Everyone Achieving Goals Leading to Educational Success

Bamberg Elementary School Administration:

Principal

Beverly Erdmann

Assistant Principal:

Cheryl Tibbs

BES Continuous School Improvement (CSI)

SMARTgoal 1

SmartGoal 1: All students will improve problem-solving skills by 3-5% when solving mathematical problems across the curriculum independently and cooperatively as measured by TerraNova 3rd Edition, grade level determined standardized assessment, and/or school based problem-solving assessment by 2012.

Mission Statement

To provide an exemplary education that inspires and prepares all DoDEA students for success in a dynamic, global environment.

Vision Statement
Bamberg Elementary School: Inspiring learning and success for all.

SMARTgoal 2

SmartGoal 2: All students improve their written communication by 3-5% in skills across the curriculum as measured by TerraNova 3rd Edition, adopted ELA curriculum writing tests, and/or school based writing assessments (6+1 Rubric) by 2012.

Thank you LtCol and Mrs. Morris for all you have done for BES

Success: To laugh often and much, to win the respect of intelligent people and the affection of children, to earn the appreciation of honest critics and endure the betrayal of false friends, to appreciate beauty, to find the best in others, to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded!

Congratulations on your 4th grade year!

Love, Mommy

Dear Will and Sam,

Congratulations to both of you on another successful school year! You have each done such an amazing job this year. You started the year at Fort Belvoir Elementary and moved all the way to another country to finish the year at Bamberg Elementary. You spent weeks in a hotel room, sleeping in a pull-out bed and eating a lot of Subway. You moved into a new house and spent weeks without your furniture and toys. You left behind good friends and made new friends and you both showed Mom and Dad just how very strong, smart, loving, and wonderful you are, inside and out. We love you both with all our heart!

Love,

Mom and Dad
