Determination.

You can see it in a good man's face.

When you come face to face with this man, you know he's unlike any other. He is bold...daring. He's an individual who believes in himself. He's a man who thrives on challenge. He's determined. He's a Marine.

If you think you're ready to face the challenge, to take on the responsibility of becoming one of us, call 1-800-MARINES. Then again, it might be easier to turn the page.  **Marines**
