

2021

ANDERSEN MIDDLE SCHOOL

HC

Dragon Nation,

This year has been very different than years past, but I want you to know that I am proud of your resiliency, strength, and courage. I hope this yearbook serves as a snapshot of the highlights and memorable events of this “COVID-filled” year (and how you rocked it), as well as a record of the students and staff members who formed the Andersen Middle School community for SY 2020-2021. One day, it may even become a historical record that others study to learn about these very strange times and how the AMS community worked together to make it meaningful and delightful, despite the circumstances.

With that being said, I hope this yearbook will also remind you of the great times you had with your peers and teachers, the new people you have met along the way, the adventures you created, and all of the wonderful learning that took place to strengthen you as an individual, as well as a team...more like a family. I am honored to serve such a wonderful school community, and I look forward to continuing my service to military-connected children! Please enjoy this yearbook, as it was a “labor of love” for the AMS faculty members that pulled it together.

REMEMBER...

Dragon P.R.I.D.E. starts inside!

April 2021

Month of the Military Child

Month of the Military Child

April is designated as the Month of the Military Child. This month outlines the important role military children play in the armed forces community. Sponsored by the Department of Defense Military Community and Family Policy, the Month of the Military Child is a time to celebrate military families and their children for the daily sacrifices they make and the challenges they overcome. Andersen Middle School administration, teachers, staff, and PTSO planned various special events to honor military children by incorporating the theme of this month into their every day duties and responsibilities. These efforts and special events will stress the importance of providing children with quality services and support to help them succeed in the mobile military lifestyle.
