

SNAPSHOTS OF ANDERSEN 2007-2008

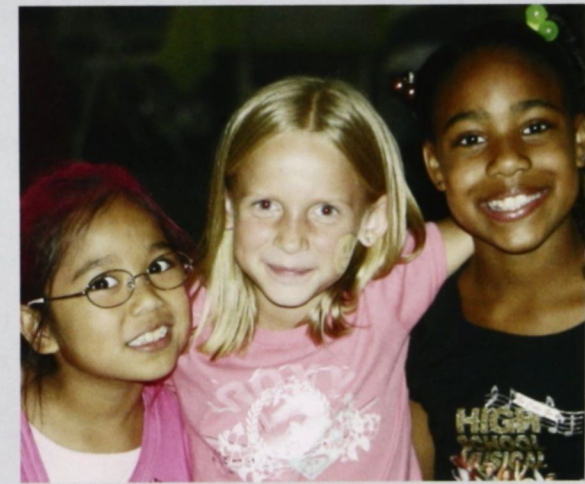

Martha Sudo
5/08

Welcome To Andersen Elementary School

Andersen Elementary School 2007-2008

You will always find an adventure at Andersen Elementry!

Home of the Dolphins

Principals

Working every day to ensure the safety and quality of life here at Andersen Elementary School.

Ms. Cherrye Hall

Ms. Hall, and Mr. Scantlan are known throughout our large school. They are often seen participating in student programs, as well as being in a support position for everyone in our school community.

Mr. Ray Scantlan

The Office

Where the work day begins

Your Friendly Office Staff

Clockwise from the top,
Liz Horne, Shannon Bonafilia, Kim Montano, Leslie Tasato. Not Pictured Cathy Somera and our wonderful supply staff John Cruz, and George Barnhart

Everybody seems to get to the office at least once or twice a year. Whether a visit for good reasons or bad, students always manage to get what they need to get through the day. Our busy office staff is always working on registering new students, helping students PCS, managing our fabulous substitutes, organizing the staff, and helping the principals with important reminders and details.

Keep Poppin' PTO

We'd like to thank the PTO for all of their hard work and all of the fun activities.

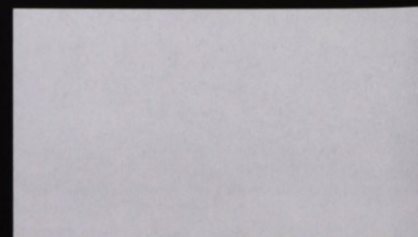

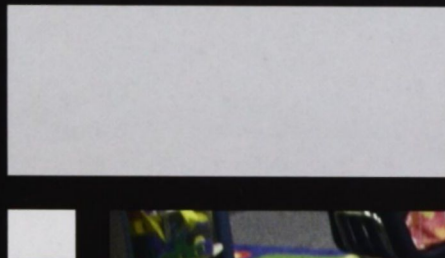

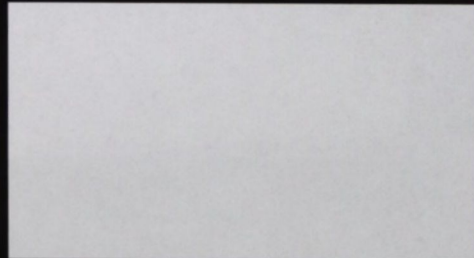

Amanda Baldonado April Delp Nicole Galunas Tara Harding Carol Vanwert Kelly Walker

We want to bop to the top with box tops!

Goodbye 5th Graders!

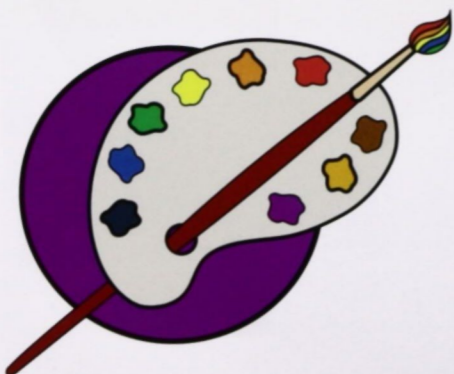

ART

"It's Time to Clean UP!"
Mr. Mapson

"No airbubbles!" Mr. Martinez

Often times, students who have a difficult time succeeding in their homeroom classes find an outlet in the field of visual arts. As art teachers, we sometimes see a different side of students than their homeroom teacher. This is particularly true when working with clay, or other 3D mediums.

Art Teacher
Nathan Mapson

Art Teacher
Bayron Martinez

Things we learn when working with Clay... Sometimes things happen.

Life is not always fair

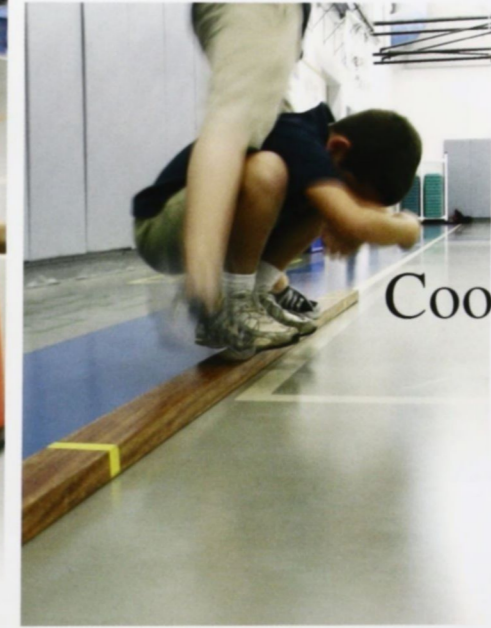

Art is temporary, yours may be more temporary than others

Nothing should be thicker than your thumb

Airbubbles are your enemy

Physical Education

What we learn and what we do...

Music

"Music gives us hope in sadness and depression, releases our feelings of grief. It can put a smile on our face and a rainbow in our heart." - Nicole Lehmann, University of Wisconsin

"The effects of music on the emotions are commonly known. However, the effects of music on the brain and thinking are demonstrable. Research has shown that during an electroencephalogram (EEG), music can change brain waves and make the brain more receptive to learning. Music connects the functions of the right and left hemispheres of the brain so that they work together and make learning quick and easy. Brain function is increased when listening to music and studies have shown that music promotes more complex thinking. It can make connections between emotions, thinking and learning." (Davies, 2000)

"Education in music is most sovereign because more than anything else rhythm and harmony find their way to the inmost soul and take strongest hold upon them, bringing with them and imparting grace if one is rightly trained." - Plato

Lunch Time

We love lunch and recess!

Recess

Recess and lunch are favorites of every student in school. Fridays are always pizza day and a real winner with most kids.

Health Room

Always there when we aren't feeling well, our wonderful school nurses Mrs. Amarillys Sojo, and Mrs. Karen Cayce are here to help

Girls Running Club

Ukelele Club

Mr. Moreland, an accomplished musician, thought it would be fun to ride the recent Ukelele craze here at school by starting an afterschool Ulelelee club.

Yearbook Club

The yearbook in your hands was created by these fine kids who wanted to learn more about publishing a book, as well as journalism and photography.

Letter from the editor...

I think that yearbook is fun sometimes! But sometimes I can work through it! haha Being chosen as one of the editors I feel almost overwhelmed because everybody in the whole school is going to read this book!

The yearbook staff would like to wish you all "Happy reading!"

Chess Club

Mr. Martinez, took time out of his busy schedule to host a weekly chess club. Students from all skill levels signed up to play every Monday.

Chess Club helps you think ahead of you oppent and makes you think all the time you play the game.

Student Council

Student Council Kids

Field Day 2007

In Andersen Elementary School yearbook tradition, we are printing pictures of last year's field day. This is due to the event taking place so late in the year

Safety Patrol

Helping all of us get to and from school safely. Thanks Safety Patrol!
