Parent Teacher Organization (PTO) Greeting

Greetings Everyone,

As another school year is closing I hope that it has been rewarding to each of you. It certainly has for me. Thank you for all of the wonderful memories I have of our school.

I realize how important the staff, Principal, PTO Board members and volunteers are to the students and I just want to personally thank everyone, but especially the students. Thank you, thank you, thank you.

In closing, I'll leave you with lyrics from one of my favorite songs. "As we go on we remember, all the times we've shared together..." So, as I go on I will remember the great STUDENTS, Teachers, and Staff!

Have a beautiful, bright, bubbly and safe summer!

I am proud to be an ABC Bulldog!

Just the Facts...

Babenhhausen, Germany

Nestled in the foothills of the state of Hessen, bordering the state of Bavaria, Babenhhausen can be found in documents dating back to 1236.

In 1295, King Adolf authorized Babenhhausen to build and maintain a castle, a protective wall, and a weekly market; this market is still observed on Thursdays. Parts of the old fort are still surround the Old Town ("AltStadt"); the wall was broken in several places so that the town could grow.

The Old Town's roads are extremely narrow due to the need to contain the town within the fortifications; they are used today for both pedestrian and vehicle traffic.

The school is located on a Kaserne, Babenhhausen Kaserne. Our Kaserne has a history too. It was built in 1900 and was home to a military unit, 2nd Battalion, 61st Field Artillery in 1901. In the 1930s the Kaserne was occupied by Nazi Storm Troopers, and in 1945, the United States used the Kaserne for a homeless camp as well as for processing German prisoners. From 1950 to present Babenhhausen Kaserne has been a U.S. military station.
