FRIENDSHIP ADS

To Tezra, Bert, Michelle, Megan & Amy,
 You guys are the greatest! I couldn't ask for better friends. Thank for being there for me.
 Your good friend, Casey H.

To: All my PALS
 You all have been great pals!

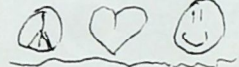

From Jessica W.

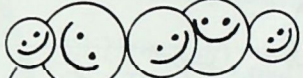

Tegan, Mary Anne, Jessica, Emma, Brittany, and Ashley,

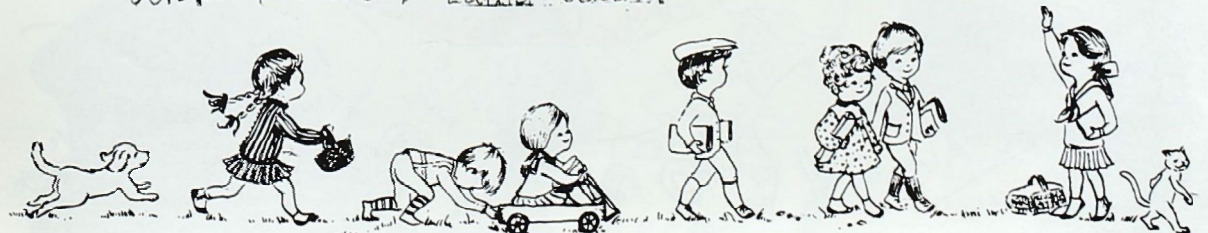

Thank you for being friends! I hope you all have a good summer. We've all been through so much, and I'll never forget the times we spent together!

Dirole

This year has been a very wierdone. First all of my friends fall in love with Ryan Prystai, Scully gets cancer, Mandi breaks her foot, and my favorite Megans hair. Things can only get normal in our Freshman yr. Definition of a Freshman is this: Any small adult, prone to embarrassing moments, immature friends who make fun of the love of your life, and initiation wedgies given by previous Freshman. Before I run out of space I would like to say: "The Truth Really is out there." "Deny Everything." and "Float with whatever gets yout here." I LOVE DEEK. To Mulder and Scully: Thank you. To Michelle Cleveland: Your really cool! To Mrs. Richardson and the middle school cheerleaders "you guys are so much fun." To anyone who thinks they're better than everyone else: I hope you fall and scrape your knee! Laura Jacobs

 "Don't walk behind me, I may not always lead."
 "Don't walk in front of me, I may not always follow."
 "Just walk beside me and be my friend!"
 To: Lauren, Ashley, Susie, Lauea, Jessica, Shannon
 Thanks for everything! Ya'll are great!
 Love, Jordan Black

Memories

Voices of yesterday remind us how it used to be as we pass through the corridors of time.

The dances that no one wanted to miss.
That cute boy or girl who sat across from me in seminar.
The tests we never studied for and managed to pass.
The teachers that constantly remind us why we were at school.
Our friends we could always count on to get us out of a tight jam.
How proud our parents were when we made Honor Roll.
There are many memories that are not listed, but are there to greet us.
