*On behalf of the administration and faculty, I would like to congratulate the Class of 1985. This should be a challenging time for you. We hope that living in our foreign environment and attending Ankara American High School has been a rewarding experience and will make you always cognizant of the Middle East and especially Turkey.*

*Good luck; İyi sanslar!*  
*George H. Gundacker*

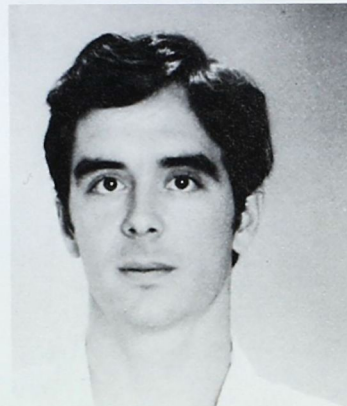

*If you need a pass to class, or sign out of school, or need to use the office telephone in an emergency, or use the photo copy machine in the office, or just need a shoulder to cry on whom do you turn to? Ankara High School students for the past 20 years can immediately tell you that the answer to this is Selma the school secretary who always has a smile in her voice and a soft spot in her heart for all students.*

### **Ahmet Bedir**

*Ahmet Bedir has been a custodian in Ankara High for 20 years in the period of 1961-1985. He likes the school very much. When asked about his thoughts about the school environment, he replied, "I like it because the kids respect their elders and the teachers are nice." He commented that 20 years ago, the school was off base in Maltepe and 24 high school buses were sent to pick up these students.*
