

PUTTING THE PIECES TOGETHER

Justin R. Lyman

Ending yet another year,
 Summer approaching again
 I look back at everything,
 And wonder what could have been
 Were my grades good enough
 Did I study too much, Did I study too little,
 Of math and English and such
 Did I treat people right,
 Do I regret some things I said
 Did I like any of my classes,
 Which ones did I dread,
 Which dances did I go to, Which ones were fun,
 How many times did I go to lunch,
 Under something other than the sun,
 Are any of my friends going to leave,
 How many new ones will come,
 How many tears did I cry,
 Over things that were dumb,
 At break where'd I hang, Who hung out there with me,
 How often did I watch the clock,
 And wish it was 15 after three,
 Did I like the assemblies, Or did I hate them all,
 Was tutorial fun, Remember dodge ball,
 So many pieces of this year, I liked them all
 Every memory I have
 Every detail I recall,
 It was like a huge puzzle
 The last piece snaps into place,
 And I look toward the end
 of summer, And doing it
 again.

"Success for All Students" was the theme of our school's school program this year. The emphasis on being the best you can be in what every you do is so important in school and in the rest of your life. High school is a place to learn and practice the skills you will need and use in many years. You teachers and you parents do the most to provide you with the tools to be successful. How you measure success is personal to each person.

One of the success stories of this school year is the yearbook you are reading. I would like to congratulate the staff for "Putting it all Together" for the hard work and dedication that resulted in this year's fine yearbook.

"The graduates of the 21st Century" will ring out during the graduation ceremony of this year's graduating class. You the graduating class of '01 will be the decision makers in the early 21st Century. Albion High School has been a place for you to learn and experiment with your attitudes and ideas about life. During the next few years you will be called upon to stand up and be counted as decision makers. The faculty and the support staff here at Albion High School will bring you the success in making the very best decisions in school and in life. God bless you and your families.

Tibana E. Smith
 Principal

Please accept my and the staff's congratulations to the Albion Force Albion High School's graduating Class of 2001 on your achievement and the significant role you played. Also we congratulate every one of you for completing another year of school. Completing each course of study is an important step in our journey of life. You do this year at school for our good things and for the things that will help you move you toward your goals.

Each of you kept focused on doing the right things and kept your eyes on your goals. You've achieved a major milestone in your young lives—however it will become a memory for you as you enter the real world of work and beginning. Each year of school is followed by another year of learning—each brings new challenges, hopes and dreams.

For the Class of 2001, high school graduation marks the end of the chapter of your life. It is a new chapter and a new beginning. Remember the things that helped you achieve your goals and add them to your list of affirmations for the new adventures that may lie ahead for you. Remember that God is with you.

God's Speed and Blessings to you all.

Habitat for Humanity

On a Tuesday morning in December 2000, Mr. Blake, Tracy-Lei, Chandriel, Brittany, Liz, Betina, Brett, Sarah and Aaron, went on a trip to London where they spent an entire day working with Habitat for Humanity. Habitat for Humanity International is a nonprofit, nondenominational Christian housing organization. Habitat welcomes all people to join in building simple, decent, affordable, houses in partnership with those in need of adequate shelter. Since 1976, Habitat has built more than 100,000 houses in more than 60 countries, including some 30,000 houses across the United States. Habitat houses are purchased by the homeowner families. Three factors make Habitat houses affordable to low-income people worldwide: 1. Houses are sold at no profit, with no interest charged on the mortgage. 2. Homeowners and volunteers build the houses under trained supervision. 3. Individuals, corporations, faith groups and others provide financial support.

On their trip the group of AHS seniors along with their class sponsor, got the chance to help with the finishing touches of two different houses. During the whole day the class got the chance to scrape and paint walls, unfortunately though while the class did get a lot of work done they sadly got more paint on themselves than on the walls, but hey that's fine the whole class got a lot of work done for other people and they still had lots of fun.

Remember Will I Think Of You?

Only

When I die

And realize

That I am born again

For dying is

A beginning

And I

have died

thousands of times

Sometimes

Several times a day

I am learning

That from each death

Comes a new vision

Of life

A new sense of the miracle

Of being and creation

For fear

Is worse than dying

Fear prevents discovery

And destroys the creative flow

Of God-man's soul

And when I let my old self

Hardened and rigid

Die

I am re-born

Vital, open and fresh

And this discovery

This victory over the

Fear of death

Came

When I thought I was dead

And I found you

So

Each time

I rise

Out of the ashes

Of my fear

I will gratefully

Think of you

Go Al Go Al

Bye Bye Al senior

"Will the new Al please stand up?" A tremendous amount of effort and determination was put into the buying of Alconbury's new mascot, "Al." Al Senior, Little Al's father, tragically died of exhaustion in December of 1999. The students of AHS were then inspired, with the help of the 1999-2000 Student Council, to raise money to, "buy Little Al a plane ticket to his new home at RAF Alconbury." After one year of raising money, and countless headaches from the Student Councils, Little Al finally flew to AHS just in time to make his debut for the 2000 Winter Pep Rally. Although a little shy and tired at first (jet lag), Little Al revealed his true colors during both the home games and the Basketball Tournament. Although his father will be missed greatly, Little Al has made himself quite at home, and will be here for years to come.

CLASSES OF 2003

DARE
TO BE
DIFFERENT

Creative, spontaneous, and social, three words that sum up the freshman class perfectly. Throughout the year, the ninth-grade has been very active, in and out of school. This year, the freshman have sponsored dances and have headed a clothing drive for a Bosnian orphanage. They have given their time and hard work, to aid those in Bosnia who are in need. Over twenty hours were spent on this service project, which turned out to be a huge success. Aside from the clothing drive, the ninth-grade have organized two dances, one during the volleyball tournament, and the other during the basketball tournament, both were great fundraisers. This year, we were able to participate in sports and with over half the freshman class participating, it was a popular extra curricular activity. Overall, they are a very diverse group, who has accomplished a lot this year.

H O M E C O M M I N G

It was a busy schedule for AHS sports fans on Homecoming day Sat. Oct. 7th. It began with Tennis at 9 am at Lakenheath, then back to Alconbury for volleyball against Lakenheath and Wiesbaden starting at 10 am in the Alconbury HS Gym, then dash over to a Cross Country meet at 11 am at Hinchingsbrooke Park, and finally the big football game against Menwith Hill at 1:00 p.m. on our home field. OK now add to this bone chilling rain and cold. But this did not stop the AHS fans from coming out to cheer on their teams. They came out in droves and stood or sat and jumped and yelled. At the end of the day the students were rewarded with a cozy evening dance to close their fun filled day.

GUTS and DETERMINATION

The season started off with three weeks of hard practice. The result, a win at Rota 20-14, five or more people that were more sore than they have ever been before, and someone falling asleep on a toilet. The next week was another away game this time at Brussels. We were full steam, ready to go, that ended in a loss. The next two games were all down hill, the game against London Central ended with three or more injuries. The second time we played Rota we were down at half time, but we started a come back that no one has ever seen before. However, time ran out and Rota celebrated. Their coaches had mentioned that they were scared out of their wits because of us. The next week we had nothing to lose it was the last game and it wasn't a conference game so we just played for fun. After losing a game at London Central we were the underdogs, they were expecting a win. We fooled them and ended it with a 41-14 victory, with no sacks given up by the offensive line. Senior Tommy Roy threw for 306 yards and five touchdowns.

CROSS

COUNTRY

On Your Mark - JamieRayford, Jami Dilling, Ryan Porter

The 2000 AHS Cross-Country Team was filled with many runners from both the middle school and the high school. They traveled together to all three United Kingdom meets. Middleschoolers learned what it takes to be a good runner, and also that running in Alconbury's home meet is quite interesting.

The Varsity Team was very small, consisting of six people, but was very big in heart. Our team was lead by our dedicated and energetic coach, Mr. Bell. It was an awesome season with many accomplishments. These included Cassi Fink placing third at the Division III Championships, enabling her, along with Jessica Baffa, to go to the European Championships, where Jessica placed thirteenth, and received an "All European" Award.

Having practiced hard all season, a break was deserved, leaving all runners looking forward to the track season in the spring.

By Cassi Fink

TENNIS

Good job to Betina Brown, Aaron Ledford, Stephanie Gartland, David Leslie, Tequila Bowen, Robert Fisher, Phil Greenwalt, Colin Thomas, Traci-Lei Seese, Amanda Kunkel, Paul Clayton, Jeff Lambert, Bridget Gutshall, and Adrian Green who made up the Alconbury High School tennis team for the year 2000. Every single player displayed good sportsmanship at all the games and practices. Super job to all those who went to Brussels for regionals this year: Aaron Ledford, David Leslie, Robert Fisher, Stephanie Gartland, Betina Brown, and Tequila Bowen. Congratulations to Betina Brown and Stephanie Gartland who finished in second place for women's doubles at Brussels, which qualified them for the Europeans at Wiesbaden, Germany.

Lady Dragons

Almost halfway through the 2000-01 season, the Alconbury Lady Dragons Basketball team is setting its sights high: the European Championships in Mannheim, Germany. Despite a disappointing loss to Lakenheath in overtime and losses to London Central, we're improving with every practice and are really honing our skills. Thanks to several 3-hour Saturday practices and intense conditioning sessions with Coach Porter, we're ready to take on SHAPE this weekend!

Juniors Gemma Breedlove (Capt.), Kathy Gasque (Capt.), Jessica Rayford, and Laura Whiteside, sophomores Adrian Green, Amanda Kunkle, and Ashley Roy, and freshmen Maureen Cummins, Erin Sutton, and Nikkia Ware make up the team, managed by Brittany Carbon.

Our next three games are away – at SHAPE, Brussels, and Menwith Hill. On Friday, Feb. 2 we'll play Lakenheath's Varsity team, and on Feb. 9 & 10 we'll play Bad Kreuznach (both home games), so come out and support us!!

- Laura Whiteside

Enter the Dragons - Adrian Green, Ashley Roy, Maureen Cummins, Laura Whiteside, Erin Sutton, and Amanda Kunkle

AIR MAIL - AHS sponsored the Division III Regionals Tournament. **Great Job** to the coaches, sponsors, teams, web site team and the Booster club.

Men's Basketball

The Dragons, Coach Breedlove and Ms. Peck (Faculty sponsor) had a goal since the beginning of the year - to be right on the heels of Bad "K" throughout the season. The AHS men's basketball team had a lot to work on this year. Six players were lost from last season but five returned - Jon Wright, Chris Jones, Tommy Roy, and Andre' Hammond. This year's team found some exceptional talent in the freshmen class with Billy Johnson, Kalani Snyder and Phil Greenwalt helping the Dragons aim for the top. But after hard practices and wins against London Central and Menwith Hill the Dragons became a force to reckon with. Through teamwork and determination the Dragons became the surprise team of the 2000-2001 Division III season.

CHEERLEADING

Ashley Thomas, Alex Concilio, Stephanie Gartland, Sarah Davison, Ebony Cunningham, Santi Castilleja and Mrs. Muir

Go Dragons!

Wrestling

In the regionals competition Josh Melter won the DIV III 125 lb title, Deighton Jones placed third at 112 lbs. and Tyrell Flurry placed 3rd at 130 lbs. Josh melter went on to place 2nd in the European championships at Wurzburg, Germany.

-Matt Werling

2000-2001 Middle School Wrestling: Danielle Beckmann, Chinah Soots, Erin Green, Brandon Weinstein, Brandon Blaska, David Schiller, Caleb Fink, Kalei Snyder, Trey Martin, Ben Murray, Brent Wardrip, Drew Ziccardi, Ross Kucsera, and Dana Wilcox

Cheerleading

Go, Fight Win - Dragons! The Alconbury high school 2000-2001 cheerleading squad with Sarah Davison, Stephanie Gartland, Santi Castilleja, Ashley Thomas, Ebony Cunningham, and Alexandra Concilio never lost school spirit. They did a great job cheering at games, the pep rallies and keeping the students pumped up with their catchy cheers and chants. Mrs. Muir, their sponsor, organized many fundraising activities throughout the season, which led to the purchase of new uniforms and pom poms. Fundraisers included the cheerleader Wanna-be contest, giftwrapping, Santa's helpers and a jump-a-thon. The finale of the season was the performance of a dance to "Bodygroove."

Dancin' to the Beat

Cotillion Court: Keegan Porter, Eddie Thompkins, Andre' Hammond Tommy Roy, Chandriel Carter, Stephanie Gartland, Alicia Christiansen, Crystal Lane

The lights were low and the music was loud and although many of the couples weren't really "couples" a great time was had by all. The senior class sponsored the Greek Experience and they did a wonderful job with decorations and lots of food. The few togas were home made but beautifully designed. The highlight of the evening was when the court was announced - the newly named Lord Keegan, Lady Crystal, Duke Eddie, Duchess Alicia, Prince Andre', Princess Stephanie, King Tommy and Queen Chandriel were all delighted to represent AHS as the 2001 Cotillion court.

Model United Nations

The XXXIII Annual Session of Model United Nations (MUN) was held at The Hague, Netherlands on Sunday, 21 January – Friday, 26 January 2001.

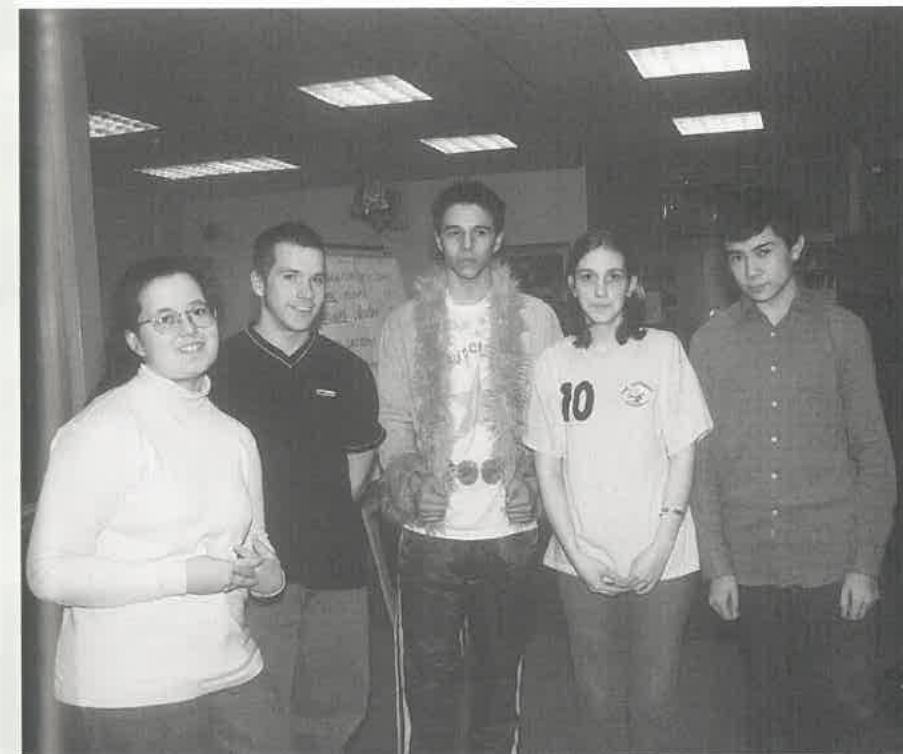

Alconbury High School represented the small nation of Croatia with Aaron Ledford as our ambassador. Students spent the first semester researching and studying issues before the real United Nations. Each student then prepared two resolutions and worked to become experts on the issues before their assigned committees. Once they arrived in The Hague, and began lobbying, they began to merge resolutions. Delegates from schools all over the world met during the lobbying sessions. Students come to The Hague Model United Nations from as far away as Beijing, China and Caracas, Venezuela.

One of the things people said they enjoyed the most about THIMUN is that it is truly international, and is therefore much like the real UN. THIMUN gives students a chance to meet and make friends from all over the world. Being a part of a Model United Nations program makes students think about what it's like in other places, and broadens our horizons as we learn more about the world around us.

A lot of effort, dedication, and courage were used this year at THIMUN. Our sponsors Mr. Blake and Mrs. Calgelia were of great support in this wonderful experience that is worth the hard work!

National Honors Society

National Honors Society is an organization for students who have a grade point average of 3.5 or higher. They are selected also for their leadership skills and participation in school activities. Ms. Taggart as faculty advisor for NHS leads in the selection of the students who will be inducted into the group each fall. NJHS is for students who are in the middle school but meet the qualifications to be in the group.

"HOW DO I LOVE YOU?"
A LOVE POEM FROM PARENT TO CHILD

How do I love you?
Let me count the ways
I love you on your very best...
And worst of days

I love to see you laughing
And dancing in the rain
And even when you lose your
Shoes, I love you just the same

I love to hear you singing
I love to see you smile
I love the way you take each
Day in your own unhurried style

I'm happy when you're happy, and
I'm sorry when you're sad
And even though it may not show,
I love you when you're bad

How do I love you? Well, now,
Let me see...I love the way
You act so brave when you fall
And hurt your knee

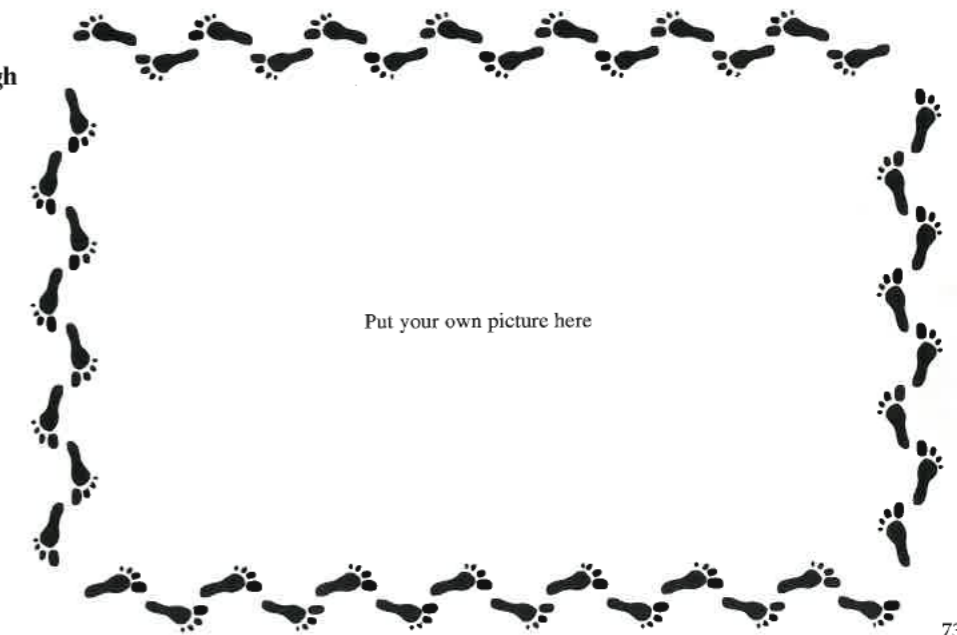

I love to watch you sleeping
Tucked away in dreams
I love to hear you whisper
All your giant plans and schemes

I love the way you wear your
Pants with the front part in the back
And the way you walk around sometimes
With a sack upon your head

I love to see you deep in thought
I love to watch you play and though
I'm sure you'll never know, I love
You more each day

How do I love you? It's
Impossible to say. For if I had
A million days and time enough
For all the praise, I couldn't tell
You all the ways...I love you

Alconbury High school offers Spanish I, II, III, and IV with Ms. Taggart as the instructor. By the second semester of Spanish I students are expected to speak in Spanish while they are in this class. German Cultures also taught by Ms. Taggart was introduced into the curriculum at the beginning of the second semester of the 2000-2001 school year. Students in French I, II, III, and IV are instructed by Mrs. White. All students are required to take at least two years of a foreign language to graduate from a DODDS school. Most colleges require that a student take two years of the same foreign language for entry to their university.

Express Yourself

Technology Education

Mr. Curran teaches Automotive Technology, Driver Education, Computer Assisted Drafting, Architectural Drawing and Cooperative Work Experience. All are one semester classes so the students get a chance to experience something new and different to find out if they are interested in it further. Students like these classes because the classes give them a chance to do something besides listen and write.

Mr. Curran instructs Kristen Hudson in the intricate workings of auto mechanics.

“Good luck is preparation applied to opportunity.”

-Mr. Curran

Determination

Alconbury Middle/High School's AVID program was recognized as one of two AVID Model Demonstration Schools in DoDDS-Europe. Dr. Candace Ransing, Chief of the Education Division for DoDDS-Europe, presented the award on Friday, February 9, during the Assistant Principal's conference in Wiesbaden, Germany. Assisting with the award presentation was AVID Founder, Mary Catherine Swanson, and AVID Coordinators, Gloria Ollhoff and Maryellen Pienta.

The AVID program is a selective program that combines rigorous intellectual challenge with support for students. The program is designed to help students prepare to enter and succeed in 4-year colleges and universities. Many students have the academic potential to succeed in college but need the extra encouragement and academic assistance, which is a component of AVID.

Multimedia

Robert Fisher - "The multimedia class is such a worthwhile experience. Throughout the year we are making a multimedia CD. The class is also the producers of the Basketball Tournament web-site, we also update many events on the web."

Paola Fredericks, Mr. Bartimus, Liz Sharron, Tracy-Lei Seese and Betina Brown

The Multimedia Class has worked very hard to post information, pictures, and keep the scores updated on the web-site for the basketball and volleyball tournaments held at Alconbury this year. Mr. Bartimus instructs the students and provides guidance, but from there it is up to the students to use their knowledge to their fullest potential.

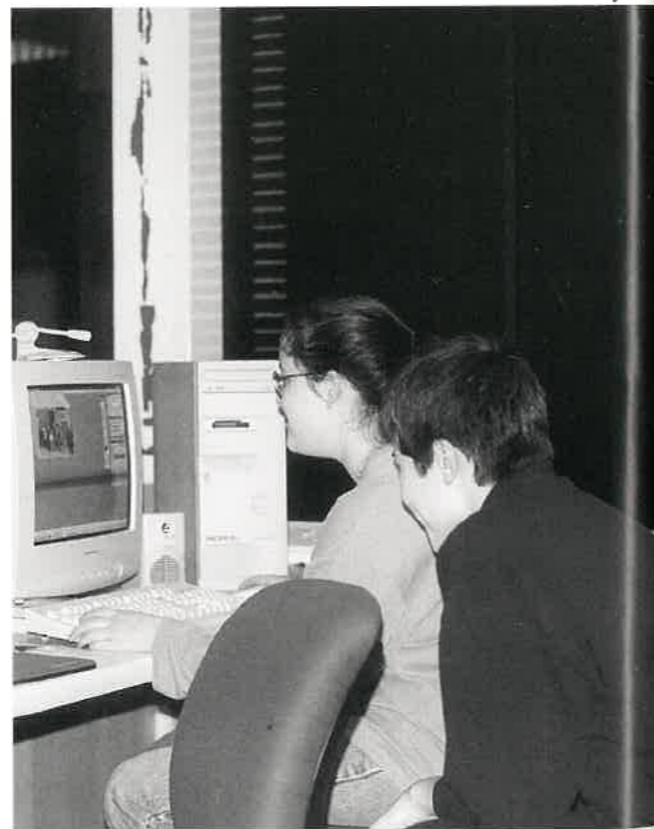

They recruited interested students to take pictures and scores for the games and to interview visiting teams about the tournament. Everyone in the Multimedia Class as well as the recruited students worked hard to make sure that everything ran smoothly on the tournament.

Tracy- Lei Seese, Liz Sharron and Robert Fisher designed score sheets for the student volunteers to document the games, and put up flyers advertising the web-site. Using digital cameras and cell phones the reporters were able to transfer information back to the crew in the library who were continuously posting it straight on to the web!

The Multimedia Class is full of motivated students dedicated to giving it their best to report and document the sports of our school.

-Ross Kucsera-

Tracy-Lei Seese - "The CD we are making has a year-full of pictures, news-events, and other stuff that is interactive. Our class has worked hard, being at most sports events, school events, and even base functions. The class has also worked on many web page projects for the school, like the voting on line project and the basketball tournament. To summarize we have had a lot of fun."

Tracy-Lei Seese and Robert Fisher

SCIENCE STUDENTS GO TO BRUSSELS

Alconbury had 6 junior high students attend the Junior Science and Humanities Symposium in Brussels Belgium. David Schiller, Kathleen Bacon, Danielle Beckman, Jessica Whiteside, Laura Riley and Ryan Porter where all selected to present their science projects at the symposium.

The selection process for the Symposium was very rigid. Students from all over DoDDs Europe developed science projects and applied for admission to the symposium. Alconbury submitted eleven projects and had three chosen to participate in Belgium. (Alconbury had more presenters than some of the large schools in Europe! GO DRAGONS)

Danielle and Jessica presented their project on "How colors viewed at bedtime can effect our dreams". Kathleen and David worked on a "Fish's ability to see in the dark". Ryan and Laura investigated if "Food packaging can determine if kids purchase it or not". Each project received a bronze trophy. The students did a great job!

In addition to presenting their projects the students took part in team games, a science trip to the local museum and general "horsing around" in the youth hostel. They even got a three hour tour in the rain around Brussels from Mr. Mead (and they were only lost two of the three hours!)

Math Counts

Math Counts is an annual competition for middle school students who have talents for math, geometry, and algebra. Brenden Best, Kate Noll, Alex Deutch and Brad Riley were the official team and an alternate team was chosen to represent our school in the Chapter competition at Lakenheath. A Math Counts competition is tense and nerve wracking. It comprises of four separate rounds. The first is the Sprint Round, where each "Mathlete" is given a booklet of 30 questions in which to answer in 40 minutes. The second is the Target Round, when each Mathlete does two of eight math problems together and has a set limit of time, then the next sheet of two problems is passed out and completed. Next, the Team Round is where the entire team of four Mathletes works together on a set of 10 problems. Once the time is up, there is a break before the final round, the Countdown Round. The Countdown Round is a competition where the top 10 scorers from the Sprint and Target round go one on one answering problems projected onto a board. At the end of the entire competition, awards are given out for each round. The Team Round in Chapter decides if a team goes to State or not. The other teams across the state area send scores in and they are compared. The top 14 Team Round scorers go to the State competition. The DoDDS state competition was held in Mainz Kastel, Germany. We traveled by plane to arrive at Frankfurt, then on the second day of the trip we competed. After the scores were added up, our team placed third overall. The top four individuals from State form the team to Nationals. I managed to get myself into 3rd place as an individual, and earned my place in the National competition in Washington, DC.

Congratulations Class of 2001

"Out of all my friends who have been there for me through thick and thin, I'm going to miss you! Even if we aren't friends now, I love you and will miss you! To Charlotte, Elizabeth, Jamie, Erin, Sam, Suzan and there are so many more! I love you! Never forget me!" Christiana Mangual

To Bret, What can I say.....I will not say good-bye because I know I'll see you again....this is a small world!!! The short time I have known you..you have turned my world upside down and have made me fearful of life as I know it if you ever obtain the title of "Mr. President"! You have so much talent and ability. Enjoy your life and the many treasures life will offer you. Don't let anyone tell you , "It can't be done"....and if they do...try not to be TO sarcastic as you tell them that YOU, Bret Levesque, can and will do ANYTHING!!!! Thank You for all the wonderful laughs!!!!Remember the little people in your bid to conquer the world. Have a wonderful life. Mrs Angel

Betina: You were truly a blessing to have in the office and as a neighbor. The ability to make me smile even when I am having a rough day was uncanny! I know that life will turn out BEAUTIFULLY for you. I will miss you when you leave...I have only known you for a short time but that time has been a true blessing. May your every wish be granted and every blessing be abundant! Good luck in every endeavor.

Mrs Angel

To The Wonderful Class of 2001!!!! Some of you were here when I came to Alconbury and you welcomed me with open arms and everyday that I have been here you have had a kind word and warm smile for me!!! Some of you I have only know for a short time and the short time was a great time!!! Some of you are "my kids" and I will truly hate to see you go but I know that the next school you walk into, you will bestow those halls and classrooms with the same magic that you have bestowed upon me. Reach for the stars.....ride a shooting one and let it take you to destinations unknown!!!!

Mrs Angel

Congratulations and Good Luck class of 2001 from Mrs. Hardin's Advisory Class

Congratulations Class of 2001 From AVID

Crystal Lane,
May you sail on the
sea of ambition,
and land on the
shore of success

Brittany Dominique Carbon

Our wish for you,
Brittany

That Happiness fills up your time
That friends always surround you
That you may find the warmth of love
And wrap it all around you.
That life will bring you many joys
That angels will protect you
That home is never far away
With family close beside you.

Live your dreams each day
We love you!

Mom, Dad,
Aynsley and Chelsey

Betina,

What a wonderful gift we were given, we are so very proud of you and what you have achieved you truly are our inspiration. Whatever road you decide to take in life we know you will walk it with strength, pride and a passion to reach its end. Congratulations sweetheart, Love Mum and Dad

Sarah,

First born, Little Princess, Ian, Big sister, Sadie my ladie, Academy Awards, Luke, Woodbridge, Euro Disney, First Kiss, Mike, Bicentennial, Thomas, rah-rah, Angels, Western Sky, EyesX2, Agua Fria, Cheerleader, Alconbury, volleyball, driver's license, Cheer Captain, Class President, Graduation, NAU ...

You have always been the light of our lives. We are your foundation. We love you. Go forth; have a fulfilled life built on the love we share.

Love always and all ways,
Mommy, Mike, Ian,
and Thomas

Congratulations

Class of 2001

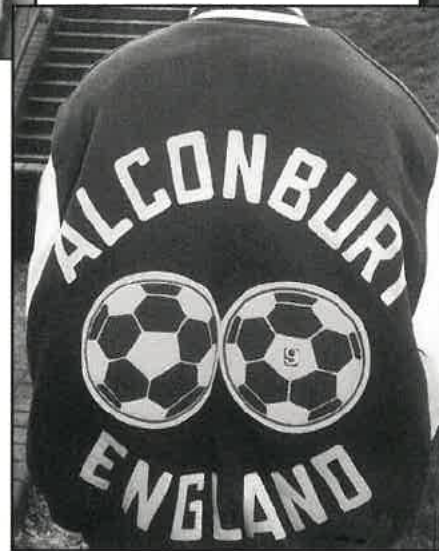

From the Enlisted Spouses Club

CONGRATULATIONS GRADUATES!

CONGRATULATIONS
CLASS OF

2001

FROM THE
OFFICER'S
AND CIVILIAN'S
SPOUSES CLUB

Computer Sciences Corporation

Joins the rest of our Military community
in congratulating this year's graduates of
Alconbury High High School.

*You have completed a first step in a
life-long learning process.
A job well done!*

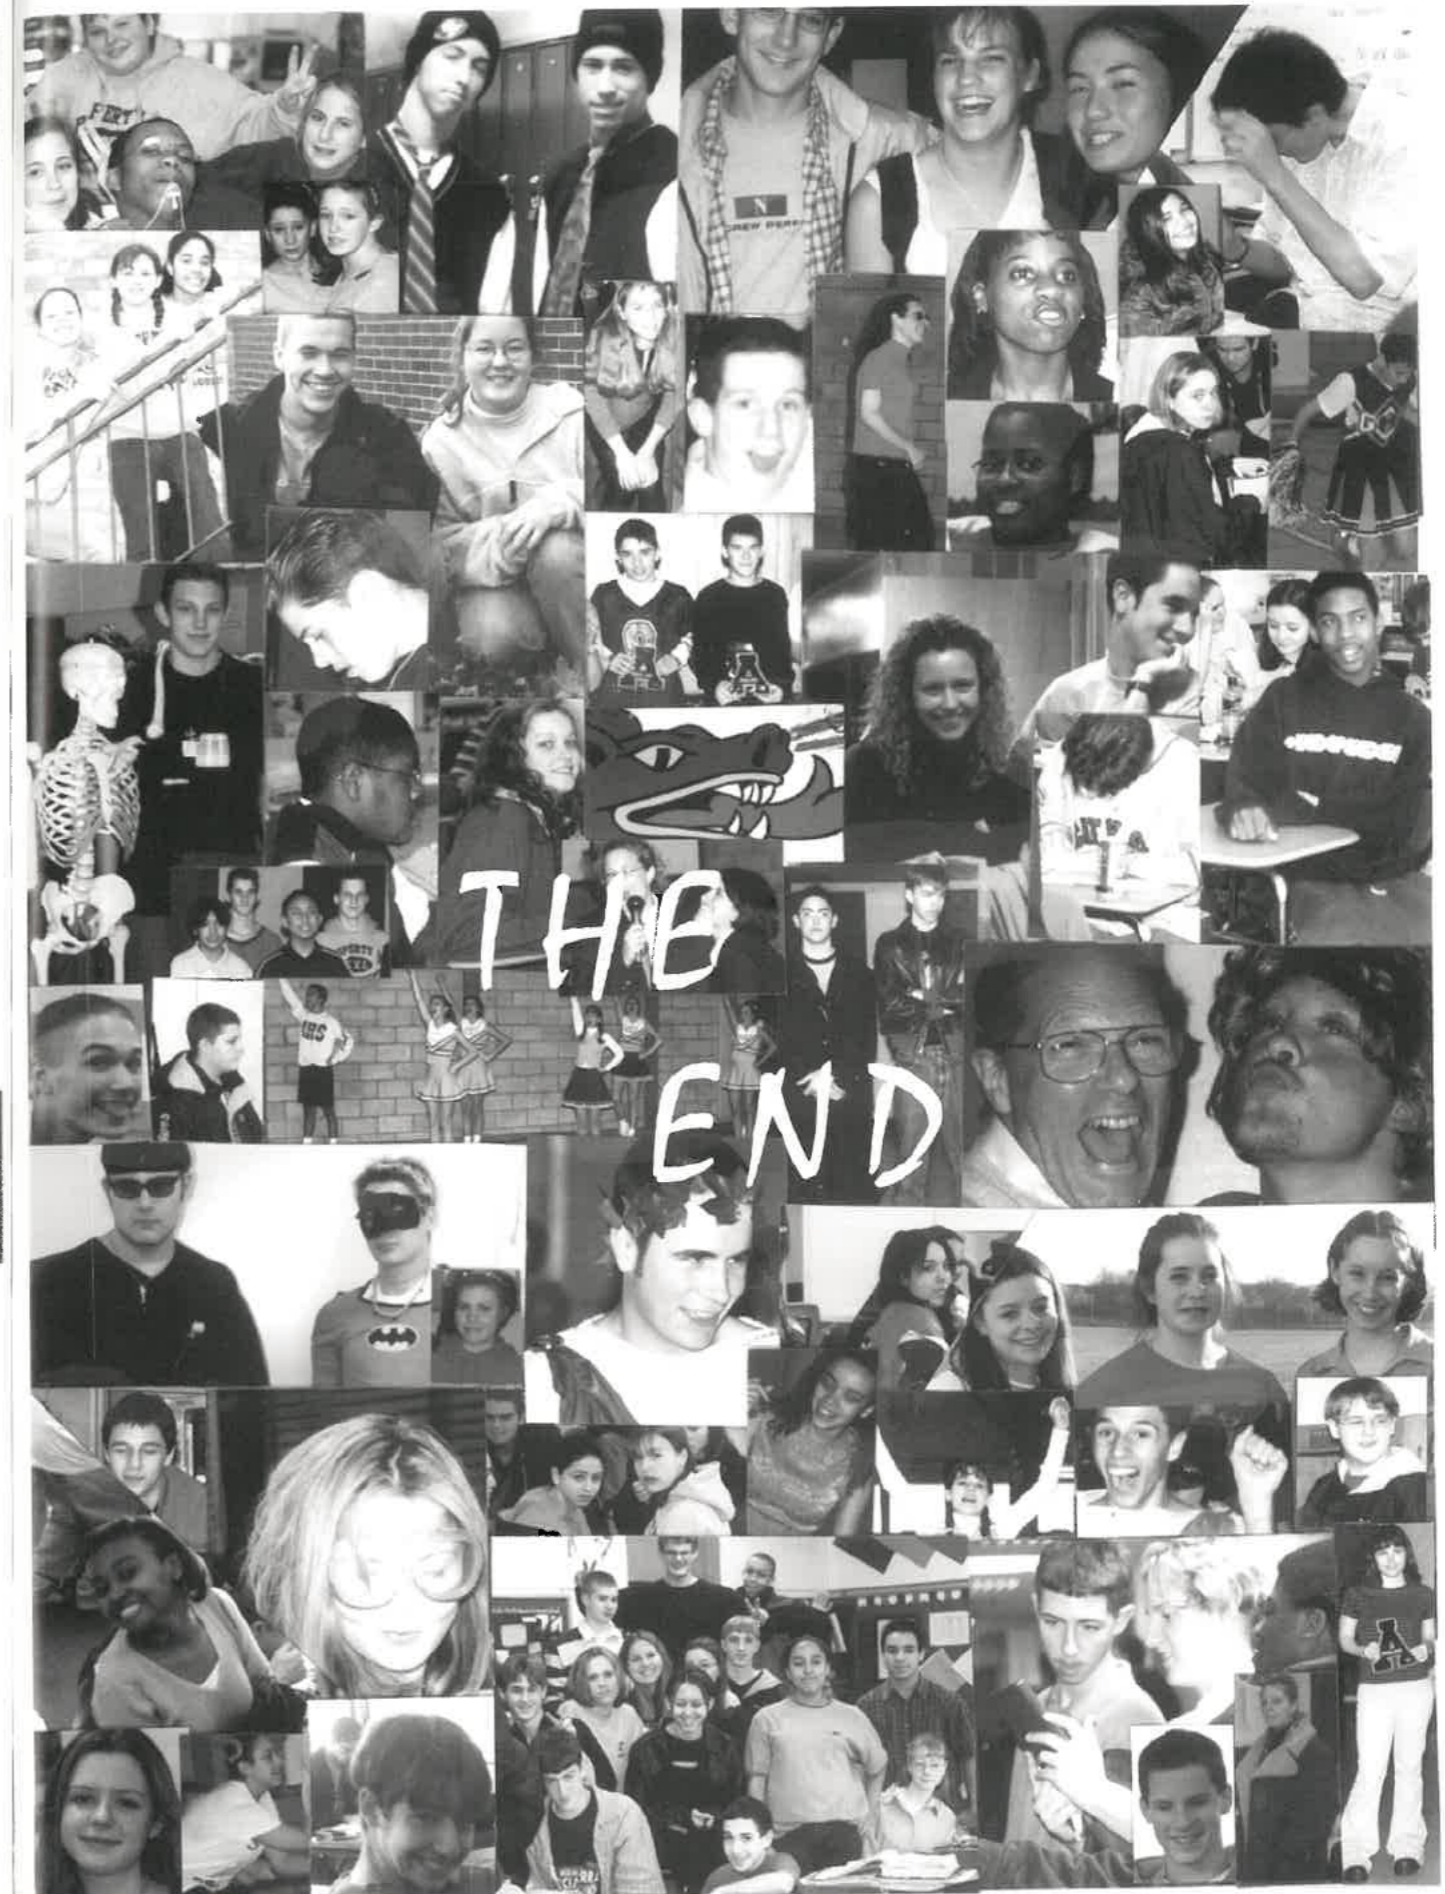

You are the strength of our tomorrow.

Congratulations and our best wishes
for the Class of 2001 and beyond.

Go Dragons!

On behalf of the entire General Dynamics team -
General Dynamics, RAF Molesworth
