Thank you dad it may
have took long,
Kids in Iraq can now sing
a song.

Thank you dad I'm
certainly glad,
Kids in Iraq can have
what I have.

U.S.A.

-Zachary Larson

Heroes are what you are.
You saved our country and
made it free.

Heroes are the ARMY
The ARMY is what I love.

Heroes are the Soldiers
I am an American soldier.
-Stephanie Robinson

I think its great
that they are home.
It is so cool because
they could see their
family's. And They
could be really
happy. But, they
shouldn't go to work
after they just got
home.

-Sheanee Roberto

I felt great that my dad
and his soldiers were
back. At the stadium
were lots of people,
flags, my friends plus
more than forty soldiers.

I saw a party with
drinks, chip, cake,
candy, and salad.

-Mike Toy

Welcome back! I am so glad
you protected our country! I
am gald that all of you came
back home safely. Did you
notice the posters! They are
looking fine out there.

Please never go to war again.
-Damaris Hudson

I am proud of our
soldiers.
And my Uncle
John.

-Candace Molchan

I am glad the
solders are
coming back so
they can rest.
-Ashley Walcutt

I am just happy that my
friend's fathers have
come back.

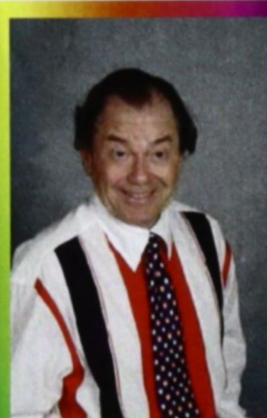

-Alexander Vitt

When I heard that the
soldiers were back I
jumped with joy and my
whole body was just
shaking with excitement.
Having the soldiers come
home was the best thing
that week but the best
of all they came home
safe and it was nice to
see all the smiles on the
peoples faces.

Welcome Home Heroes

I'm glad my dad came home. He is the best dad anyone could ever want. He is always there to comfort me. He has gone to war to protect our freedom and I respect that, but I never want him to go again. We went out of the building to see my dad after an hour of waiting. They came out of the darkness and they were marching in five single-file lines. They came into the building I ran and hugged him, they were getting their bags. We went home...and I went to bed. That is my story goodbye.

-Jason Pinnow
