How did we end up with one of the sweetest, happiest, & most loving young men as our own kid? We must've done something right over the past 18 years :-)

Congratulations babe! You finally made it! No more frustrating high school teachers. No more carrying the heaviest pink backpack we've ever seen. Oh, and no more getting \$20 a week from us just so you can go eat with your friends during a lunch break. It's time to put on your big boy pants and start chasing your dreams. We're excited to see what comes next. Keep that positive spirit and let's see where it takes you. Dream big babe! We'll be right here cheering you on.

Love Always, Your Biggest Fans

*This is she of grit and fire...she is strong and wise. She is fair and magnanimous. She fights and she plays. She came into this world two weeks late and feet first, smiling on her way in- it is how she lives.; on her terms and taking everyone's heart with her. She fought against challenge and found her voice. She is born in her father's heart and from her mother's body and together, they found unimaginable joy in Ava.*

*Go forth, sweet girl. Enthusiasm is our gift to you - use it and never stop wondering, exploring, questioning and laughing. We are your greatest ally but you now become your own guide. Trust yourself. We believe in you. We always have. May you continue to go from strength to strength.*

*Mazel Tov on this spectacular time in your life.*

## Corbin Cole Cromwell

Our wish, for you, is that this life  
 becomes all that you want it to,  
 Your dreams stay big, your worries stay small,  
 You never need to carry more than you can hold,  
 And while you're out there  
 getting where you're getting to,  
 We hope you know somebody loves you,  
 and wants the same things to.  
 Congratulations! We Love You! ~ Dad & Jen
