2018 - 2019

Greetings! It is with great honor and excitement that we present our 22nd annual yearbook project that captures a fantastic year of teaching, learning, and the memories made at our great school. I know you will agree with me after you walk through the memories that the future of our country is in good hands. The talent, the personalities, and the warm school spirit at our school is second to none.

Without a dedicated team putting in the hours to plan, collect content, design and distribute, this yearbook simply could not happen. Thanks to the Yearbook Committee for the time and hard work. Thanks to the teachers, staff, and the PTSO for the commitment to AMS. Thanks to Dr. Martinez, yearbook advisor, for an excellent job guiding our young dragons in this work. Come with us as we take a journey back through this exciting school year from the back to school boot camp to the field trips, advisory challenges, dances, and popcorn Fridays. And oh yeah, don't forget the 9 minute recess!

We are especially proud of our 6th graders, soon to be the 7th grade class. You have excelled in so many ways. You started the school year out with eagerness and excitement. We watched you develop from elementary dolphins to middle school dragons. Thank you for making it look so easy. You make your parents and your teachers very proud.

Congratulations to our 7th graders who are becoming the new "seniors" of the school. We watched you grow your skills and work more independently and become more sophisticated in your studies and in your social interactions. We know you are prepared for 8th grade where you will cement and further your skills, ultimately setting yourself up for success in high school.

Our 8th grade students have been stellar performers all year long. As rising 9th graders - keep in mind that the transition from middle school to high school is a momentous occasion in a student's life. Research shows the single most predictive indicator of high school performance is a student's academic standing during the ninth grade. So, as you move on from AMS- please keep your feet on the ground and a laser focus on your future by exploring your career and college options while you prepare yourself in high school. Dragon P.R.I.D.E. starts inside! Don't ever forget.

Take the opportunity to get your yearbook autographed by classmates and teachers. You are likely to come back to your yearbook again and again at different stages of your lives and it will serve as a reminder of memories past. Always believe that you can achieve anything. This is true as long as you are willing to put in hard work and commit yourself to your dream!

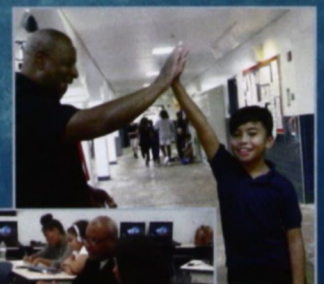

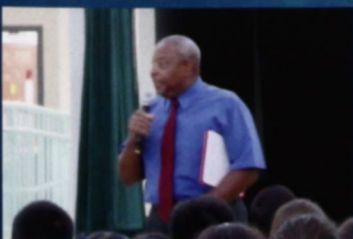

I am thrilled to be a part of this community and the Andersen Middle School family. It has been a wonderful first year for me. Take care and have a great summer!

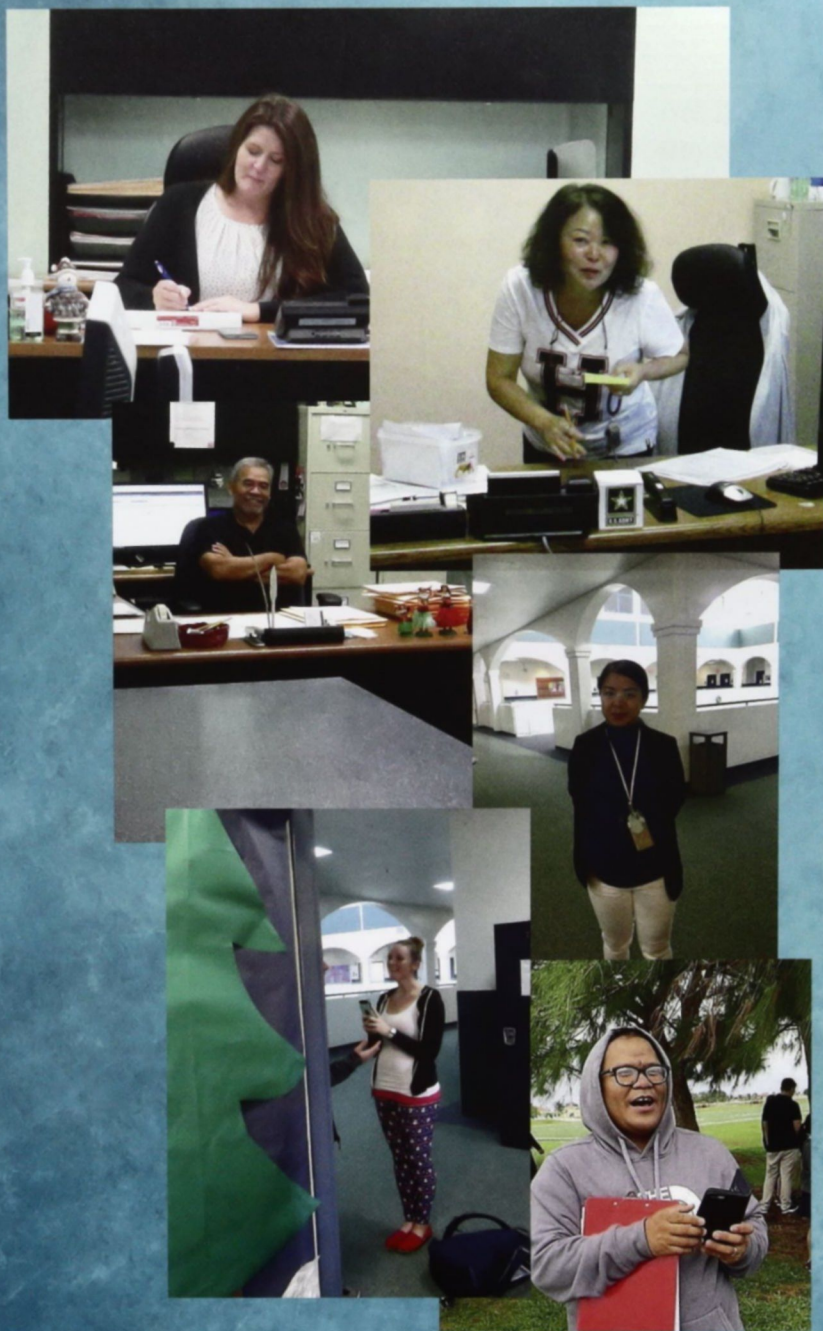

Warm Regards,
Joseph Myles, Principal

AMS LIFE

AMS LIFE

AMS LIFE

A collage of 15 photographs capturing various moments from the 2014-2015 Homecoming event. The images show students engaged in basketball games, participating in a parade with floats, sitting in bleachers, and performing on stage. The photos are arranged in a grid-like fashion, with some overlapping, creating a vibrant and dynamic visual summary of the event. The students are seen in various settings, including gymnasiums, outdoor areas, and bleachers, all filled with the energy of the homecoming celebration.
