Captain's Message

COMMANDING OFFICER
U.S. NAVAL STATION
BERMUDA

Principal, Faculty and Students
Roger B. Chaffee High School
Department of Defense Schools
U.S. Naval Air Station, Bermuda

Dear Principal, Faculty and Students,

What a full year it's been for all of us -- trips to Spain, The Hague, and England; a basketball tournament that included off-island boy's and girl's teams from Iceland; visits from astronauts and interesting people in all walks of life; and school too! We, as a community, have enjoyed rich experiences that will shape our lives well into the future. In the years to come, I have no doubt that each of us will look back on our time together as one of the most memorable periods of our lives.

As the Phelan family's "time in the sun" comes to an end (all too quickly), we wish to thank you for your friendship and tremendous support. You have enriched our lives daily, and we shall forever treasure our memories of Bermuda. God Bless!

Warm regards,

JOSEPH F. PHELAN
CAPTAIN USN

Dr. Smith's Message

"Together We Can Make A Difference" was the theme for Roger B. Chaffee during the class of '91's senior year. The staff of the *Islander* is to be congratulated for this fine book of high school memories. By working together, they made this publication possible.

Our senior class contributed to bringing the school together as they lead Chaffee through a very fine year.

Many of this class will assume leadership roles in the communities in which they choose to live during the next century. What they have learned in the last twelve years of formal education will be building blocks toward their future development.

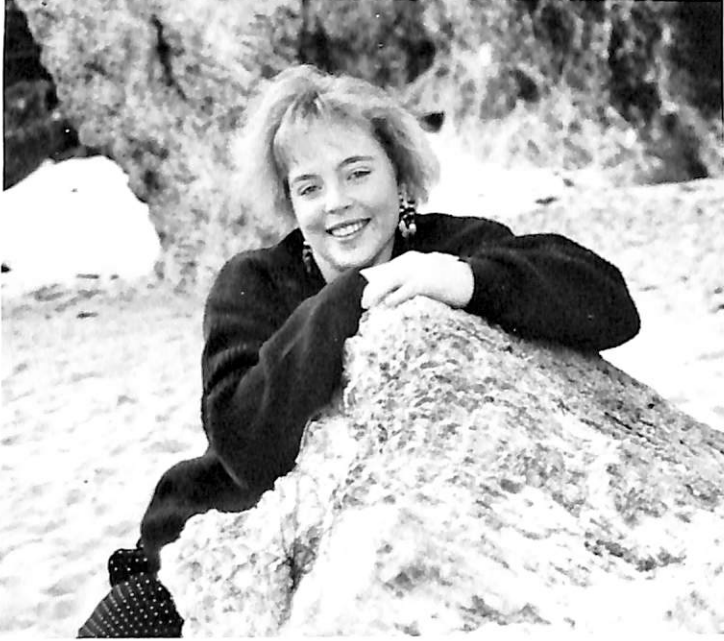

We hope they are well prepared to think and be problem solvers. The road ahead is strewn with obstacles put there by generations who went before them. Hopefully some of the problems that exist in the world today will be solved by members of this year's graduating class.

One lesson learned during the formal schooling of the class of '91 is that by working together with others in the community and the world we can make a difference. The conflicts that develop around the world can only be solved when we pull together. This class has a bright future ahead as they work together to make a difference.

Thomas E. Smith
Principal

Message From The Editor

It gives me great pleasure to present the students of Chaffee High School with the 1991 *Islander*. Putting this type of book together takes a great deal of time and an extreme amount of patience. The individuality and creativity of each staff member went into the production of the book. There were times when I thought it would never get finished but we all hung in together and we made it work. Each of us carries both the good and the frustrating memories of putting this book together and I can safely say, no matter how tough it got, I wouldn't have missed it for the world.

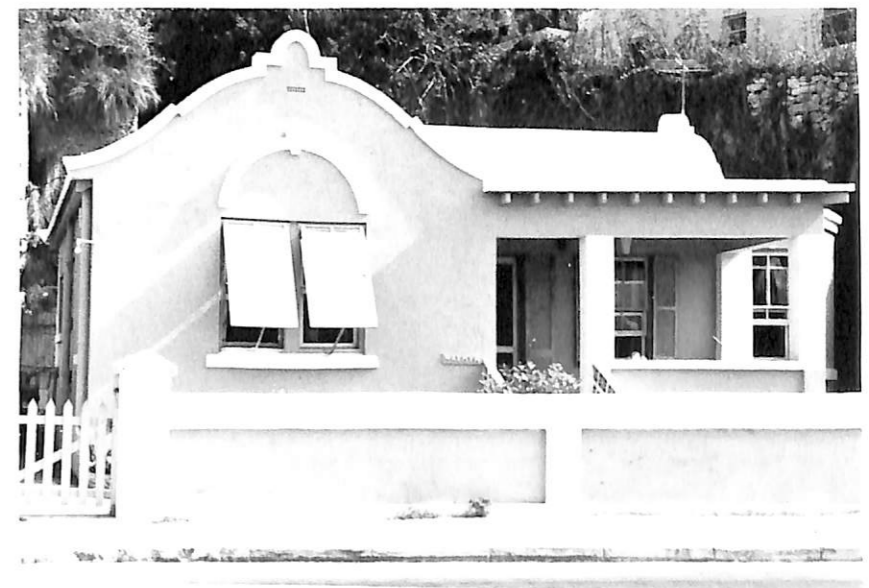

I would like to give my special thanks to this year's staff, our spirited sponsor, Mr. Steven Petsch, to all the teachers for their patience and support, and to everyone who helped make this year's annual such a success.

And to the class of 1991, as our high school years slowly come to an end, may the memories of your senior year live within the pages of this book.

Brandi Harris
Editor

Bermuda, The Beautiful Island We Call Home!

Welcome to the lovely island of Bermuda. This small island is filled with some of the most beautiful scenery and the friendliest people of any island in the world. Most visitors fall in love with the palm trees and the sandy beaches. Although the winter months can be windy and rainy, the summer months are the best. Most Chaffee students can be found at the beaches, boating, or shopping in Hamilton. By the time school begins, many students are sporting awesome tans. As Senior Kevin Leo says, "Living in Bermuda is awesome."

Students Triumph At Olympics: Chaffee Style

Students crowded into the gymnasium at 8:25 A.M. to hear the "yea" or "nay" for Field Day. Seeing as how the weather was acceptable for the planned activities, the students gathered in the class sponsor's room. Here they volunteered themselves, as well as others, for Field Day activities. "Let the games begin!"

First of all was the faculty versus seniors softball game. Kevin Leo led the seniors to an impressive 9-7 victory with an awesome homerun hit "way over" Mr. Decker's head. The medley relay was next with an eighty yard dash followed by a jump rope competition, a dash across the field to the hoola-hoop competition, and finally the two laps around the field. Seniors came in first here, the sophomores second, and the juniors last.

The sack relay followed the medley relay. This race challenged the students' hopping abilities while embarrassing them at the same time. Next, the cone relay consisted of spinning around an orange cone ten times. Many participants were overwhelmed with this task and barely crossed the finish line without losing their coordination.

The three-legged race tested the students' ability to cooperate with others as well as their ability to keep balance while tied at the ankle to a partner. Senior Kristen Rosner commented, "Amy Chase and I were in the lead when we heard Ms. Driscoll say, 'Come on, girls! You're coming in first!' All of a sudden, the strap fastened around our ankles unfastened and we fell."

The juniors and the sophomores then took the field for an exciting game of flag football. Their determined eyes fixed on their opponents and their hands sweaty, the players lined up for the snap. With Terry Reid's strong passes to Brian Leo, the juniors overcame the sophomores 2-0, as well as the seniors 2-0. Junior Jeff Torres said, "It was rough."

Grades 10-12 then piled into the gym for castleball as grades 7-9 took to the field. Castleball is similar to dodgeball but the main goal is to knock over the opponent's orange cone. If you are hit by one of the three balls being tossed back and forth, you are eliminated; however, you aren't eliminated if you catch the ball. If this happens the person who threw the ball is out.

After the excitement of volleyball diminished, the students went to lunch. After eating, the students returned to the gym only to be disappointed by Dr. Smith's news: due to inclement weather, the students were required to attend afternoon classes. The students went to class feeling the results of a shortened but successful Field Day.

(top left) Yolanda Johnsons yells, "Get me down!" while Ryan encourages more pullups.

(top right) Is this what is meant by tying the knot?

(middle left) Dr. Smith warns the outfield to back up and prepare for a homerun.

(middle right) Sophomores Yolanda Johnson and Elicia Hill take time to say "hello" while they relax.

(left) Senior Devin Moss sets himself up for a powerful hit.

Multi-Cultural Club Sponsors Fashion And Talent Show

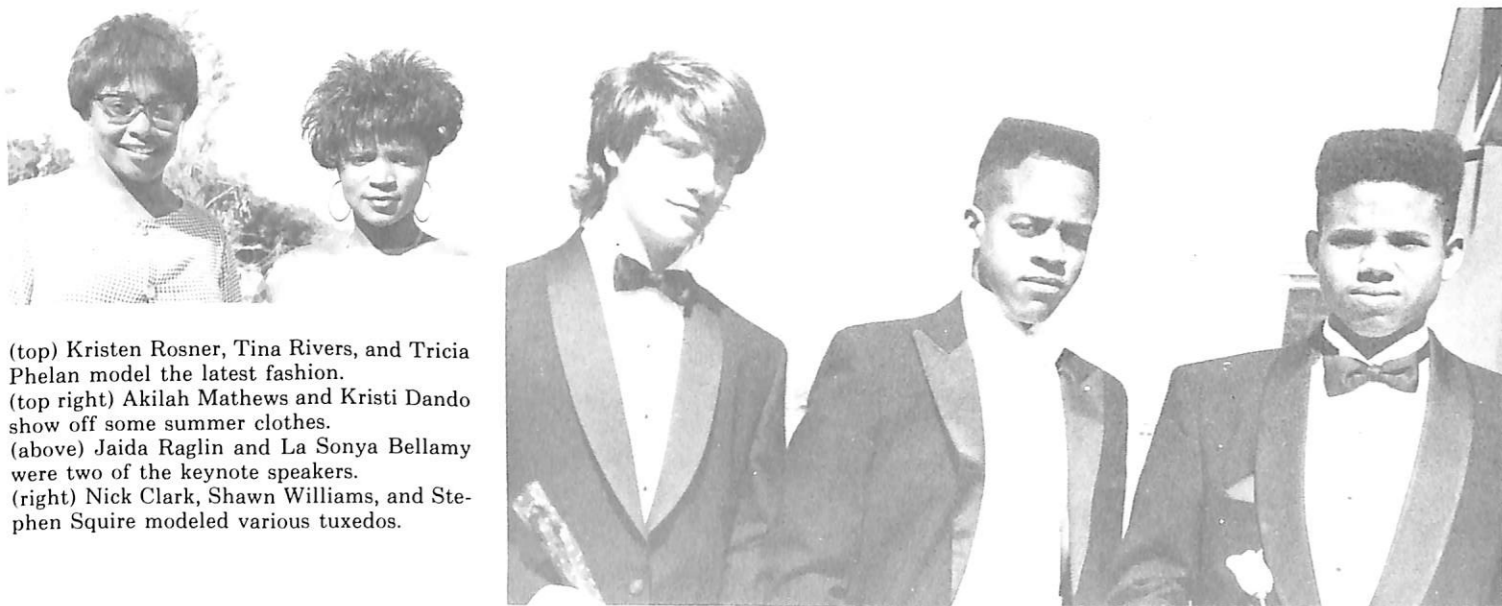

The 1991 Fashion and Talent Show was a big hit. There were many talented performers and stunning models. The show was held on Tuesday, February 19th, at the Base Theater. Jaida Raglin lent her strong voice and charming personality to the show as the mistress of ceremonies. Mrs. Martin-Lee did an excellent job of organizing

everyone and making sure people knew what they were doing.

The talent portion of the show included La Sonya Bellamy singing "Fading Fast"; Kristen Harris, Amanda Daniels, and Elicia Hill dancing to an upbeat mix of popular songs; Traci Quinn and Vanessa Jacks doing a contemporary dance; and Michelle Thorne doing a dramatic

reading. After each talent act, a group of models proudly displayed the latest fashion styles.

The final scene focused on Prom fashions. All of the lady models wore beautiful gowns that complemented the men's dashing tuxedos.

(top) Kristen Rosner, Tina Rivers, and Tricia Phelan model the latest fashion.
 (top right) Akilah Mathews and Kristi Dando show off some summer clothes.
 (above) Jaida Raglin and La Sonya Bellamy were two of the keynote speakers.
 (right) Nick Clark, Shawn Williams, and Stephen Squire modeled various tuxedos.

Air Show Is Total Success!!

Mr. Petsch tries to find customers for the MUN Car Wash. The MUNers worked hard earning money for their trip to the Netherlands.

All eyes were in the sky when the performances were taking place. Shuttle buses were kept busy bringing new people and returning others to their cars.

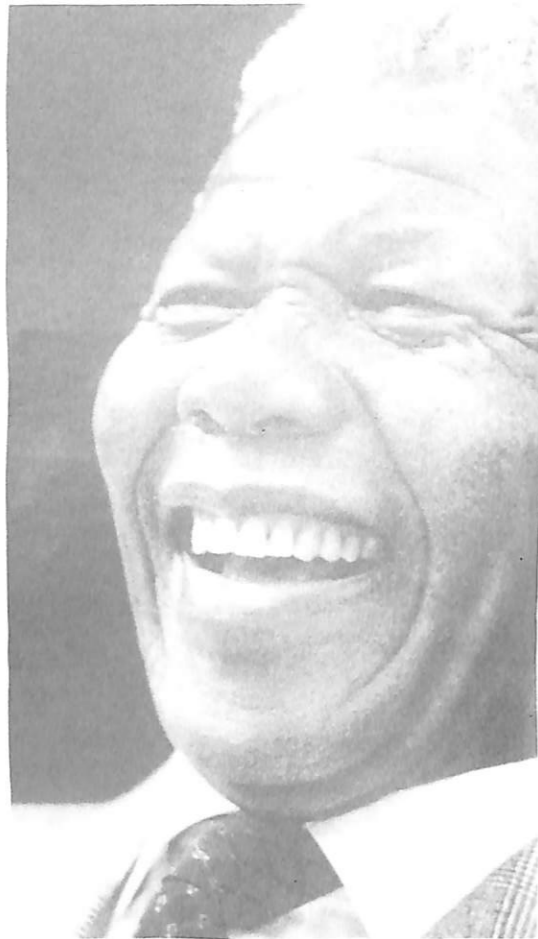

Parachutists were one of the most popular things to watch and to photograph.

The parachutists performed several times during the Air Show. Their skill and grace amazed us all!

This year's Air Show took a great deal of planning but it all was worth it. The sunshine helped and thousands of people showed up to see the planes, enjoy the sun, and buy some good stuff to eat at the many booths. For many groups, it was an opportunity to make some money. For most students, it was a combination of hard work in a booth and an opportunity to enjoy the show during a break. We enjoyed this unique opportunity to see many of Bermudian friends!

The Year In Review

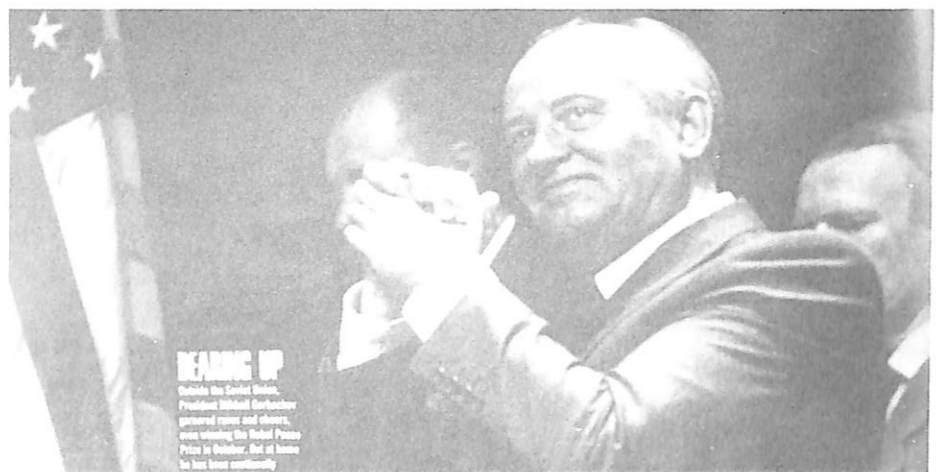

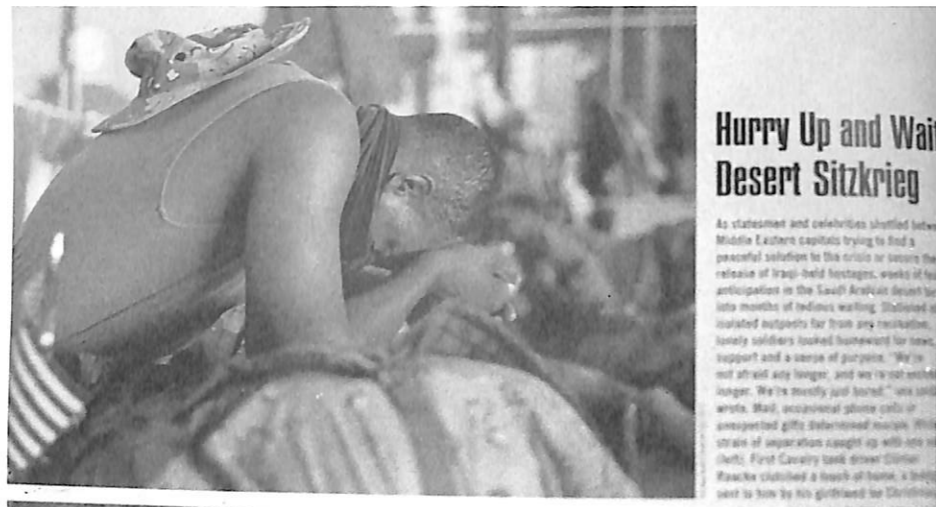

After thirty years of imprisonment, South African civil right activist Nelson Mandela was released. This proved to be a positive step towards racial equality.

(middle right) The most difficult problem for troops in the Middle East was loneliness. This American tank driver tries his best to cope.

Soviet Union President Mikhail Gorbachev broke down the wall of hatred between the Americans and the Soviets by pushing for a less strict form of government in his country and even winning the Nobel Peace Prize.

1990's behind me; it's time to move on
The sun has set and now I'm looking at
a brand new dawn
'91 a whole new sun; time to be aware
Peace in the Middle East, the states,
and everywhere.

-Stan Florence

Around And Around They Go!!

Senior Jim Chandler won the Energy Week Rally; Terry Reid, a junior, finished second. The entire student body watched the rally.

Jim Chandler and Terry Reid are neck and neck with Tim Hasselbring in hot pursuit. The Moped Rally brought Energy Week to a close.

This year Widdop directed the Energy Week Moped Rally, a contest designed to see how much mileage Chaffee High School students could get on their mopeds when given exactly one pint of gas.

The majority of the contestants were Mr. Widdop's students. The participants included James Button, James Chandler, Nick Clark, Jerry Dekle, Curtis Eggleston, Tim Hasselbring, Michael Jean, Devon Moss, and Stephen Squire. These hard-working students spent four long weeks preparing for this challenge. In the end, it was Jim Chandler who proved triumphant over the others. Junior Terry Reid came in a close second. Jerry Dekle received the Best Engineered Moped Award. All contestants were given T-shirts and gift certificates from the MWR department.

After spending a great deal of his time helping students prepare for the race, Mr. Widdop could finally sit back, relax, and watch the race.

High School Classes-College Level

Mr. Petsch's AP English 12: Michelle Thorne, Christine Bacas, Marlo Smith, Sarah Lins, Kevin Leo, Tricia Phelan.

Ms. Branick's AP Government: Ms. Branick, Marlo Smith, Christine Bacas, Kevin Leo, Sarah Lins, and Brandi Harris.

Ms. Branick's AP History: Mike Kafka, Greg Brown, Tim Hasselbring, Jason Fubler, Kim Sheffield, Cathy Duchock, Rob Wagner, Ben Williams.

This is the second year for AP classes at Chaffee. Mr. Petsch's AP English 12 class started the AP ball rolling last year and now we have three classes. In all three AP classes, there is a great deal of writing and a great deal of homework. A common problem facing AP students was balancing the AP work with extracurricula activities and a social life. As Senior Kevin Leo said, "I'm sure that AP will be worth it but it was a great deal of hard work."

Mr. Steven Petsch and Ms. Marion Branick, the AP instructors, both had the same piece of advice: if you aren't willing to devote large amounts of time to research and to give up some extracurricula activities, don't take the class.

Chaffee Skaters Hit The Pavement!

Ben Williams, Jason Fubler, Jason Boguss, Jeremy Bly, Tommy Slavin, Mike Krolak, Steven Pope, and Jason Dixon are extremely talented people with one thing on their minds: skating. You can often hear these guys in the halls discussing their awesome new tricks or where they plan to skate that day.

They are very dedicated to what they do and spend hours perfecting each and every move. They also like to read skating magazines and to meet Bermudians who share their love for skating. Any observer can quickly see that for this group skating is an exciting adventure.

Introducing... Mr. And Ms. Chaffee

Mr
Th
Sar

Ms
ick
Le

Mr
Gr
Fl
R.

I'd like to thank all of the people who voted for me to be Mr. Chaffee. I am very proud to hold this title with Ms. Chaffee, Tina Rivers. I feel that Chaffee is one of the most enjoyable schools that I have attended and I will always be glad to say that I graduated from Roger B. Chaffee High School.

Shawn Williams

T
c
/

I'd like to thank all of my fellow classmates for choosing me for Ms. Chaffee. The title of Ms. Chaffee deeply means a lot to me and I am extremely proud to be able to share an important title like "Mr. and Ms. Chaffee" with Shawn. Of all the schools that I have attended, Chaffee has been one of the friendlier and more fulfilling schools for me. Once again, thank-you!

Tina Rivers

SENIORS
Seniors

Senior Class Officers

Mrs. Hoffman-Pahl, Sponsor

"The only hard thing about being senior class sponsor is organizing graduation, but that's the only thing that seniors care about anyway."

Jaida Raglin, President

"I am a born leader. Being senior class President helps me assume that role."

Marlo Smith, Vice-President

"Being Vice-President gives me an opportunity to practice my leadership skills for the 'real world'. It's great!"

Kristen Rosner, Secretary

"I like being secretary because it keeps me more in touch with what goes on in my class and around the school."

Tina Rivers, Treasurer

"I like being treasurer because it gives me the opportunity to voice my opinion concerning school policies."

Jim Chandler

Air Show Means Hard Work!

It was a beautiful weekend for an air show and there were thousands of Bermudians streaming toward the base. As part of the annual American-Bermudian Friendship Weekend, the air show is an event that everyone on the island looks forward to with great excitement.

This year the Junior Class sold hamburgers and cheeseburgers. After hours working in the hot sun, the juniors raised over two thousand dollars. This money will help them finance the Junior-Senior Prom in the spring. Here's what some of the juniors had to say about the experience: Jeff Torres: "It was fun raising money while goofing off." Jennifer Larson: "I hated it; but it was fun." Tim Hasselbring: "I'm becoming a vegetarian." Mike Kafka: "Where's the beef?"

Above Left: Mr. Hasselbring's students looked forward to their field trip to Ferry Reach. It was an opportunity to get out of the classroom and to explore the wonders of Bermuda.

Above: There were many twists and turns at Ferry Reach. Anissa Andrews worked her way through the maze without difficulty.

Left: Mr. Hasselbring's lectures helped students understand what they encountered on their trips. The students also learned a great deal about their host country.

Brandi Harris spends time with three of her best friends: Jason Fubler, Mike Krolak, and Ben Williams.

(middle right) Not many high school students have a chance to live in such a nice place. Many of us used the beach as a place to relax.

YOU CAN'T BELIEVE EVERYTHING YOU HEAR! "Hey, have you heard?" or "Guess what I found out!" Have you heard these opening phrases before? If you socialize at all, then most likely you have. These are the exciting openers to something that Chaffee thrives on: **RUMORS!** Chaffee is a very small school and everyone knows everyone and most likely everyone else's business. It's impossible to keep rumors from spreading throughout the school but some students feel that Chaffee lives on them.

Melissa Miller says, "Some Chaffee students thrive on anything that is degrading or socially unacceptable. A few of these people humiliate even their friends." Most of Chaffee's students would agree with Melissa. Rumors spread quickly. Something is said about somebody in the morning and by lunch everybody knows about it. The problem is that stories are changed and what started out as an innocent rumor has turned into a major banner headline!

Sophomore Amanda Daniels said, "People exaggerate too much!" But why? Is it that nobody has anything more important to talk about? Senior Jaida Raglin says, "People should stop talking about other people and worry more about themselves." We could all do more if we listened to that advice. The worst part of all is that friendships are lost as a result of this. You've heard the old saying: **STICKS AND STONES MAY BREAK MY BONES BUT WORDS CAN NEVER HARM ME.** That's simply not true. Words can cut just as deeply and hurt just as much as anything else. Do we really realize the damage that's being done by something so trivial? Think about it next time "Have You Heard?" comes your way!

It isn't everyday that an astronaut stops to talk but that's what happened when NASA Commander William F. Readdy stopped to talk to the students on October 29th.

On October 29th, Chaffee High School had a special visitor: NASA Commander William F. Readdy stopped at the school to speak with the students and to show a film explaining the conditions in space for the astronauts. The film showed how the astronauts adapted to space conditions. It showed them eating their food out of magnetic trays so that their food wouldn't float away. Suzy Dillinger, a Chaffee freshman, said, "My favorite part of the film was the food segment. I thought the orange juice in a bubble was awesome." Another Chaffee freshman, Ginger Bahm, said, "The highlight of the film for me was the way the astronauts groomed themselves. The way that they showered was very interesting. The astronauts used a vacuum to suck the dirt off their bodies."

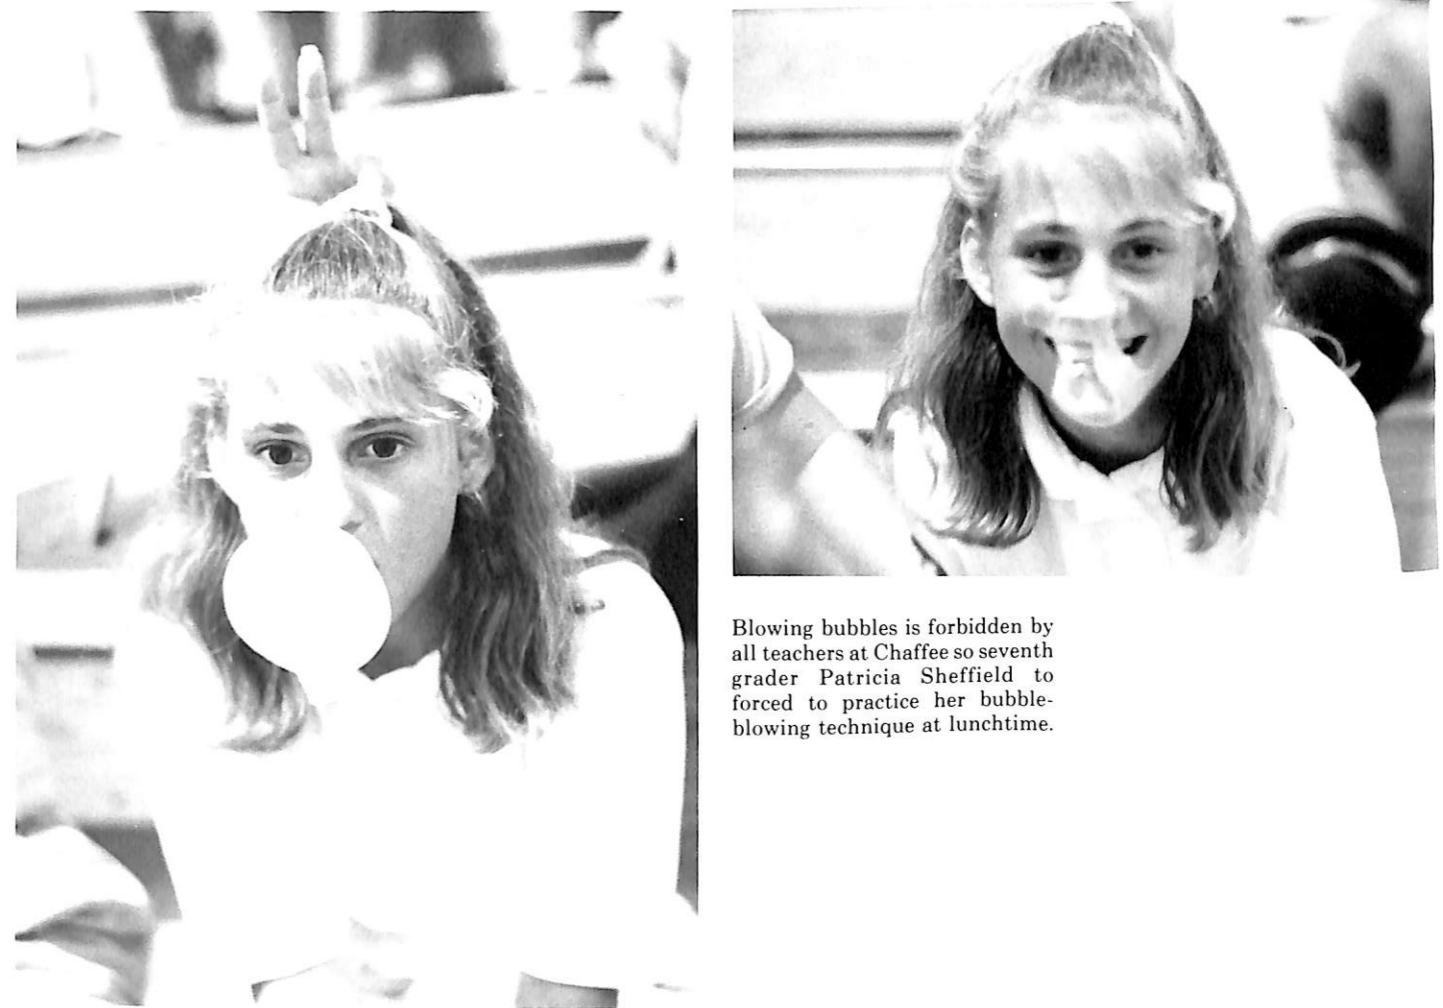

For the last forty-five minutes, Commander Readdy answered questions from the students. He told the students how it was like in space. He said, "When you're in space, you get a whole different perspective on life." He finished by saying, "Be the best you can be at whatever you do."

When I first went to interview Mrs. Wyand, I thought, "Oh, Wow, another twenty minutes spent in another interview when I could be out doing something else." Boy, was I pleasantly surprised when we got on with the interview. I discovered that Mrs. Wyand has lead a very fascinating life.

Frances Galati led McComas High School in McComas, West Virginia as valedictorian of her class. Then Ms. Galati went on to Concord College and graduated Cum Laude (with honors). After college, she started teaching in West Virginia. Soon after she began her new career, Frances and two friends went to sign up for the armed forces. Her two friends chickened out, but Frances enlisted in the Marine Corps.

She started out just like anybody else . . . AT BOOT CAMP. Frances then was sent to a Cooks and Bakers School in North Carolina. Waiting to go overseas, she met a very handsome young Marine, Mr. Bill Wyand. She then quit the Marines and married Mr. Wyand. They had seven daughters and two sons (yes, guys, that's nine kids). While raising nine children, Mrs. Wyand became the 1978 Mother of the Year. After she was named Nation-Wide Mother-of-the-Year, Frances became a member of the American Mothers Committee, Inc.

When the children reached school age, Mrs. Wyand taught in New Jersey for twenty years. Then she came to Bermuda to teach at Roger B. Chaffee. In addition to her classroom duties, Mrs. Wyand is the Y.A.D.A. sponsor as well as the ninth grade sponsor. She is also a volunteer at the Carter House, a member of NOWC, the Bermuda Zoological Society, the Bermuda Trust, and P.R.I.D.E. (Parent Resource Institute for Drug Education).

Some of Mrs. Wyand's highlights in Bermuda include receiving the first DODDS On-The-Spot Service Award, Meritorious Unit Commendation letter and pin from the C.O. for work during Hurricane Emily, Certificate of Appreciation from the Paget Lions Club for services with Drug Awareness Seminars, and serving on the DODDS Task Force for Health Curriculum in Washington, D.C.

SPORTS

Varsity Boys Bounce To Number One!

Nakia Hill concentrates on making a freethrow during the championship game of the Chaffee Invitational.

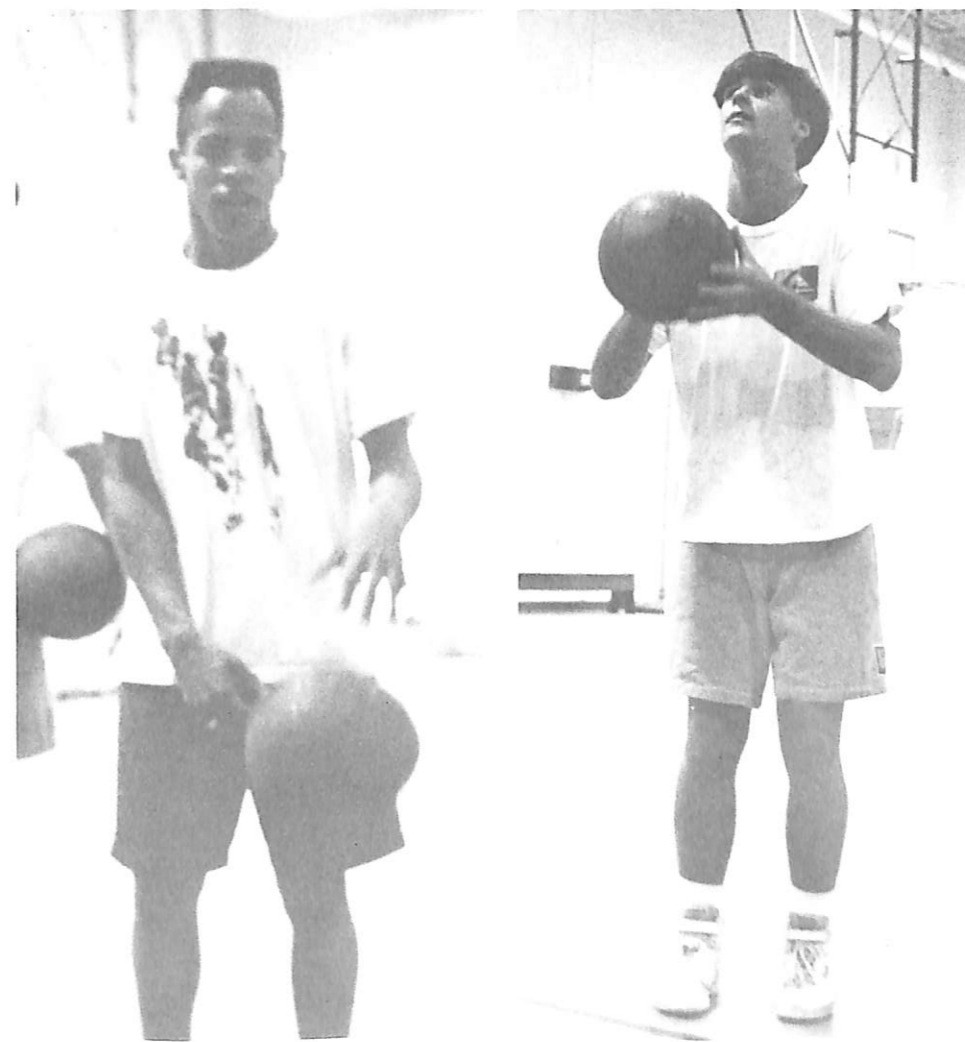

The thrill of victory is always a good one and winning the Chaffee Invitational was one of the biggest thrills of this season.

(Back Row) Coach Decker, Ben Williams, Brian Leo, Rick Collins, Curtis Eggleston, Tim Hasselbring, Devin Jones, Stephen Squire, Stanford Florence (manager). Front Row: Jerry Dekle, Terry Reid, Shawn Williams, Chuck Paul, Nakia Hill, Devin Moss.

Junior Brian Leo was chosen for the All-Tournament squad at the Chaffee Invitational Tournament.

Coached by Mr. Decker, the boys' varsity basketball team had a very successful season. The highlight of the season was winning the Chaffee Invitational. The team started the season playing in an "Eight-Minute Half Running Clock Tournament" at Saltus. The guys took second place in this tournament losing only to Saltus. They went on to win the next couple of games including a victory against a base team, the Marines. Coach Decker had two very good managers, Stanford Florence and Marlo Smith.

Brian Leo get in some freethrow practice before the Chaffee Invitational.

Captain Shawn Williams showed some great leadership qualities during the season.

Varsity Girls' Basketball

The year began with several victories for the girls' varsity team. There were many returning players as well as some new ones. The veterans this year were Cathy Duchock (captain), Traci Quinn (co-captain), Tricia Phelan, Wendy O'Brien and Melissa Miller. Vanessa Jacks, Wendy Paul, Tracie Hanscom, Elysia Hill, and Suzy Dillinger were new to the varsity team.

Coach Lorenzo Lee took charge of the girls' team this year. He taught the girls a lot about how to play good defensive basketball. Coach Lee led the girls to several victories and his efforts were well appreciated by the girls. Most of all, he urged the team to do its best and to have fun on the court.

During the Chaffee Invitational, the girls' team played well and won its first game against Northlands. In the second game against MSA, the girls put up a good fight but were unsuccessful. Although the team didn't win all of its games, the players gained experience and enjoyed playing together. A foundation was laid for a winning team in 1992.

Tricia Phelan, Tracie Hanscom, Vanessa Jacks, Wendy Paul, Cathy Duchock, Elysia Hill, Wendy O'Brien, Melissa Miller, Suzy Dillinger, Traci Quinn, and Coach Lee.

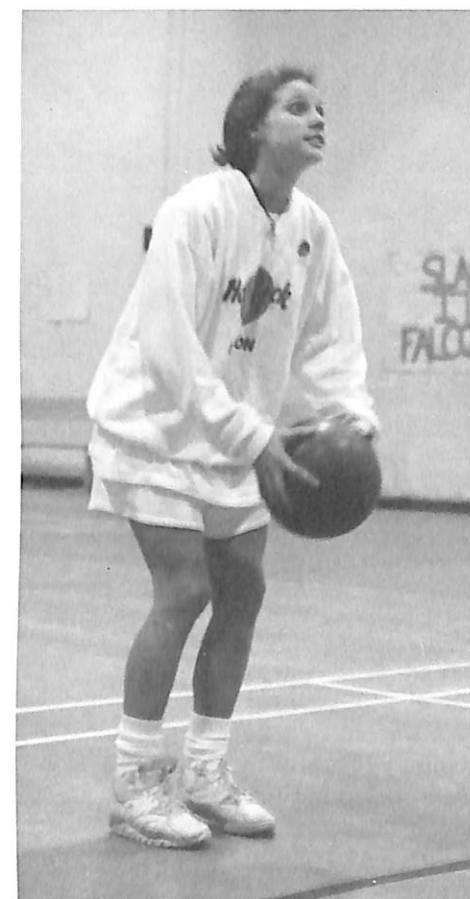

As this scene from a game with MSA illustrates, the lady Falcons played aggressive basketball.

Wendy Paul perfects her freethrow technique at an afterschool practice.

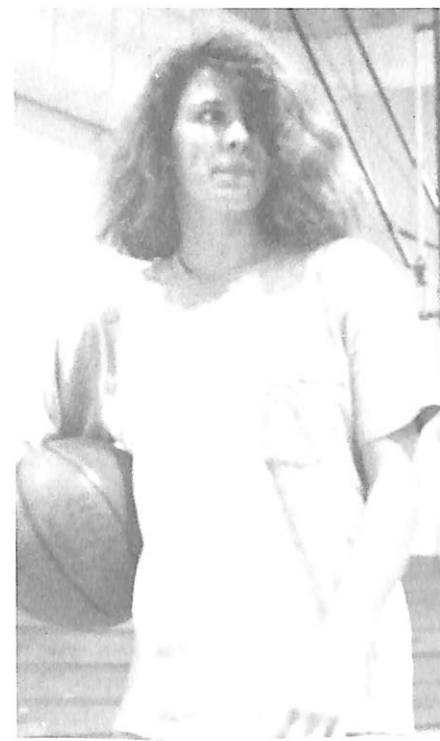

Tracie Hanscom, Traci Quinn, and Tricia Phelan talk strategy before the beginning of the Chaffee Invitational.

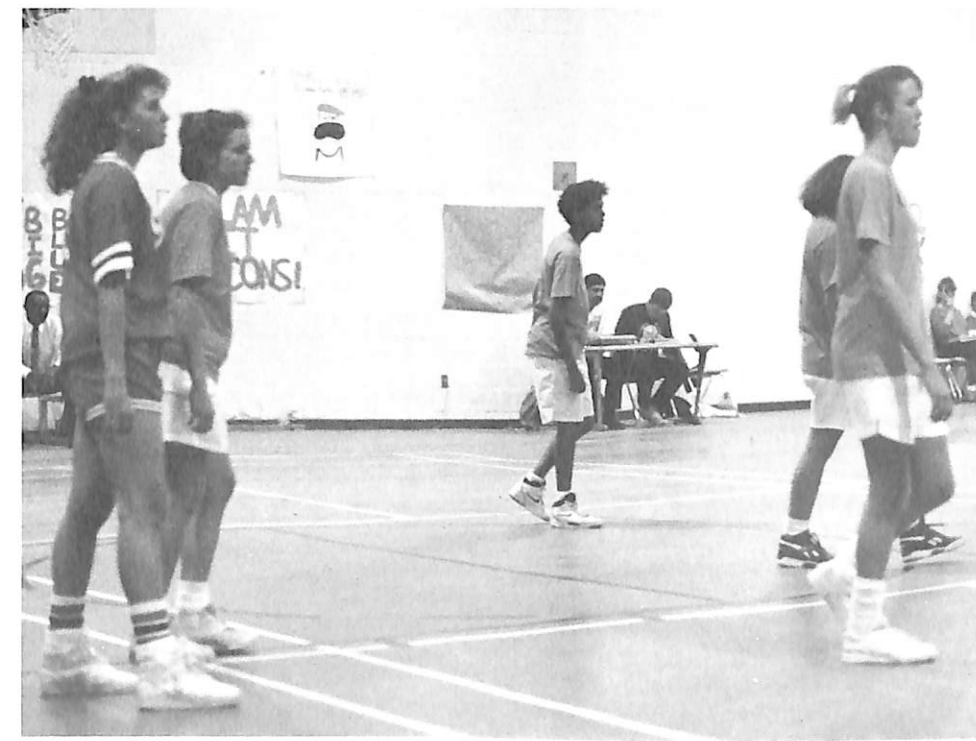

Junior class president Cathy Duchock takes aim at the basket during an afterschool practice.

Tracie Hanscom played a very vital part on this year's team.

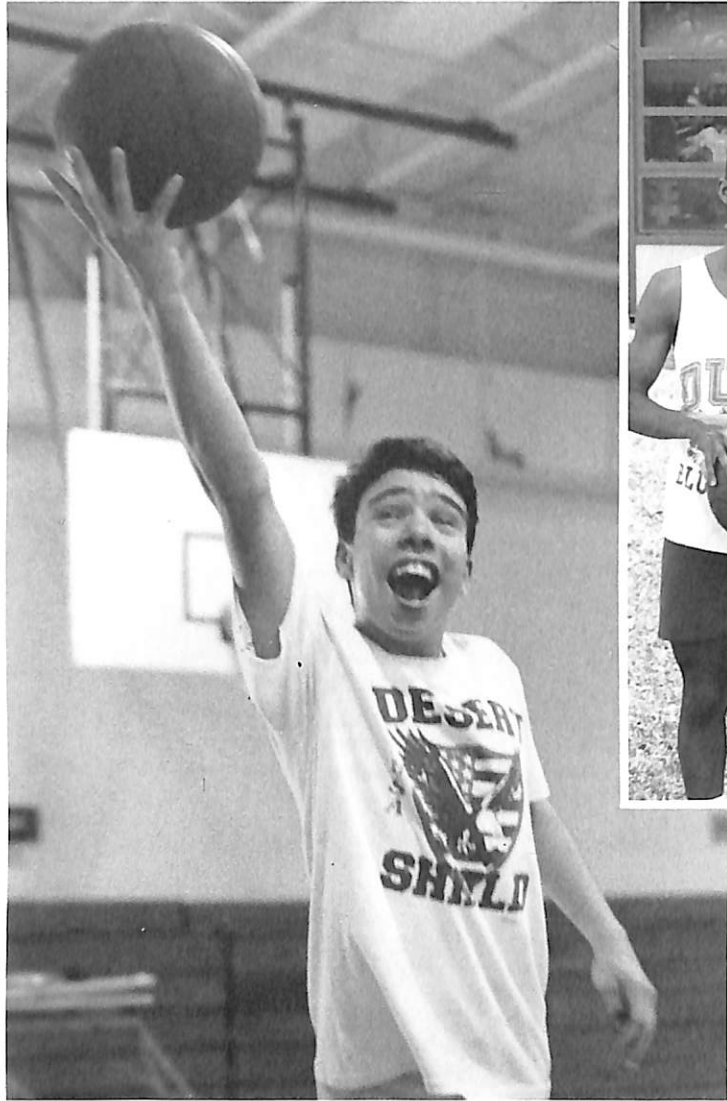

Traci Quinn was known for her aggressive play. Her leadership and determination helped guide the female Falcons.

The lady Falcons take their defensive positions in a game against MSA in early March.

Junior Varsity Boys' Basketball

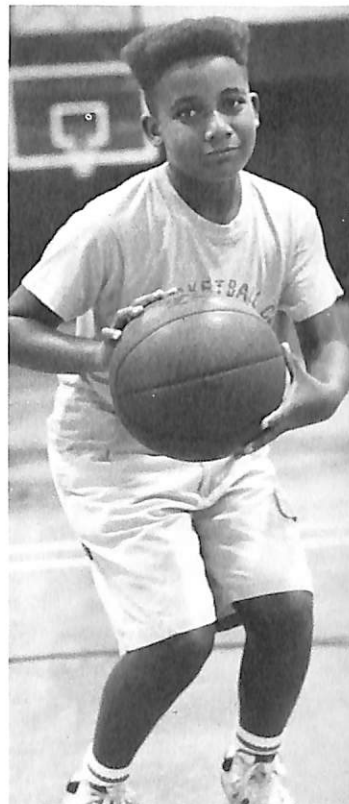

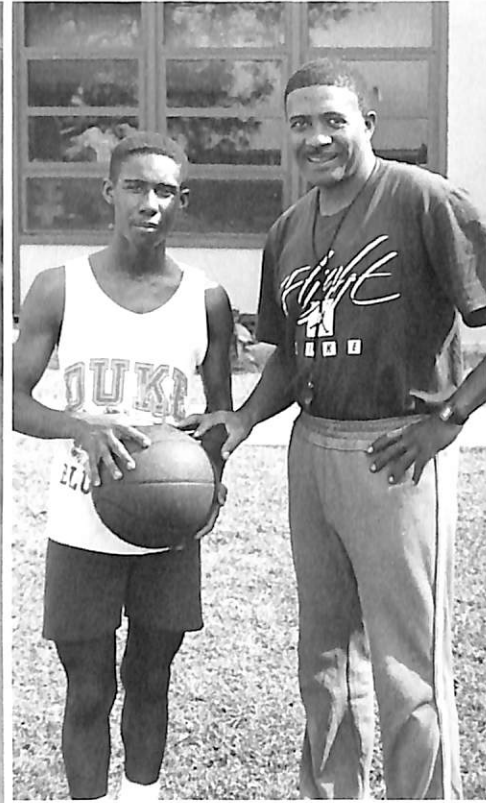

The boys' junior varsity team, under the direction of Mr. Rick Santos, had a very fine season. Leaders on this year's team included De'Juan Harris, Travis Myers, Ariel Mierzejewski, Brandon Rhock, and Mike Pettinelli. One of the highlights of this season was the first game against St. George's. It was a hard-fought battle with the Falcons winning by two points.

Captain De'Juan Harris and Coach Rick Santos helped make a successful season.

Rebounding is a big part of basketball. Jason Anderson stretches for a rebound.

Brandon Rhock practices one of the basics of basketball, freethrow shooting.

Jarrold Bly, Charles Amyx, De'Juan Harris, Keith Sinnot, Travis Myers, Jason Anderson, Micael Pettinelli, Ariel Mierzejewski, Brandon Rhock, David Backes, Coach Rick Santos.

Junior Varsity Girls Have A Good Season!

(Back Row) Michelle Moss, Elaine Poyerd, Jamie Harris, Anissa Andrews, Karen Clark, Front Row: Shelly Gearhart, Natausha Samuels, Kermella Gaddy, Jennifer Vansickle, Kristi Dando, Sarah Widdop, Monnique Bellamy.

Coach Rick Santos taught the girls good basketball skills that they can use when they play varsity ball.

The Junior varsity girls improved a great deal since the beginning of the season. Although they only won one game, they learned a great deal with each effort.

Their coach, Mr. Rick Santos, used to play in the NBA and was a great help to the girls. The players will use the skills and tactics practiced this year to contribute to the varsity squad in future years.

The JV team played with a great deal of determination all season.

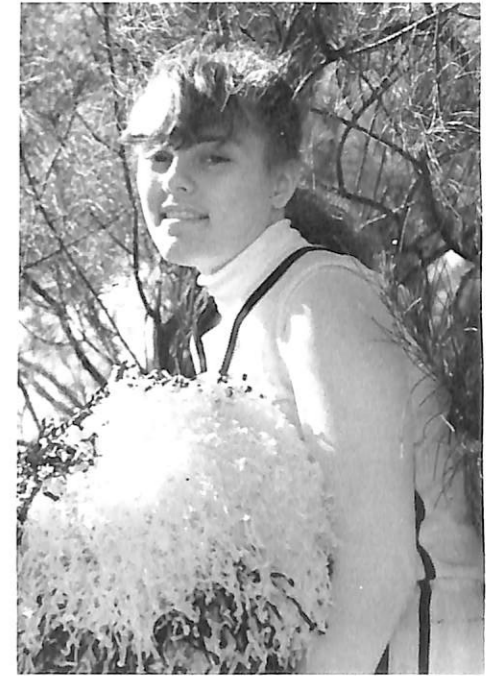

The skills acquired this year will pay off when this year's players move on to the varsity.

We've Got The Spirit!

In September, six very lucky young ladies were selected as Chaffee cheerleaders. These hard-working young ladies dedicated themselves to promoting school spirit. They worked with their sponsor, Mrs. Martin-Lee, every Tuesday and Thursday to get ready for the games and the pep assemblies. Their high spirits helped every person at Chaffee get "in the spirit."

(top right) Kristen Rosner, Tracy Leonard, Elizabeth Owen, Heather Frost, Brandi Harris, and Kim Hills.
 (above) Mrs. Martin-Lee has been the cheerleading sponsor for the past two years.
 (middle) Stunts and pyramids are what we do best!
 (bottom right) Spirit is the key!

Basketball Action At The Chaffee Invitational

This was an exciting year for the Chaffee Invitational. Although the team from Cuba couldn't make it, the team from Iceland and many Bermudian teams showed up to participate in the tournament.

The Chaffee varsity boys' team played exceptionally well and came out victors in the Invitational. They defeated Saltus 51 to 48 in the championship game. This was the first time in seven years that the boys have won our invitational.

Although the Warwick varsity girls' team won the championship defeating MSA 29 to 24, the Chaffee varsity girls' team put their hearts into every game they played. As Mr. Funk, the tournament director, said, "The tournament as a whole went well. The boys' team played exceptionally well. It was a learning experience for the ladies' team and I believe they will get better in the years to come."

The varsity cheerleaders added a great deal to the quality of the tournament. Under the guidance of Mrs. Martin-Lee, they performed many high-energy routines.

Everybody worked together as a team. Here Terry Reid takes control of the ball.

There were many close games. Nakia Hill concentrates before sinking a free-throw in the championship game.

The Chaffee boys had excellent knowledge of the basics. Brian Leo and Rick Collins fight for the ball against Berkely.

Junior Varsity Cheerleaders Add Energy!

Led by co-captains Akilah Mathews and Jeanette Kellum, this year's junior varsity cheerleaders added a great deal of pep to our school. They were at the Carter House Fair raising money and they sold candy grams to help pay for new things for their uniforms. They didn't go to away games but they did go to the M.S.A. Tournament. Their sponsor, Mrs. Martin-Lee said, "This is a very spirited group with a great deal of dedication."

Left: (front row) Jeanette Kellum, Aimee Sanderson, Naomi Sosa (back row) Akilah Mathews, Sonya Oisten, Jean Clark

Below: Akilah Mathews, Sonya Oisten, Jean Clark

Below Bottom: Jeanette Kellum, Aimee Sanderson, Naomi Sosa

Pump Up The Jam . . .

The Chaffee High School Dance Team added a great deal of enthusiasm to our school. The girls worked really hard. They performed at games, pep rallies, shows and parades. Their sponsor, Mrs. Denise Smith, tried to use a variety of dance steps so everyone saw something they liked.

Falcon Dancers: (front row) Michelle Thorne and Kim Hills. Back Row: Marlo Smith and Traci Quinn.

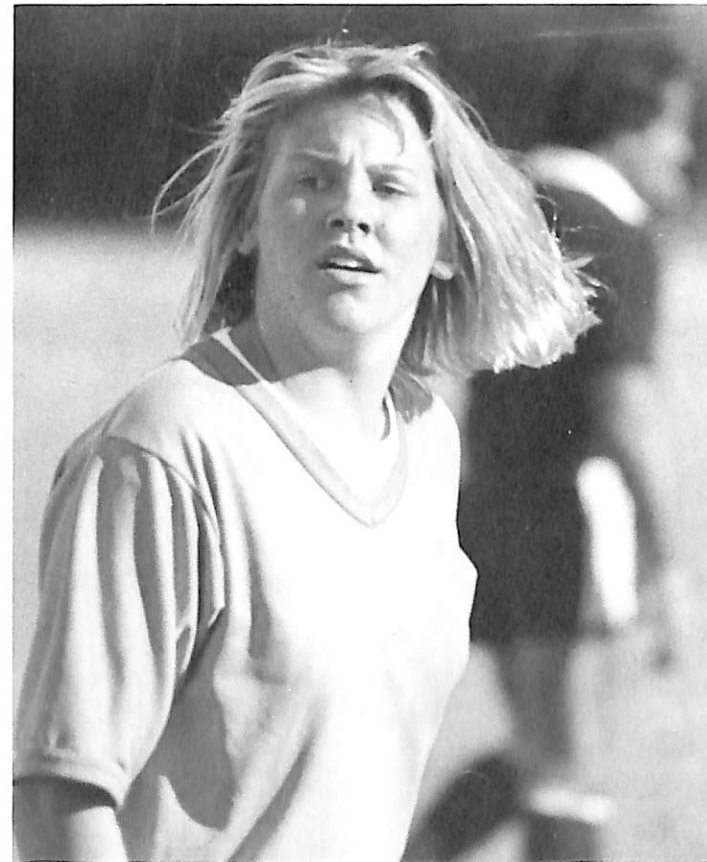

Just For Kicks!

(front row) Stephen Pope, Amy Chase, Nick Clark, Chuck Paul, De'Juan Harris, Jason Anderson. (back row) Coach Ed Canyes, Kevin Leo, Brian Leo, Tim Hasselbring, Ben Williams, Mike Kafka, Stephen Squire, and Mrs. Williams, sponsor. (Not pictured: Ariel Mierzejewski)

At the beginning of school year, the prospects for a soccer season didn't look good; however, many people worked together and Chaffee High School fielded a soccer squad. This year's team included Amy Chase, the only girl to participate in the sport this season. Although Amy wasn't the first girl to play soccer in the history of the school, she gave the team a uniqueness that made it special. Brian Leo was the high scorer on the Chaffee squad with a total of thirteen points. As senior Chuck Paul said, "It was great to be able to play a sport that I enjoyed so much."

Brian Leo leads the pack with his speedy footwork. He is trailed closely by competitors from the Annex.

Tim Hasselbring outmaneuvers an opponent in a Chaffee victory.

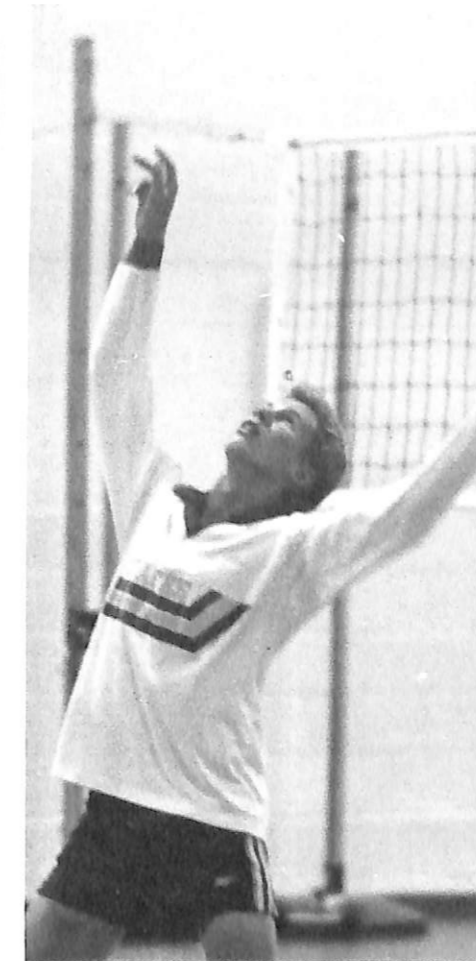

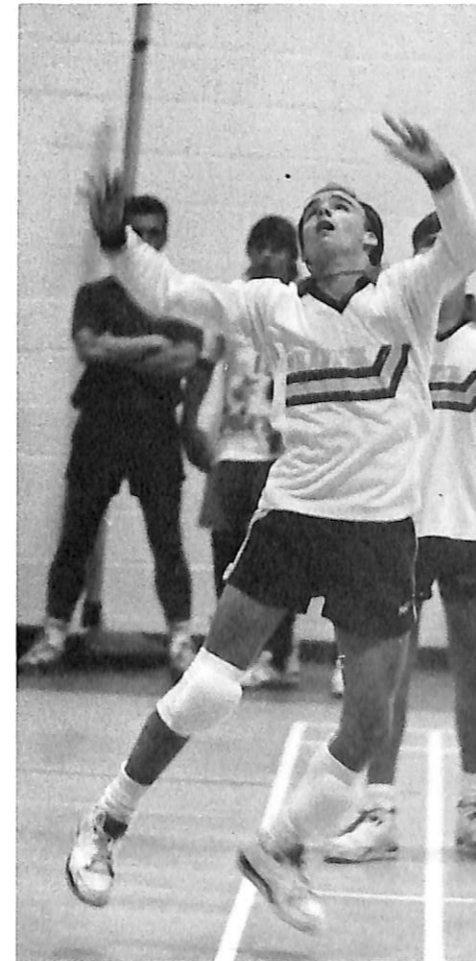

Although she wasn't the first female soccer player in Chaffee's history, she helped the soccer team have a successful season.

“Bump, Set, Spike”

Right: Kevin Leo, senior and captain of the Chaffee men's team, gets another kill at the Chaffee Invitational. Bottom Left: Brian Leo had the height and the strength to become one of the best players on the Chaffee team. Bottom Right: Although it was his first year on the Chaffee squad, Rick Collins played a vital part in the team's success.

Front Row: Devin Moss, Ariel Mierzejewski, Kevin Leo, Ms. Driscol. Back Row: Chuck Paul, Rick Collins, Brian Leo, Mike Kafka, Curtis Eggleston. (Not pictured: Jim Chandler)

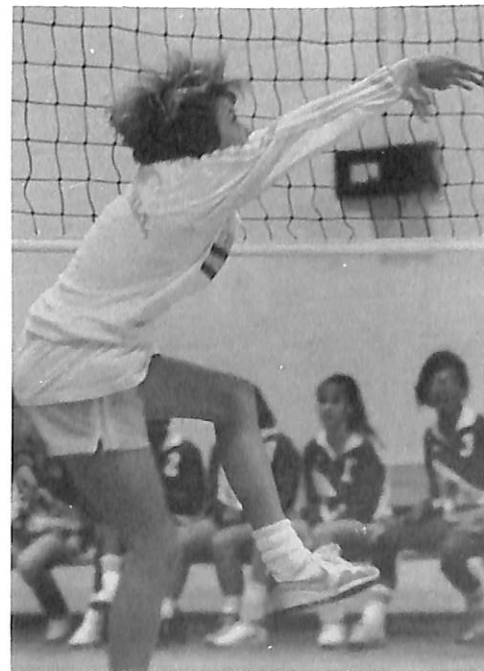

The awesome men's volleyball team started the season without a loss in league play and finished first in the Bermudian Tournament defeating teams from MSA, Warwick Whitney, and Saltus. The guys finished second in the Chaffee Invitational losing only to Saltus. Thanks to the great coaching of Ms. Jan Driscol, the team had a great season. Top Left: Ms. Driscol takes a place that she knows very well after coaching Chaffee volleyball for six seasons. Bottom Left: Senior Chuck Paul has played volleyball for two years. He said, 'It was great being a part of such a winning team.' Bottom Middle: Although Devin Moss has attended Chaffee since the third grade, this is his first year on the volleyball team. Devin made a very positive contribution to the team's success.

Chaffee Girls Strut Their Stuff!!

Front Row: Heather Frost, Michelle Thorne, Ms. Driscol, Wendy Paul, Jaida Raglin. Back Row: Rachele Stanfield, Tricia Phelan, Cathy Duchock, Traci Quinn, Jennifer Larson, and Suzy Dillinger.

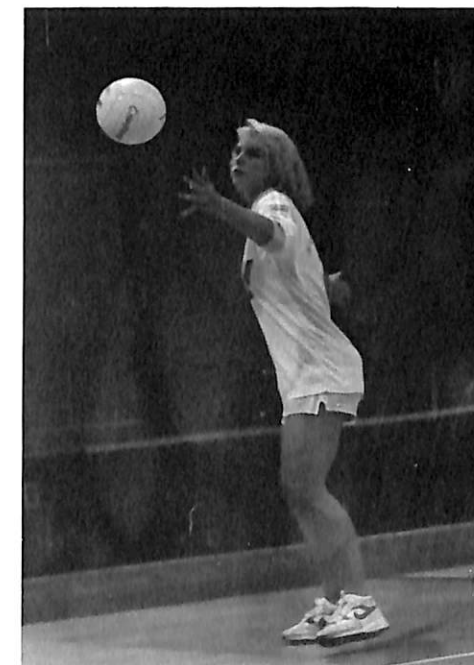

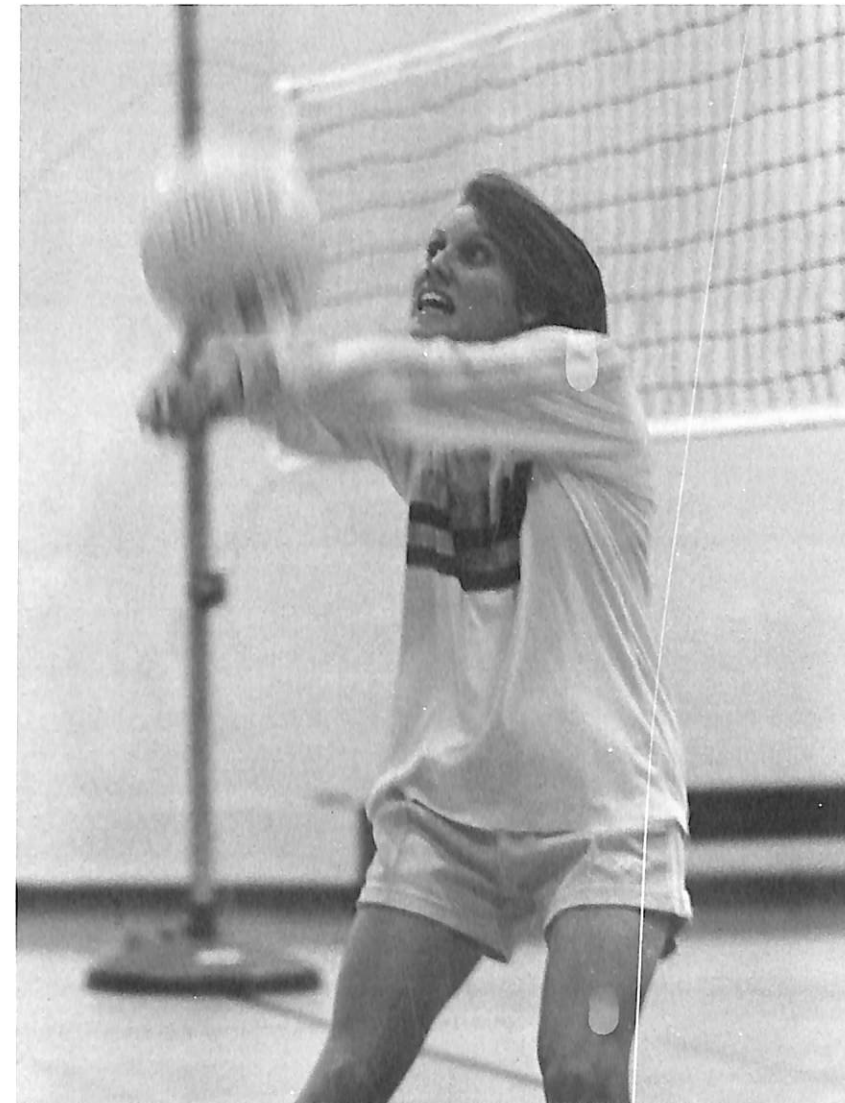

The ladies' volleyball team had a slow start in the Chaffee Tournament but made up for it by going undefeated in league play. The ladies went on to tie for first place in the Bermudian Tournament. The ladies played some awesome volleyball and worked well together as a team. As junior Jennifer Larson said, "Practices were an experience in themselves. Ms. Driscol worked us hard but it was worth it. The team really had a good year."

Junior Cathy Duchock does an African dance across the floor to get the ball back over the net

Wendy Paul eagerly awaits the other team's serve.

Top Left: Junior Class President Cathy Duchock puts all her energy into bumping the ball for a perfect set up. Top Right: Michelle Thorne shows the extra effort that helped the Chaffee team go undefeated in league play. Bottom Left: Traci Quinn sets herself up for the ultimate serve against Warwick Academy. Bottom Right: Jennifer Larson concentrates as she makes a quick decision on where to hit the ball.

Pump Up The Jam At NCA!

While most Chaffee students relaxed during the summer months, Brandi and Kristen Harris and Heather Frost were hard at work getting ready for Cheerleading Camp at the University of North Florida. For a week, the three girls had a chance to attend a cheerleading clinic with thousands of other cheerleaders. They learned dances, cheers, pyramids, etc. to take back to their homeschools for the upcoming season.

The days were long and hot but that was a small price to pay for the information learned and the friendships formed. As Heather Frost said, "It felt like the days were forever and the nights were only a few minutes but it was all worth it."

(Top right) We were instructed by nothing less than the best.
 (above) Chaffee wasn't the only tiny squad with big enthusiasm.
 (middle left) We had the best door in the dorm.
 (middle right) Heather grabs a quick snack before heading out.
 (bottom left) The "Three Amigos" showing off their achievements.
 (bottom right) Doing what we do best!

ORGANIZATIONS
Organizations

Student Government Helps Guide Chaffee!

The student government started the year by making an amendment to the school's Constitution. This amendment stated that any member of the student government who has below a "C" average (or an "F" in any core class) at any time would be suspended temporarily from student government meetings and activities. The amendment also stated that each member must participate in at least one activity: (planning committee, field day, dances, environmental committee, etc.)

After they finished amending the Constitution, they turned their attention to lots of other things. They organized Field Day, the Halloween Dance, and the 20th Anniversary rededication of the High School. The student government raised money to help provide transportation for Mr. and Mrs. Chaffee to be here for these special events.

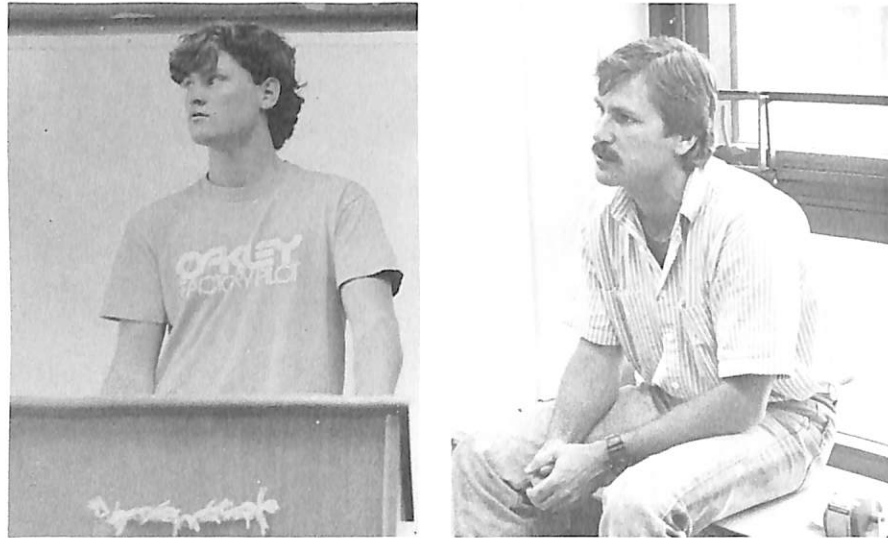

The president of this year's student government was Kevin Leo. Brian Leo was Vice-President; Michelle Thorne was secretary and Heather Frost was the treasurer. Mr. Richard Pahl was this year's sponsor. Mr. Pahl said, "This year's group was an exceptional one to work with. I am pleased to be the sponsor of the student government. I'm especially looking forward to the activities that will surround the rededication of the school. I would be very happy to meet Roger's parents."

The yearbook clan meet every Wednesday at lunch.

Kevin Leo looks toward Mr. Pahl for advice during a meeting that covered plans for the rededication of the school.

Mr. Richard Pahl proved to be a very capable student government sponsor.

Meeting at lunch meant that many of the students had to eat while the meeting took place!

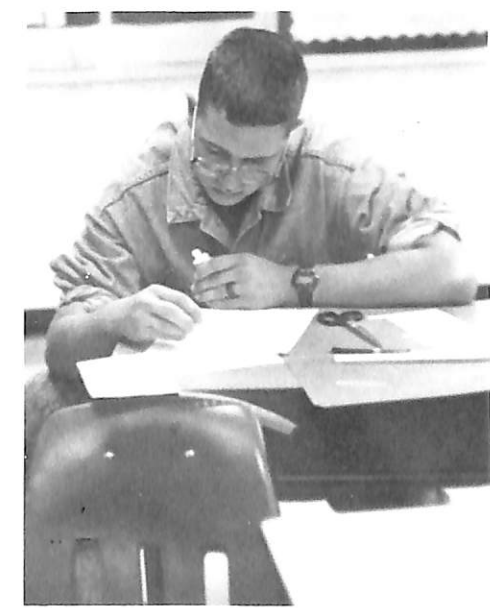

Falcons Fly Into Journalism!

(seated) Traci Quinn, Elicia Hill (middle row) Kristen Rosner, Amy Chase, Jaida Raglin, Sarah Lins, La Sonya Bellamy, Wendy Paul. (Top Row) Kim Sheffield, Mike Owen, Greg Brown, Tim Hasselbring, Rob Wagner, Stan Florence, Cristy Larsen, and Ms. Branick.

Ms. Marion Branick has been the adviser to the *Falcon Flyer* since its creation eight years ago. She supervised each step in the production of the paper. First, she indicated the corrections needed for each article. Then, after the articles had been revised, she supervised the layout of each page of the *Flyer*. When the copy was proofread and the layout approved, she gave the authorization for each page to be xeroxed. Around two hundred copies of each issue were xeroxed. Sarah Lins, this year's editor, worked closely with Ms. Branick. The students at Chaffee are proud of their school newspaper. They understand the time and effort that goes into making it a quality operation.

Ms. Branick has been the Falcon Flyer adviser for the past eight years.

Senior Sarah Lins found being editor a very demanding position.

Junior Mike Owen puts some finishing touches on his layout.

A Year In Review

One of the hardest jobs for a group of students is to put together the yearbook. A good yearbook captures the special events that happened during the year. Needless to say many memorable things took place this year and it wasn't possible for us to include all of them but we tried to include the majority.

A yearbook takes lots of dedication and energy and that is exactly the qualities that this year's staff had in abundance. Working as a team plays a big part in the creation of a yearbook and working together was one thing that this year's staff did

very well. Everyone was willing to do whatever needed to be done. Everyone got frustrated at times but we learned to handle it.

Working closely with our sponsor Mr. Petsch and with our editor Brandi Harris, we were able to meet all of our deadlines and to learn a great deal about yearbook journalism in the

"... Everyone got frustrated at times but we learned how to handle it."

process.

Below: (left to right) Regina Schultz, Jennifer Larson, Jeff Torress, Kristen Rosner, Mr. Steven Petsch, Chuck Paul, Brandi Harris, Rachel Roberts, Michael Owen, Wendy O'Brien, Stan Florence, Richard Melvin. Seated: Stacy Breeden.

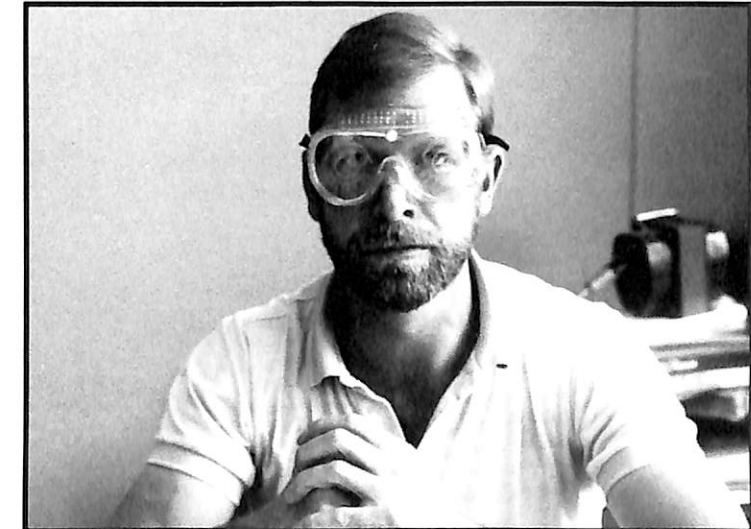

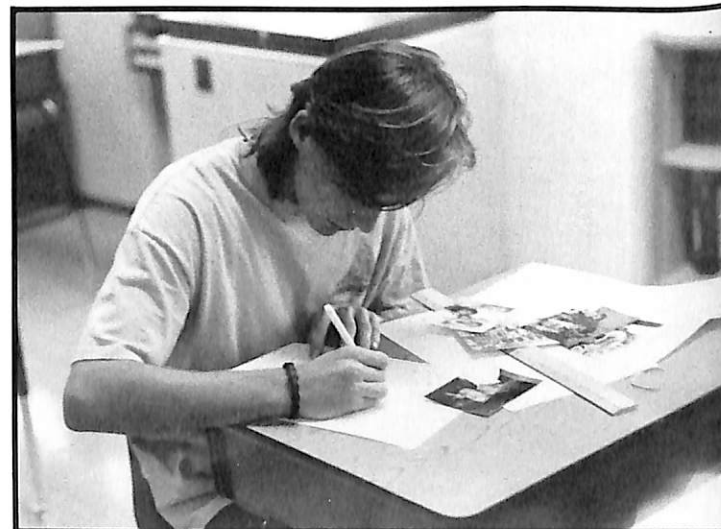

Although Chuck Paul was the main photographer for this year's book, he also helped do layouts.

Designing layouts was not a task for one person. Brandi Harris helps Stacy Breeden put the finishing touches on a double-page spread.

Staff members learned to work together. Here Jeff Torres designs a layout while Richard Melvin identifies people in the photograph.

Mr. Petsch helped us put the yearbook together and helped us learn a great deal about yearbook journalism. His enthusiasm helped make the yearbook class enjoyable.

Getting Down To Business

For anyone who has an interest in the business field or just wants to have some fun, the Business Club is the place to be. Mr. Begeman, the club's sponsor, said, "I find the club to be helpful to high school students because of their need to better under-

stand how business works. I enjoy helping students learn how to handle business-related responsibilities." The major purpose of the club is to promote the free enterprise system. This is accomplished through graphing stocks, learning about

stocks, selling, marketing, and better understanding business-related technology. The students had opportunities to see commodities traded on both the local and international levels. The Business Club plans to visit New York City later this year.

Jeff Torres, Shawn Williams, Brian Leo, Amy Chase, Shannon Wilson, Marlo Smith, and Mr. Begeman.

Running the Business Club was a very important job. President Shannon Wilson talks to members about future plans.

The Business Club held a Chili Dinner as a fundraiser. Shannon Wilson helps Mr. Richard Pahl with his main course.

Helping out at the Chili Dinner was very tiring. Marlo Smith and Rob Wagner take a break and enjoy some chili themselves.

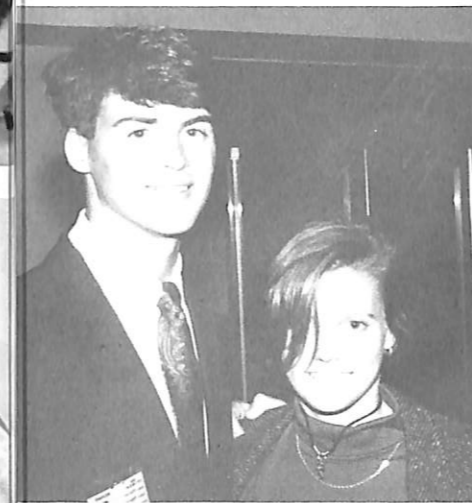

Chaffee MUNers Visit The Netherlands!

(left to right) Chuck Paul, Bill Hayden, Cathy Duchock, Brian Leo, Mike Kafka, Marlo Smith, Tricia Phelan, Greg Brown, Tim Hasselbring, and Kevin Leo.

The ten Chaffee students representing Laos at the 1991 Hague International Model United Nations left Bermuda on January twenty-seventh. The "base bird" took them to Valkenberg, an air base in the Netherlands. After a ten minute bus trip, the students settled into the Promenade Hotel, their base of operations while at the MUN.

Accompanied by Mr. Steven Petsch, their MUN teacher, and Mrs. Grace Leo, the parent chaperone, the students quickly adjusted to the Dutch currency, the tram system, and the fact that everything in the Netherlands seemed to be going much faster than it was back home. They also became very familiar with the Netherlands Congress Hall, the site of the 1991 MUN.

Delegates Brian Leo and Cathy Duchock took time off from lobbying to pose for a press photograph.

Given the crisis in the Middle East, everyone was very concerned about security but it didn't take long before everyone fell into the routine that included breakfast at the hotel, the short walk to the Congress Hall, and then a full day of politics. Monday and Tuesday featured lobbying; Wednesday featured the opening speeches including Laos' given by Kevin Leo; Thursday was committee day; and Friday and Saturday were spent in the General Assembly debating resolutions passed in committee. Saturday night's dance put the finishing touches on this year's MUN but it wasn't the end of the Netherlands adventure. On Sunday the Chaffee students took the train to Amsterdam where they took a canal cruise and walked around the city before returning to the Hague. On Monday, it was time to board the "base bird" and to return to Bermuda.

(Above) Mrs. Leo and Mr. Petsch supervised the MUNers and enjoyed the Netherlands at the same time. (Left) Ambassador Kevin Leo and Chuck Paul tried to warm up while waiting for the train to Amsterdam.

Key Club Unlocks Energy At Chaffee!

Sponsored by Mrs. Hoffman-Pahl, the Key Club was a big hit. This service organization did many things for the high school including raising money so that Roger B. Chaffee's parents could visit us for the re-dedication of the school. The Key Club also sponsored the Valentine's Day Dance, the Christmas Door Decorating Contest and many bake sales.

(left to right) Ginger Bahm, Heather Bijoux, Lorraine Albright, Tracy Leonard, Jennifer O'Neil, Alethea Synder, Mike Owen, Yolanda Johnson, Wendy Paul, Heather Frost, Shelly Gearhart, Jennifer Bahm, Suzanne Dillinger, April Sanderson, Traci Hanscom, Mrs. Hoffman-Pahl, Amy DeAngelo, Dawn Claywell, and Mike Pettinelli.

The Multi-Cultural Club Gets Involved!

Mrs. Martin-Lee, Sponsor

Stephen Squire and Devin Jones relax with a game of checkers after a lunch-time Multi-Cultural Club meeting.

FRONT ROW: Natausha Samuels, Michelle Gearhart, Dixie Albright, Kim Hills, Yolanda Johnson, Danielle Andrews, Jaimee Harris, Akilah Mathews, BACK ROW: Devin Jones, Shawn Williams, Stephen Squire, Stanford Florence, De'Juan Harris, Amanda Daniels, Mrs. Martin-Lee.

The Multi-Cultural Club is an organization designed to help Chaffee students learn about different cultures and for them to get to know each other. Mrs. Martin-Lee, the club's sponsor, hopes to teach the students about various American ethnic groups and to show that each group has plenty to offer; there is fun in diversity.

The 1990-91 school year is the first year that the Multi-Cultural Club has been at Chaffee. Last year, the Black History Club had many of the same qualities of the Multi-Cultural Club, but the Black History Club did not include the varied ethnic groups as does the Multi-Cultural Club. Mrs. Martin-Lee enjoys being the club's sponsor not only because the club was her idea, but also because she enjoys working with young adults. She said, "I enjoy doing something different while encouraging students."

Many activities have been planned for the 1990-91 school year. These activities include a Christmas assembly featuring a rapping Santa Claus and a special assembly to honor the birthday of Martin Luther King, Jr.

The Multi-Cultural Club is trying to raise funds to establish scholarships for two Chaffee students and one Bermudian student. They plan to raise the money by selling holiday candy grams, collecting pledges for a walk-a-thon on Martin Luther King's birthday, and hosting a dance or two.

Stanford Florence is this year's president; Yolanda Johnson is the vice-president. Jaimee Harris is the secretary and Akilah Mathews is the treasurer. Mrs. Martin-Lee had this to say about the president, "Stan Florence is a very quiet, mature, and intelligent person. He is also a great rapper!" She described this year's members as "a diverse group of committed individuals that have a lot to offer the club."

Stan Florence, President

Explorers Explore Vermont And Bermuda!

Karen Clark looks prepared for the ride ahead.

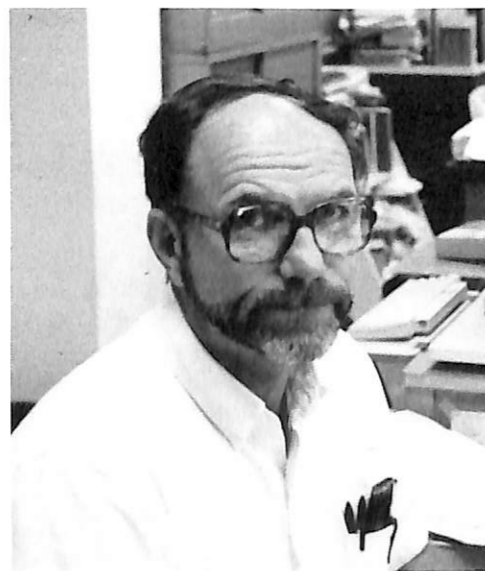

The Explorers had a very busy year. Their sponsor was Mr. Hasselbring who founded the Explorers Club nine years ago. This year's president was Stacy Breeden; the vice-president was Karen Clark and the secretary/treasurer was Kate Lynch. For the past two years, the Explorers have had one big trip. In 1989, they went to Florida to check out the college life at F.I.T. (Florida Institute of Technology). In 1990, they went to Quebec to try snow skiing. For several of the members this was their first experience at this sport. In 1991, the Explorers went to Vermont to go skiing again. They went February 7th through the 11th.

Karen Clark has fun tubing it.

Stacy Breeden gets the feel of snow skiing.

Mr. Hasselbring founded the Explorers nine years ago.

YADA members Get Involved!

Mrs. Frances Wyand, the YADA sponsor, described YADA as "a drug awareness, student-oriented organization designed to try to inform Chaffee students about drugs and their dangers."

YADA has been in existence for five years at Chaffee. This year's -resident is Yolanda Johnson.

Yolanda holds the group together with her seriousness and dedication. She is interested in total participation from each of the members.

This year YADA sponsored a teen dance in November and a youth seminar to help send one or two students to a leadership camp in

the states. YADA members also participated in the Great American Smokeout. In addition, YADA members found time to write letters for Amnesty International.

Instead of preaching to students, YADA members tried to educate them to make them aware of the dangers of drugs.

Mrs. Wyand the YADA sponsor, has received many awards for her service to the community. Here Ms. Gladys Haynie, the district superintendent, present Mrs. Wyand with a certificate of appreciation.

Sophomore Yolanda Johnson was the president of YADA this year.

(left to right) Mrs. Wyand, Michelle Gearhart, Kimberly Hills, Jennifer O'Neil, Jaimee Harris, Ryan Jensen, Tracy Leonard, Yolanda Johnson, Devin Jones, Amanda Daniels, Stephen Squire, Stanford Florence.

Chaffee's Musically Inclined!

Everyday third period four talented students head for the elementary school for their favorite class: advanced band. These students work really hard practicing for the two concerts held during the year, the Christmas concert and the Spring Concert. As Senior Brandi Harris puts it, "Chaffee's band is small compared to most high school bands but that doesn't seem to discourage us. In fact, it encourages us because if you mess up in a concert everyone knows who it was." Although the band is small, it always manages to give a big impression on concert night.

(top left) Derek Trimmingham, baritone; Karen Clark, trombone; Monnique Bellamy, clarinet, and Brandi Harris, flute. (top right) Mr. Richard Peter, band director (middle) Brandi Harris has to practice hard to play those awesome solos. (bottom) The band gives a sigh of relief after a good concert.

Chaffe's Chorus: A Big Sound From A Small Group!

This year's chorus may have been small but they could produce a big sound. Under the direction of Mr. Richard Peter, this group managed to put out some top quality work. Senior Tina Rivers was selected as an alternate for the Honor Choir competition that was held in England.

Commenting on this year's chorus, sophomore Elizabeth Owen said, "I've been in several different choruses and my opinion of Chaffee's chorus is that, although small, it's pretty good." Fellow sophomore Michelle Gearhart said, "Being a member of the Chaffee chorus was a great experience."

The loyal group of musicians had class each fourth period. They enjoyed learning about vocal music and entertaining the members of the NAS-Bermuda community when concert time rolled around.

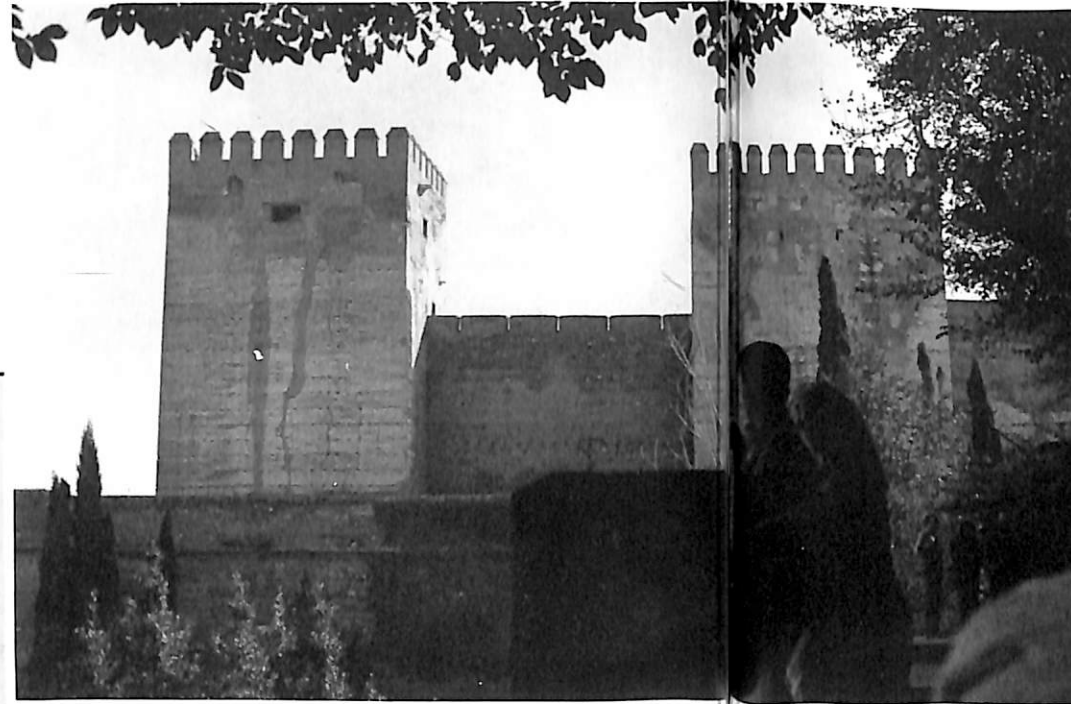

(top) Donald Wordworth, LaSonya Bellamy, Chris Bacas, Elizabeth Owen, Michelle Gearhart, Elicia Hill, and Mr. Peter.

(above) Before singing, the chorus members had warm-ups!
(left) The chorus met during fourth period.
(above) Mr. Richard Peter works with both the band and the chorus.

Los Estudiantes Viajaron A Espana

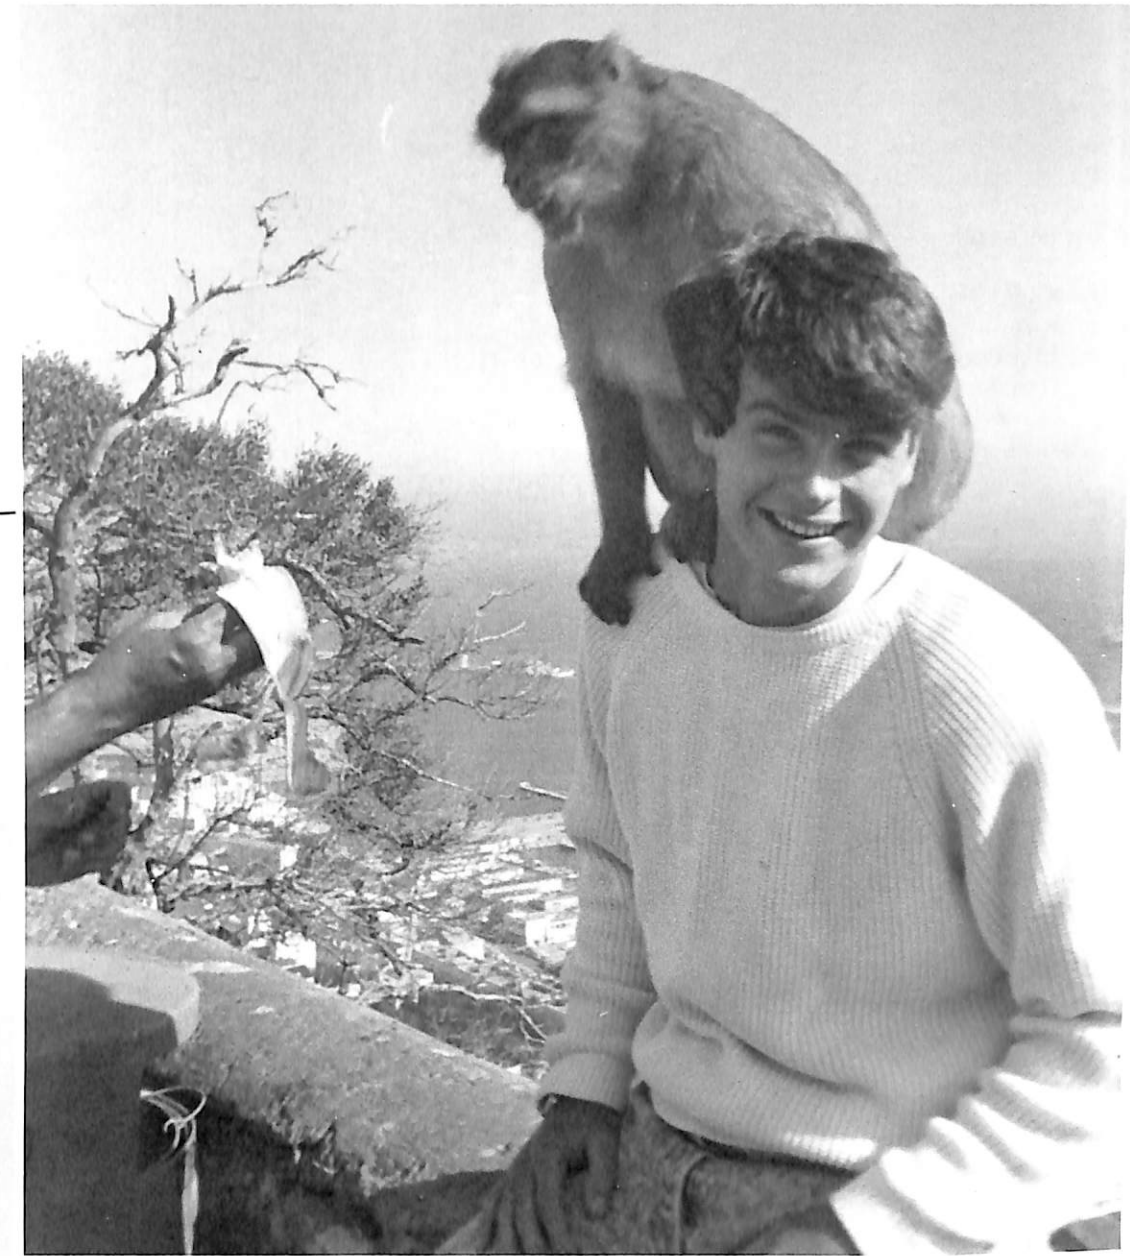

During the week of November fourteenth through the nineteenth, Mrs. Hoffman-Pahl's Spanish II, III, and IV classes went on a study tour of southern Spain. They left Bermuda at seven in the morning on the fourteenth and flew directly to Rota, Spain. While in Spain, the students toured many of the popular tourist attractions including Gibraltar and Seville. Senior Kristen Rosner said, "My favorite part of the trip was Gibraltar." Fellow senior Jaida Raglin said, "It was a great learning experience. We had a chance to see in high school what most people don't get a chance to see in a lifetime."

Back Row: Cathy Duchock, Brian Leo, Rob Wagner, Kevin Leo, Tim Hasselbring, Jason Fubler.
Front Row: Mrs. Leo, Mrs. Hoffman-Pahl, Jaida Raglin, Tracy Leonard, Kristen Rosner, Wendy Paul, Heather Frost, Sarah Lins, Jennifer O'Neil, Stephen Pope, and Gabriel Lawson.

On their tour, the students saw many historical places. This castle in Granada was one of the most popular ones.

Front Row: Kristen Rosner, Jaida Raglin, Stephen Pope.
Back Row: Jason Fubler, Kevin Leo, Wendy Paul, Tim Hasselbring, and Cathy Duchock.

All the Chaffee students liked the Gibraltar monkeys. Brian Leo became close buddies with one of them.

(far left) The scenery of Spain was beautiful. Heather Frost and Kristen Rosner take time to appreciate its beauty.

(left) Touring Spain was very tiring. Kevin Leo, Cathy Duchock, and Brian Leo sit down and take a break.

Chaffee Students Go For The Gold!

The Duke of Edinburgh Award Scheme is a program of leisure-time activities that challenge young people all over the world. It is designed to encourage the participants to select activities in which they are interested and talented.

The awards are separated into three categories. The first is Bronze for those over fourteen. The Silver Award is for participants over fifteen and the Gold for those over sixteen. Depending on their age, young people may compete for all three or begin where they wish. Those who achieve an Award, receive the appropriate badge and certificate.

This is the first time Chaffee has offered this award and it has been well received by both students and staff. Sixteen students have registered for the Bronze Award: Charles Amyx, Jason Anderson, Jacob Brown, Dawn Claywell, Amie DeAngelo, Suzy Dillinger, Heather Edwards, De-Juan Harris, Jonathan Kelly, Travis Myers, Mike Pettinelli, April Sanderson, Derek Trimmingham, Todd Wilson, Ryan Jenson, and Jason Bogus. Next year, the Bronze and Silver Awards will be offered, and every year after that all three awards will be offered.

Bottom Row; Mike Pettinelli, Jason Bogus, Charles Amyx, April Sanderson, Todd Wilson, Amie DeAngelo, Jason Anderson, Middle Row: Heather Edwards, Ryan Jenson, Jacob Brown, Dawn Claywell, Suzy Dillinger, Top Row: Jonathan Kelly, Derek Trimmingham, and Travis Meyers.

(above right) Mr. Richard Pahl was one of the staff members who enjoyed working with this exciting new program.

(middle right) Chief Al Sousa, Richard Pahl, Moyra Benbow, Lee Haselbring, and Esther Sousa.

(bottom right) Mrs. Moyra Benbow was the primary organizer of this new activity.

What's Developing With The Photo Club?

Have you ever wondered how film is developed and printed? Did you ever want to develop and print your own pictures?

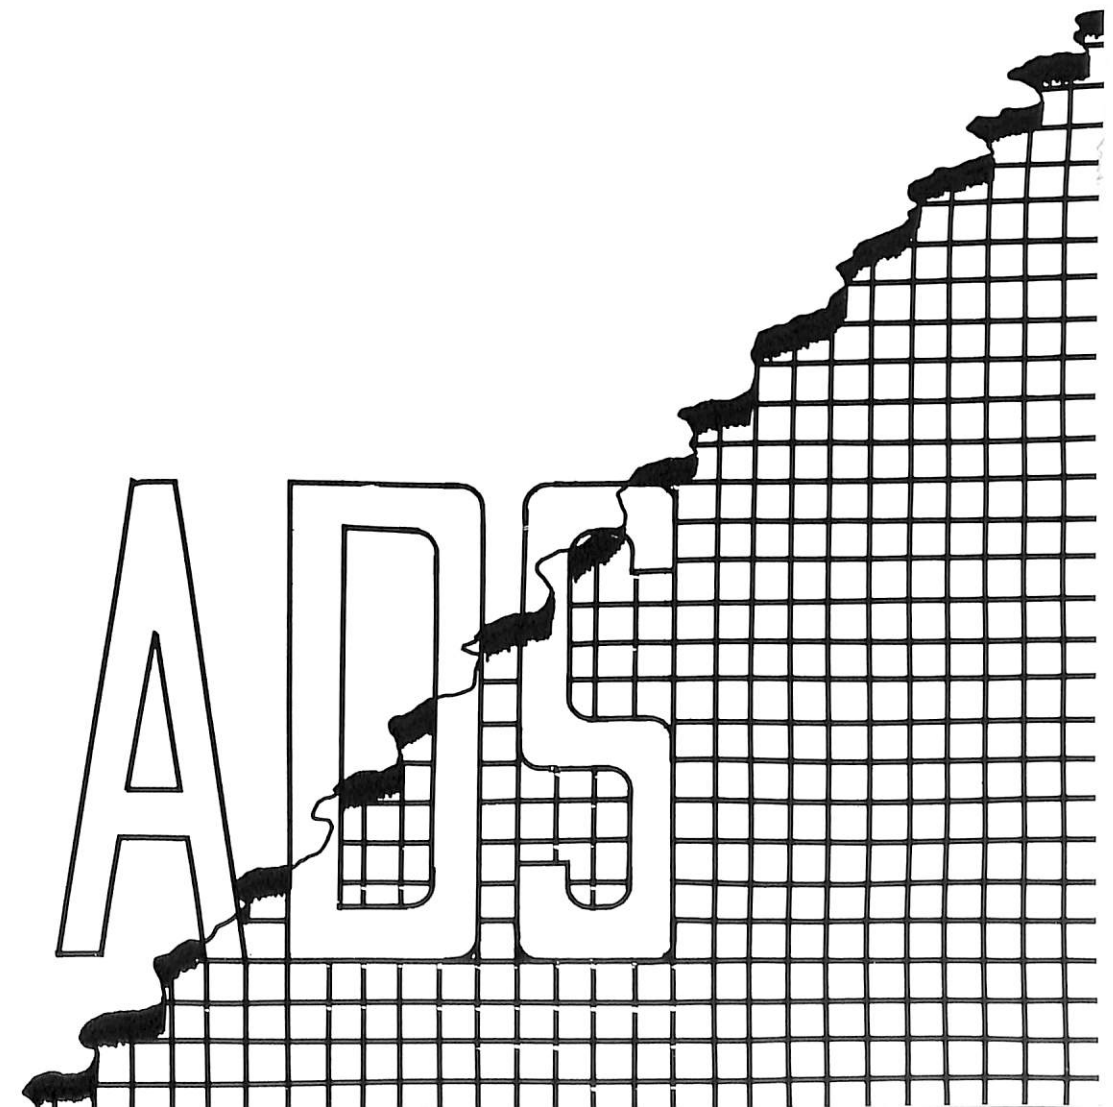

Well, this is what the photo club teaches you to do! You learn the correct procedures to make it possible for you to develop and print your own photos. You also learn how to enlarge your prints; in addition, you go on field trips to professional darkrooms.

The members of the Photo Club helped with the elementary school yearbook. Mr. Nixon, the sponsor, feels that the club is well worth having and enjoyed working with the students. Regarding the club's activities, Mr. Nixon said, "I was happy to have so many enthusiastic people. As a new teacher, I hope the Photo Club continues."

Group Shot: (left to right) Cristy Larsen, Kim Kaldenberg, Jerry Deckle, Amy De Angelo, and Mr. Nixon.

This was Mr. Nixon's first year at Chaffee High School. He enjoyed being the sponsor of the Photo Club.

Regina Schultz was missing from the group shot but missed very few meetings of the Photo Club.
