A Step Through the Unknown

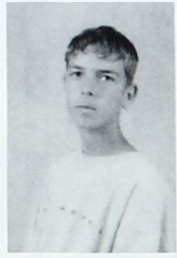

This year was like no others. All of us were clinging to each other. We had no idea what to do, where to go. We were lost in the world unknown. We are taking more risks and doing more things. Going through each day is easier, now knowing what to do. We are starting to step out of the "Unknown".

Next year will be our step out of the unknown. We'll be more confident, knowing the ways of our new life. Next year will be our tomorrow, to step into with confidence.

Friendship

Ads

This is to all of my friends for whom I care for very much. This is also to anyone who has had a rough year and thought that life wasn't or isn't worth it.

I've got news for you. It is! I have been through a lot this year. I've had trouble with guys, grades, friends, siblings, peers, parents, and life. But, lucky for me, I have friends..... that really care. I want to thank Deyon for being my guardian angel and showing me that there are reasons for existing; even if we don't always understand them. I want to thank Marie for being my friend even when it wasn't fair and for giving me a second chance. I want to thank Ashlee for making me realize that other people have problems too. I want to thank Julia for being my best friend and sticking by my side even when it all seemed so hopeless. I also want to thank Tony for putting up with me for so long and for being there when I needed to talk. Oh, yeah, and thanks for the hugs.

They work miracles. Thank you Maurice for loving me so much. (and for giving me so many chances to realize it.) Thank you Alex and Tyson for always telling me that I was 'fine'. It always seemed to put a smile on my face. Thank you Ken and Shaun. I don't know why, but thanks anyways.

Thank you Dacia for coming here and letting me be your friend. Oh, and congratulations on Tyson. You guys look really cute together. Thank you Jenny and Chiquetta for being such understanding friends. Thank you Amy for also being a great friend and sharing my interest in guys. It was fun.

Thank you Steven and Isaac for showing me that it really is what's on the inside that counts. Thank you mom, dad, Bonnie, and Tom for all being my parents and loving me unconditionally no matter how stupid my acts were, and thanks for putting up with all of my crap through the years. Thank you Ann, Jenny, Big Matt, Little Matt, and Timmy for accepting me as your big sister. Oh, and Ann, thanks for always being right about most of the guys that I chose to go out with. A special thank you to all of my teachers who put up with me and gave me a great education. I just want to also thank Melissa Todd and her mother, Marigold for showing me the way to Jesus Christ and for loving me yourselves. Thanks Jared, Amy, and Dima for all being my friends. Thank you Amanda for small talk and good advice about really dumb guys. Thank you Darcie, Mark, Katie, Tami, Chris, Chris, Adam, John, Dianne, Melissa, Michael, Maurice, and Chris for all letting me be a part of you life. Thank you Doug for loving me and not giving up on me. I know that I'll never give up on you. And thank you God for putting me here and sacrificing your only son for my sins. I love you. Thank you, everyone for all being my friends. I wish you all a wonderful and happy life, because all of you deserve it. Everyone does. This year has probably been on of my greatest learning experiences so far. In my own special way, I love each and every one of you. Thank you. Amanda Engels

P.S. Please remember that no matter where you are, no matter what you have done, no matter what you have been through, there is always someone who loves you and even someone who needs you, and you will find out that you need them too. Good luck and many successes to all of you.
