Principal's Message...

It's hard to believe that we're already at this point in the school year--it feels as though we were checking class lists not too long ago to see who our teachers would be for the opening days in August. Indeed, our days were filled with excitement, friendships, and learning!

As you look at the many pictures that capture our fun-filled days within this yearbook, do take time to reflect upon all that you have accomplished this school year. Although there may have been some days that were challenging for you, you have risen above these occasions simply due to determination, effort, and ability. Your talents, know-how, and commitment will continue to take you far when you apply yourself 100%.

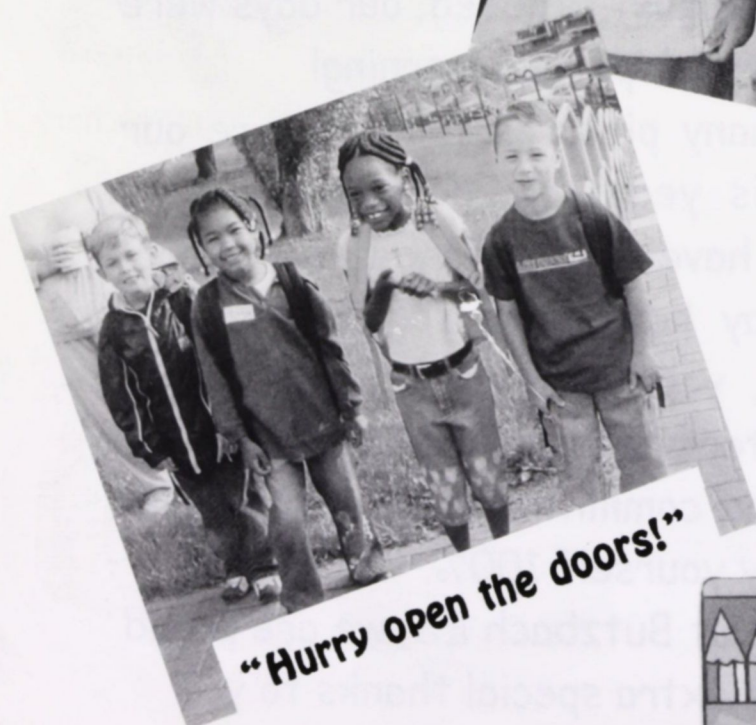

On behalf of everyone at Butzbach ES, we are proud of all of you. This year was extra special thanks to you!

Remember

We remember the day fire filled our nation's sky
 As all of America cried out "Why?"
 All our flags hung half way down
 Echo's of sorrow were heard the world around
 We remember when tears clouded our sight
 As ones loved and lost were sent off to fight
 We'll never forget what happened that September
 So we make this vow to always remember.
