ANDERSEN MIDDLE SCHOOL

SC

# *Dragon Pride*

Dear Students and Parents,

Within these pages you will find reminders of the magic that happens at Andersen Middle School on a daily basis. As you flip through your yearbook, it is my hope that you remember fondly the events, conversations, and your overall experience at Andersen Middle School. This year, we hosted several traditional events: band concerts, Student Council and NJHS sponsored dances, intramural sports for both boys and girls, field trips, and Multicultural Day, to name a few. We also celebrated championships, student achievement, and the obvious growth in students' knowledge, wisdom, and insight. I know you will be very pleased with the memories captured in this special memory book. Thank you to Ms. Leon Guerrero and her entire team for memorializing the Dragon P.R.I.D.E. from this school year. This edition records a successful year of teaching, learning, and notable events that we really hope you will enjoy revisiting for many years to come.

Parents and community members, thank you for your continued support. It is because of you AMS continues to shine. Through your support and our amazing PTSO, we were able to provide our students invaluable experiences, more than can be listed on one page, we thank you.

To our 8th graders, as you leave the legendary halls of Andersen Middle, take with you all the lessons instilled in you by your teachers and your parents. Always remember that we are so proud of you and that we wish you all the best as you transition to high school and beyond.

To our returning 6th and 7th grade students, you will be our new 7th and 8th grade students. Yay! Thank you for all your hard work throughout the school year. I am so honored to be your principal; you make me proud to be a Dragon. I am grateful for your school spirit, your talents, and your passion for learning. Please continue to dream big, have fun, and make magic!

To our wonderful teachers and school staff, thank you! You are the most talented group of professionals with the same laser focus: Teaching. Your work and dedication is a testament to your passion of wanting children to be and feel successful and prepared for their college and their careers. You have planted the seed. The watering will continue, and fruit is imminent.

Don't forget to get yearbook messages from your friends! They will provide laughter and warm and fuzzy feelings of days gone by later on down the road.

Dragon P.R.I.D.E.
