Ms. Shelly Rucker, Principal

Within these following pages lies the reflections of school year 1984-85 at Baumholder American High School. I hope they will bring many fond memories for years to come and that you will feel a sense of pride in having been a Buccaneer of BAHS.

Mr. Edwards was our assistant principal for the first part of our school semester. He was transferred to Nelligen Elementary School in January '85. We will all miss Mr. Edwards' pleasant smile and cheery attitude, but he will carry it with him to his new school.

**Mr. Bob Ermel
Vice-Principal**

I hope that the 1984-85 school year has been a great one for each of you, and that this yearbook brings back many fond memories in the years ahead.

Would you pay attention!

Listen closely class.

Do you really mean what you said?

Can I have some of your food?

That's so funny!

Ooh! That feels funny!

ACTIVITIES

Galleon Staff and Varsity Club

The Galleon Staff diligently worked throughout the year preparing one of the finest qualities of print ever produced at Baumholder American High School, as well as an up-to-date historical abstract.

This year's staff (with many of the regulars from last year) worked together as a special group. Besides producing a fantastic newspaper, many special relationships were molded, along with personal satisfaction of viewing one's own labors glowing in print.

Galleon Staff — Top Row, Left to Right: Debbie Shahid, Michael Armentrout, Terry Ray, David Prince, Jowell Flippen, K. C. Green, Richard Neal, Gema LaLuz, Mrs. Smith. and patches for successful athletes. Under the guidance of Ms. Larson and Mr. Taylor, the Varsity Club proved to be a successful asset to Baumholder High.

With '85

As halftime of any football game approaches, no matter what the score the Baumholder Band directed by Mr. Hartline could be found warming up to put on a spectacular half-time draw.

Although the length of the performances were limited, the band devoted many long hours of practice to their music, so that their performances would provide good entertainment for the crowd.

The members of B.A.H.S. sang in harmoy with the common goal of entertaining their fellow students. After they eagerly practiced many long hours to learn their parts, they participated in the Christmas assembly and sang at various other assemblies during the year. Ending the 84-85 year was a spectacular musical entitled "American Pop." This event featured a trip through the history of "pop."

1st Row: Jennifer Winslow, Michelle Dougwillo, Nicole Davis, Nicole Thornton, Mr. Hartline, Toni Walker, Michelle Phillips, Christina Contizano. **2nd Row:** Nora Reyna, Eric Anderson, Terec Murphree, Spud Shelley, Tony Jaramillo, Will Brown, Kim Noblitt, Barbara Green, Yolanda Asford. **3rd Row:** Dalette Remington, Lana White, Julie Tyler, Christy Sosalla, Jessica Wescott, Barbara Riley, Melissa Wise, Loni Yoshida, Tammy Osieczanek, Charles Walker.

NHS and Student Council

Back row: Fred Jensen — Advisor, Kenneth Green, Susan Madson — Secretary. **Front Row:** Julie Pacheco — Vice President, Stephanie Jensen — President, Heather Mizgala — Treasurer. **Not Present:** Stacy Clements — Student Council Representative.

National Honor Society promotes excellence in schools world-wide. The members of this group display the highest quality of leadership, academics and responsibility, not to mention a lot of hard work. This year's NHS members participated in activities such as the sale of Turkey Grams, in an effort to earn money for a new banner, and the spring induction ceremony. Although they were few in number, they added a definite plus to the over all performance of Baumholder High.

Student Council Members — 1st Row: Julie Pacheco, Su Kim, Heather Mizgala, Stephanie Jensen, Kenneth Green, Colleen McAleer, Michelle Milillo, Nicole Pacheco. **Back Row:** Ms. Eck, Sponsor; Darla Williams, Martina Moss, T. J. Kovacevich, Nicole Davidson, Stephen McCord, Michael Corathers, Debbie Shahid, Dawn Sever.

Student Council was an organization in which students promoted and encouraged activities for the best interest of all the students at B.A.H.S. Student Council served as a mediating group between the student

body and the administration, who made a lot of things happen this year. Everyone enjoyed the fantastic video dances that the student council sponsored and thanked them by returning to successive dances.

Broadcasting Club

The "Beat goes on . . ." This year's broadcasting club was a combination of energy, enthusiasm, and activity. Morning announcements on the PA system, readers' theatre presentations, speech and drama festivals, school speech contests, and gourmet theatres are just a few activities that the members of the club participated in this year. The members of the club earned points throughout the year toward speech and drama pins, which were presented at the academy awards banquet.

Broadcasting Club — **Back Row:** Michelle Guynn, Teresa Beery, LaDan Riley, Fred Jensen, Steve McCord, Todd Kovachevich, Nicole Davidson, Sonja Flowers, Nilka Evans, Debbie Shahid. **Middle Row:** Tammy Horsey, Nykki Pacheco, Julie Tyler, Katie McAleer, Michelle Milillo, Bill Overfeld, Amy Kiersnowski, Christy Sosalla. **Front Row:** Lisa Green, Dawn Sever, Heather Somaini, Sara Lewis.

Co-op Work Experience

C.W.E. gives the students experience in various on/off campus occupations. It helps prepare them for their later years of life in allowing them to decide if that job is for them. Some of the various jobs require training in several areas such as: Teacher's aid and Day Care Center attendant. C.W.E. is a successful class sponsored by Mrs. Mead and Mrs. Gentry and enjoyed by all who are enrolled.

Stock Car Club

Left to Right: Larry Dales, Wayne Pfannkuchen, Ronnie Bouchez, Paul Herrington, Jeff Edwards, Sean Kinser, Don Voigt, Justin Hughes, Paul Jackson, and Mr. "C."

Want to join Baumholder High's raciest new club? That's Mr. C's stock car club. Besides doing the usual tuning, repairs, and oil changing, all students got hands-on advice about stock car racing. This was truly a learning experience.

There were three major exchanges with the Birkenfeld Gymnasium, Kirn Hauptschule and the Johan-Kepler Gymnasium in Lebach. Fifteen students from BAHS spent a week in German homes in Birkenfeld and then hosted their partners in the spring. The Kirn and Lebach visits lasted a day each with students going to school and home for the noon meal. The Americans enjoyed the shorter school day but not the intense homework. One advanced English class from Birkenfeld Gymnasium and the Neunkirchen also came for a day visit to BAHS. Many teachers also met with the Gymnasium instructors at Birkenfeld on a regular basis.

The *Mainsail* set sail this August with Julie Pacheco at the helm and Mr. Jay Reed navigating. Julie showed skill and talent in guiding her enthusiastic crew through difficult layouts, class photos, and exciting candid shots. The dedication to her crew and to the yearbook's completion has resulted in the 1985 *Main-sail* being better than ever.

*I find this an extremely exciting
experience! Really I do.*

FACULTY

This 1984-85 school year's faculty was one that finished the year proudly after many changes in classes. Special thanks to Mr. Robert Ermel for filling in the vice principal position after Mr. Edwards' departure. This year's staff was particularly supportive and eager to help the students in any way possible with bake sales, plays, distribution of the B.A.H.S. phone book and other special events that occurred throughout the busy school year.

The 7th Graders to the higher classes seem to be the most unnoticed class in the high school. But for them it is the beginning of learning to adapt in a senior high atmosphere. Although they are at a junior high level the 7th graders are a large part of our school and participate in a number of activities such as the Jr. High Honor Society, Student Council and Drama Club. Seventh grade is the first and very important step to becoming a senior.

NOW WHAT?

One of the busiest classes this year was the class of '87. The sophomores worked long hard hours on the planning and execution of bake sales, the selling of candy grams and the sponsoring of a dance. The annual Winter Formal was left in the eager and capable hands of these students. This festive occasion was held at the Wash rack, a simple but charming farm-like restaurant. Needless to say, the sophomores remained active throughout the '85 school year.

The Junior class proved that it was one of ambition. With the support from their sponsor, Mrs. Johnson, they feverishly worked to raise money for a fantastic prom. Fund-raising projects included the selling of Happy-Grams and sponsoring the Sadie Hawkins dance. The success of these campaigns built not only a strong treasury, but a sense of independence and pride in Baumholder's class of 86.

Our Freshman year we roamed the halls,
Dropping books and bumping walls,
Then Sophomore year rolled around,
A new identity we found.
Our Junior year was better yet;
The golden times we shan't forget,
For in our hearts and minds we knew
Our magic year was coming too!
And now as we walk down the aisle,
We cannot help but wear a smile.
For contained within are years of growth,
The gain of maturity and knowledge both.
And yet reflection brings a tear
As we say farewell . . .
To our Senior year!

We're on here somewhere.

Don't ask what it is, just eat it!!!

She doesn't love me anymore.

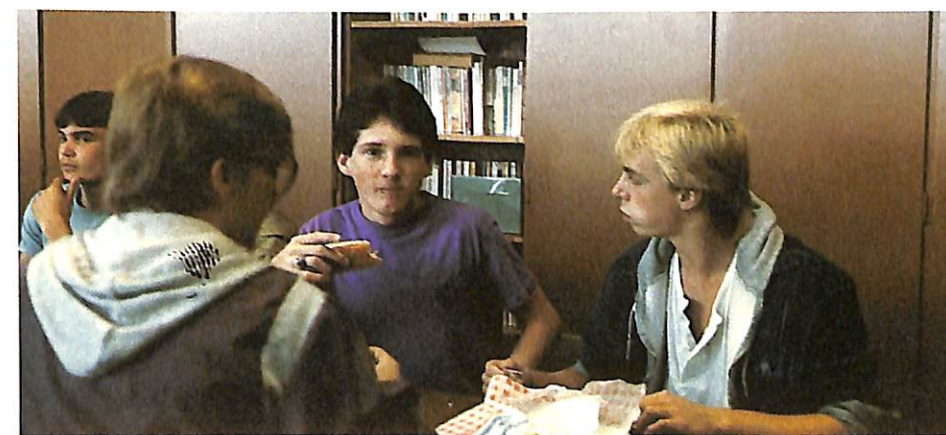

The Senior class planned and carried out many activities during the school year. The seeds of these ideas developed in the class meetings, in which decisions were made on fund-raising activities, such as candygrams, turkey raffle, the community bazaar, and a January welcome back dance; service activities, including hotdog sales at club meetings and football and volleyball games; and, important events such as Homecoming and Spirit Week, the Senior trip and, of course, graduation.

The money for graduation and baccalaureate was obtained almost before the Senior officers were elected. Not content with this, the industrious Seniors forged ahead, eager to earn money for the class trip to England. As the leaders of BAHS, the Seniors certainly set a fine example.

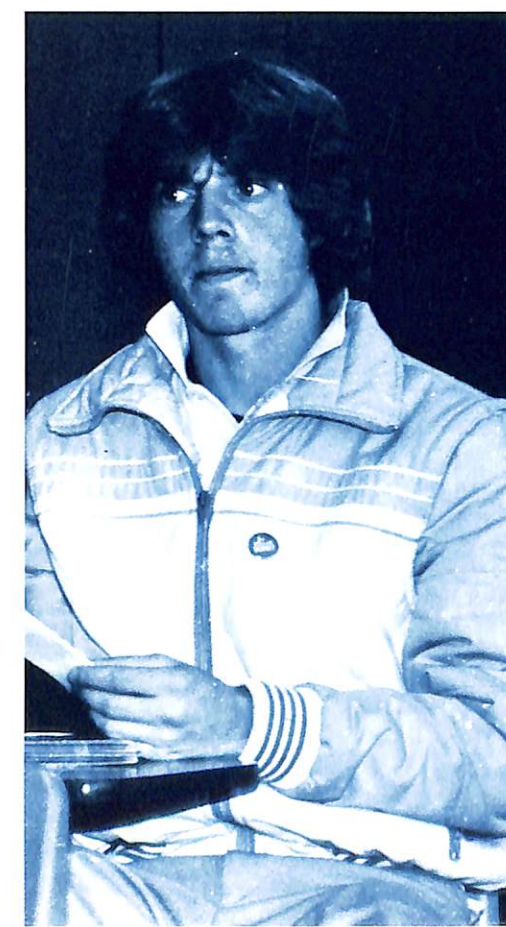

Why don't they let me play some?

We think better with our stomachs full.

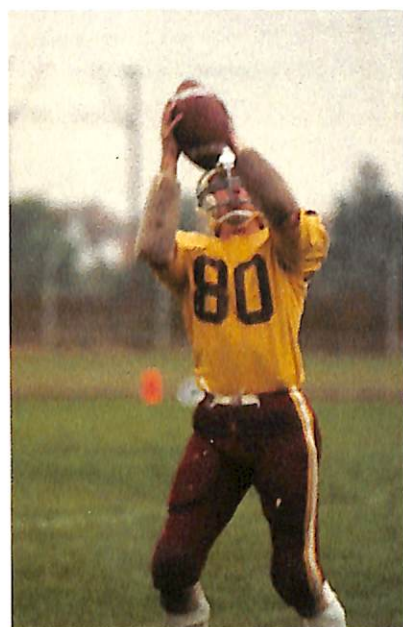

It wasn't me!

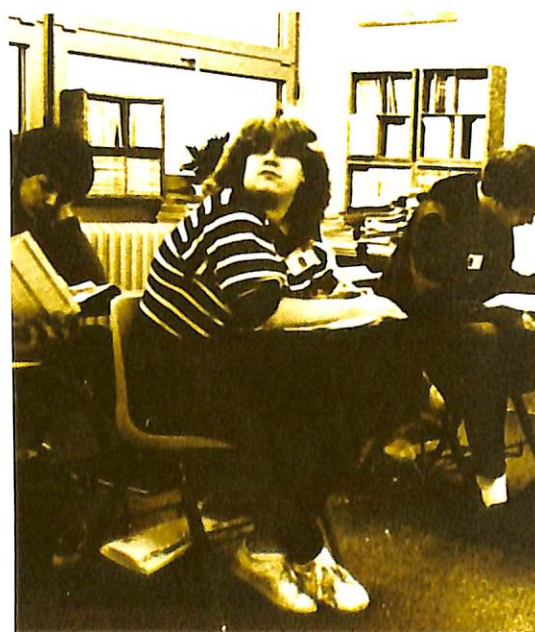

This is just too exciting!

Now what do I do?!

Who me?

Come on people, look interested.

Just keep 'em away from me!

I swear I didn't tell him you liked her.

Their Goal

Wait! I need to tie my shoe!

Just take one more step and see what happens!

It's up for grabs

Just as the band heralds the opening of the first afternoon football game; so does the opening of the school year herald a year of learning, fun, and excitement. Growing numbers of BAHS fans at the football games expressed the hopes for a winning football season. "Fall Fever" has struck again. Competitive fall sports have been a big part of Baumholder's history. Driven by pride, determination, and true sportsmanship, Baumholder's athletes have produced a winning spirit. Positive attitudes and the desire to win were always present. Since Baumholder American High School's been open, the opening of football season has renewed school spirit at Baumholder.

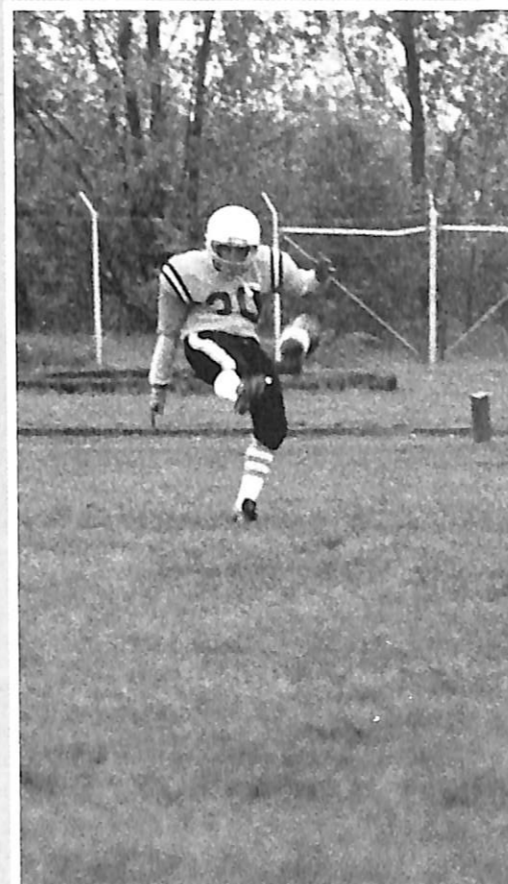

They love me!

BOOGA BOOGA!

*It's **MINE!***

Look mom no hands!

Nany Nany Boo Boo!

Don't touch me or I'll tell my mommy

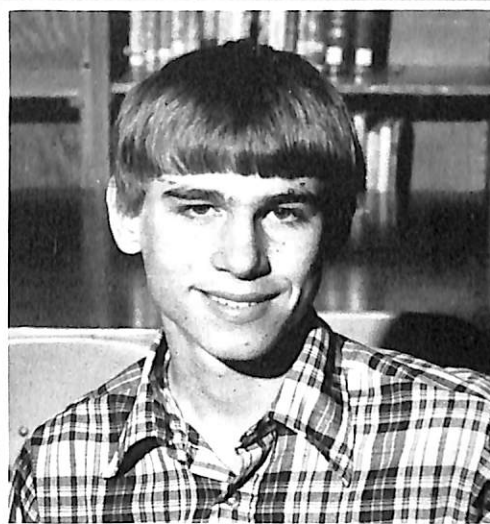

Football wasn't our only fall season spectator sport. With hard work and a little sweat the cross country team coached by Mr. Mead continued B.A.H.S.'s winning tradition. As fall crisped the air and turned the leaves to red and orange, the cross country runners began their competitive season. Crowds of parents, students, and well-wishers accompanied each meet. Through hard work, pride, and stamina (not to mention a few blisters) the team sprinted into the 1984-85 school year.

Going for the Gold

This year Rick Jaster was not only an inspiration to the Cross Country team but to all athletes at BAHS. He completed the CC season with an undefeated record. After taking first in AA championships he went on to capture the first place medal in the Central European Finals. BAHS looks forward to more of the same drive and spirit next year.

Cheerleaders Fall/Spring

Throughout the football and basketball seasons, the cheerleaders made banners, practiced cheers, and fired up the crowd, showing the tremendous spirit the Baumholder possesses. The cheerleaders also performed several entertaining Pom Pon routines during halftime breaks. Under the guidance of their coach Mrs. Thompson, the cheerleaders proved to be a valuable asset in building the spirit of the school and supporting the athletes.

Basketball proved to be a successful sport this year at B.A.H.S. The boys who participated in this season were tireless in their effort to uphold the Bucs' winning tradition. This led them on a path to the AA tournament playoffs. Behind the scenes their coach, Mr. Ermel, showed them the way to victory. Buc fans may look forward to more triumphs next year.
