Memories to last a lifetime...

Butzbach Elementary School

2006 - 2007

Butzbach, Germany

Message from the Principal Sue Morin

Dear Students,

What a milestone school year this has been! We've had many challenges, celebrations, & growth this year. With some of our many highlights shared as follows:

* In August 2006 school buses & vans drove up to the school site for the first time in a long time, making the Bad Nauheim ES / Butzbach ES transitions an instant success & allowing many friendships to begin, grow, & last throughout the year.

* Ongoing projects & activities in the class room not only incited us to investigate unknowns, but prompted us to take reasonable, safe risks to best challenge us in discovering meaning in our learning.

* Staff members throughout the school dedicated many hours, before & after the regular day to provide us opportunities in the shape of Student Council, Homework Club, Fitness Club, Cooking Club, Odyssey of the Mind, Board Games Club, Arts & Crafts Club, Writers Club, & Math Olympiads. Additionally, the Talent Show, Family math night, the Volksmarch/Field Day, the breakfast program, and reading incentives, like Read Across America, added smiles & memories to each passing day.

* Our Parent Teachers Association remained instrumental in supporting students & programs throughout the school year, be it school pictures, creating this yearbook, Pastries for Parents, Family math Night, the Talent Show, the holiday dance, designing a new school T-shirt, & providing the beloved Popcorn Fridays weekly.

And while these events & successes were being conquered at the school, sacrifices on the homefronts permeated in the shape of (extended) deployments, reuniting our families in February & March 2007, all in time for PCS moves & our schools scheduled closure in June.

So as we reflect on this past school year with pride & accomplishment, do remember these final thoughts...

* Achieving success is often a struggle, never giving up until you know that you've reached your goal & destination...& then beginning the next journey for new discovery & growth.

* Success is not meaningful unless the experiences in achieving this success are valued.

* Your positive attitude will make the difference in ALL outcomes.

* Your smile is a lasting impression on everyone.

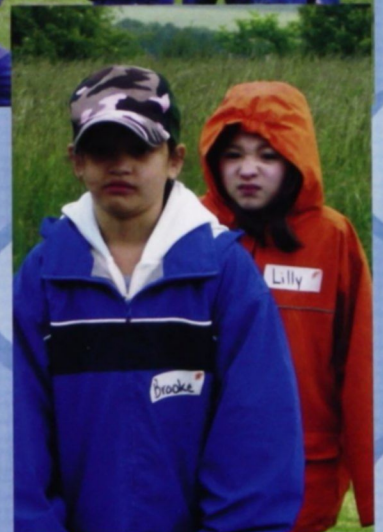

* It takes courage to know who you are AND who you plan to be.

Do you know that when our schools doors close their final time at the end of June, the friendships, discoveries, growth, & successes will always stay near & dear to our hearts. the lessons learned daily - be it in the classroom, playground, cafeteria or while on study trips - will be life's lessons that will continue to inspire, motivate, guide us to all that we can be. To our students - Our Heroes - at Butzbach ES, the staff and I wish you all the very best. We will miss you & will think of you with great fondness, keeping the many lessons that you have taught us close to mind and heart - all with incredible smiles and lasting memories.

Here's to you!
Ms. Morin & the BES Staff

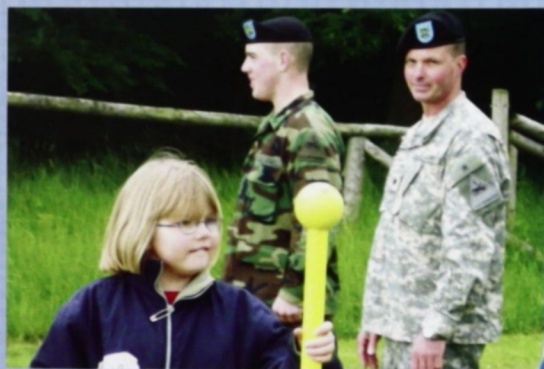

Field Day

June 2006

In June 2006, students from Bad Nauheim ES joined the students from Butzbach ES in a combined Volksmarch / Field Day event. This would mark the beginning of the transition that would combine the 2 schools this year.

Red Ribbon Week
Oct 22 - Oct 27

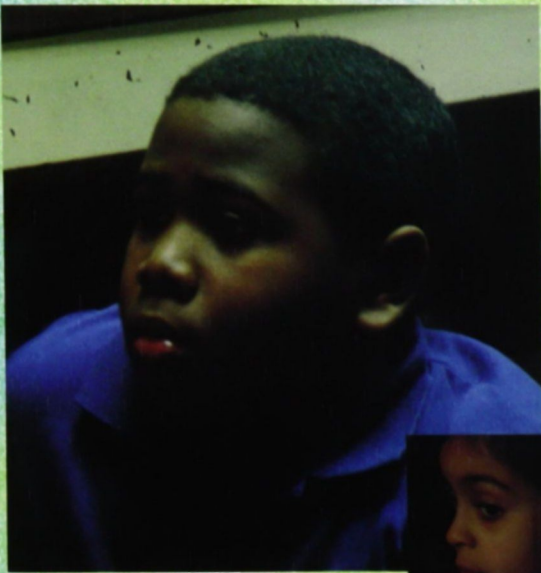

Red Ribbon Week is an annual event in schools nationwide where time is dedicated to talking about healthy lifestyles & healthy choices. BES participated in Red Ribbon Week with a Door Decorating contest, "Join together to be Drug Free" - where each student & staff member printed their names on "Bricks" to collectively pledge to remaining drug-free, & "Plant the Promise" where each class planted Red Tulips around the school!
