Fantastic!
Amazing!
Great Job!

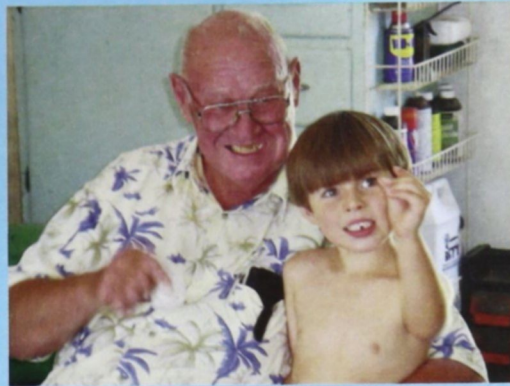

Madison and Cooper-
This has been a very
challenging year for
you, but you both have
just shined through it
all. No parents could be
prouder of their
children. Gammy and
Grandpa would be so proud.

Ed and I would like to thank all the teachers, staff and friends that
have touched our children's lives over the past 4 years. Bamberg
Elementary School will always hold a very special place in our
hearts. We truly believe the values of education, teamwork, and
friendship our children learned from you will be reflected in the
adults that they will become. For this we sincerely thank you.

Ed and Pam Otalora

*To our friends that have moved
away. We hope our paths will meet
again.*

**Good
Luck
to you
all!**

*"I hope you had
the time of your
life."*

*Kayli, I am proud of you and all your accomplishments and what you have done this school year. Even though I am not with you, you are in my thoughts and in my heart.
Great job, Kayli
Love, Dad*

Kayli, Your sixth grade year has been one of growth and accomplishments and I am very glad that I was able to experience those moments with you. You are turning into a beautiful young lady, but you will always be my "baby girl". I look forward to watching you continue to grow and excel in every aspect of your life. I am so proud of you and all that you have done and will continue to do.

Love always, Mom

Kayli, I always wished that my sister would succeed in places that I didn't and my wish came true. I am very proud of what you have grown up to be which a beautiful, smart and creative young woman. Although we have had our disagreements in the past, that doesn't change the fact that I will always love you.

Love, JJ

**Alex, we are so proud
of the young lady you
have become. Good
luck in Junior High.**

**Love,
