School Year 2006-2007

Students, Parents, and Staff Members,

Congratulations on a wonderful school year! BES is a great place for children.

The students have had so many great opportunities for success this year. Teachers, students, and parents have dedicated their time and resources to help students succeed. Extra curricular activities like Reading Counts, Drama, Showcase, Homework Club, Claymation, Video Club, Computer/Internet Café, Science Club, Art Club, Book Club, Fitness Club, Digital Photography, Safety Patrol, and Math Club are only some of the programs in which students participated.

For Ms. Christine Moyer it is the end of a long distinguished career of dedicated teaching. Ms. Moyer graduated from high school in Kennett, Missouri. She received a Bachelor's Degree from Texas A&I and a Master's Degree from Louisiana Tech. She taught with DoDDs for 20 years: 12 years in Kitzingen and 8 years in Bitburg.

Ms. Moyer stated, "I have loved every minute of my teaching career. Listening to any child read is like the most beautiful violin music ever played on a Stradivarius. I am not planning to retire from life; a person is never too old to dream. If you can dream it, you can do it. My future dreams include having my writing career take off like a house-a-fire!"

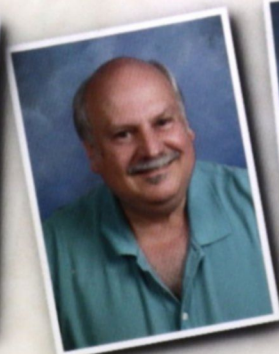

Our community of learners has benefited from knowing and being taught by Ms. Moyer. The teaching staff, the paraprofessional educators, PTA, SAC, the many parents and community volunteers join us in wishing Ms. Moyer and all the students a restful, fun, and safe summer!
