The Butzbach Student Council, with the help of Ms. Alldaffer, sponsored a fund raising project to help the children effected by the September 11th tragedy. They also sponsored a school wide program "KIDS HELPING KIDS!"

The students not only gave money to those in need, but they also showed their talents during the program. This was only one way these students showed that they cared.

The funds were given to Mrs. Kolthoff, the Station Manager for The American Red Cross.
