WHEELING VS. SETON HILL - FOOTBALL

OVERALL: 1-1 (TIED) @SHU: 1-0 (SHU) @WHL: 1-0 (WHL)

GAME NOTES

Starting Strong: Coming off of a historic 2022 season, the Wheeling University Football team is looking to get off to a strong start in 2023. Their week one win against Seton Hill last season marked the first time since the 2018 exhibition season that the team started the year off with a win, when they beat Hocking College 38-14. The Cardinals look to win the opener for the second straight season in 2023.

Chasing History Again: For the second season in a row, the Wheeling University Football team broke the single-season win record, going 7-4 overall and 6-4 in Mountain East Conference (MEC) play. They broke the previous record with two more wins than they picked up in the 2021 season, when they finished 5-6 overall and 5-5. 2022 marked their first winning season in program history as they look to take it a step forward in 2023.

Eyeing the Griffins: Seton Hill is coming off a year in which they finished 2-9 overall and 2-5 in Pennsylvania State Athletic Conference (PSAC) action in 2022. After a rough start to the year that saw them drop their first eight contests, the Griffins turned things around by year's end, winning two of their final three contests. They picked up a 45-14 win over Edinboro and a 7-0 defensive battle with Mercyhurst, before falling 14-10 to Millersville to end the year.

All-Time Matchup: The Cardinals and Griffins will be meeting for the third time in program history, splitting the first two meetings with one win a piece. The home team has won both games, with Wheeling outscoring the Griffins overall 39-27 in the two games. Last season, Wheeling picked up a 25-11 win to open up the year as quarterback Javon Davis threw for a touchdown and rushed for another to lead the Cardinals to victory.

Player to Watch

Javon Davis
Quarterback - R. SR.

Javon Davis returns for his second year at the helm of the Wheeling offense in 2023. He is coming off a year in which he broke both the Cardinals single-season passing yards record (2263) and the single-season touchdown record (18) in 2022. His weapons are a little different this season, with the graduation of leading receivers Lowell Patron and Chris Canaday, but Davis looks to lead this new corps of Wide Receivers in 2023. Davis also adds the element of being able to take off to his game, and was the team's third leading rusher a year ago with 205 yards on the ground.

Ky'Ron Craggette
Running Back - R-So.

Ky'ron Craggettewas the leading rusher for the Griffins last season and once again looks to lead the Griffins ground game. In his redshirt freshman season, Craggette led the team with 131 carries for 497 yards and five touchdowns during the year. He was splitting the carries with former Grifin JaiQuawn McGriff for most of 2022, but will be looked at as a feature back for Seton Hill this season. As a team, the Griffins rushed for 1,099 yards and they will be looking for more consistency in the run game to try and balance out their offense.
