This Is A Poem of Teamwork

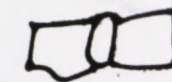

We work together every day,
All through the year, even in May.
We help together to make clay,
So that we can play.

Homemade tortillas we make to eat,
They're fun to keep neat.
The flour came from wheat,
But our tortillas had no meat.

We're friends together forever and we think,
We like each other and we wink
At our pals as they wash hands at the sink,
And at the fountain when we get a drink.

We like to hug and shake
But we have to be careful not to break.
When we bake a cake,
Smiley faces we always make.
