

WE HAVE MUCH TO BE PROUD OF.

[Click the picture above or this link to view a video celebrating our Education Associate, Faye Hargate](#)

Faye is a **2014 Creative Workforce Fellow for Theatre**. The Creative Workforce Fellowship is a program of the Community Partnership for Arts and Culture. The Fellowship program is supported by the residents of Cuyahoga County through a public grant from Cuyahoga Arts & Culture.

In that very church where the video was recorded, there is now an expansive, rich, and hauntingly beautiful performance art installation created by Faye and her mother, visual artist, Joan Hargate. **[She's Wearing White...](#)** is unlike anything that's being done in Cleveland right now. And our Faye Hargate is unlike anyone else; original work creator and deviser, performer, teaching artist, visual artist and incredible friend. We are lucky to have Faye call CPT her artistic home.

Created by daughter-mother team Faye and Joan Hargate, *She's Wearing White...* is an engaging and multi-sensory art/performance installation that

investigates purity, ideal femininity and sexual role playing through the lens of the Virgin-Bride's wedding night. Inspired by research into bedding ceremonies, BDSM and American wedding-planning culture, *She's Wearing White...* invites audience members to step into a mosaic of languid lace, extinguished candles, castoff altars and siren sounds, whilst a six woman ensemble performs haunting music and original text. **World Premiere.**

We are incredibly proud of our Regional Premiere production of [Spirits to Enforce](#), by [Mickle Maher](#) directed by [Matthew Wright](#). A great script, great performances, and heart-pumping, goose-bump providing original music have contributed to [Spirits to Enforce](#)'s success and the pride we feel for

the production.

Mickle, an innovative and outstanding playwright, is someone we are working to build a relationship with here in Cleveland.

"Wonderfully offbeat...Under the precise direction of Matthew Wright, all of Maher's humorous snips and quips mesh into a symphony of need and a tribute of sorts to the power of creativity and the magic of the performing arts. There is enchantment afoot at CPT."

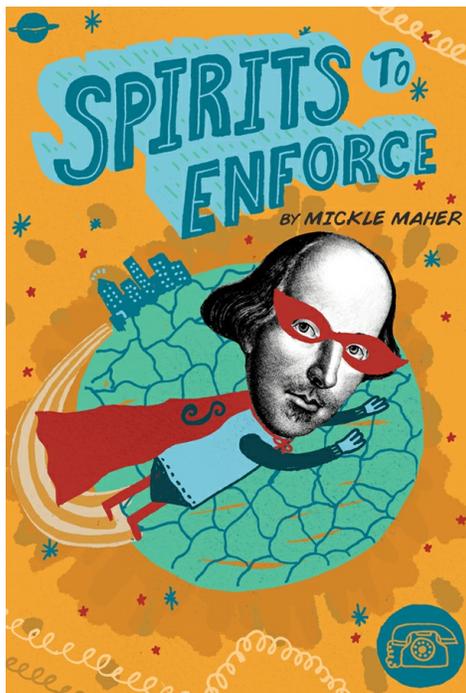

[-Cleveland Scene](#)

"Director Matthew Wright has energized his excellent ensemble into a well-oiled machine."

[-Examiner.com](#)

"Intensely intriguing. The acting by the versatile ensemble is sublime."

Now that their arch-nemesis, Professor Cannibal, is locked away in a correctional facility, twelve superheroes- The Fathom Town Enforcers- have taken up residence in a secret submarine to tackle the most critical work of their crime-fighting mission... fundraising. The Enforcers' plan? To stage a "superheroic" benefit performance of William Shakespeare's *The Tempest*. Seriously. Infused with comic book lore, choral arrangement and text from Shakespeare's beloved masterpiece, Mickle Maher's *Spirits to Enforce* is an utterly unique theatrical trip. **Regional Premiere.**

This weekend, we welcome Teatro Publico Cleveland back to CPT on the Mainstage, the Gordon Square Theatre!
