What's the answer to number 3?

Some of us can focus ...

LA to spread the word!

Sharing ideas to help each other.

Learners eager to participate.

Language Arts is fun for all at BMS!

Ready with my DOL.

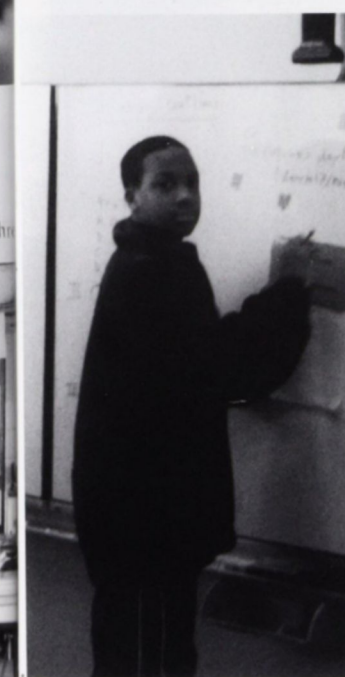

My turn!

Hard at work to learn, learn, learn.

The work is just burying us!!

Showing off at the board.

A chance to work collaboratively.

Math Classes Add Up To FUN!!

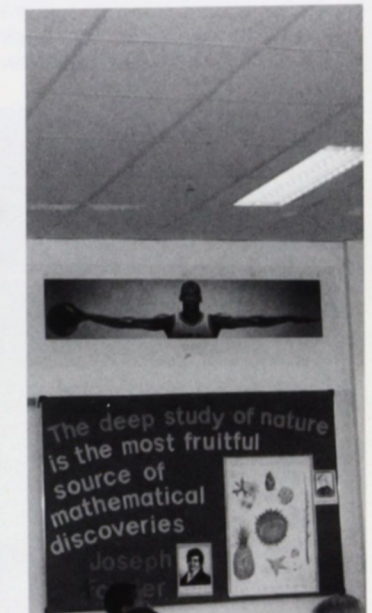

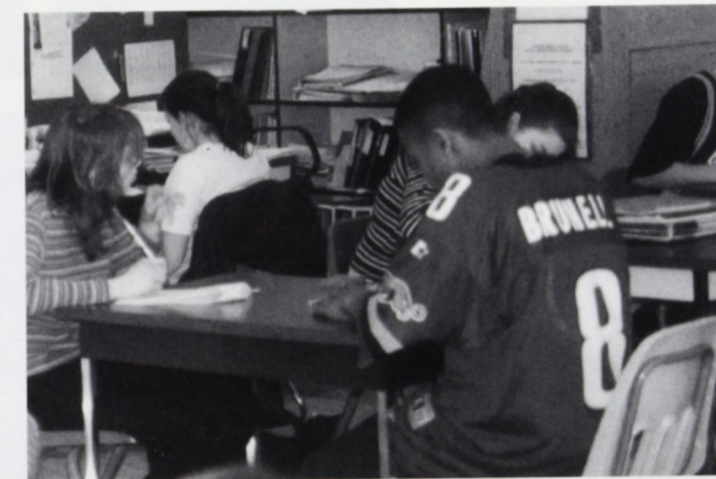

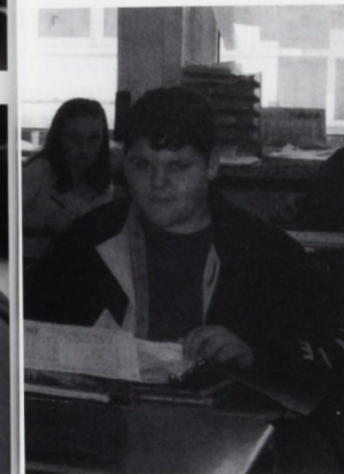

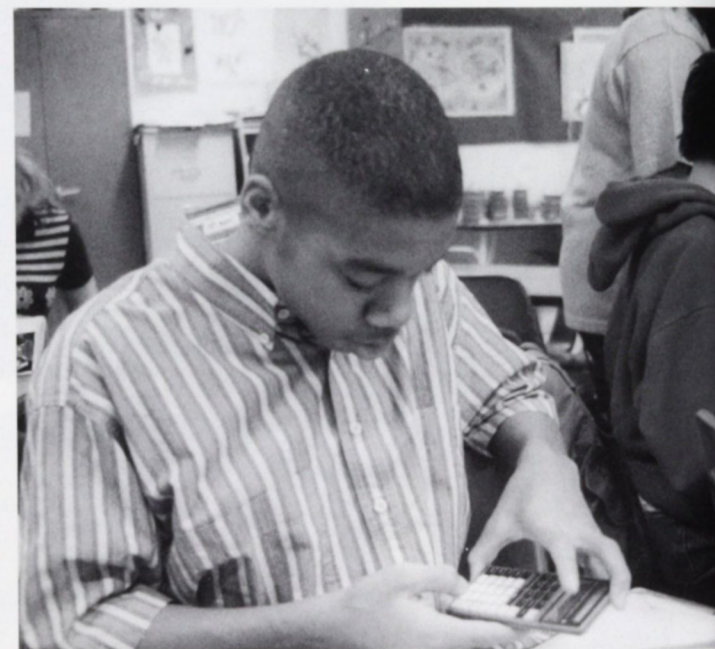

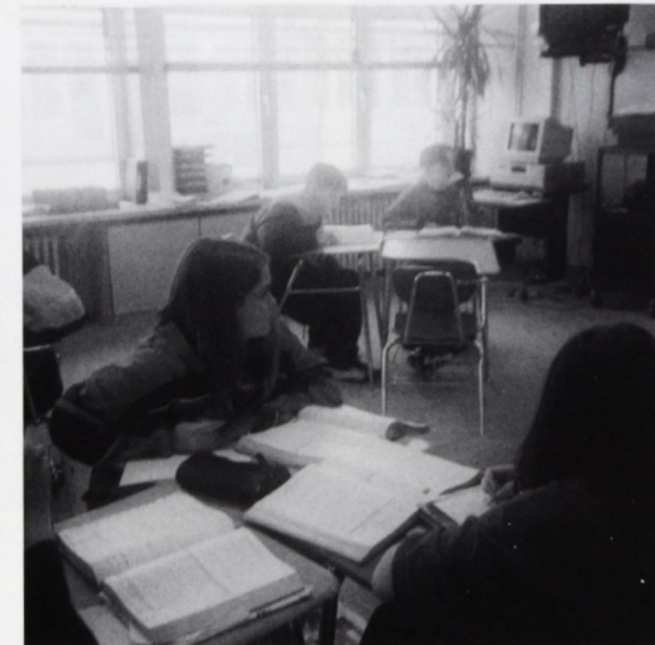

Fifth and sixth graders learned as they worked their way through the Mathland curriculum. Students worked in pairs and small groups to understand the logic behind the math answer. The seventh and eighth grade curriculum expanded on the beginning Mathland had made and challenged students to new heights in their mathematical reasoning.

Social Studies broadens our horizons.

Living in Europe was a doorway to many new worlds that BMS students explored in many ways. They saw the sights and learned history through books, movies and travel. World History, Geography and the American Revolution all presented a way for BMS students to expand their horizons. Hands on and group work both allowed for a greater understanding of the world we live in and the world of tomorrow.

BMS puts its castle walls up!

Variety is the basis of the Social Studies curriculum at BMS. Part of the curriculum reviewed the Roman times with a trip to Trier to view the ruins while other students built castles to represent the Medieval days. Students learned about the Constitution and the Bill of Rights, how the Democratic process works or enjoyed a great day being BMS colonists. Whether building a display or listening to a notable lecture, BMS students received the best Social Studies education in the world!

Odyssey of the Mind

Odyssey of the Mind is a program that challenges kids to apply their imaginations and their ingenuity to solve problems. BMS Odyssey of the Mind team demonstrated that they knew their stuff when they took 1st place at the regionals in Landstuhl and then 1st again at state level in Berlin. J.P. Crowley, Lynse DeShields, Tran Pham, Max Reuning, Aubrey Richardson, Zach Smith and worked with their coaches Mr. DeShields and Mr. Crowley and team sponsor Ms. Sloane to achieve this great feat and head off for World Finals in Tennessee! Best of luck to the whole team!

 "Let me be a seeker of knowledge,
 Let me travel uncharted paths,
 And, let me use my creativity
 To make the world a better place
 in which to live."

Student Council-School Leadership At Its Best!

Lunch meetings helped to keep everything organized.

Stephanie Blackwell (7th gr. Rep.), Natasha Belus (8th gr. Rep.), Alicia Dooley (Pres.), Ashley Richardson (VP), Faye Mattie (Treas.), William Santiago (Sec'y.), Nicole Jose, (5th gr. Rep.) (Missing Gabrielle Haworth, 6th gr. Rep.)

Teamwork is an important ingredient.

National Junior Honor Society

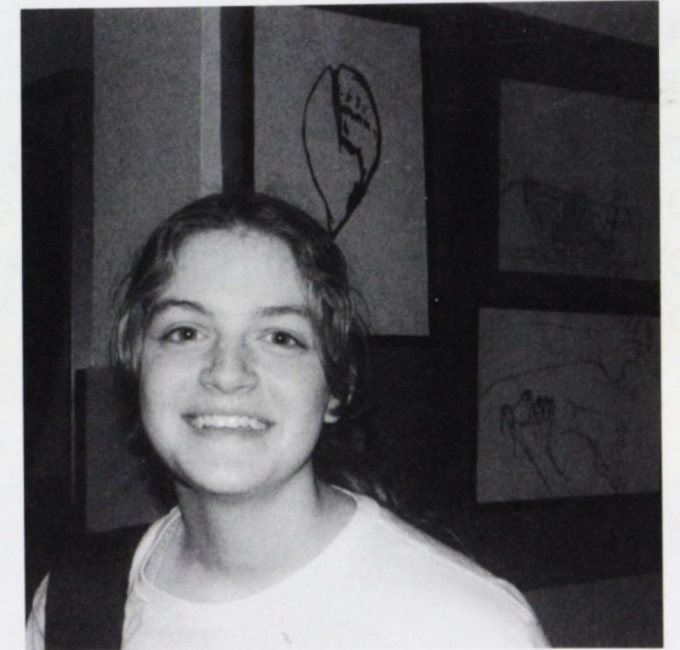

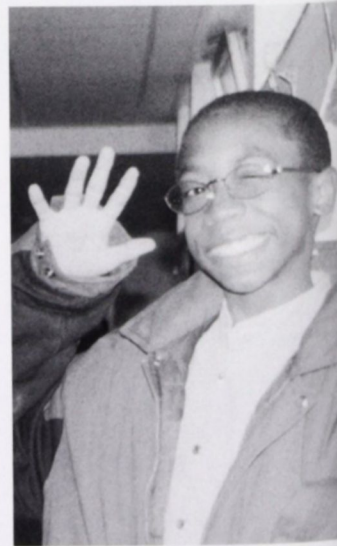

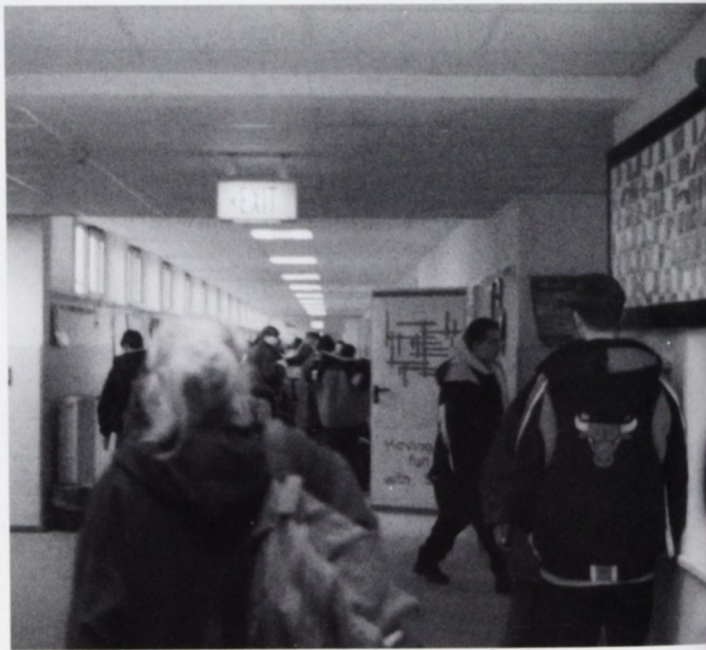

The National Junior Honor Society is a service organization that helps build community at school whenever the opportunity arises. This year's 18 eighth graders babysat for evening parent meetings, served as open house guides, sponsored dances, and hosted the Leadership Seminars in the spring.

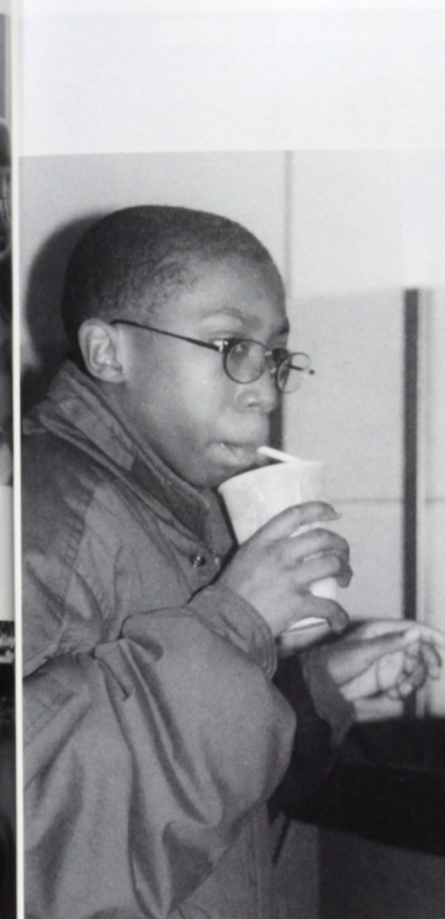

Roaming the Halls!

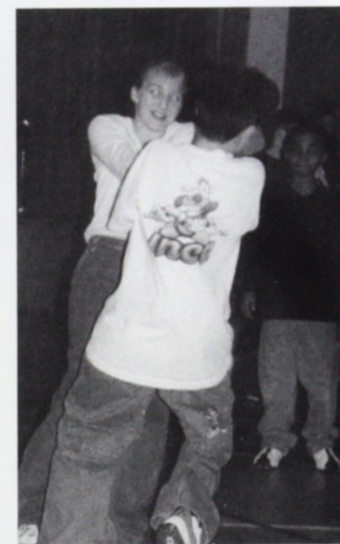

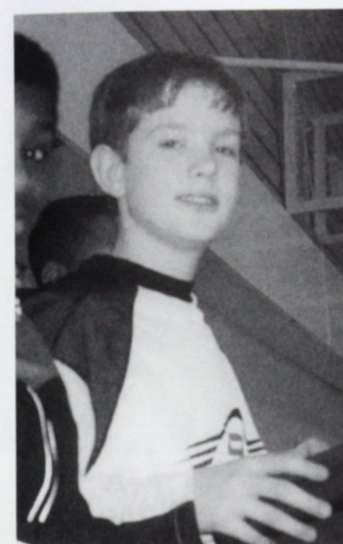

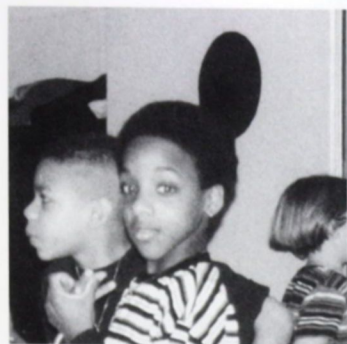

With five minutes between classes, Bobcats spend a lot of time in their lockers and passing to their next class. Time is important to all Bobcats to insure they get to class on time and avoid a detention for being tardy!

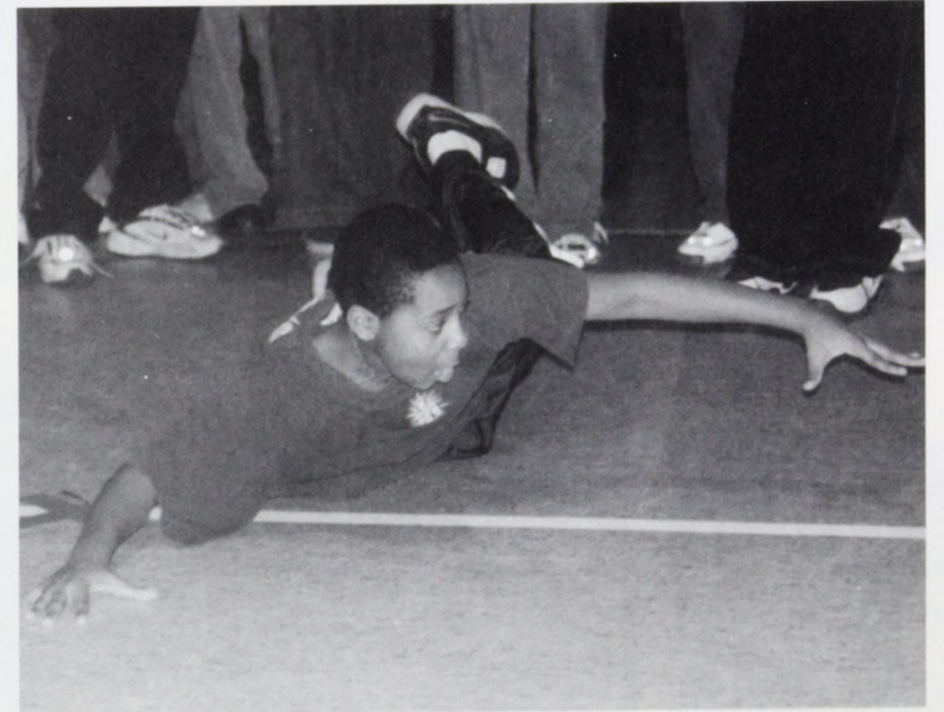

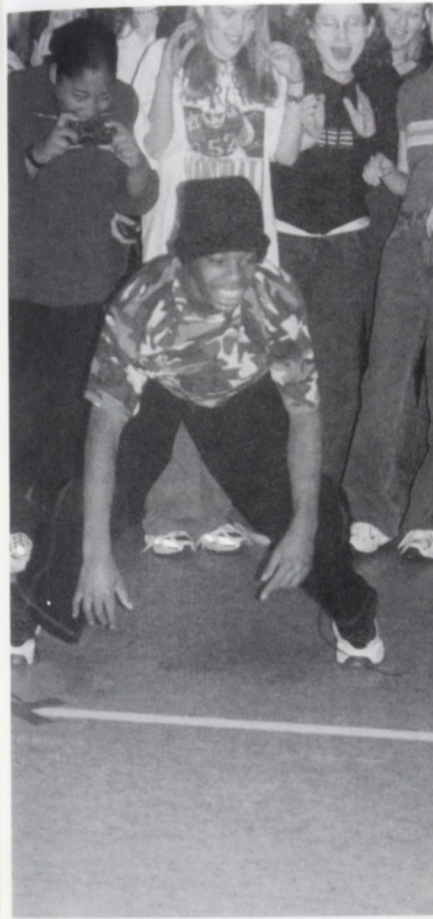

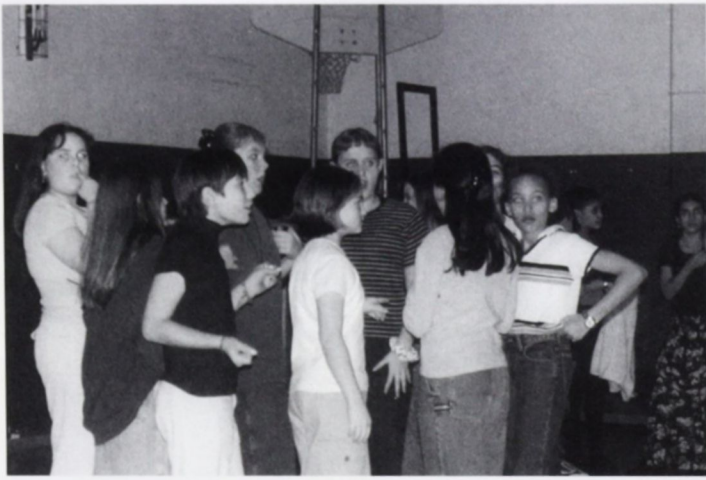

Lunch was a favorite activity for many Bobcats. Some spent their time hanging out with their friends over chicken fries or pizza in the cafeteria while others walked up to Burger King or Robin Hood.

BMS BIDS THE 53RD A FOND FAREWELL

The 53rd NATO Tigers are filled with rich heritage which spanned 6 decades. The squadron began in 1940 flying in Panama. During WWII, the 53rd flew 338 combat missions, including support of the D-Day operation as well as the Battle of the Bulge. During the campaign over Southwest Asia, during operation DESERT STORM, the 53 FS downed 11 enemy aircraft. After arriving at Spangdahlem AB in 1994, the squadron continued patrolling the skies over northern and southern Iraq. The road to success has been long and winding. The Tiger spirit will remain vivid and long-lasting memory for all. TIGER TIGER!!

An F-15C is dedicated in the Memorial Air Park honoring the 53 FS.

The NATO Tiger stands guard over the Eifel.

31 March 1999 saw the end of an era as the 53rd NATO Tigers say good-bye.
