# DER KREIS

1963

Georgie,

It's really been something to know a guy like you this year - I'll never forget you. We've had some crazy times together and I'll always remember you as a really true friend. Remember the trip to Heidelberg - The Bucs were Champions and we were there to share the victory. Dancin' to the records was really something else. This whole year I've never had a fight with ~~you~~ and we've been good friends - Georgie - ~~Remember~~ the class of '64 and the play and the ~~back~~ and the Prom and all our headaches - ~~and~~ you were here next year to earn some ~~money~~ for our trip. Stay sweet and don't ever hit anyone do you, dirty - or I'll hit them - Study hard and good luck you deserve it.

### PRESENTING DER KREIS . . .

Der Kreis of the 1962-1963 school year under the direction of Mr. Barta represents a special effort to picture our high school in its German setting among the Ozark like hills surrounding Baumholder, Germany. Inside Der Kreis's cover you will find ample evidence of our faculty and student success in achieving a sound educational program and creating a climate for greater German-American understanding.

I would like to thank the yearbook staff for their efforts in producing Der Kreis. On behalf of the faculty, I congratulate our seniors upon their graduation and sincerely hope that what has been learned here, provides the basis for success in future tasks. To the rest of our students many thanks for a most successful and enjoyable year.

# FACULTY AND ADMINISTRATION

While living in Europe, we are offered an opportunity to travel and see parts of the world that students in the states can only read about. A group that takes great advantage of this opportunity is our faculty. A weekend usually finds all faculty members away and headed for the famous sights of Europe. Many teachers take time during classes to tell us about their trips. They are a great factor in instilling students with a equal desire to travel.

LEFT TO RIGHT: Miss Reeves, Mr. MacFarland, Miss Line, Mr. Evans, Miss Grant, Miss Black, TOP: Mr. Chan.

Mr. Charles L. Wood was born in Norwalk, Iowa. He received his B.A. at Simpson College in Indianola, Iowa. He received a Masters Degree from Iowa State University where he was selected a member of Phi Beta Kappa.

## OFFICE STAFF

If one were to ask, "what keeps the daily life of B.H.S. running so smoothly?" the answer would have to be, "it's excellent office staff." Mrs. Harris, Miss Baecker, and Miss Suthoff handle the great load of paper work involved in running a DEG school. The entire student body would like to offer our appreciation for a job well done.

*Good luck, George!*  
*Sigi Suthoff*

## PEOPLE BEHIND THE SCENES

### SUPPLY OFFICE

We have here at B.H.S. approximately six hundred students. Each one of these uses at least five books a day. Have you ever stopped to think who keeps track of all these books and makes sure each student gets the ones he needs? This group of men handles all business concerned with our books. It is remarkable that so few can do a job of such magnitude so well.

"We're from Baumholder, couldn't be prouder!"

The cheerleaders this year worked hard at the games, and practicing to improve their skills as cheerleaders and student rooters. They had a lot of troubles but managed to keep up their morale by thinking mainly of the Bucs, who came first in their opinion.

"Oh! No!"

"Someone's in the crowd yelling, Yea! Bucs!"

## THE IMPORTANCE OF BEING EARNEST

"Well, I see no reason for offering a reward now that it's been found."

"I have a treat for you tonight Algernon. I am going to send you down with Lady Farquhar."

"Your brother Earnest dead!"

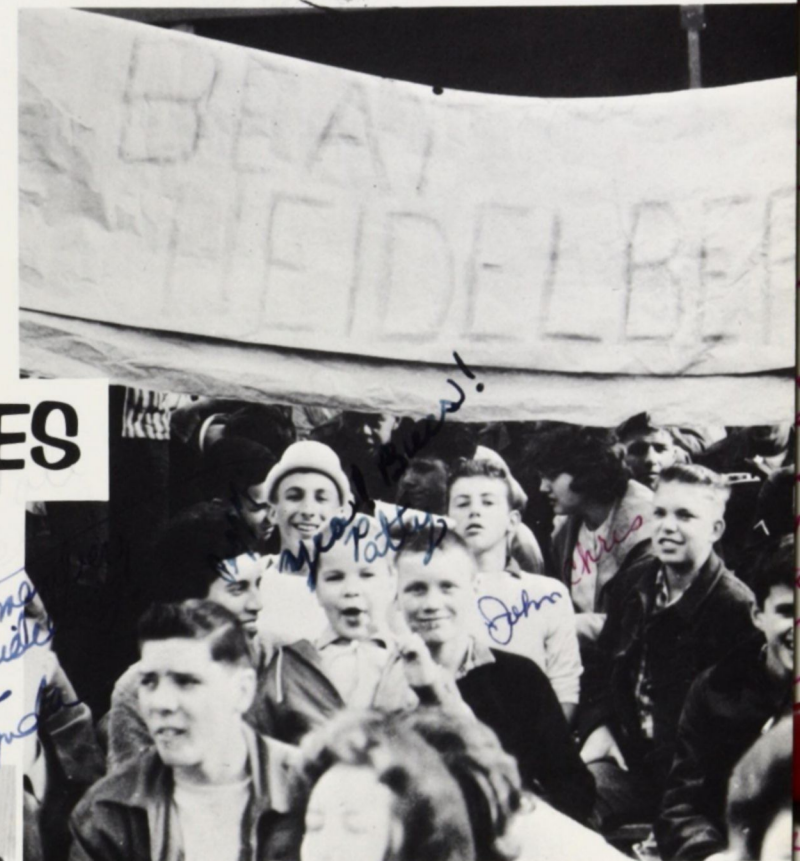

This delightful comedy written by Oscar Wilde is a satire on London society in the 1890's. The plot tells of two debonair young men who have both fallen in love. Jack Worthing is concerned with finding out his true identity and then finally discovers "The Vital Importance of Being Earnest."

# COMING

Queen Mary and escort Larry Webster lead the Snowball Dance following the coronation.

Homecoming this year was rather successful even though the Bucs lost to Wurzburg in a very exciting game. The G.A.A. sponsored the dance with the Lettermen's Club selecting Mary Kuszewski as their queen. They also chose Judy Proud, Senior Attendant, Lynda Drake, Junior Attendant, Sherry Merchant, Sophomore Attendant, and Donna Martin, Freshman Attendant. The ballroom was decorated in pink and purple, forming a very pretty combination. The Queen's throne was of pink and white satin, showing off Queen Mary's flattering blush.

Everyone seems to be enjoying the dancing at the Homecoming Dance.
