Message From Mr. Schyberg

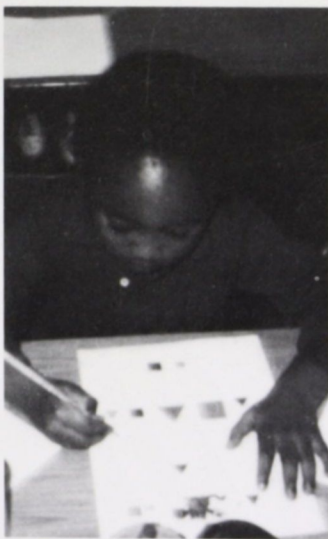

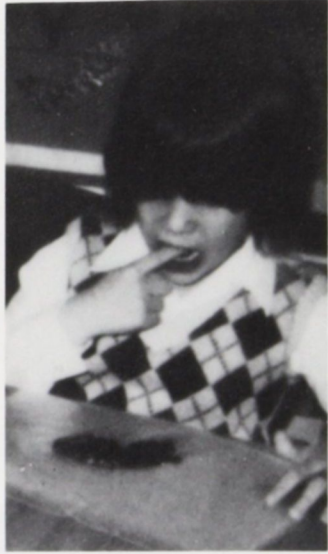

Butzbach School is a place where children can learn and grow. With this yearbook we start a new tradition at Butzbach School. I am happy to be able to begin this tradition and I hope we can continue it for years to come.

To all of the children who will remember their days in Germany and at Butzbach School whenever they look through this yearbook - "SEE YOU LATER ALLIGATOR"!

We express our gratitude to the friendly German people for their kind hospitality. We've had a taste of your culture which will forever be remembered by us. The beautiful woods, the quaint & clean little towns, the fairytale houses & castles, the fun volksmarsches, the yummy candies, cakes & pastries, and the sometimes beautiful weather, will always be a part of us. We dedicate these few photos to our wonderful Host Nation, Deutschland.

▼ Dreams!

A collage of children's portraits and line drawings illustrating various career paths. The central figure is a large drawing of a boy in a lab coat holding a test tube. Other drawings include a girl in a chef's hat, a boy at a desk, a girl writing, a boy playing a saxophone, a girl in a cheerleader outfit, a boy in a graduation cap, a girl in a soccer uniform, a boy in a military uniform, a girl in a ballerina outfit, a boy in a jockey outfit, and a girl in a tennis outfit. The portraits are cutouts of real children placed over the corresponding line drawings.

A black and white portrait of a woman with short, curly hair, smiling. She is wearing a light-colored blouse with a ruffled collar and a pearl necklace. The background is dark.

Special appreciation to Mrs. Shirely Faddies for her hard work as Yearbook Sponsor.
