Ann Hines
Assistant Principal

23 March 1991

Dear Students,

This has been an exciting year at Delalio Elementary School! We have displayed yellow ribbons, written letters, and watched closely as so many of our loved ones have been involved with the Gulf War. Through it all, you have been very brave.

During this time, you have been doing a lot of reading of good literature, developing your wonderful writing and speaking skills, learning how to have good conversations about books, studying science, history, and geography, learning and understanding math, and finding new ways of cooperating with other people.

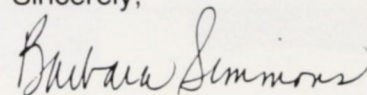

Friday assemblies have been great times to see students in all grades perform poems, songs, short plays, and dances. Skyhawk has been recognizing those reading at home. Singing Happy Birthday to each and every one of you has been a highlight.

You are special. You have made Delalio Elementary School a very special place to grow, to learn, and to care, and to become good citizens.

Caring parents, students, teachers, staff, and the community are the winning combination. At Delalio Elementary School, all of us care and we show it. We thank our PTO and volunteers for their endless contributions.

This yearbook is dedicated to all of those special to us in these pages during this time in our lives.

Sincerely,

BARBARA SIMMONS
Principal
