Dedications

Nick,

Congratulations!

**We are so proud of you
and all you have accomplished so far.
We know you can succeed
at whatever you set your mind to,
so keep up the hard work
and never give up on your dreams.**

**We hope the next four years in
high school are the best!**

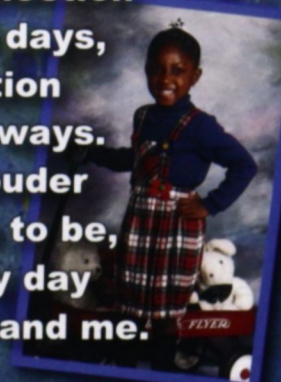

**With all our love,
Pop, Mom, and Bianca**

Ellisia

**We love you for so many reasons,
We hardly know where to start. . .
for the first time ever we held you
your sweetness melted our hearts.
We treasure each bright recollection
of those sunshiny childhood days,
lit with your joy and affection
and your precious, little-girl ways.
And now we couldn't be prouder
of the teenager you've grown to be,
and we thank the Lord every day
for the blessing you are to dad and me.**

**Wow! Another year has flown by and you are about to enter high school! Time is
definitely not standing still. You are our smart and beautiful daughter who will
succeed in all that she does. We wish you nothing but continued success as you
progress through your last 4 years of school and beyond. Always know that we
love and cherish you-infinity!**

**Amor Siempre,
Mom and Dad**
