

Crosspoint Family,

Throughout the year, we at Crosspoint, along with many other churches in town, commit to supplying Hospitality House (<https://www.hosphouse.org>) and the homeless people they serve, with meals. Our church provides a meal on the first Monday of every month.

We are in need of volunteers to help Connie Root and Stephanie van der Westhuizen with some simple cooking of meat and taking it to Hospitality House in the afternoon of that first Monday of each month. The meat can be picked up on Sunday (the day before) at church.

If you would like to volunteer, you can reach out to Connie (connieroot@gmail.com) or Stephanie (svdw1260@gmail.com). Thank you for letting us know of your desire to help in this way.

Blessings,

Pastor Scott
