Ansbach Middle/High School is a wonderful place for teachers to work and for students to learn. During SY 2004-2005, we have all had many opportunities to be involved in a variety of activities and to strive toward new heights, moving ever closer to accomplishing the skills we will need to be successful in the 21st century. As the school year draws to a close, I would like to congratulate both the staff and students of Ansbach Middle/High School on a fine year of educational excellence. A special thank you is extended to Ms. Ballard and the yearbook staff for the superb yearbook they have worked so hard to compile and publish over the past ten months. Best wishes to the Class of 2005, as they move forward with their lives and careers. It has been my pleasure to work with you. You are always welcome in Cougar Country.

Jennifer Rowland - Principal

To the graduating class of 2005,

Each and every one of you is a strong individual, with more potential than you might give yourself credit for. It takes a lot to graduate from high school today, not only grades and credits, but dealing with the judging eyes of peers, society's perceptions, and the future. You may have been told that high school would be the time of your life, and it may have been, but during the past four years, you have learned the importance of a future. Most of you are at a critical time in your life. Many of you will be independent, maybe for the first time in your life. Now, as a high school graduate, be conscious of the path you choose. If you are heading in the right direction, continue; if not, take an exit that will get you on the right path. Stay positive and productive; set an example for others, and most of all, continue to learn and be the best you can possibly be.

Set your own goals and follow your dreams, reach your greatness, and make yourself and your family proud.

Congratulations seniors and best of luck.

Robert Prinz - Assistant Principal

Future Educators of America is a program that provides middle and high school students with opportunities to explore teaching as a career. This was the club's first year at Ansbach High School and was sponsored by Ms. Ballard. Much of the year was spent preparing for the FEA conference at Edelweiss Lodge and Resort in Garmisch. The conference was a success and the students came away with new knowledge of teaching methods as well as a good sense of what it REALLY means to be a teacher.

Model United Nations

The Model United Nations (MUN) class took a trip to The Hague for a week and had the experience of a lifetime. They got to meet students from all around the world and were able to debate world issues with other delegates. "You get to meet a lot of cool people from other countries," said Daniel Lozano, one of the delegates. The delegates spend the semester writing resolutions that propose solutions to global issues. At the end of the semester, they go to The Hague to put all of what they have learned to good use. "It's a lot of hard work, but it all pays off in the end," said Emily Robinson, one of the other delegates. "The class was super fun even though I didn't get to go on the trip," said Alicia Contreras, MUN student.

Spanish Club

The Spanish Club aims to provide opportunities for the Ansbach students to explore Spanish-Hispanic culture. This is the second year of Dr. Flagg's sponsorship of this groovy program. Spanish language students this year participated on a number of activities sponsored by the Spanish Club. This year the highlight was the link that Ansbach Spanish Club established with the students of Colegio de La Salle in Jerez de la Frontera, Spain. La Salle students were paired up with aa Ansbach student and they maintained traditional and electronic correspondence through the year. Other activities included the celebration of Cinco de Mayo, the making and breaking of Piñatas and a trip to a Mexican Restaurant in Nuremberg where we all enjoyed a fun and interesting taste of Mexico.

When asked about the team's plans for next year Coach George said

"First and foremost we are the number two all-time winning team. To break the record and win four Championships has never been done before." Sounds like next year's Cougars will have their work cut out for them!

Good Luck!

The Cougars celebrate their Division III win!

The 2004 Fall Cheerleading season got off to a good start with a new squad and coach. Anticipation followed on both sides. The girls were anxious to work with Mike Jimerson, an accredited UCA Camp Instructor, and vice-versa. At the beginning of the season, the squad quickly jumped into the learning curve. "We learned something new everyday. Some days they would look at me like I was crazy with all my new ideas, but now we look back and it really shows how far we've come."

- Coach Jimerson

Should we call a foul now or later for that elbow?

This year's basketball team has come such a long way. Coach Mick Plummer has been with our Cougars since 1989 and has helped to bring our Lady Cougars to a 33 game winning streak. Even though the 2004-2005 girls basketball team was finally brought down by the Rota Admirals, that doesn't mean that we are down for the count. Next year we are coming back with a vengeance! On a lighter note, Alicia Contreras says, "Eh, its okay. I couldn't fit three championships on one ring any way!!"

WINTER CHEERLEADING

The 2005 Winter Cheerleading season saw a few fresh faces with a tryout twice the size of the previous season. With so much talent to choose from, and so few Varsity spots available, Coach Jimerson decided to make two squads, one Varsity and one JV. Since there were many returning cheerleaders, the first couple weeks of practice were mainly devoted to placing new people in stunt groups rather than learning material. Little did they know how much work was yet to come...

The Cougar Cheerleaders cheer the Boys/ Girls B-Ball teams to victory.

Regular Season Squad: Bottom Row-Up (L-R)

Left: The girls go for a spin during halftime.

Right: A picture from *The Point* after the cheerleaders placed 2nd at competitions.

...but it was all worth it in the end. As it got closer and closer to competitions, the girls found themselves putting in extra time at the "office". On occasion, practices would last up to 4 hours in preparation for the big day. Sometimes it was difficult or frustrating, but the squad valued every minute of it, knowing that with every late practice and new bruise, it would lead them closer and closer to what they wanted most - success at competitions.

Success can be measured in many different ways. Some people feel they've only won if they are awarded 1st place, but to the Ansbach Cheerleaders the success came in the form of the recognition and support of our peers, parents, and fellow cheer squads... a second place trophy helped too! We all look forward to that Championship next year! *Second place?... Heck yeah!!!*

WRESTLING

Carlos Sanchez and Adam Golden compete to see who can stretch the farthest.

"We had a nice blend of different experience and with the help of senior leaders, those with less experience caught on quickly. It was one of the best turn outs I've seen in the three years I've been coaching here at Ansbach."

- Coach Feletar

"Wow! Look at that sweet..... stretch!" John Swanson, Jasmine Thompson and Walter Ciucevich get limber before practice.

The 2005 Wrestling team showed a lot of promise from the beginning. Adam took fifth and Mike took third. The team also placed first in Division III Championships. Good job Cougars!

SOCCER

The 2005 Ansbach Boys Soccer team was headed by Coach Pemerton, Coach Kirk, and Coach Bustamante among many others who put their time in. The captains were Christian Grimm and Jeremy Paulson, and goal keeper Tyler Sherman. They had a rocky start and ended their conference season with a record of 2-3, but in the end it was all about what they learned and how much fun they had.

The 2005 Track and Field team saw a lot of enthusiasm with 35 people coming out to join the Varsity team and 7 JV. Led by captains Dameon Outley, Adam Golden, Carlos Sanchez, Mike Ewing, Taurean Moore, and Brittney Britton, this year has also been one of the most successful. Near the end of the season, 15 people have qualified for Europeans. Brittney qualified for 4 events and Taurean recently broke Ansbach's record of 6'2" by two inches. The Cougars also have the distinction of the fastest time for the 4x100 and are currently tied overall with Heidelberg. In addition, James Esters leads with the fastest 200 meter time. Megan,

When you were such a tiny bundle, who could have imagined the amount of joy you would bring into our lives. Your mischief, charm, poise, and loving demenour have place a permanent place in our hearts. You have worked hard for the past 12 years and it is time for you to open your wings and fly. We are so proud of you.

Love,
Mom and Dad

Our darling daughter Missy,

Your smile brightens any room. Your sense of humor makes anyone laugh. Your personality is beyond description. You are truly the joy of our lives, the laughter in our home, the spark that warms our hearts. You are the glue that binds us all together. Your presence reveals the love of God and the joy of His Spirit. Believe in your abilities to do what is right at all times. Believe in the awesomeness of your existence. You were fearfully and wonderfully created; created for excellence. As you begin to understand your purpose in life, our prayer that you will go in boldness and in joy. While at the same time keeping that "weird, Ozzy-like" sense of humor you have!

Our honeybee (Melissa), our wise discerner (Deniece) we love you!

Mom and Dad

Missy, here are the words to your favorite Ozzy song: Just for you.
Mom

I feel unhappy
I am so sad
I lost the best friend
That I've ever had

She is my baby
I love her so
But it's to late now
I've let her go

We're going through changes (ohh - [chorus])
We're going through changes (ahh - [chorus])

We've shared the years
We've shared each day
I love you daddy
But I found my way

You know the world
Is an evil place
My baby is grown now
She's found her way

(ohh ahh - [Chorus])
We're going through changes (ohh - [chorus])
We're going through changes (ohh - [chorus])
(ahh - [Chorus])

It took so long
To realize
I can still hear
His last goodbyes

Now all my days
I'm filled in fears
Wish I could go back
And change the years

We're going through changes
We're going through changes (changes - [Chorus])
We're going through... Changes

To our darling Jessica, who is truly the "Grace of God", we give this message: There is an African Proverb which says, "It takes a village to raise a child (angel)" Indeed, there has been a village of people in your life who have taken a part in guiding you towards excellence. As you know, I, your mom have never been at a loss for words, so my shortage of them does not reflect my lack of them. I and your dad, have simply decided to use this page as a source of inspiration to you from those villagers who have assisted in your success and have desired to give you a special message as you embark on the next step of your life; adulthood! Jessica our darling, you have never caused us a day's trouble. Each night, from the very first night God kissed upon your face as He placed you in our arms, we have treasured and adored you. You are a blessing to all who have been fortunate enough to cross your path. We stand in awe of the special daughter you are, and we marvel at the woman we are watching you slowly become. May the love of God always shine through that fantastic smile of yours! We love you Tink, Mom and Dad.

MESSAGES FROM SEVERAL VILLAGERS

WOW!! It's so nice to know that someone so deserving is finally making her way to pursue her dreams. You are such a beautiful young lady. It is my desire for you that all your hopes, and dreams just fall in place. You have what it takes; now just use it to your advantage and "THE SKY IS THE LIMIT FOR YOU". You and your family are so much a part of my life. "I AM SO PROUD OF YOU". Oh yea!! "What that baby doin'?" I love you. Miss Gayle

Ever since I've met you, you have been a young lady who holds the kind of strength, which surpasses your years three times over. You have no doubt been an inspiration to me, and I'm sure you have been a torch to all who really know you. You will definitely mark the world with your knowledge and vitality as you continue to grow and learn. You are indeed God's creation at it's best. Mitzi

You are such a beautiful young lady and it is an absolute miracle from The Big Man that you are even in my life (and trust me girl, I'm not referring to Jordan J). I am confident that you will be successful wherever your heart takes you. This is only a departure point, so make your leap! XOXOXO Jaci

Congratulations! I admire your resilience and perseverance through many frustrations and challenges. You have learned that every leader must face these in order to stand out from the norm. Keep that in mind as you move on to new challenges and continuing leadership. It has been a pleasure to share AMHS together." Mrs. Ericksen

Jessica as you finish this part of your education and that of a cute teenager, I can hardly wait to see what the determined woman in you will become. Love, Doreen

To my granddaughter Jessica, How can I say I am proud of you with words? How can I say I love you with words? How can I possibly tell you how much joy you have brought into my life by being just like my own little girl? How could you ever know how much I've wanted to be right by your side every journey you've gone through in your life, each birthday party, each graduation, each dance, each laugh and each tear that you've shed I would have loved to have been with you. But thanks be to God, he has a way of making me feel as though I was. I've held you more times than you can imagine and kissed your cheeks as well. And now I say to you my special one, embrace all that life has to offer you. Enjoy and experience God's great creations. He has thoughts to prosper you, for eyes have not seen, ears have not heard and neither has it entered into the heart of man what God has prepared for those who love him and are called according to his purpose as you are. Your loving Grandma!

Jessica, "It is not what you have in life, but it is what you do with what you have!!" Mr. Gary McCauley

Everyone always says how high school produces the best times in your life. But I, for one, strongly disagree. I believe that you both have many exciting adventures and joyous moments ahead of you. Please always remember that success is not measured by what materialistic things you possess, but how you can bring happiness to others. You both have done just that, bringing happiness to your family, community, and friends.

With your religious beliefs, remember being a Christian is like being a pumpkin. God picked you from a patch, brings you in a wipes all of the dirt off of you. Then he cuts the top and scoops out all of the yucky stuff, removing the seeds of hate, doubt, and greed. Then he carves a smiling face and puts a candle in you to shine for the entire world to see. May you always shine, Christine E. Bush, MA, ChT, BSW

The very least you can do in your life is to figure out what you hope for. And the most you can do is to live inside that hope. Not admire it from a distance but live right in it, under it's roof. Barbara Kingsolver, American Novelist... Lovingly submitted by Joan Boggness

Congratulations Jessica, We have finally made it!! I cannot believe that we are already seniors. The years have flown by so fast, it seems like only yesterday it was our first day of school. Now it's that time in our lives when we have to grow up, even though we know it's something that we don't want to.

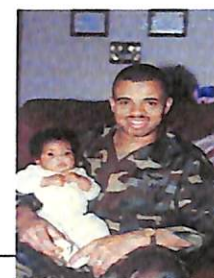

Jessica this song (Plus One- My Friend) reminds me of our friendship and I truly mean everything it says. We have both grown up to be beautiful young ladies and I wish you the best of luck in everything that you do and accomplish in your life. You are an outstanding person and have worked your butt off to get where you are today. I love you and miss you! XOXOX Love Always, Stephanie Marie Radcliffe-Lee

My dearest "fart-face" ... "Ya'll gonna get me shot!" Inga, Olga, and Helga 4 life! You were always the good daughter, the one with the good grades, the kind one. I love you and all the "dances" we do. Wink-wink! Love Pookey AKA Your baby sister, Missy

This is your Auntie Robin! I just wanted to say how very proud I am of you. You are a beautiful young lady inside and out (you get your looks from me). You are an exceptional person. I wish you all the best in the future. This is now the beginning of the rest of your life. Take one step at a time. Always remember to do the very best you can! It'll be tough, you may want to through in the towel. Just ask yourself what would Jesus Do??? I love you so very much. I am so proud to be your auntie! Good Luck! Love Auntie Robin

I HOPE YOU NEVER LOSE YOUR SENSE OF WONDER,
YOU GET YOUR FILL TO EAT BUT ALWAYS KEEP THAT
HUNGER,
MAY YOU NEVER TAKE ONE SINGLE BREATH FOR GRANTED,
GOD FORBID LOVE EVER LEAVE YOU EMPTY HANDED,
I HOPE YOU STILL FEEL SMALL WHEN YOU STAND BESIDE
THE OCEAN,
WHENEVER ONE DOOR CLOSSES I HOPE ONE MORE OPENS,
PROMISE ME THAT YOU'LL GIVE FAITH A FIGHTING CHANCE,
AND WHEN YOU GET THE CHOICE TO SIT IT OUT OR DANCE.

I HOPE YOU DANCE....I HOPE YOU DANCE.

I HOPE YOU NEVER FEAR THOSE MOUNTAINS IN THE
DISTANCE,
NEVER SETTLE FOR THE PATH OF LEAST RESISTANCE,
LIVIN' MIGHT MEAN TAKIN' CHANCES BUT THEY'RE WORTH
TAKIN',
LOVIN' MIGHT BE A MISTAKE BUT IT'S WORTH MAKIN',
DON'T LET SOME HELL BENT HEART LEAVE YOU BITTER,
WHEN YOU COME CLOSE TO SELLIN' OUT RECONSIDER,
GIVE THE HEAVENS ABOVE MORE THAN JUST A PASSING
GLANCE,
AND WHEN YOU GET THE CHOICE TO SIT IT OUT OR DANCE.

I HOPE YOU DANCE....I HOPE YOU DANCE.)

You've been my Pride & Joy
Right from your childhood days
You've brought me lots of happiness
In countless little ways
And while I enjoy my memories
And I treasure every one
I know you'll always bring me joy

A daughter is a wonderful blessing,
A treasure from above.
She's laughter, warmth and special charm,
She's thoughtfulness and love.

A daughter brings a special joy,
That comes from deep inside.
And as she grows to adulthood,
She fills your heart with pride.

With every year that passes,
She's more special than before.
Through every stage, through every age,
You love her even more.

No words can describe the warm memories,
The pride and gratitude, too.
That comes from having a daughter,
To love and cherish... just like you!
