing score.

The Trojan offense finished with 29 first downs and converted 9-of-13 third-down attempts.

USC **K Caden Chittenden** was a perfect 6-for-6 on extra-point attempts, while the Trojans did not commit a fumble. Defensively, **DT Jide Abasiri** led USC with 4 tackles, including 2.5 for loss, and **DE Jadyn Ramos** recorded the Trojans' lone sack.

Coach Lincoln Riley said...

"It's good to get the first one under our belt. It was kind of a tale of two games for us. The first three quarters there was a lot of good football out there. All three sides of the ball were playing complementary to one another. We really dominated the game through three quarters, so a lot of exciting ball. There were a lot of guys in their first games as Trojans making a lot of big plays, so that was obviously the highlight of it. The fourth quarter was not up to our standards. A bunch of guys had opportunities, and we had several that did not play the way that we anticipated. There'll be a lot to learn and grow from today because we're going to need the depth of this roster. Typically the first and second game is when you make a lot of improvements. When you get the first chance to go play against someone, it reveals a lot. We have to go attack this short week in order and get ready for Friday night."

••• USC is the only FBS program to win 20 season openers since 2006. Ohio State has won all 20 openers played from 2006–2025, but its 2010 win was vacated.

••• **QB Jayden Maiava** completed 86.2% of his passes, the highest single-game completion percentage of his USC career.

••• His 86.2% completion percentage is also the highest single-game completion percentage by a USC quarterback since at least 1995 (minimum 25 attempts).
• Maiava is now No. 2 among USC quarterbacks in the last 30 seasons with most career games with 200+ passing yards, 1 passing TD and 1 rushing TD with 6 games behind Caleb Williams with 12. Matt Leinart and Carson Palmer each had 5 career games with those stats.

••• Maiava had a stretch of 14 straight completions. The last time a USC quarterback had 14+ consecutive completions in a single game prior to today was 17 by former Trojan Caleb Williams on Sept. 30, 2023, at Colorado in a 48-41 win.

••• **WR Trent Mosley's** 118 receiving yards are the most by a USC true freshman in his debut since WR JuJu Smith-Schuster had 123 receiving yards versus Fresno State in 2014 in his freshman debut.

USC 39, Fresno State 0

Sept. 4, 2026 • Los Angeles Memorial Coliseum • Los Angeles

In USC's second game of the 2026 season, the Trojans shut out the Fresno State Bulldogs 39-0 in front of a crowd of 53,014 in the Los Angeles Memorial Coliseum. USC outgained Fresno State 552-116 and controlled the ball for 38:52 as the Trojans improved to 2-0.

USC **QB Jayden Maiava** delivered another impressive performance, completing 23-of-25 passes (.920) for 349 yards and 3 TDs. He did not throw an interception or take a sack. Maiava finished the first half 17-of-18 (.944) for 284 yards and 3 TDs as USC built a 30-0 halftime lead.

The Trojans set the tone with a methodical opening drive, marching 82 yards on 12 plays and taking 5:33 off the clock. On third-and-goal, Maiava connected with **USC WR Tanook Hines** for an 8-yard TD to give USC an early 7-0 advantage.

Fresno State crossed midfield on its opening possession, but USC **S Prophet Brown** intercepted QB Jayden Mandal at the Trojan 15-yard line to end the threat. It was Brown's first interception of his career.

Early in the second quarter, Maiava found USC **WR Trent Mosley** over the middle for a 68-yard TD, the longest reception of Mosley's Trojan career. Mosley finished with 104 receiving yards and 2 TDs on 4 catches, recording his second consecutive 100-yard receiving performance.

USC's defense added to the lead midway through the second quarter. After an intentional-grounding penalty backed Fresno State up to its own 1-yard line, USC **S Kennedy Urlacher** sacked Mandal in the end zone for a safety. Urlacher finished the game with 3 tackles, a career-high 2.0 sacks, 2.0 tackles for loss and a forced fumble.

The Trojans scored again with a five-play, 65-yard TD drive. Maiava connected with Mosley for 22 yards before USC **RB Waymond Jordan** recorded consecutive rushes of 9 and 16 yards. Maiava then found Mosley for a 9-yard TD to extend USC's lead to 23-0.

USC's defense created another scoring opportunity late in the first half. Urlacher stripped Mandal on a sack, and USC **DT Floyd Boucard** recovered the fumble at the Fresno State 38-yard line. Five plays later, Jordan powered into the end zone on a 2-yard rush to send the Trojans into halftime with a 30-0 lead.

The Trojans dominated the second quarter on both sides of the ball, outgaining Fresno State 228 to minus-1. Maiava completed all 8 of his passes in the quarter for 166 yards and 2 TDs, while USC's defense held the Bulldogs to just one first down.

USC **WR Kayden Dixon-Wyatt** led the Trojans with 6 receptions for 102 yards, marking his first 100-yard receiving performance of the season. Dixon-Wyatt and Mosley became the first pair of Trojans to each record 100 receiving yards in the same game since records available in 1973.

USC's defense produced its second safety of the night following a Trojan fumble at the Fresno State 7-yard line. On the Bulldogs' first play after the turnover, USC **S Alex Graham** sacked Mandal in the end zone to push the lead to 32-0. Graham finished with 4 tackles, 1.0 sack, 1.5 tackles for loss and a QB hurry.

The two safeties marked the first time since records available in 1971 that the Trojans recorded two safeties in a single game.

USC **QB Jonas Williams** completed all 6 of his pass attempts for 63 yards in relief of Maiava. Williams directed a 10-play, 79-yard drive that took 6:47 off the clock in the fourth quarter. USC **RB Deshonne Redeaux** capped the drive with a 5-yard rushing TD, the first of his Trojan career, to produce the final score of 39-0.

Jordan led the Trojan rushing attack with 67 yards and a TD on 11 carries, averaging 6.1 yards per attempt. USC **RB King Miller** added 45 yards on 15 carries as the Trojans finished with 140 rushing yards and 2 rushing TDs.

USC's defense held Fresno State to 9 first downs, 77 passing yards and 39 rushing yards on 29 attempts. The Bulldogs averaged just 2.6 yards per play and converted only 2-of-10 third-down attempts. USC recorded 5 sacks, 7 tackles for loss and 2 takeaways while holding Fresno State scoreless on its lone trip to the red zone.

Fresno State ran just four offensive plays and totaled minus-2 yards during the third quarter. The Bulldogs did not record a first down in the period and possessed the ball for only 1:45.

Fresno State reached the USC 8-yard line on its final possession, but USC **DE Jadyn Ramos** recorded a sack on fourth-and-goal to preserve the shutout. Ramos finished with 3 tackles, a sack and a tackle for loss.

USC finished with 27 first downs, averaged 8.1 yards per play and converted 5-of-8 third-down attempts. USC **K Caden Chittenden** was a perfect 5-for-5 on extra-point attempts.

Coach Lincoln Riley said...

"Excited about the win. Really excited about the shutout. Obviously, it's hard to do. Doesn't happen very often in college football these days. We played at our standard for a higher level tonight, and that was really great to see on all sides. I think the excitement, energy in the Coliseum, energy with our football team was pretty consistent the whole way through. I think we played better as a football team than we did in week one. And that's what you got to do. It may sound boring, cliche, whatever, but that's how you get good, right? You just have to keep taking steps."

USC 49, Louisiana 30

Sept. 12, 2026 • Los Angeles Memorial Coliseum • Los Angeles

In USC's third game of the 2026 season, the No. 14 Trojans defeated the Louisiana Ragin' Cajuns 49-30 in front of a crowd of 60,019 in the Los Angeles Memorial Coliseum. USC recorded 483 yards of total offense, converted 11-of-15 third-down attempts and controlled the ball for 33:14 as the Trojans improved to 3-0.

Louisiana intercepted USC **QB Jayden Maiava** on the opening possession and turned the takeaway into a 47-yard field goal. The Trojans responded with a methodical 13-play, 79-yard drive that took 6:21 off the clock. Maiava capped the possession with a 5-yard TD pass to USC **TE Mark Bowman**, the first TD of Bowman's Trojan career, to give USC a 7-3 lead.

USC's defense did not allow Louisiana to record a first down in the opening quarter, while the Trojan offense outgained the Ragin' Cajuns 150-18. Bowman continued his breakout performance on USC's ensuing possession, hurdling two Louisiana defenders during a career-long 35-yard reception. He later caught a 9-yard TD pass from Maiava to extend USC's lead to 14-3 early in the second quarter.

After Louisiana cut the lead to 14-10, the Trojans answered with a 12-play, 87-yard scoring drive. USC converted three third downs during the possession, including a 19-yard TD pass from Maiava to USC **WR Kayden Dixon-Wyatt**. USC **WR/RET Trent Mosley** then broke the game open late in the first half, escaping a pair of tackles and racing 86 yards for a punt-return TD to send the Trojans into halftime with a 28-10 lead.

USC forced a three-and-out to open the second half before taking possession at the Louisiana 41-yard line. Seven plays later, Maiava connected with Mosley for a 21-yard TD to extend the lead to 35-10. Mosley finished with 127 all-purpose yards, recording 33 receiving yards, 8 rushing yards and 86 punt-return yards.

Louisiana responded with an 81-yard TD drive, but USC quickly regained control. Early in the fourth quarter, Maiava found USC WR Zacharyus Williams for a 44-yard TD, the first of Williams' Trojan career, to push the advantage to 42-17.

The Ragin' Cajuns answered with a 32-yard TD run by QB Lunch Winfield, but USC responded with a seven-play, 75-yard scoring drive. USC **RB King Miller** carried the ball four times for 55 yards during the possession, including a 12-yard TD run that produced the Trojans' final points of the night.

Maiava completed 19-of-29 passes for 261 yards and a career-high 5 TDs, distributing his scoring passes among four different receivers. The Trojan offensive line did not allow a sack for the second consecutive game.

USC **DE Luke Wafle** led the Trojan defense with a career-high 7 tackles, including a team-best 6 solo tackles and 1.0 tackle for loss. USC **DE Zuriah Fisher** recorded a sack and forced a fumble in the fourth quarter as the Trojans held Louisiana to 3-of-10 on third-down attempts.

USC finished with 25 first downs, averaged 6.8 yards per play and scored TDs on all four trips to the red zone. USC **K Caden Chittenden** was a perfect 7-for-7 on extra-point attempts.

Coach Lincoln Riley said...

"I think if we'd set a goal here in the beginning, it would have obviously been to win the first three games. Get a chance to play a bunch of guys, develop our roster, put a lot of guys out there to see where they're at, and give us a chance to evaluate and develop, which we've been able to do. This is what you do it for -- to go into conference play, to get out on the road, which we're looking forward to. So we have to have a great week and get ready for a little bit of travel out there and get ready to play."

Coach Lincoln Riley said...

"Excited to get the win. Lively game. Saw some things tonight that I've never seen in my career, but thus is the road. And proud of us for getting it done. We had contributions from all three sides and we'll build on those. But, we gave up some big plays on all three sides and gave up too many big plays defensively. Not pleased at all with how we played there. We made some big play too – the pick-six was massive, and Christian's pick earlier in the game was really good. We still need to clean up penalties. We're not going to take road wins for granted; in this league, they're all hard. We did nice job closing the game out."

Coach Lincoln Riley said...

"It was a heavyweight battle out there like we anticipated it would be. It was one hell of a game. It came down to a couple plays, like games against two really good teams typically come down to, and we made a few too many errors in the end... It's a disappointing locker room. Guys fought their hearts out, but obviously we've got to take this the right way, and that's going to be important for the locker room. We have a damn good football team in there. I know we do, and our locker room believes that."

""One of my favorite wins as a head coach for so many reasons. Phenomenal atmosphere – as good as it gets in college football, so credit to Penn State and their fans. Really proud of our team. We didn't listen to all that you guys had to say on the outside. This group doesn't really care. Nobody in the world gave them a chance to come in and win this game, and we did it. We did it our way. Played the game on our terms. I'm really damn proud of this football team. And the best is ahead for this group. This will be a big spark for us going into the next stretch of the season. Tough place to play; really hard place to win. You have to really outplay them here to beat them. And we did that tonight. We did it on all three sides, and it feels damn good."

Wisconsin 24, USC 7

Oct. 24, 2026 • Camp Randall Stadium • Madison, Wis.

In USC's eighth game of the 2026 season, the Trojans fell to Wisconsin 24-7 in front of 71,750 fans at Camp Randall Stadium. USC recorded 239 yards of total offense and 22 first downs while converting 7-of-15 third-down attempts as the Trojans moved to 6-2 overall and 3-2 in Big Ten play.

USC opened the game with a three-and-out, but the defense responded by forcing a punt after a sack by USC **DE Luke Wafle**. Wisconsin's next possession ended in a field goal after USC **S Christian Pierce** and USC **DT Jide Abasiri** helped limit the Badgers to two yards on their final three plays.

Wisconsin intercepted USC **QB Jayden Maiava** on each of USC's next two possessions, but the Trojan defense held the Badgers to a 33-yard field goal after the first turnover and forced a 51-yard field-goal attempt wide after the second. USC moved into Wisconsin territory late in the quarter, and a 15-yard completion from Maiava to USC **RB Shahn Alston** helped set up the drive before a personal-foul penalty gave the Trojans a first down.

USC carried that possession into the second quarter and put together a 15-play, 67-yard drive that took 7:01 off the clock. Maiava completed passes to USC **WR Trent Mosley** and USC **WR Tanook Hines** to move the Trojans inside the 10-yard line. After Wisconsin penalties extended the drive, Maiava connected with USC **TE Taniela Tupou** for a 4-yard TD to give USC a 7-3 lead.

Wisconsin answered with a 13-play, 75-yard drive, using its ground game to move into the red zone before Badger RB Bryan Jackson scored on a 5-yard run with 1:51 left in the first half. The Trojans reached halftime trailing 10-7.

Wisconsin extended its lead to 17-7 on the opening possession of the second half, converting a fourth-and-2 with a 16-yard TD pass from QB Colton Joseph to WR Chris Brooks Jr. USC responded with a 14-play, 48-yard drive that moved into the red zone. Maiava completed passes to Hines, Tupou and Mosley, and USC converted a fourth-and-3 with an 8-yard completion to Tupou, but Wisconsin blocked USC **K Caden Chittenden**'s 44-yard field-goal attempt.

The Trojan defense forced a three-and-out on Wisconsin's next possession, and USC moved into Badger territory again. A 10-yard completion from Maiava to Tupou and a 6-yard run by Alston helped advance the drive, which continued into the fourth quarter. USC's 58-yard field-goal attempt was wide, keeping the score at 17-7.

Wisconsin followed with a 13-play, 59-yard drive that took 8:12 off the clock. The Badgers converted three third downs and used a series of runs to reach the 1-yard line, where RB Ryan Schwendeman scored to make it 24-7 with 5:02 remaining.

USC put together two late possessions. After Wisconsin stopped the Trojans on fourth down, USC's defense forced a turnover on downs of its own, and Maiava led a 13-play, 68-yard drive into the red zone. Maiava completed passes to Mosley, Tupou, USC **WR Ethan "Boobie" Feaster** and USC **TE Carson Tabaracci**, but Wisconsin broke up his fourth-down pass in the end zone to secure the 24-7 win.

Maiava completed 31-of-50 passes for 257 yards and one TD. Tupou led USC with six receptions for 45 yards and a TD, while Mosley added five catches for 45 yards. USC **LB Desman Stephens II** paced the defense with eight tackles, and Wafle recorded six tackles, including 1.0 sack and 1.5 tackles for loss. USC **DE Braylan Shelby** also recorded a sack, and USC **DE Kameryn Crawford** finished with two tackles for loss.

Coach Lincoln Riley said...

"Really disappointing game...Not good enough. I take responsibility for it. We did not play at our capability on any of the three sides. We didn't coach well enough. And on the road, as you can see in this league and across college football, you better be ready to be at your best. It's hard to win on the road. We have to play a lot better than we did tonight...As you can see across college football right now, you have to hang in there...There's a lot of parity right now, and the toughest teams and the teams that can battle back from losses or tough moments like this will be the ones standing in the end. I have a lot of confidence in our team and our guys that when we're at our best, we can beat anybody. But we have to play to our best, so we have a lot of work to do to get ready for next week."

USC 30, Ohio State 18

Oct. 31, 2026 • Los Angeles Memorial Coliseum • Los Angeles

In USC's ninth game of the 2026 season, the Trojans defeated Ohio State 30-18 in front of a sold-out crowd of 70,810 at the Los Angeles Memorial Coliseum in the rain. USC recorded 338 yards of total offense, including 222 passing yards and 116 rushing yards, as the Trojans improved to 7-2 overall and 4-2 in Big Ten Conference play.

USC opened the scoring with a two-play, 75-yard drive that took 39 seconds. After **QB Jayden Maiava** connected with **RB King Miller** for 6 yards, Maiava found **WR Trent Mosley** for a career-long 69-yard touchdown reception on USC's second offensive play, marking the Trojans' earliest touchdown since Marqise Lee's opening-play score against Oregon State in 2013, to give the Trojans a 7-0 lead.

Ohio State responded with a 39-yard field goal to cut USC's lead to 7-3. After USC punted on its next possession, the Trojan defense forced another Ohio State field goal attempt. USC **RB Waymond Jordan** then scored on a 9-yard run, capping a four-play, 31-yard drive that began after Mosley returned a punt 44 yards and a penalty moved the ball to the Ohio State 31-yard line. USC led 14-3.

Ohio State opened the second quarter with a 34-yard field goal. USC answered with a nine-play, 38-yard drive, capped by a 54-yard field goal from **K Ryon Sayeri** to extend the lead to 17-6. The 54-yarder tied his career-long kick, which also ranks as the second-longest field goal in USC history.

After USC **RB King Miller** fumbled and Ohio State recovered, the Buckeyes drove to the USC 1-yard line but settled for a 23-yard field goal. Maiava led the Trojans on a 10-play, 56-yard drive in the final 1:45 of the half, and **K Caden Chittenden** connected on a 36-yard field goal as time expired to give USC a 20-9 halftime lead.

Ohio State opened the second half with a drive into USC territory, but the Trojan defense forced a fumble that **DT Floyd Boucard** recovered at the USC 32-yard line. USC turned the takeaway into a touchdown in three plays. Maiava hit **TE Mark Bowman** for a 70-yard gain, marking arguably the most incredible play of the 2026 season. His career-long 70-yard catch in the third quarter was the longest play of the game, taking USC from its own 27-yard line to the Ohio State 3. Bowman said, "Get out of my way!" as he hurdled Ohio State defensive back Jaylen McClain. He ran through tackle attempts by safety Earl Little Jr. and cornerback Dominick Kelly and threw a shoulder into Ohio State linebacker Riley Pettijohn before running out of bounds. Bowman's catch set up a 1-yard touchdown run by USC's Miller that gave the Trojans a 27-9 lead.

Ohio State added a 47-yard field goal early in the fourth quarter. After USC punted on its next two possessions, the Buckeyes drove 80 yards in 13 plays and scored on a 1-yard pass from QB Luke Fahey to WR Jeremiah Smith with 2:12 remaining. Ohio State's two-point attempt failed, leaving the score 27-18.

WR Tanook Hines returned Ohio State's onside kick 24 yards to the Buckeyes' 21-yard line. USC's Chittenden then made a 32-yard field goal to extend the lead to 30-18. Ohio State drove to the USC 12-yard line on its final possession, but after a replay review overturned an apparent interception, USC's defense forced an incompletion on fourth down. The Trojans ran out the clock.

Maiava completed 15-of-23 passes for 222 yards and 1 TD. Mosley led USC with 5 receptions for 101 yards and 1 TD, while Bowman added 3 receptions for 79 yards. Miller led the Trojans with 78 rushing yards on 13 carries and scored 1 TD. Jordan added 48 yards on 12 carries and a touchdown.

USC **LB Deven Bryant** led the defense with 11 tackles, while **LB Desman Stephens II** added 9 tackles, a forced fumble and a tackle for loss. **DE Braylan Shelby** recorded a sack, and the Trojans totaled 2 sacks. USC held Ohio State to 7-of-16 on third down.

Coach Lincoln Riley said...

"Yeah, a really fun win tonight. Great atmosphere in the Coliseum. I'm super proud of the team. The players, the staff. Everybody stayed together through the week. It was a key to the week, and that's why it's a pretty happy locker room right now. So super excited about the win. Proud of the guys, man. Leadership. These two guys (QB Jayden Maiava and DT Alex VanSumeren) and some of our others that showed out was key to the entire week, and just a great mentality across. So, awesome win."

USC opened with a nine-play, 41-yard drive that reached the Indiana 34-yard line, but **K Ryon Sayeri's** 51-yard field goal attempt hit the upright. Indiana took advantage, marching 65 yards in six plays to score on a 13-yard pass from QB Grant Wilson to TE Brock Schott.

The Trojans answered with a 12-play, 63-yard drive. USC **RB Waymond Jordan** gained 15 yards on two carries, and USC **WR Trent Mosley** added a pair of receptions for 30 yards. USC **K Caden Chittenden** finished the drive with a 29-yard field goal to cut Indiana's lead to 7-3.

After a scoreless stretch, Indiana moved into field-goal range late in the first half and converted a 21-yard attempt to extend its lead to 10-3. USC **LB Deven Bryant** intercepted Wilson on Indiana's next possession, and the Trojans capitalized quickly. USC **QB Jayden Maiava** found USC **WR Kayden Dixon-Wyatt** for a 51-yard completion, then connected with USC **WR Zacharyus Williams** for a 7-yard TD with 21 seconds remaining. The teams entered halftime tied at 10-10.

Indiana opened the second half with an 11-play, 66-yard drive that ended in a 24-yard field goal. USC responded with an 11-play, 67-yard drive of its own. Maiava connected with USC **TE Mark Bowman** for 21 yards, and USC **RB King Miller** broke off a 19-yard run before Chittenden made a 25-yard field goal to tie the game at 13-13.

USC moved to the Indiana 10-yard line on its ensuing drive, but Chittenden's 27-yard field goal attempt was wide early in the fourth quarter.

The Trojans threatened again after reaching the Indiana 8-yard line on an eight-play, 83-yard drive. Maiava completed a 34-yard pass to Mosley to set up first-and-goal, but Indiana S Isaiah Jones intercepted a pass in the end zone to end the drive that would have tied up the score. Indiana then marched 93 yards in seven plays, capped by a 42-yard TD pass from Wilson to WR Charlie Becker, to extend its lead to 27-13 with 3:30 remaining.

Chittenden made both of his field-goal attempts from 29 and 25 yards, while Sayeri missed from 51 yards.

Coach Lincoln Riley said...

"Very disappointed with the loss. We prepped really well coming into this game. I thought all sides of the ball had some very positive moments, but ultimately we made too many mistakes in a game like this with two really good football teams....Play-for-play, it was probably pretty even. But a couple of the big third downs that we didn't get stops on, a couple of the red zone opportunities that we didn't get touchdowns on, missed two field goals, penalties... We made too many mistakes. We played hard and physical. I thought we were really resilient throghout the game. We gave ourselves some tremendous opportunities to win this game, and I'm very disappointed to not get it done. We've come a long way as a program, but obviously have a little ways to go. Closing out games like that are what you have to do to be the best. Were right there close tonight. This game came down to a couple of plays. We did a good job putting ourselves there, but we have to shut the door and we understand that. We're gonna get back to work. Were gonna get on the plane, get back to LA, correct what we need to correct and get on to the next one."

The Terrapins drove 84 yards in 15 plays, converting a fourth down along the way, and Williams scored on a 1-yard run with 26 seconds left to give Maryland a 14-13 lead.

USC had one more possession before halftime and moved from its own 25 to the 46-yard line, but Maryland stopped the Trojans on fourth down. The teams went to the locker room with Maryland leading 14-13.

Maryland opened the second half with a 10-play, 32-yard drive, but K Sean O'Haire missed a 53-yard field goal. After USC punted, the Trojans' defense forced another punt, and Maiava led a 10-play, 78-yard drive. He connected with Mosley for a 9-yard touchdown with 2:06 left in the third quarter, putting USC back in front, 20-14. Maryland had appeared to score on a 67-yard pass earlier in the quarter, but an illegal-formation penalty nullified the touchdown.

CB Jontez Williams intercepted a pass on Maryland's next possession, giving USC the ball at the Terps' 29-yard line. The Trojans advanced to the 1, where **RB Waymond Jordan s**cored on a 1-yard run. **WR Tanook Hines** caught a two-point conversion pass from Maiava, extending USC's lead to 28-14.

Maryland's next play ended with another interception, this time by **CB Marcelles Williams** at the Terps' 44-yard line. **RB King Miller** gained 27 yards on the first play, and Jordan scored from 17 yards out two plays into the drive to make it 35-14. USC scored three touchdowns and 22 points in just over five minutes to take control of the game.

Maryland answered with a 12-play, 72-yard drive, converting a fourth-and-7 before QB Malik Washington scored on a 4-yard run with 3:56 remaining. USC took over and used an eight-play possession to run out the clock and secure the win.

Maiava completed 21-of-35 passes for 237 yards and two touchdowns. Mosley led USC with eight receptions for 78 yards and two touchdowns. Jordan rushed for 70 yards on 18 carries and scored twice, while Miller added 70 yards on 10 carries.

Brown led USC's defense with six tackles and an interception. Jontez Williams and Marcelles Williams also recorded interceptions, giving the Trojans three takeaways. **DT Jide Abasiri** recorded USC's only sack, and the Trojans held Maryland to 7-of-13 on third down.

Coach Lincoln Riley said...

"Give Maryland credit. I said it all week, they very well and probably should have been on a three-game win streak coming in here. I think their staff and their players have done a heck of a job the last three weeks in what's not an easy situation, so I do want to say I have a lot of respect for the job that they're doing and we knew it was going to be a challenge. Obviously we didn't play the way we wanted to play in the first half, really on either side of the ball. We had a little talk at halftime, and I thought the guys really responded and really controlled the game after that and took it over. So, yeah that's what you have to do this time of year. You have to find a way to win and you see it all across the country. It's hard to do. We won and we're very proud of that. I'm proud of the group, and obviously it sets up a fun opportunity next week."
