We Love you!

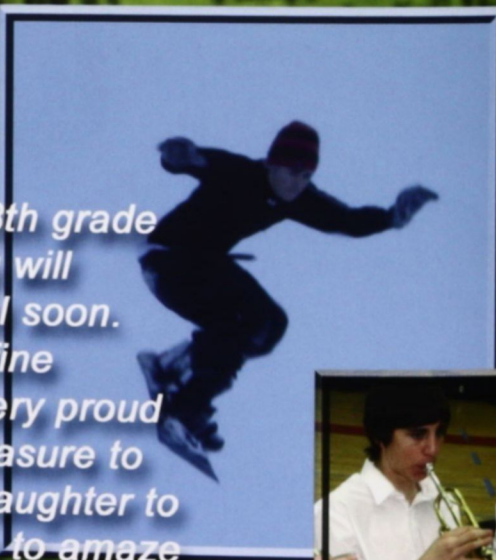

**Mom, Dad, Andrew,
Baby & Tibby**

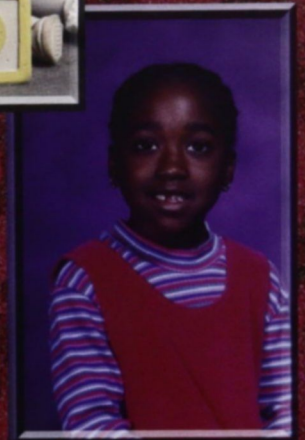

Caleb,

It's hard to believe your 8th grade year is already over and you will be a freshman in high school soon. You are growing up to be a fine young man and we are so very proud of you. You have been a pleasure to raise and you always bring laughter to our family. You never cease to amaze us with everything that you do. We look forward to seeing what your high school years will bring. Keep up the good work.

All our love,
Dad, Mom,
Joshua, Daniel, and Sarah

FOR A SPECIAL DAUGHTER.

Sandra, the year has gone by in a flash it seems, and along the way you've filled each day with happy times, memorable achievements and, most of all a feeling of love. You never stop finding ways to make each day an adventure, filled with appreciation and kindness. You always keep going and growing. Your energy and dreams never end. Your family, teachers and friends have seen each year that you are more remarkable than ever. We just want to let you know that you are loved more than you could ever know.

God Bless you always.

Our Little Kelsee is on her way....

We are so very proud of you.

Congratulations!!!

We Love you and admire you for all that you have accomplished in the past nine years since Kindergatten.

High school is just another step toward all the dreams

that you have...

Good Luck!!

*Love,
Mom, Troy and Taylor!*

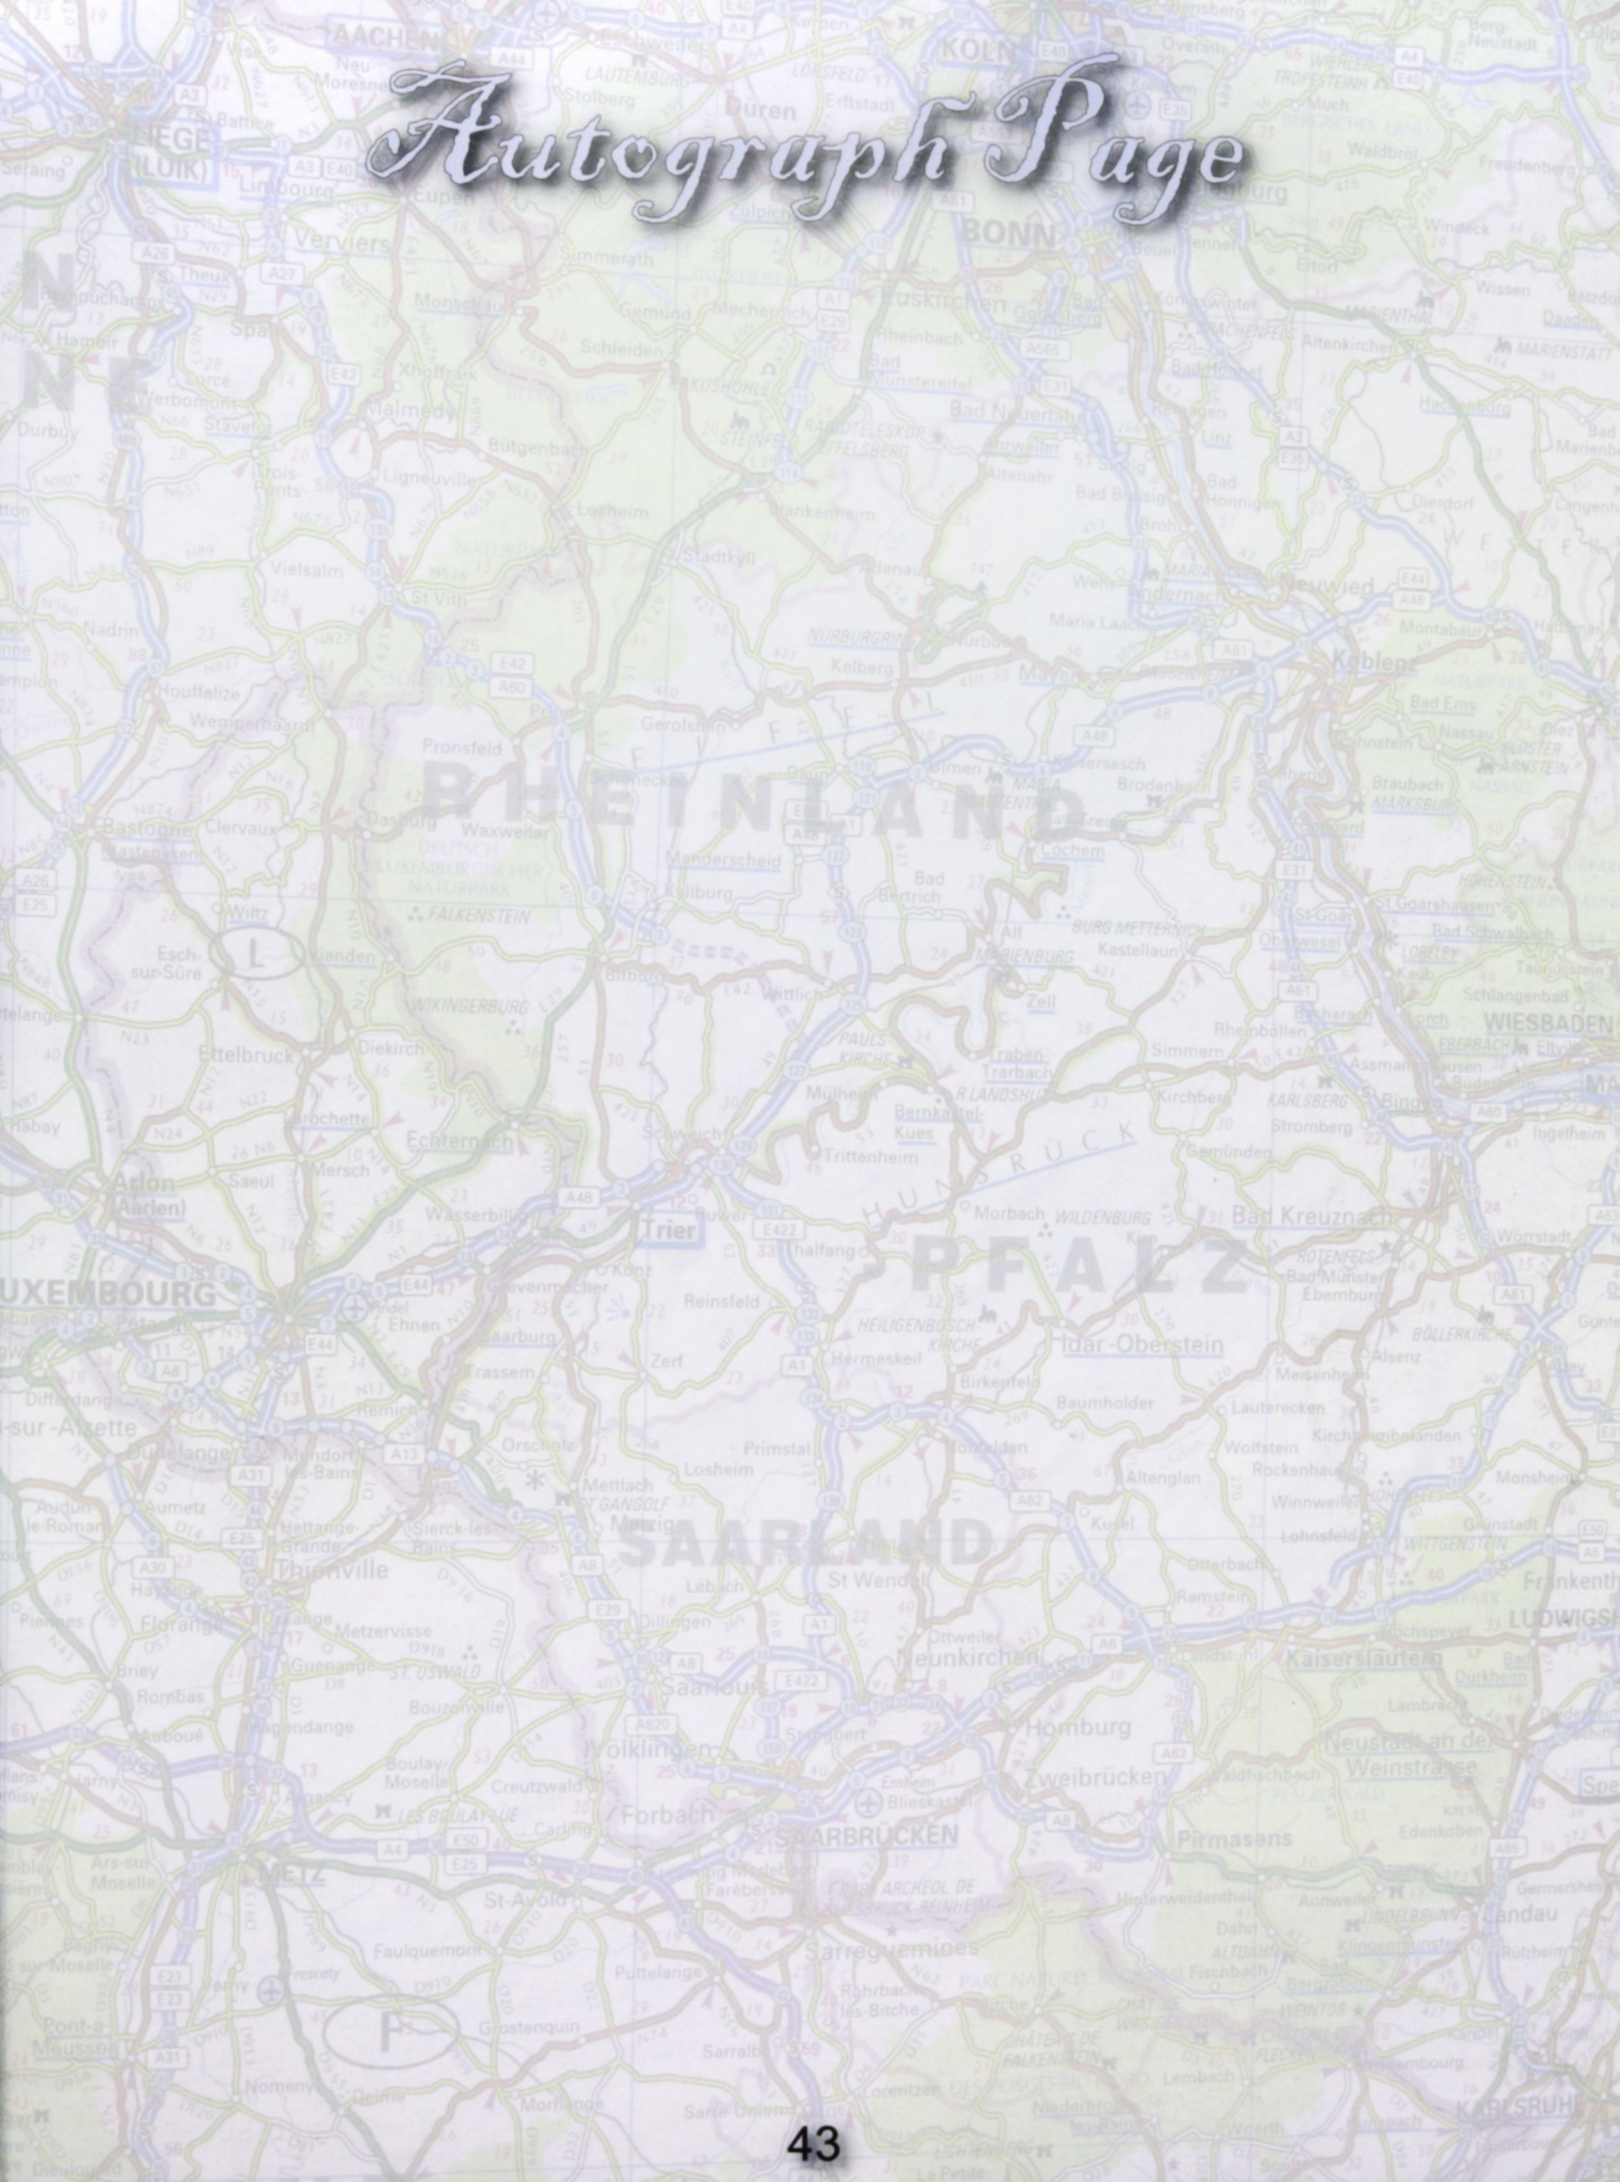

Jacob,

We are so proud of you and wish you the very best of luck in the stages of your life. We know you will succeed in whatever you choose to do. I hope the next 4 years are the best yet!

Love Mom, Dad, and Savannah
