

## ALCONBURY ELEMENTARY SCHOOL

AES Students, Staff and Families,

Time this year has certainly flown by. As our journey to learning began this year, it was hard to know what the year would hold, but TOGETHER I believed, we would make it through. Thanks to you, YES, you, the person holding this annual, we have accomplished more this year than I could have ever imagined. I knew it would be challenging, but with the team of parents, students, and teachers who worked daily to make AES a safe and secure place. We have been able as a community to learn and grow, successfully finishing the journey of School Year 2020-2021. We really missed having our DVS classmates and teachers in school with us. However, they participated and supported our school even though they were not physically present.

As the year progressed, it was beautiful to see the learning, growth, and social development of our students, even with the hardship of not being able to hug a friend or even give someone a "high five." Despite all the challenges, we were still able to celebrate each Friday with Green Dragon Honors, host our Annual Winter Wonderland, read as a community for our Annual Read-a-thon, exercise together during our Kids' Healthy Heart Challenge, complete and share STEAM Projects, learn to code in Computer Club, dance the days away in Spanish Club, tap into our creativity in Yearbook Club, showcase our stance on a healthy lifestyle during Red Ribbon Week, plunge into great books during Read Across America Week, and who could forget all the activities that recognized our students during the Month of the Military Child.

Each of these events and the many, many others associated with the year have been supported by our Anchored4Life Club, the entire base community, and, lastly, our fabulous PTA. As our students look back on this year at AES, I hope that they will remember that the Alconbury Elementary School community daily seeks to provide opportunities for students to develop academic skills and those characteristics that lead to responsible citizenship in a safe learning environment. Each day our students affirm through their actions that AES is a place where we are SMART! KIND! And SAFE! As staff members look back on this year at AES, I hope that each of us can identify a moment or many moments that have made a difference in the life of a child this school year.

We will close this year by saying goodbye to several friends and colleagues throughout the community. For those of you who will be not be returning to AES next year, please take what you have learned with you and put it to good use. Display our AES pride and be confident that you have the skills and abilities to achieve anything. For those of you who will be returning in August, we look forward to seeing each of you again and building upon the excellent learning foundation we have in place at AES. Alright, Dragons, Let's have a ROARING fun summer filled with great books. Go-o-o Dragons!
