Italian Study Trip

Signora Gasparotto's 6th grade Italian class went on a trip to Pordenone and Sacile to practice their Italian language skills. The students took the local bus system from Aviano to Pordenone. In Pordenone they visited the market and Saint Mark's church. The students then took the train to Sacile where they had lunch at a local pizzeria. After lunch, the students caught another train to Aviano and walked back to school.

"Do not take life too seriously; you will never get out of it alive."
Elbert Hubbard

2008-2009 marks the beginning of the middle school and high school being unified. This year was the first time the 8th graders participated in spirit week.

Walk to the Chrome Dome

The walk to the chrome dome is an annual event for the 8th grade class. The walk started as a way for the students to connect outside of the classroom. This walk is also done in memory of 9/11 and sometimes with the America Supports You Foundation.

Mosaics in Spilimbergo

Home to the famous school of mosaics, Spilimbergo is known as the “town of mosaics.” The school was officially founded in 1922 and the students are some of the best artisans. Ms. Hoffman’s 8th grade Pathway to Careers class visited the Scuola de Mosaico to get a sense of art, design, and marketing collaboration.

8th Grade Holiday Feast

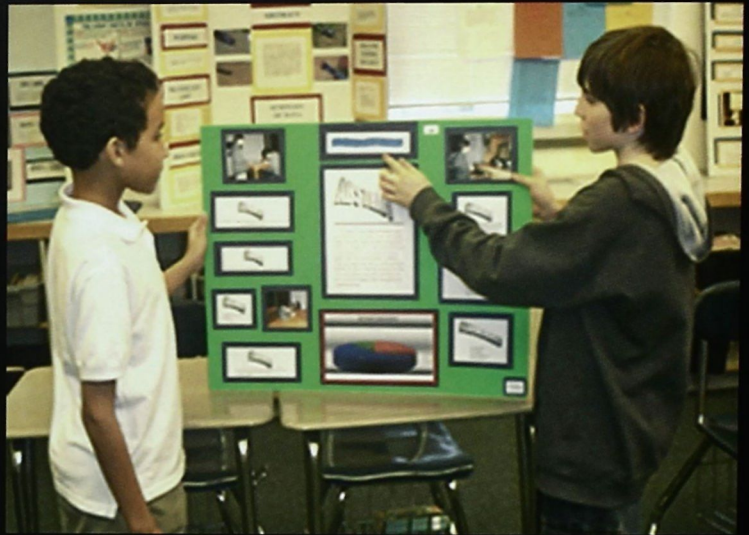

The 8th grade seminar classes gathered in the multipurpose room for a holiday feast. Each seminar gave opening remarks before they started to eat. The students sat with their parents and friends. Several students provided musical entertainment, followed by a slideshow at the close of the celebration.

6th Grade Caroling

The 6th Graders had the wonderful day at the Italian Cancer Research Hospital, locally known as the CRO. Mrs. Maher organized and planned this festive outing for 6th graders and it was greatly appreciated by the patients.

7th grade: Michael Kerney
8th grade: Robert (Trey) Lee

Mrs. James and Ms. Lee recruit and train students in May for the next school year. Whenever teachers, students, or parents go to the counselors to inform them of students that need help, they set them up with the trained students to problem solve and talk things out with them. Peer Mediation gives students a chance to work out their problems with other people their age, who may understand and relate to them better.
