"We all live two lives. The life we learn with, and the life we live with after that." The Natural

*Age is a quality of mind. If you have left your dreams behind, If hope is cold, If you no longer look ahead, If your ambitions' fires are dead - Than you are old.
But if from life you take the best, If in life you keep the jest. If love you hold, No matter how the years go by, No matter how the birthdays fly - You are not old.*
