BEARKAT

1967 BEARKAT
BAD KREUZNACH, GERMANY

DEDICATION

An inspiring leader who has given his all in many, many ways to the betterment of our school.

The wrestlers owe him a great debt for working and molding them into a first-class team.

The Seniors are especially grateful to him for his counseling and help in picking and gaining entrance to the colleges of their choice.

We send our sincere thanks to him and humbly dedicate this yearbook to . . .

MR. ROBERT J. GODFREY

EDITOR'S PAGE

FELLOW SENIORS AND STUDENTS:

I take great pleasure in presenting to you the 1967 BEARKAT.

I would also like to take this opportunity to thank the members of the Yearbook Staff for all their hard work and co-operation. An especial "Thank You" to Mr. White for his seemingly unending patience.

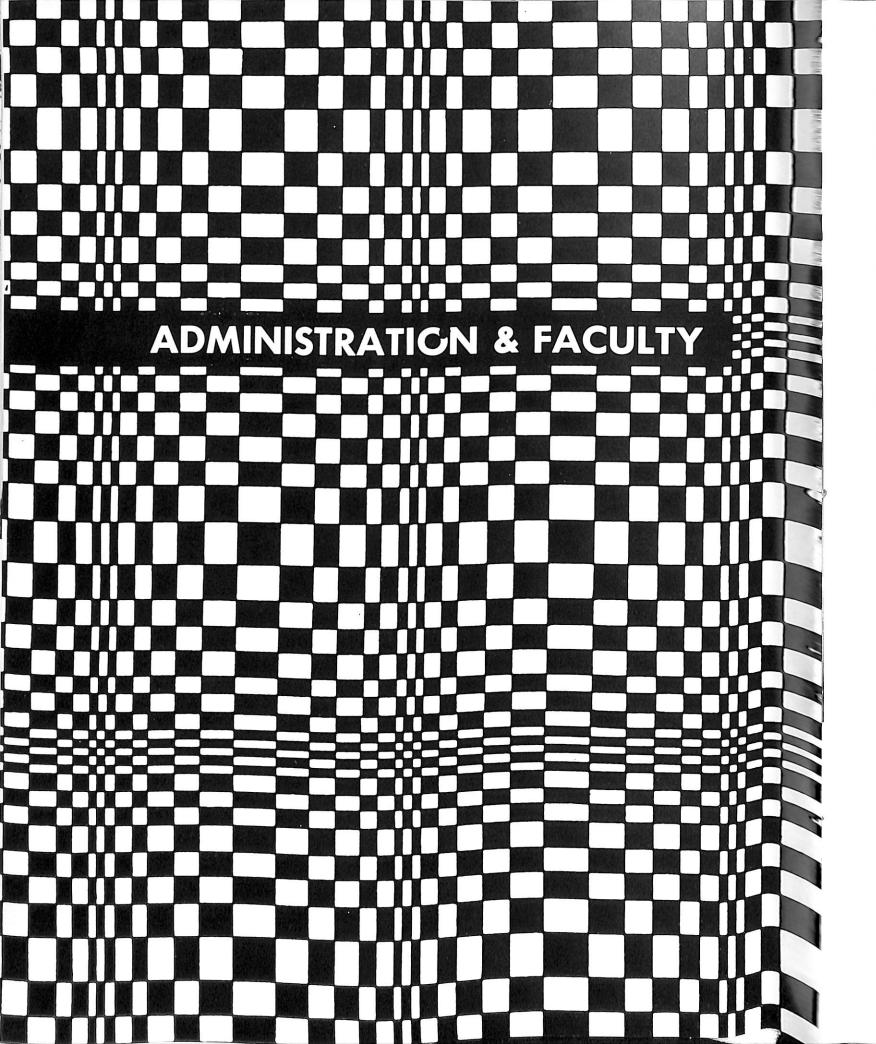

My best wishes to all the underclassmen for the future years here at B.K.

Seniors, this is our last year, our last yearbook, and I sincerely hope that the BEARKAT will bring you fond memories of Bad Kreuznach American High School--1966-67.

Tearfully, but not sadly,

Terry Ann (Foo-Foo) Seibert

PRINCIPAL'S MESSAGE

TO THE CLASS OF 1967:

What do you want from the future? Is economic gain your main concern, or do you seek an all-round better life? Do you feel a desire to raise the level of life for others?

To a very great extent you can achieve what you want. If your goals are set at a low level, you may expect mediocrity or even failure. Aiming higher will surely bring more rewarding results. The major gain of your twelve years of schooling is achieving a means of acquiring further knowledge. If you have developed a sense of responsibility, you have accomplished one of the major requisites of a happy future.

We must pay constantly increasing attention growing in knowledge and understanding of other people, whether they are members of our families, neighbors of very similar backgrounds, citizens of another country, of another race or drastically different cultural heritage. You will never regret the cultivation of understanding of the cultures of other peoples. It is hoped that you have been able to do this to a notable extent here in Germany.

With these thoughts and hopes for continued educational advancement, I wish each of you the greatest success and happiness.

FOOTBALL

The Bad Kreuznach football team had its best season in five years with a 4--4 record. The team started off the season handing a spectacular defeat to Baumholder for the first time in the history of the school. The team went on to beat Karlsruhe twice and Bremerhaven once. The boys on the team showed great spirit and an unyielding desire to win. Their reward was the great 1966 football season.
