Red by Meika Best  
 Red is the color of Santa's nose and clothes.  
 Ladybugs are red and very shiny.  
 Stop lights are as red as a bull's eye.  
 Red is the first color of the rainbow.  
 Some see a rose, a very light red.  
 They smell a red clean sweatshirt.  
 I hear a big red truck coming.  
 They see a red scarf on the chair.  
 Red is tasting an apple.  
 I feel a red marker.

Green by Carly Werling  
 Green feels like a feather.  
 It splashes like a firecracker.  
 It is a swamp.  
 Green is bumpy like a toad.  
 Green smells like a rose.  
 It is the color of leperchaun clothes.  
 Green feels like velvet.  
 It is a sour apple.  
 Green is sparkling trees.  
 Sounds like a breeze.  
 Green is my favorite lollipop.

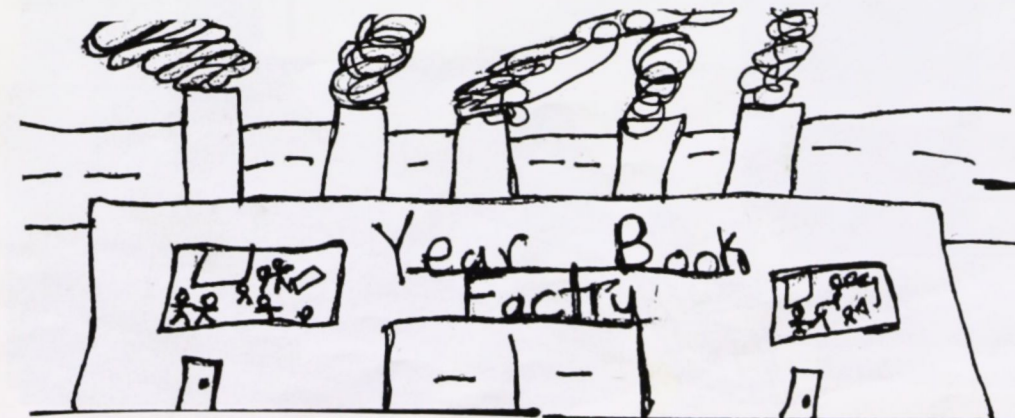

Red by Joshua Petersen  
 Lips are red.  
 Stop signs and special sanoes, too.  
 Hats, and shirts,  
 Red sand and rubies.  
 A box with a bow,  
 Scissors waiting to cut.  
 Red is a sound  
 Its Boom, Boom.  
 Red is a apple that is tasty,  
 Waiting to have a bite.  
 Red is in the dark and day.  
 A cat and a coat and  
 A flag, too.  
 Sunglasses can be red in the sun.

### Feeding The Ducks.

I was in Virginia and I went to feed the ducks on a bridge with my grandpa, Rachel, Amy and my dad. My dad was filming us. I threw some popcorn into the water, and the ducks ate them. My grandpa threw some popcorn into the air and some seagulls caught them! He also put some popcorn onto his palm and put it low to the ground. A duck came onto the bridge and ate the popcorn from his palm. I wanted to do it to, but I was scared. My grandpa said, "I could do it". So, I put some popcorn onto my hand and put it low to the ground and before I knew it, a duck was eating it. I had a great time.

Person or Friend  
 By Ashley Parks

People come and people go,  
 But friends are supposed to stay just so.

Friends can play,  
 Friends can talk,  
 Friends can go with you on a walk.

People smile,  
 And talk for a while,  
 But people come and people go.

Is that person you hang out with,  
 A person or a friend,  
 And will they stay that way till  
 The end?

So what are they?

## The Unlucky Ant

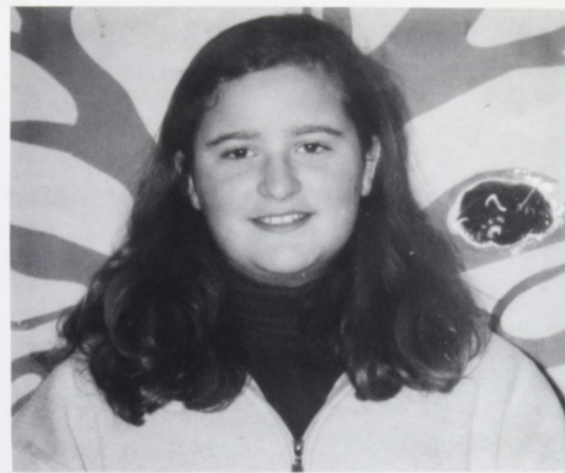

By Samantha Bird

I am an Ant,  
On the ground,  
Rapidly moving,  
All around.

I'm ruby, red all over  
And I love to crawl,  
But I'd rather bite,  
Than go to the mall.

Once I bit a boy,  
Today he is back,  
He's lifting up his foot,  
Uh, Oh! Ka Splat!!!

Tamcka

As I watched  
And watched.  
I saw such beautiful  
Horses wishing  
That I was beautiful  
too. I was flea bitten  
and all. When they  
walk they in such grace  
but not I, I am not that  
graceful. As I watch, watch  
them play I too want to play.  
But I know that one day I too  
will be graceful and beautiful.  
One day I will be that horse.

## Larry the Fly

By: Felicity Gartland

Does anyone know,  
How the story goes?  
How Larry the fly,  
Did suddenly die?

It went something like this,  
As he was flying through the sky.  
He thought a frog was going to kiss,  
He saw his life flash before his eyes!

He got into an open window,  
And landed in some dough.  
He saw a blue-ish- golden light,  
And saw it was the time!
