Experience

GigCityElixir / Student

OCT 2018, CHATTANOOGA, TN

Bruce Tate, author of *Seven Languages in Seven Weeks*, worked with me in bettering my understanding of Elixir. Dave Thomas taught my class at the conference.

Revni / Intern

JUL 2018 - OCT 2018, CHATTANOOGA, TN

Worked my way through the Elixir programming language guides and paired with more experienced developers.

Tech Workforce Program 2.0 / Student

JAN 2018 - MAR 2018, CHATTANOOGA, TN

3 month training curriculum on web technologies (HTML, CSS, JS, jQuery).

Software Development Training

MAR 2017 - JAN 2018

Read and worked through problems on *How to Think Like a Computer Scientist: Learning with Python*.

Read and worked through problems in HTML, CSS, and JavaScript guides on the Mozilla Developer Network.

Completed Codecademy courses on HTML, CSS, JavaScript, and Make a Website.

Working my way through Ruby on Rails tutorial building an app which handles user authentication, blog posts, and comments.

Robotic Design Studio / Wellesley College

JAN 2009, WELLESLEY, MA

Built and showcased a robot and related website.

Education

Wellesley College / B.A., Environmental Studies & Classical Civilization

AUG 2007 - MAY 2011, WELLESLEY, MA

GPA: 3.57/4.00.
