DEPARTMENT OF DEFENSE  
DEPENDENTS SCHOOLS

Boeblingen Elementary Middle School  
Unit 30401  
APO AE 09107

Believe it or not, we are nearly at the end of what has been a year filled with CHANGE. We have experienced changes in many areas. These changes include staffing, opening a new middle school, curriculum adoptions, and adjusting to the military PCS-ing schedule. To help us manage the changes, we have all exhibited flexibility, positive attitudes and PR<sup>2</sup>IDE<sup>2</sup>. Specifically, we have enhanced our character development through demonstrating the characteristics embodied in our BEMS Guiding Principles:

Preparation  
Respect and Responsibility  
Integrity  
Determination  
Effort and Excellence

Even though this has been a year of transformation, we have achieved much as we formed productive partnerships with parents and the Command. Through effective collaboration and much hard work, we accomplished and engaged in activities such as our annual Terra Nova assessment, an educationally engaging African American History Month Program, a great African American Wax Museum Exhibit, Dr. Seuss activities, Women's History Month recognition, Band concerts, an exciting Time Travelers' Club, an effective Fitness Club, a VFW Essay Contest, an informative speaker who talked about how she survived the Holocaust, Awards Assemblies, Success Parties, Talent Shows that included teachers and students and many other events that are too numerous to list.

As an administrative team, we express our sincere gratitude to our PTA and to all the students, teachers, and parents who have helped make our transitional year successful. A special thank you goes to our volunteers who have assisted in classrooms as well as with special events and activities. To Mrs. Diane Gravatt, our yearbook editor, thanks for a wonderful product and a job well done. We look forward to next year. It promises to be another exceptional opportunity for our students to excel in their academic endeavors. We will continue working toward highest student achievement which is a goal set forth in the DoDEA Community Strategic Plan.
