TO MY FRIENDS

We have brought our lives together
and have become friends.
Our bond of friendship has become stronger
with every day gone by.
We have given each other time to grow and learn,
but now it's A Time for Moving On.

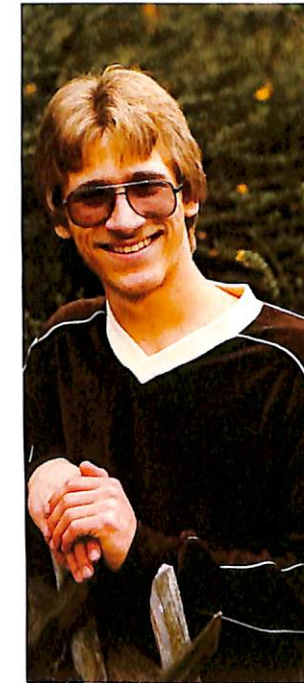

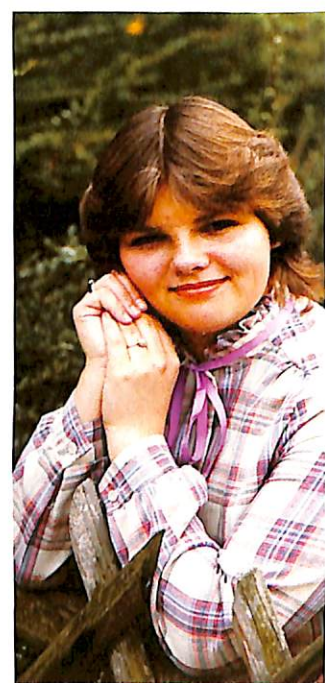

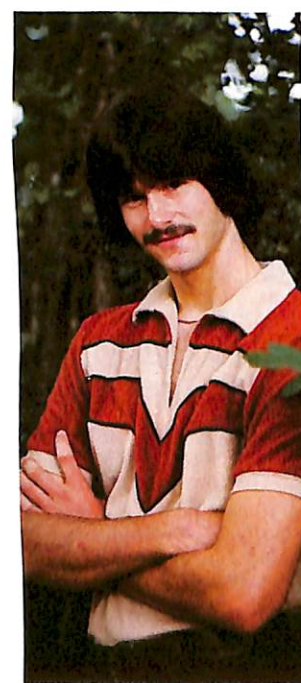

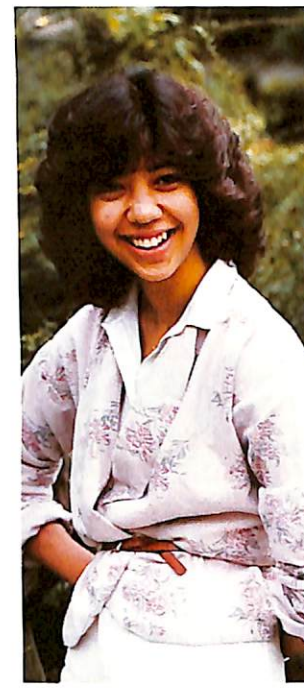

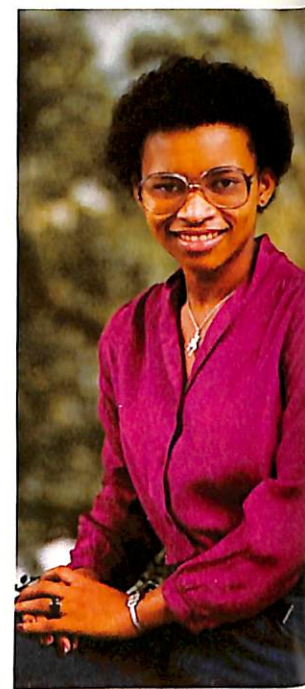

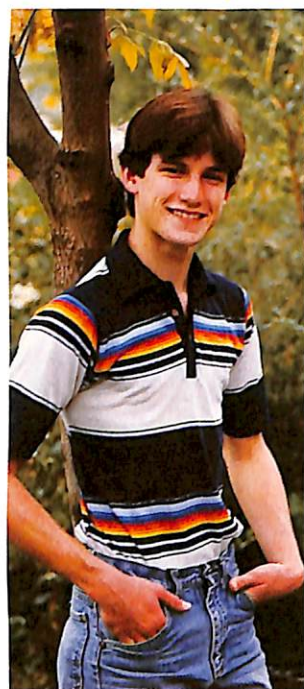

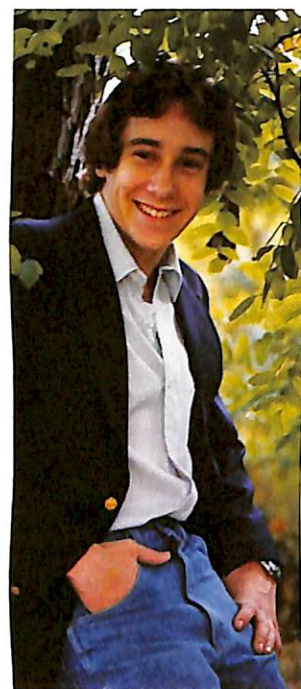

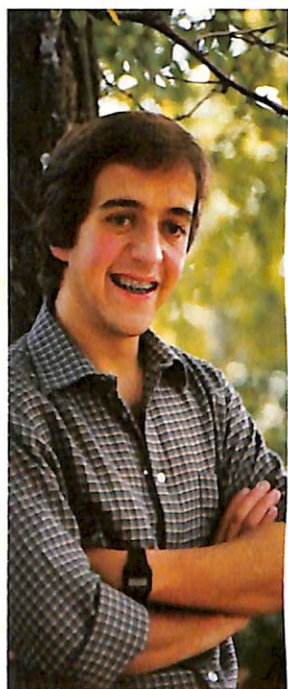

We must go our separate ways and find our goals
and destinies.
Take care my friends and always remember the
good times we've shared.
For we can't go back, but must keep moving on.

"SENIOR QUOTES"

Shari Perry: "Do you wonder as you wonder through your life, far and yonder that the words you say today, could come back to you and may! Will you recognize a kindness or words said in vile spiteness? Words of love are those to ponder, to wonder, to speak to one another with tones of care for our brothers."

Chrissy Hallett: "Speak your truth quietly and clearly; even the dull and ignorant; they too have their story."

Bonnie Porter: "The Lord said . . . And ye shall seek me, and find me, when ye shall search for me with all your heart. Jeremiah 29:13."

Etienne Borgos: "If you can't dazzle them with your brilliance, baffle them with your bull . . . I used to be disgusted, now I am just amused."

Chris Lewis: "Wrinkles should merely indicate where smiles have been."

Cynthia Frasher: "Patience is a virtue . . . Catch it if you can."

Aretha Denard: "If my mind can conceive it, I can achieve it."

Rocky Senatore: "The more I know about women, the more I like Race Cars!"

Roxanne Todd: "If you ain't a stoner you ain't . . ."

Luisa Harber: "I am just trying to find the bridge."

James Buchanan: "Work for what you want and want what you are working for. Soccer players do it better."

Liz Overby: "If a girl could be two places at one time, I'd be with you tomorrow and today, beside you all the way."

Phyllis Southerland: "Keep on trying. No matter what happens in life."

Michael Knecht: "A situation is only as bad as you make it!"

Rick Kennedy: "When you are gone, you have arrived."

Amos Chiarappa: "Never ask for an opinion because an opinion is like an %, # z! because everybody has one."

Jacob Hamilton: "Sex is full of lies. The body tries to tell the truth, but its usually too battered with rules to be heard, and bound with pretenses so it can hardly move." James Morrison

Andy Reynolds: "Stay cool, calm, and collective."

FUTURE PLANS

Amos Chiarappa: "I plan on growing up."

Liz Overby: "I plan to go back to the States and continue my education in the area of Business Administration."

Rick Kennedy: "I am gonna party and party . . . and party and party and party . . . and party."

Roxanne Todd: "I plan to kidnap Jake Hamilton and love him forever."

Phyllis Southerland: "I plan to travel with my husband wherever he may go."

Shari Perry: "I plan to continue my education in the law and psychology fields."

Andy Reynolds: "After graduation I am going to attend college for four years, hopefully at San Jose State in California."

Etienne Borgos: "Upon graduation I will go to college and serve my sentence. And later become the worlds greatest architect."

Mike Knecht: "I plan to go to a technical college and get my associates degreee in printing and open my own printing shop."

Luisa Haber: "I plan to live in Tacoma Washington and go to College to meet as many people as I can, and "find the bridge."

Jacob Hamilton: "I would like to be free from cliques and cliches that people are bound to and to travel across the US and renew old acquaintances."

James Buchanan: "I plan to become a Carolina Gamecock and major in Mechanical Engineering. I am going to marry a centerfold and live happily ever after."

Bonnie Porter: "My future is not certain, and I am not certain about my future. I guess you could say it is what I hope to do. I want to share an apartment with my best friend and to to college. I want to adopt and become a single mother. Maybe someday if the right guy comes along, I will get married. Most of all I want to serve the Lord as best as I can."

Aretha Denard: "I plan to attend the University of Sothern California or Penn State University. My major will be Journalism or some type of Foreign Service."

Chris Lewis: "When I graduate I plan to go to college. I would like to major in Physical Education, and coach basketball and softball."

Chrissy Hallett: "I would eventually like to open my own printing shop and operate it myself- with just a little help, maybe! Thanks to Mrs. Rose a great teacher."

Rocky Senatore: "After graduation I am going to Louisiana, get a Dodge Charger, get a job and make a few bucks, then go to some kind of school, get a good job and become independently wealthy."

Cynthia Frasher: "For my future plans I will go back to the states and hopefully get married in a couple of years. Maybe own my own Boutigue and name it "Cindy's Boutique," then maybe a model. If not those things then maybe a first grade teacher, if not that a philosopher."
