PRINCIPAL

The hills are a - live

with the sound of music —

Good morning yesterday
You wake up and time has
slipped away
And suddenly it's hard to find
the memories you left behind,
remember

Do you remember the laughter
and the tears

The shadows of misty yester-
years

The good times and the bad
you've seen

And all the others in between
remember

Do you remember the times of
your life

Reach back for the joy and the
sorrow

Put them away in your mind
For memories are time that you
borrow to spend when you get
to tomorrow

Here comes the setting sun
The seasons are passing one by
one

So gather moments while you
may

Collect the dreams you dream
today,
remember

Will you remember the times of
your life.

Do you remember baby
Do you remember the times of
your life.

ROGER NICHOLS

The queen and her court dance to the Homecoming song, "Too Much Heaven". There were also some romantic moments experienced by AHS students during the dance.

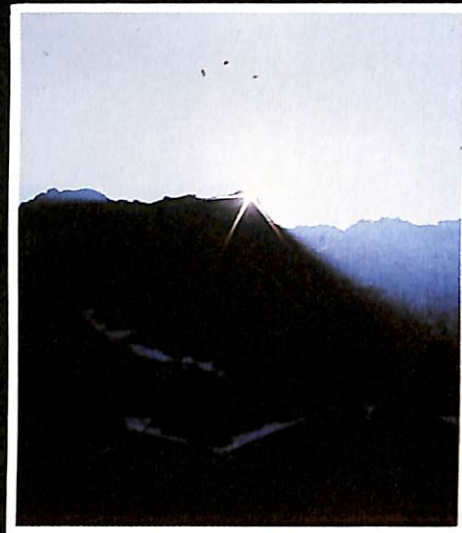

Wonder what happened to her!

Is that really Mr. Petty?

The yearbook staff dedicates this yearbook
To the new decade, the 1980's.
With this dedication, we hope that the
New decade will bring peace throughout the
world
And direction in the lives of the students of

A Lot Of Us Think A Lot Of You

The Augsburg Officers' and Civilians' Women's Club's contribution to the high school this year — \$14,535 — reflects our pride and confidence in the high school students in Augsburg. The money given corresponded to the students' needs and interests — instruments like these, as well as vests for the band; nearly \$2,800 for athletic equipment, including the safest football helmets made; a greenhouse; a video tape recording machine; \$5,000 in college scholarships; \$3,200 to the art, business, cosmetology, and auto mechanics departments. This assistance was given as an investment in our own future — those of you in high school now will lead us tomorrow — and in appreciation for your contributions to our community and families. With the seniors who begin a different life, with those who leave for new assignments, and with those remaining, go our hopes for a promising future.

AUGSBURG OFFICER'S AND CIVILIANS' WOMEN'S CLUB

As each class of seniors leaves AAHS, they cross a rainbow to the beginning of a rich and meaningful new life in search for the pot of gold that their education has taught them lies at the end of that rainbow. The best wishes of the student council go with each senior for 1980 as they embark on this search. It is our hope that all students who have participated in any STUCO activity this year has been enriched by that experience and left better able to search.

Mock Convention

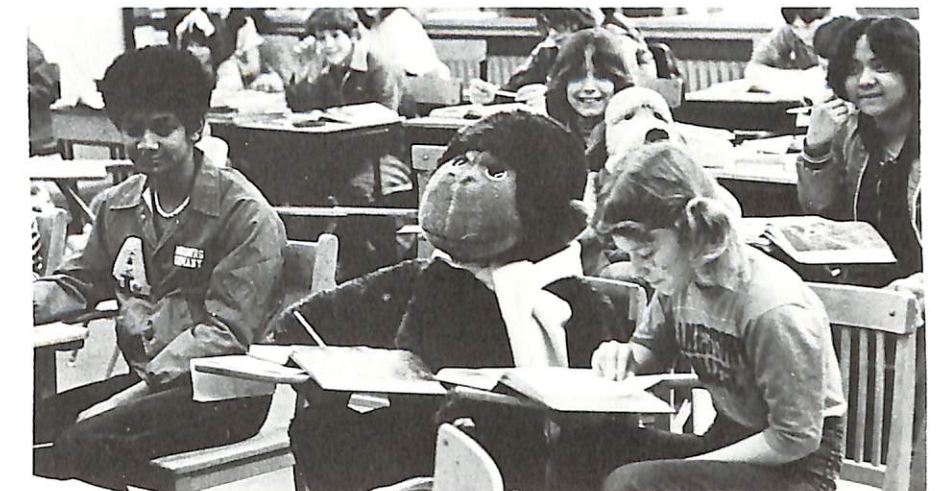

Students at AAHS had an opportunity to express their feelings on the 1980 Presidential Election at a mock political convention. Mr. King's government classes gave the students a good idea of what a convention is really like with much fun and excitement. Students selected President Jimmy Carter as their candidate for 1980.

Spirit Week

Junior High students really got into the spirit during "Spirit Week" this year sponsored by the Junior High Student Council. With Ms. Lois Pusey as its advisor the council planned a fun filled week including electing a Valentines Court, Valentines Dance, Crazy Hat Day, inside-outside day, and (pictured on this page) a 50's Day and a Kiddie Day.

Working Miracles

Members of the Augsburg American High School student body put on a production of the play, "The Miracle Worker" in the fall of the school year. Pictured on the two pages are a few scenes for the play and preparations being made for the dramatic story of Helen Keller. The play was directed by Ms. Helen Wichowsky.

At A. H. S.

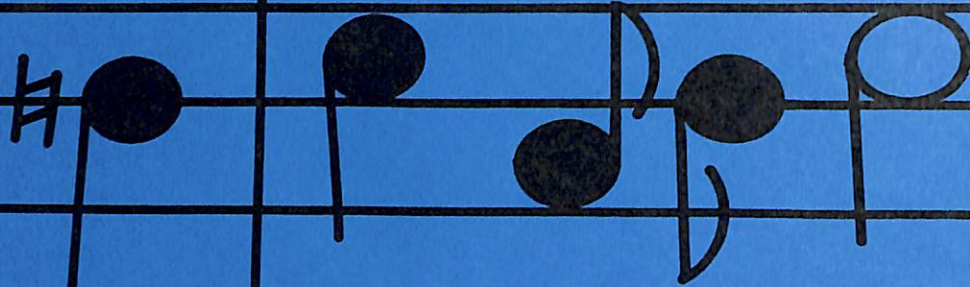

As advisor of the Apache 1980, I would like to take this time to express my gratitude to the members of the yearbook staff for the work they have done in producing this yearbook. Special thanks goes to the young lady pictured on this page, Dorothy Colley. As co-editor of the yearbook, it was unfortunate that she had to leave school early. In the picture above Dorothy is saying to the staff as she leaves, "it had better be a great yearbook." Thank you Dorothy, without your inspiration, I would not have been able to finish this book.

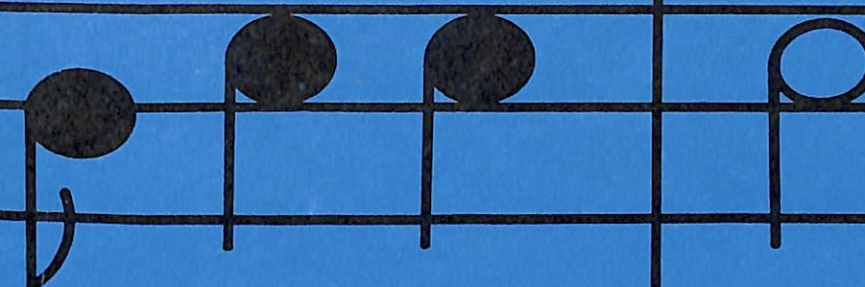

Also a special thanks goes to those who gave special assistance with photography:

- Alex Flores
- Robert Gregg
- Laurie Kritz
- John J. Kouns
- Wayne Patterson
