*BAD KREUZNACH AMERICAN HIGH SCHOOL  
GERMANY*

## *DEDICATION*

When a student encounters a truly dedicated teacher, the memory stays with him forever. We of Bad Kreuznach American High School have been very fortunate to know one of the finest. In her six years of teaching here, she has never failed to consider her students both personally and academically. Many of us could profit by her examples of school spirit and loyalty. For her outstanding devotion to the school and its student body, the staff of the 1964 KREUZNACHER is proud to dedicate its book this year to Miss Marian Fortune.

A Time to Talk

When a friend calls to me from the road  
And slows his horse to a meaning walk,  
I don't stand still and look around  
On all the hills I haven't hoed,  
And shout from where I am, 'What is it?'  
No, not as there is a time to talk.  
I thrust my hoe in the mellow ground,  
Blade-end up and five feet tall,  
And plod: I go up to the stone wall  
For a friendly visit

## PRINCIPAL'S MESSAGE

The KREUZNACHER 1964 will serve as a remembrance of this past year at Bad Kreuznach American High School. I would like to congratulate the yearbook staff on its broad coverage and presentation in this fine book.

However, since there is more to school than diplomas and annuals, we on the faculty sincerely hope that you as a student body have received some degree of intellectual education and thereby will be assured of an opportunity of becoming learned men and women.

On behalf of the faculty, I would like to wish each one of you good luck during your next school year. To our graduating seniors, a special wish for success and prosperity in all your future endeavors.

## SENIOR CLASS OFFICERS

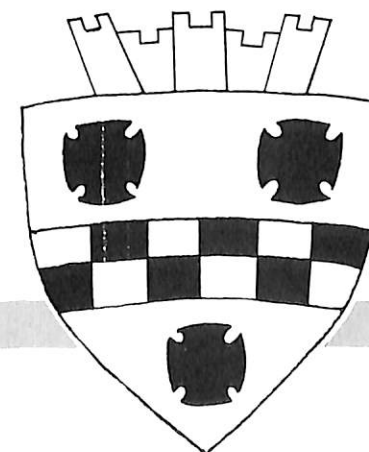

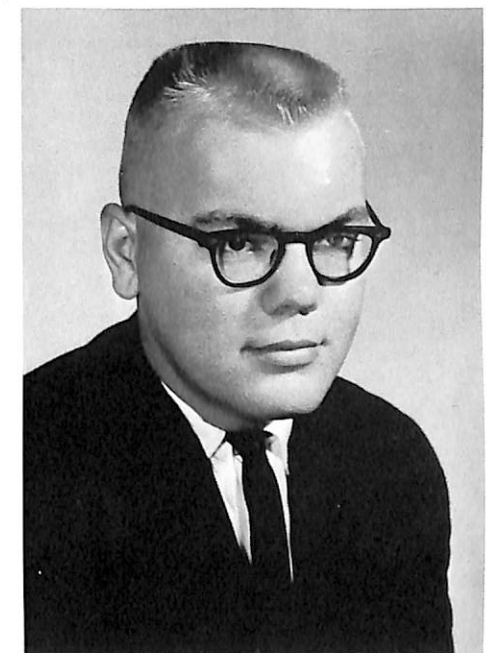

SUSAN LEE ALLEN

"Sue" College Prep  
Sue's greatest ambition is to be an English teacher. (Oh, well, you meet all kinds!) This dark-eyed girl with the smiling brown eyes likes small animals, sirloin steaks, music, and people. Most of the time, you can find her reading or knitting. She has a big collection of half-finished sweaters and first drafts of stories. Sue's big complaint is "conceited, bigoted, and narrow-minded people." She doesn't like cruel senses of humor, either. Her biggest wish? "Not to be near-sighted!"

WILLIAM ALAN BOOE

"Bill" Commercial  
All of us know Bill by his friendly smile and his willingness to lend a hand to anyone. He likes almost everything, but his special interests are photography, sports, and certain girls. The only things he really dislikes are snobbish people and uncooked pizza. Bill would like to attend Omaha University, where he will major in business administration. After graduation from college, he plans to enlist in the Air Force with an AFROTC commission. Good luck, Bill!

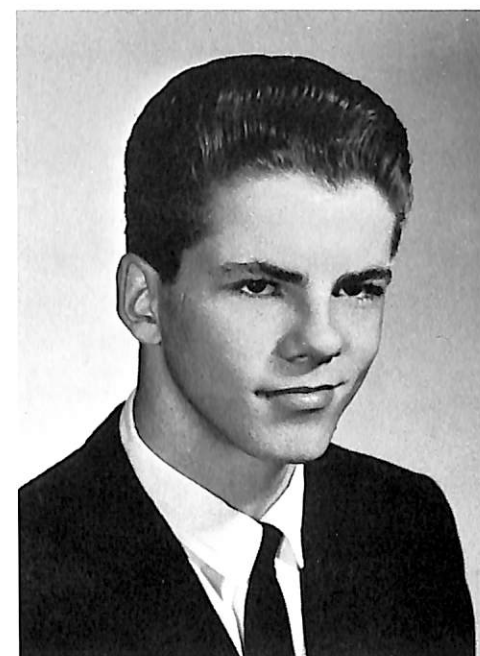

RICHARD MICHAEL CRONK  
 "Mike" College Prep.  
 Mike is one of our athletic boys, but he's a deep thinker, besides. He doesn't care much for boisterous girls, braggarts, and people who put up false fronts. He likes clothes, girls, southern fried chicken, girls, but he's not fond of cooked cabbage. Mike doesn't like not getting what he wants, but then, who does? He plans to attend college at Tarkio, Missouri, where he will study to become a coach. We know that he'll be good at it.

JULIETTE FOWLER  
 "Big Julie" Commercial  
 Julie has a wild sense of humor behind those snapping brown eyes, but she also has a definite idea about her future. His name is Boyd. Julie has held the top alto spot in the glee club for three years, and the moment you hear her sing, you know why. Her dislikes are spaghetti and girls who smoke in public. After school is over Julie is going to be married, and we wish her all the happiness in the world.

PAMELA FRIDLEY  
 "Pam" Commercial  
 Pam is full of life. Her eyes are bright blue, and her hair color is blonde most of the time, depending on what week it is. She loves slumber parties, pizza, and clothes. Pam doesn't have any dislikes, but she frowns on arrogant people. She isn't fond of spinach or homework, either. Pam isn't quite sure that she'll be going to a secretarial school. She refuses to express an opinion about stenographers who sit on the boss' lap.

DENNIS VICTOR JONES  
 "Limey" General  
 You only have to look at the twinkle in Dennis' blue eyes to tell that he has a wonderful sense of humor. His basic philosophy -- there is some good in nearly everybody -- makes him a marvelous companion. He likes spaghetti, ice cream, and a few special girls. He doesn't care much for drunks or excessive vulgarity. After graduation, Dennis hopes to attend a junior college and then go to art school. If his past work is any indication, we ought to be hearing great things about Dennis in a few years.

ROBERT WILLIAM McCLAIN  
 "Butchie" College Prep.  
 It's easy to tell when Butch isn't feeling well. That's the only time he doesn't have his camera with him. Although photography takes most of his time, he leaves a few spare moments for his other interests -- football, swimming, and Italian girls. This wiry, limber fellow dislikes Marlboros. His favorite class is trigonometry. Butch's goal is to be either an engineer or a photographer.

MARGARET ANN HIGGINS  
 "Marge" College Prep.  
 Marge is always on the go. Her pet hobby is "volunteering generally," and we never once have seen her when she wasn't being useful to some organization or another. Appropriately enough, but she likes sincere, hardworking individuals. Apart from that, her other like is basketball, but she dislikes softball intensely. She also dislikes slimey eggs. Marge's pet peeve is people who aren't really what they appear to be. After college (she hopes to attend Radcliffe), Marge would like to become a math teacher.

RICHARD MICHAEL CRONK

"Mike" College Prep.  
Mike is one of our athletic boys, but he's a deep thinker, besides. He doesn't care much for boisterous girls, braggarts, and people who put up false fronts. His favorite class is trigonometry. Butch's goal is to be either an engineer or a photographer.

JAMES MICHAEL O'STEEN

"Mickey" College Prep  
Mickey's hobbies are football, basketball, and bridge. He also likes pizza, little kids, and country-western music. Gym is his favorite class. Mickey's pet peeves are bullies and "hard-headed women." To be a politician is his greatest aspiration. We know that he'll reach his goal with that big grin and easy-going manner. We had better get our bids in early if we want to be considered for Cabinet appointments.

JOAN LYNN SCHNEIDER

"Queen" General  
Lynn, our alternate cheerleader, is a perky hazel-eyed blonde. She loves bright clothes and swimming, and anyone who has seen her at the Teen Club can tell that she likes to dance also. She likes people who look like teddy bears. Her pet peeve is people who complain when they lose; minor complaints are short fingernails and "people who pick on me." Lynn wants to go to college and marry an officer after she graduates.

MICHAEL LEE RICHEY

"Bulldozer" College Prep  
Mike is one of our football captains this year. He likes sports, oddly enough, as well as writing, girls, and people in general. This Eagle Scout dislikes quitters and hypocrites. Mike's biggest ambition is to be President of the United States. He really would like to go into the White House directly from high school, but to take up time before he turns thirty-five, he plans to go to college, where he will major in English, political science, or physical education.

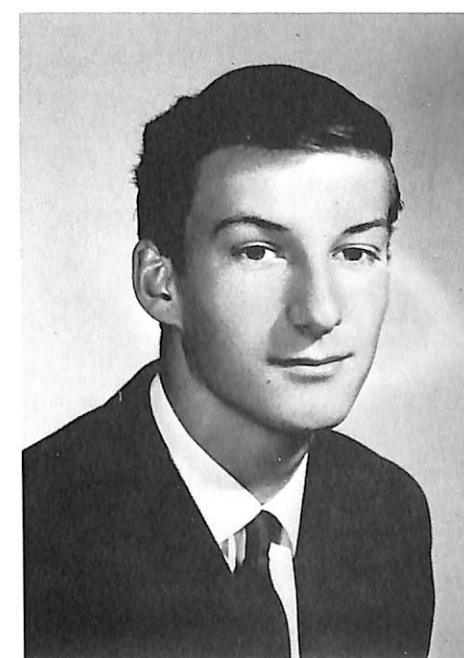

JOSEPH RICHARD SCHWIEGER

"Joey" General  
If you see a laughing crowd on the bus, chances are very good that you'll find Joey in the thick of it. He's one of the best-natured boys in the senior class. Joey likes girls, cars, and sports particularly, but basically, he says, "I love everything. The world's wonderful." Of course, there are a few things that he loves less than the others -- restriction, spinach, and tests, for example. He plans to attend college in Kansas, where he'll study mechanical drawing.

SHERRY LORRAINE RITTER

"Sher" College Prep  
If there's one thing that Sherry likes to do, it's write. She is the only person we know who can say she'll keep in touch and be depended on to stick to it. Her writing doesn't stop there, though, as anyone who's read a few of her short stories can tell. Her other interests are clothes and music. Sherry's greatest dislike is immature boys. Her great ambition is to become a free-lance writer, but she plans to attend Cameron College in Oklahoma first.

JOHN JOCHEN SIMPSON

"John" Commercial  
John is a quiet person with a kind word for everyone. He has a flair for art, and he draws wonderful pictures of his other chief interest -- cars. A wiry five feet eleven, John enjoys all sports, particularly swimming. He doesn't care much for pizza or coffee, and loathes asparagus. John plans to stay in Germany after he graduates; at present, he intends to enroll in a school in Rüsselsheim, where he will study engineering.

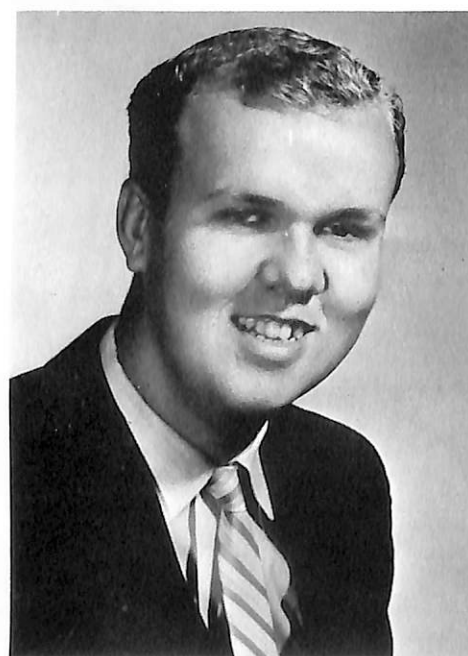

JACQUELINE ELIZABETH SOUTH  
"Jackie" College Prep  
Reading and bowling are Jackie's hobbies. She likes many other things, among them, people, slumber parties, and chocolate-covered cherries. We might add that people like Jackie, too. This auburn-haired girl has her sights set on the position of First Lady at the White House (in Washington, D.C., not Bad Kreuznach) and we hope she has as much luck as a certain other person with the same name. Jackie's favorite class is home economics. Maybe she's already thinking about the proper furnishing of her future home?

EUGENIE ANN STERLING  
"Genie" College Prep  
Genie likes clothes, and her dark brown hair and eyes compliment everything she wears. Her long list of likes includes Italian food, cadets, lieutenants, and sports cars. She always manages to be outstanding while looking unruffled in gym class, even when somebody steps on her foot. Genie has a strong distaste for two-faced people and slushy side-walks, and doesn't care much for bees, either (as if we couldn't guess!). Genie's big ambition after college is to be a women's fashion buyer.

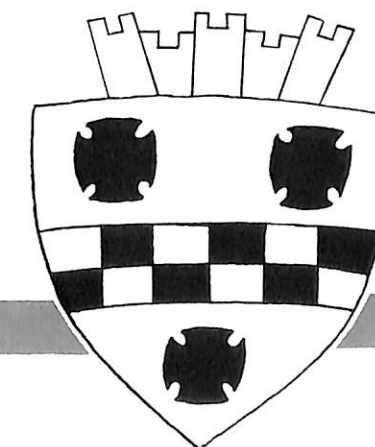

JON THOMAS TAYLOR  
"Moose" College Prep  
Jon is a blue-eyed blond with a quiet personality and a love of the surf. He likes California and can tell you about every strip of beach along the coast. His chief interests are surfing, pizza, and girls, but we hope not in that order. Jon dislikes freshmen and hodaddies (for the uninitiate among us, a hodaddy is a person who can't ride the waves). After college in California, Jon plans to join the Army with an ROTC commission.

WILMA EILEEN WALLS  
"Billie" College Prep  
Billie can't be happier than when she's doing something in the dramatic field. She has a flair for impromptu acting. (To date, her best character portrayal has been Grendel.) She also likes reading. Billie loves Italian food, but she doesn't like onions or garlic. Try to figure that one out! Billie doesn't put on any airs herself, and she doesn't like to see conceit in other people. She plans to attend college in Florida and become a registered nurse.

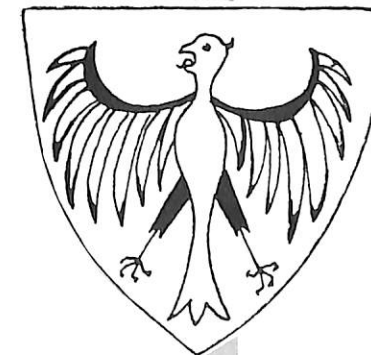

RAINER WILLI WARD  
"Ronnie" General  
Ron is our soccer star, and anyone who has seen him on the playing field can tell that he has a lot of drive. He likes his steaks medium and his girls pretty. Ron dislikes untrustworthy people, but basically he likes just about everything and everyone. His chief ambition is to go to the States, where he would like to enter a California college. Ron wants to be an electrical engineer. With that persistence of his, he'll make it!
