Club Beyond

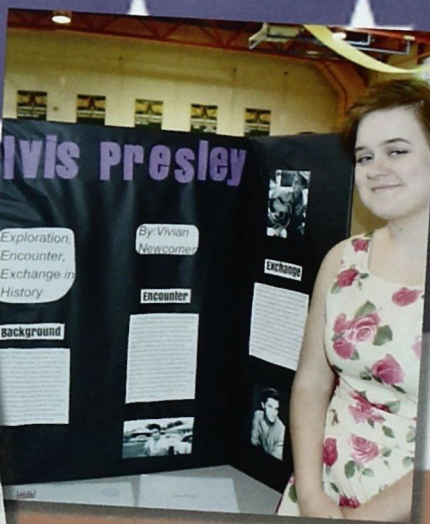

Trips to London... octoball... Instahunt across base... Tacky Prom... weekly Club... oversized games... Cairn Brae... Adventure Camp... lip sync battles... Wednesday small group... This is just a short list of the crazy fun we had with Club Beyond this year. Over 120 of you came to eat, laugh, be "wow"ed, play ridiculous games, and hang out with your friends and Club leaders. But it wasn't only just silly fun. Club was a safe place to be yourself. A place where every student is welcomed and fits in. A place where you have another family. We talked about what was important to you. Who is God, and what difference does he make in my life? It was a place you can have faith, doubt, and everything in between. And we had a blast doing it. And some even won the weekly raffle. (RAFFLE RAFFLE)

Be brave, try new things and don't be afraid of failure, just value the experiences. Stand up and speak out in defense of what's right. You're going far in this world, princess, we all know to expect big things from you.
